AUTOMATIC PAYMENTS HAVE BEEN SPECIFIED FOR YOUR ACCOUNT.

We suggest you carefully check all entries on your statement. Apparent errors or possible unauthorised transactions should be promptly reported to us.

The security of your Personal Identification Number (PIN) is very important. To avoid being liable for unauthorised transactions, you should follow the terms and conditions of your account. We also recommend some simple steps to protect your PIN:

- Memorise your PINs and passwords and destroy any communications advising you of new ones. Don't keep a record of your PINs or passwords, in written or electronic form.
- If you choose your own, ensure that it is not something easy to guess like your (or a family member's) birth date, name, phone number, postcode, driver's licence number or numbers that form a pattern.
- Don't tell anyone your PIN, not even friends, family or a bank representative.
- Ensure nobody watches you enter your PIN or password. A good practice is to cover the keypad when you put in your PIN or password.
- Watch out for email, SMS or call scams asking for details relating to your account. If you receive suspicious emails, please contact us immediately. Please note: These are guidelines only. While following these steps will help you to protect your PIN, your liability for any losses arising from unauthorised transactions is determined in accordance with the ePayments Code. For further details, see

https://asic.gov.au/regulatory-resources/financial-services/epayments-code/ or visit bendigobank.com.au/mycard for all card related information. Business customers visit /mybusinesscard.

An International Transaction Fee of 3% of the transaction amount (in AUD) is payable for each transaction which is conducted in a currency other than Australian dollars (AUD), or conducted in Australian dollars (AUD) but with or using a merchant, payment processor, financial institution or other entity (including an online merchant) who is outside of Australia. (Fee does not apply to Bendigo Ready Credit Card). Note: It may not always be apparent to you that an online merchant is located outside of Australia. Additional charges may apply for cash transactions.

Note 1 - Basis of Preparation & Significant Accounting Policies

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996, prescribe that the financial report be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Notes 4-11 do not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources.

Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings, infrastructure and investment property
- estimation uncertainties made in relation to lease accounting
- estimated useful life of intangible assets

SIGNIFICANT ACCOUNTING POLICES

Significant accounting policies utilised in the preparation of these statements are as described within the 2023-24 Annual Budget. Please refer to the adopted budget document for details of these policies.

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for impairment of receivables is raised when there is objective evidence that they will not be collectible.

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the period that are unpaid and arise when the City becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

All land (other than exempt land) in the Shire of Kulin is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire of Kulin.

The general rates detailed for the 2022/23 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

Kulin

March 21, 2024

Dear Alan

On behalf of the KULIN RETIREMENT HOMES COMMITTEE I am writing to inform you that we are planning to build a unit/small house on the vacant block in the WORKMAN ESTATE on Gordon St.

We have a verbal expression of interest from a prospective 'lease for life' occupant., who will contribute approximately \$200,000 to the cost of the unit.

The Kulin Shire provided financial assistance and assistance with works in the construction of the original three units completed in November 2011. We are hoping you will be able to assist us in a similar way with this new venture.

If you require further information please contact myself or speak to, our treasurer, Annette.

Regards

Mary Lucchesi

Chairperson KRH

KULIN RETIREMENT HOMES HISIORY

1975 - Units 1 & 2 on the corner of Gordon and Price Streets were opened on December 11, 1975.

inaugural committee of the Kulin Retir, tent Homes Inc was formed approximately three years prior. A local voluntary committee worked in conjunction with the Shire to build units 1 & 2. Apparently, the committee and Shire were having some difficulties deciding where to build the units. The Kulin Masonic Lodge generously donated the land to commence building the units. The Kulin Lions club supplied materials and concreted the pad and also paid for the original personal alarm system to be installed.

<u> 1985</u> - Units 3 & 4 in Price St were opened sometime this year. These units were built by the Kulin Shire with assistance from a local volunteer committee. There is no plaque to establish the exact date units 3 and 4 were opened, however it is believed to be close to 1985. The Kulin Lions club donated a cash contribution of \$10,000 towards the building of these units.

1997 - Units 5-10 making up the newer part of KULINDA VILLAGE were officially opened on September 19, 1997. Following a 'Getting Kulin Going' community meeting, held in Kulin in September 1994, aged care facilities and housing were identified as an area of need for the town. Subsequently, a Retirement Strategy was developed for Kulin.

An Annual General Meeting of the Kulin Retirement Homes Committee was called and a group of interested people were elected to look at the

reasibility of establishing a project.

Initially, the committee was working towards building a Frail Aged Hostel in Kulin. Visits were made to Corrigin and Quairading to look at the hostel accommodation built in those towns, with a similar plan drawn up by an Architect. The Kulin Retirement Homes committee then lodged a submission with the Commonwealth Department of Human Services and Health. However, the application coincided with the Federal Government cutting funding for Frail Aged Hostel places. The Government redirected funds into programmes like HACC to keep the elderly in their own homes.

With no prospect of building a Frail Aged Hostel in Kulin, the Committee in conjunction with the Shire of Kulin, investigated other avenues of funding. The Homeswest Joint Venture was the most attractive option for building units. Units 5-10 were built as a result of a successful funding application and a fundraising drive in Kulin.

Community funds were needed to build the joint venture units. The committee undertook fundraising which included catering, cropping the air strip and donations of grain and cash. Kulin community groups, businesses, individuals and farmers were extremely generous donating time, grain and money to the project. Cultivating Kulin Committee, funded by Kulin Bush Races made a \$10,000 cash contribution. The overwhelming support gave the Retirement Homes Committee their cash contribution, allowing the project to proceed. The land for the entire Kulin Retirement Homes buildings was generously donated by the Kulin Masonic Lodge.

During the fundraising drive, the committee advertised frequently in the Kulin Cultivator requesting donations for the housing project. An ex

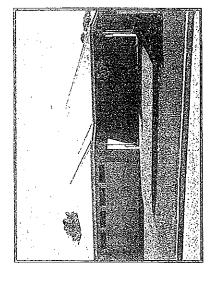

receiving a monthly edition of the Kulin Cultivator and became aware of the Retirement Homes fundraising drive. She lived in Mandurah and was known only to a few Kulin residents. Following her death in 1997, we were advised that Ms Workman ad bequeathed her estate to the Kulin Ret :ment Homes.

The building of all units at Kulinda Village was made possible by the valuable support of the Shire of Kulin,

2011 - On November 11, 2011 Lease for Life/ Self Funded Units in Gordon St were officially opened by Brendon Grylls, These three units are stage one of the WORKMAN ESTATE. The Workman Estate is the next phase of planning by the Kulin Retirement Homes Committee to provide housing for seniors in Kulin.

The building of these units was able to be undertaken as a result of Kath Workman's bequeath and generous donations from R4R funding, Kulin Community Bank and Kulin Bush Races.

The Shire of Kulin once again provided valuable support and expertise, which is greatly appreciated by the committee of Kulin Retirement Homes Inc.

INTRODUCTION

This Shire of Kulin Policy Manual has been prepared to assist Council and staff to administer the Shire.

The manual is a compilation of policy on subject matters that form the basis of administrative decision making without the need to refer matters to the Council for a decision, before it can be enacted. It also enables Councillors and staff to readily answer questions raised by electors, the public and stakeholders about the usual business of the Shire.

As new policies are adopted, or existing policies are amended, the Manual is updated, maintaining the Shire's most recent view on how it will conduct business. Obviously, time changes the need for and relevance of policy responses. The Policy Manual framework allows the Council to design, recreate or update policy, without being overly influenced by current hot topics as it develops the best Shire response to matters at a policy level.

The use of policy in Local Government (LG) sits between statute and legislative requirements or the 'must do's and must comply" elements of its business and the operational procedures that provide a guide on the best way to conduct the operations. Therefore, in some ways it can sometimes be an expression of principle, culture and process and not a direct account of what the Council believes must be the order of the day.

Policy sometimes can be misinterpreted as having firm legal status like a statute or local law but this is not the case. More accurately, it is a stated combination of the what/how/where and when that the Council would like to see in its business practice and whilst case law may apply to some of these elements, policy is only a past resolution of the Council. Whilst having the status of a Council resolution, the effect of such can be changed by a new resolution or revision motion.

Policy's true purpose is to provide an outline and guidance of the Council expectation and response so that consistency of decision making can be achieved.

If the interpretation of policy identifies that the matter cannot be accurately understood or addressed, or that the policy takes away from the cultural or principled positions of the Council – then at those times review is required to again clarify what the Council's intent would be in those circumstances.

The Policy Manual therefore is reviewed annually by the Council and tested against live examples and current trends to ensure that the policies are still consistent with Council's current stance and preference.

A1 CODE OF CONDUCT - MEMBERS AND STAFF

Administration

PREAMBLE: The Shire of Kulin has adopted the model Code of Conduct which provides elected members and staff in Local Government with consistent guidelines for an acceptable standard of professional conduct. The Code addresses in a concise manner the broader issue of ethical responsibility and encourages greater transparency and accountability in individual Local Governments.

The Model Code is complementary to the principles adopted in the Local Government Act and regulations which incorporates four fundamental aims to result in:-

- a) better decision making by Local Governments;
- b) greater community participation in the decisions and affairs of Local Governments;
- c) greater accountability of Local Governments to their communities; and
- d) more efficient and effective Local Government.

OBJECTIVE: The Code provides a guide and a basis of expectations for elected members and staff. It encourages a commitment to ethical and professional behaviour and outlines principles in which individual and collective Local Government responsibilities may be based.

POLICY:

Role of Elected Members

A Councillor's primary role is to represent the community, and the effective translation of the community's needs and aspirations into a direction and future, for the Local Government will be the focus of the Councillor's public life.

A Councillor is part of the team in which the community has placed its trust to make decisions on its behalf and the community is therefore entitled to expect high standards of conduct from its elected representatives. In fulfilling the various roles, elected members' activities will focus on:

- achieving a balance in the diversity of community views to develop an overall strategy for the future of the community;
- achieving sound financial management and accountability in relation to the Local Government's finances:
- ensuring that appropriate mechanisms are in place to deal with the prompt handling of residents' concerns;
- working with other governments and organisations to achieve benefits for the community at both a local and regional level;
- having an awareness of the statutory obligations imposed on Councillors and on Local Governments.

1. Conflict and Disclosure of Interest

1.1 Conflict of Interest

- (a) Members and staff will ensure that there is no actual (or perceived) conflict of interest between their personal interests and the impartial fulfilment of their professional duties.
- (b) Staff will not engage in private work with or for any person or body with an interest in a proposed or current contract with the Local Government, without first making disclosure to the Chief Executive Officer. In this respect, it does not matter whether advantage is in fact obtained, as any appearance that private dealings could conflict with performance of duties must be scrupulously avoided.
- (c) Members and Staff will lodge written notice with the Chief Executive Officer describing an intention to undertake a dealing which may otherwise be in conflict with the Council's functions.

- (d) Members and Staff who exercise a recruitment or other discretionary function will make disclosure before dealing with relatives or close friends and will disqualify themselves from dealing with those persons.
- (e) Staff will refrain from partisan political activities which could cast doubt on their neutrality and impartiality in acting in their professional capacity.

An individual's rights to maintain their own political convictions are not impinged upon by this clause. It is recognised that such convictions cannot be a basis for discrimination and this is supported by anti-discriminatory legislation.

1.2 Pecuniary Interest

Members and staff will adopt the principles of disclosure of pecuniary interest as contained within the Local Government Act.

1.3 Disclosure of Interests Affecting Impartiality

Members are required to disclose any conflicts of interest of a non-financial nature that they may have that could be perceived as likely to affect the judgement of that person to act impartially. Details of the nature of the disclosure by the member must be recorded in the minutes of the meeting.

Staff and consultants who are providing advice to the meeting must make the disclosure at the time of giving such advice.

1.4 Disclosure of Interest

- (a) Members and appropriate staff will disclose, in a written return or at the relevant meeting, the interests which might be in conflict with their public or professional duties.
- (b) Whenever disclosure is required, recommended in this Code, or otherwise seems appropriate, it will be made promptly, fully, and in writing within the register provided.

2. Personal Benefit

2.1 Use of Confidential Information

Members and staff will not use confidential information to gain improper advantage for themselves or for any other person or body, in ways which are inconsistent with their obligation to act impartially, or to improperly cause harm or detriment to any person or organisation.

2.2 Intellectual Property

The title to Intellectual Property in all duties relating to contracts of employment will be assigned to the Local Government upon its creation unless otherwise agreed by separate contract.

2.3 Improper or Undue Influence

Members and staff will not take advantage of their position to improperly influence other members or staff in the performance of their duties or functions, in order to gain undue or improper (direct or indirect) advantage or gain for themselves or for any other person or body.

2.4 Gifts and Bribery

- (a) Members and staff will not seek or accept (directly or indirectly) from any person or body, any immediate or future gift, reward or benefit (other than gifts of a token kind, or moderate acts of hospitality) for themselves or for any other person or body, relating to their status with the Local Government or their performance of any duty or work which touches or concerns the Local Government.
- (b) If any gift, reward or benefit is offered and is in excess of \$300 (other than gifts of a token kind, or moderate acts of hospitality), disclosure will be made in a prompt and full manner and in writing in the appropriate register.

3. Conduct of Members and Staff

3.1 Personal Behaviour

- (a) Members and staff will:
 - (i) act, and be seen to act properly and in accordance with the requirements of the law and the terms of this Code;
 - (ii) perform their duties impartially and in the best interests of the Local Government uninfluenced by fear or favour;
 - (iii) act in good faith (i.e. honestly, for the proper purpose, and without exceeding their powers) in the interests of the Local Government and the community;
 - (iv) make no allegations which are improper or derogatory (unless true and in public interest) and refrain from any form of conduct, in the performance of their official or professional duties, which may cause any reasonable person unwarranted offence or embarrassment; and
 - (v) always act in accordance with their obligation of fidelity to the Local Government.
- (b) Members will represent and promote the interests of the Local Government, while recognising their special duty to their own constituents.

3.2 Honesty and Integrity

Members and Staff will:

- (a) observe the highest standards of honesty and integrity, and avoid conduct which might suggest any departure from these standards;
- (b) bring to the notice of the Mayor/President any dishonesty or possible dishonesty on the part of any other member, and in the case of an employee, to the Chief Executive Officer.
- (c) be frank and honest in their official dealing with each other.

3.3 Performance of Duties

- (a) While on duty, staff will give their whole time and attention to the Local Government's business and ensure that their work is carried out efficiently, economically and effectively, and that their standard of work reflects favourably both on them and on the Local Government.
- (b) Members will at all times exercise reasonable care and diligence in the performance of their duties, being consistent in their decision making but treating all matters on individual merits. Members will be as informed as possible about the functions of the Council and treat all members of the community honestly and fairly.

3.4 Compliance with Lawful Orders

- (a) Members and Staff will comply with any lawful order given by any person having authority to make or give such an order, with any doubts as to the propriety of any such order being taken up with the superior of the person who gave the order and, if resolution cannot be achieved, with the Chief Executive Officer.
- (b) Members and Staff will give effect to the lawful policies of the Local Government, whether or not they agree with or approve of them.

3.5 Administrative and Management Practices

Members and staff will ensure compliance with proper and reasonable administrative practices and conduct professional and responsible management practices.

3.6 Corporate Obligations

- (a) Standard of Dress:-
 - Staff are expected to comply with neat and responsible dress standards at all times. Management reserves the right to raise the issue of dress with individual staff.
- (b) Communication and Public Relations:

- (i) All aspects of communication by staff (including verbal, written or personal), involving Local Government's activities, should reflect the status and objectives of that Local Government. Communications should be accurate, polite and professional.
- (ii) As a representative of the community, Members need to be not only responsive to community views, but to adequately communicate the attitudes and decisions of the Council. In doing so, Members should acknowledge that:
 - as a member of the Council there is respect for the decision-making processes of the Council which are based on a decision of the majority of the Council;
 - information of a confidential nature ought not to be communicated until it is no longer treated as confidential;
 - information relating to decisions of the Council on approvals, permits and so on ought only be communicated in an official capacity by a designated officer of the Council;
 - information concerning adopted policies, procedures and decisions of the Council is conveyed accurately.

3.7 Relationships between Members and Staff

An effective Councillor will work as part of the Council team with the Chief Executive Officer and other members of staff. That teamwork will only occur if Members and Staff have a mutual respect and cooperate with each other to achieve the Council's corporate goals and implement the Council's strategies. To achieve that position Members, need to:

- accept that their role is a leadership, not a management or administrative one;
- acknowledge that they have no capacity to individually direct members of staff to carry out particular functions;
- refrain from publicly criticising staff in a way that casts aspersions on their professional competence and credibility.

3.8 Appointments to Committees

As part of their representative role Members are often asked to represent the Council on external organisations. It is important that Members:

- clearly understand the basis of their appointment; and
- provide regular reports on the activities of the organisation.

4. Dealing with Council Property

4.1 Use of Local Government Resources

Members and staff will:

- (a) be scrupulously honest in their use of the Local Government's resources and shall not misuse them or permit their misuse (or the appearance of misuse) by any other person or body;
- (b) use the local Government resources entrusted to them effectively and economically in the course of their duties and
- (c) not use the Local Government's resources (including the services of Council staff) for private purposes (other than when supplied as part of a contract of employment), unless properly authorised to do so, and appropriate payments are made (as determined by the Chief Executive Officer).

4.2 Travelling and Sustenance Expenses

Members and staff will only claim or accept travelling and sustenance expenses arising out of travel related matters which have a direct bearing on the services, policies or business of the Local Government in accordance with Local Government policy and the provision of the Local Government Act.

4.3 Access to Information

Staff will ensure that members are given access to all information necessary for them to properly perform their functions and comply with their responsibilities as members.

Members will ensure that information provided will be used properly and to assist in the process of making reasonable and informed decisions on matters before the Council.

A2 COMMON SEAL - AFFIXING OF

Administration

PREAMBLE: Numerous agreements and contracts require the affixing of the Common Seal. This Policy and delegation to the CEO and the Shire President apply the affixing of the Common Seal as and when required.

OBJECTIVE: The Policy sets out the conditions that apply to the use of the Common Seal.

POLICY: The Shire President and Chief Executive Officer are authorised, when the situation demands, to sign and affix the Common Seal of the Shire of Kulin to documents. Where the contract or agreement is a continuation of an existing arrangement or previous Council resolution, Council's prior resolution is not required. Where a matter has not been before the Council on any previous occasion, Council resolution to affix the Common Seal is required.

All uses of the Common Seal including contracts or agreements of any nature are to be recorded in the Delegations Register and reported monthly to Council in the Compliance - Delegations Exercised Report.

PROCESS: Prior to the Common Seal being used for the first time on a contract or agreement, Council is to have resolved to enter into a contract or agreement.

The CEO is charged with the care of the Common Seal and is only to apply the Common Seal to documents at the same time and sitting as the Shire President.

Details of when the Common Seal has been used are to be recorded in the Delegation Register, and the Compliance - Delegations Exercised Report submitted for information monthly to the Council.

HEAD OF POWER: Local Government Act 1995 Section 9.49A

DELEGATION: To the CEO to permit the affixing of the Common Seal when required.

A3 CORPORATE CREDIT CARDS – USE

Administration

PREAMBLE: Credit Cards are being used within Government as a purchasing resource. They can however expose the Shire to significant risk if not properly controlled and managed.

OBJECTIVE: To ensure the proper use and control of Corporate Credit and to comply with s6.5 (a) Local Government Act 1995 and regulation 11 (1) (a) of the Local Government (Financial Management) Regulations.

POLICY: The use of Corporate Credit cards is at the Chief Executive Officer's discretion and shall not be used as a means to supersede the Shire's purchasing system and procedures; use of credit is a complimentary function of purchasing.

Credit Cards shall only be used for purchasing goods or services where expediency and processes do not allow the normal purchasing practices to apply e.g. over the phone purchases, payment for goods where seller requests immediate payment. In the case of purchases where it is still appropriate to issue a Shire order to record details of the purchase this should also be undertaken – indicating that payment has already been made by credit card.

Credit cards will not be used for cash purchases.

Credit cards will not be used for personal purchases, and if this occasion arises by error, immediate repayment is required.

Credit cards will only be issued with the approval of the Chief Executive Officer and in the case of the CEO, following a report and approval of the Council by resolution.

A "non-reward" business credit card shall be the preferred option offered by the Shire's banker, and if rewards are offered, all rewards remain the property of the Shire.

Card holders are responsible for the physical and information security of the card in their possession and in the case of a lost or misplaced card, the cardholder shall notify the Bank and the Executive Manager of Financial Services immediately.

All expenditure on corporate credit cards shall comply with delegation limits for Shire officers and GST Invoices and receipts of transactions shall be obtained by the card holder for monthly acquittal.

PROCESS: Upon receipt of monthly corporate credit card statements, the officer will acquit all expenditure made by producing all receipts. It is the responsibility of the card holder to obtain documentation to acquit the credit card transactions.

A register of card purchases shall be maintained by the card holder and submitted with monthly receipts (a purchase order and credit card expense form are still required to be completed).

As part of the monthly accounts for payment processes, the Executive Manager of Financial Services will present the Credit Card Statement detailing acquittal transactions and balances to the Council as part of the monthly meeting Agenda.

Non-compliance with the intent, principles and acquittal of this policy will result in withdrawal of the credit card and at the discretion of the Chief executive Officer, disciplinary action.

HEAD OF POWER: Local Government Act 1995, Section 2.7(2) (a) & (b) and Section 6.5(a). Local Government (Financial Management) Regulations 11(1) (a).

OBJECTIVE: To set out procedures through which the Shire of Kulin achieves compliance with Equal Opportunity legislation.

A6 LEGAL ADVICE, REPRESENTATION & COST REIMBURSEMENT

Administration

PREAMBLE: This policy is designed to protect the interests of Council, members and employees (including past members and former employees) where they become involved in civil legal proceedings because of their official functions. In most situations the local government may assist the individual in meeting reasonable expenses and any liabilities incurred in relation to those proceedings.

In each case it will be necessary to determine whether assistance with legal costs and other liabilities is justified for the good government of the district. This policy applies in that respect.

OBJECTIVE: To provide security, that in the event of legal proceedings or claims being taken against a Council member or staff member in the legal conduct of their duty, Council will financially support their response to the claims and or proceedings.

POLICY: General Principles

The Chief Executive Officer is authorised to obtain from Solicitors such legal advice and opinions as deemed necessary to enable the proper legal administration of Council's business. The CEO is delegated under the Local Government Act 1995, section 5.42 the authority to engage solicitors following consultation with the Shire President an authorisation to the value of \$5000 for legal advice in relation to the proper legal administration of the Shire.

The Shire may provide financial assistance to members and employees in connection with the performance of their duties provided that the member or employee has acted reasonably and has not acted illegally, dishonestly or against the interests of the local government and/or in bad faith.

The local government may provide such assistance in the following types of legal proceedings:

- 1. Proceedings brought by members and employees to enable them to carry out their local government functions (e.g. where a member or employee seeks a restraining order against a person using threatening behaviour);
- 2. Proceedings brought against members or employees, this could be in relation to a decision of Council or an employee which aggrieves another person (e.g. refusing a development application) or where the conduct of a member or employee in carrying out his or her functions is considered detrimental to the person (e.g. defending defamation actions); and
- 3. Statutory or other inquiries where representation of members or employees is justified.

The local government will not support any defamation actions seeking the payment of damages for individual members or employees in regard to comments or criticisms levelled at their conduct in their respective roles. Members or employees are not precluded, however, from taking their own private action. Further, the local government may seek its own advice on any aspect relating to such comments and criticisms of relevance to it.

The legal services the subject of assistance under this policy will usually be provided by the local government's solicitors. Where this is not appropriate for practical reasons or because of a conflict of interest then the service may be provided by other solicitors approved by the local government.

Repayment of Assistance

Any amount recovered by a member or employee in proceedings, whether for costs or damages, will be off set against any moneys paid or payable by the local government.

Assistance will be withdrawn where the Council determines, upon legal advice, that a person has acted unreasonably, illegally, dishonestly, against the interests of the local government or otherwise in bad faith; or where information from the person is shown to have been false or misleading.

Where assistance is so withdrawn, the person who obtained financial support is to repay any moneys already provided. The local government may take action to recover any such moneys in a court of competent jurisdiction.

PROCESS:

Applications for Financial Assistance

Decisions as to financial assistance under this policy are to be made by the Council.

A member or employee requesting financial support for legal services under this policy is to make an application in writing, where possible in advance, to the Council providing full details of the circumstances of the matter and the legal services required.

Applications for financial support to the Council are to be accompanied by an assessment of the request along with a recommendation which has been prepared by, or on behalf of, the Chief Executive Officer (CEO).

A member or employee requesting financial support for legal services, or any other person who might have a financial interest in the matter, should take care to ensure compliance with the financial interest provisions of the Local Government Act 1995.

Where there is a need for the provision of urgent legal services before an application for financial assistance can be considered by Council, the CEO is delegated under the Local Government Act 1995, section 5.42 the authority the engage solicitors following consultation with the Shire President (and in the case of the Shire President seeking the financial support – the Deputy Shire President) an authorisation to the value of \$5000.

Where it is the CEO who is seeking urgent financial support for legal services the Council shall deal with the application.

HEAD OF POWER: Shire of Kulin - Local Government Act 1995 Financial Provisions,

DELEGATION: To the CEO under LGA Section 5.42, authorisation (with conditions) to seek legal advice in connection with the proper legal administration of the Shire and to support urgent responses to claims for financial assistance to members and staff, advice to the value of \$5000, without reference to Council.

A7 OCCUPATIONAL SAFETY & HEALTH POLICY

Administration

PREAMBLE: The Shire of Kulin Occupational Safety and Health Manual provides the physical collection of processes, practice and procedures relating to health and safety at the Shire. As a governance commitment, the Council's adopted Shire Safety & Health Policy Statement details its obligation and duties towards Shire employees from the highest level in the organisation.

OBJECTIVE: To detail the Shire of Kulin Occupational Safety and Health Policy commitment and performance.

POLICY: The following statement forms the Shire of Kulin policy.

SAFETY AND HEALTH POLICY STATEMENT

The Shire of Kulin acknowledges its moral and legal responsibility to provide and maintain a work environment in which employees, contractors, customers and visitors are not exposed to hazards. This commitment extends to ensuring that the organisation's operations do not place the local community and visitors at risk of injury, illness or property damage.

The Shire of Kulin will:

- Provide and maintain safe workplaces, safe plant and safe systems of work;
- Provide written procedures and instructions to ensure safe systems of work;
- Provide information, instruction, training and supervision to employees, contractors and customers to ensure that they are not exposed to hazards;
- Ensure compliance with legislative requirements and current industry standards;
- Provide support and assistance to employees.

All levels of management are accountable for implementing this policy in their area of responsibility and implementation of this policy will be measured by annual performance reviews. Management responsibilities include the following:

- The provision and maintenance of the workplace in a safe condition.
- Involvement in the development, promotion and implementation of safety and health policies and procedures with regular reviews of these.
- Training employees in the safe performance of assigned tasks.
- The provision of resources to meet the safety and health commitment.

Employees are to:

- Follow all safety and health policies and procedures and acknowledge their duty of care to themselves, their co-workers and the general public.
- Ensure Shire procedures for accident and incident reporting are followed, reporting potential and actual hazards/accidents/incidents to your supervisor and elected safety and health representatives.

This policy is applicable to contractors and employees in all its operations and functions including those situations where employees are required to work off site.

PROCESS: The Shire of Kulin Occupational Safety and Health Manual provides information on processes, reporting requirements, inspection schedules and review mechanisms.

The Occupational Safety & Health Manual is provided to all employees of the Shire and as a working document will receive formal review every two years as a minimum.

Specific sections of the Manual shall be updated and reviewed as required.

The processes allow for immediate amendment of the Manual if identified shortcomings require such, or as the 2-yearly review of the Occupational Safety & Health Manual takes place, under the authorisation of the CEO.

HEAD OF POWER: Local Government Act 1995, Occupational Health and Safety Act 1984

A8 PRIMARY DOCUMENTS

Administration

PREAMBLE: To detail the primary source documents of the Administrative Guidelines and Operational Practices used by the Shire in the conduct of its business.

OBJECTIVE: To provide accurate reference to the documents and their updates, changes and reviews, presented in a concise accurate listing of the operationally preferred processes of the Shire. To have Council support and awareness for the majority of processes used by staff.

PRACTICE: The Primary Documents are to be regarded as the operational rules, administrative procedure, staff instructions, guidelines and reference material that apply to the conduct of Shire business. Whilst not backed with the direct authority of adoption as would Shire policy, the Primary Documents do have the standing of authority of the Council, having passed a resolution accepting the documents as working materials.

The Primary Documents impose procedural and administrative intent and requirements on the Shire staff, Shire residents, contractors and stakeholders alike, and may also contain reference to other legal obligations, applicable statutes, Shire policy, adopted Codes, Circulars and case law decisions.

The Primary Documents for the Shire of Kulin are;

Shire of Kulin Administrative Procedures and Operational Guidelines (APOG) Manual 2017
Shire of Kulin Employee Safety Manual — Policies and Procedures 2017
Shire of Kulin Employee Induction Manual 2018

It is not the intention that the Primary Documents policy captures all operational and support documentation that applies to the business of the Shire as many additional documents are generated under other statutes. E.g. Town Planning Scheme No 2, Shire of Kulin Health Local Law.

Nothing in this policy prevents the Primary Documents from being amended, updated, altered, added to or changed as requirements of law may in fact require such. Any change must be consistent with the intent of producing sufficient documentation to allow staff to legally perform their duties and for the Council to express their desired operational approach.

Changes proposed that deliver consequences that vary from the general thrust of the Primary Documents, require reference to Council for approval.

PROCESS: The Shire of Kulin will table the Primary Documents every two years in June for the Council to adopt. The noted delegations and the detailed authorities would then be confirmed via the adoption by Council resolution of the Delegation Register.

NOTE: The CEO will maintain a listing of all Primary and Secondary Documents that impact on the operations of the Shire and table this at Policy Review.

OBJECTIVE:

The object of the Act is to:

- · facilitate the disclosure of public interest information;
- · provide protection for those who make disclosures; and
- provide protection for those who are the subject of a disclosure.

This is achieved by:

- protecting the person making the disclosure from legal or other action;
- providing for the confidentiality of the identity of the person making the disclosure and a person who is the subject of a disclosure.

POLICY:

The Shire of Kulin does not tolerate corrupt or other improper conduct, including mismanagement of public resources, in the exercise of the public functions of the Shire of Kulin and its officers, employees and contractors.

It recognises the value and importance of contributions of staff to enhance administrative and management practices and strongly supports disclosures being made by staff as to corrupt or other improper conduct.

The Shire of Kulin will take all reasonable steps to provide protection to staff who make such disclosures from any detrimental action in reprisal for the making of a public interest disclosure. The Shire of Kulin does not tolerate any of its officers, employees or contractors engaging in acts of victimisation or reprisal against those who make public interest disclosures.

The Shire has adopted internal procedures to provide for the manner in which the Shire of Kulin will comply with its obligations under the Public Interest Disclosure Act 2003. They provide for the manner in which:

- disclosures of public interest information shall be made to the Public Interest Disclosure Officer (PID Officer should be a senior officer within the Shire of Kulin).
- the PID Officer shall investigate the information disclosed, or cause that information to be investigated.
- the PID Officer may take action following the completion of the investigation.
- the PID Officer shall report to the discloser as to the progress and outcome of that investigation and the action taken as a consequence.
- the confidentiality of the discloser, and any person who may be the subject of a public interest disclosure, shall be maintained.
- records as to public interest disclosures shall be maintained and reporting obligations complied with.
- providing remedies for acts of reprisal and victimisation that occur substantially because the person has made a disclosure.

The rights and obligations created by the PID Act are described in the Shire of Kulin Public Interest Disclosure Procedures document detailed in the Primary Document policy.

Note: PID Act procedure manual can be found in the Primary and Secondary Documents listing.

HEAD OF POWER: Local Government Act 1995

A10 REGIONAL PRICE PREFERENCE POLICY

Administration

PREAMBLE: To provide for a price preference framework for the purchase of goods and services from local Shire of Kulin suppliers.

OBJECTIVE: The policy aims to deliver a higher than average take-up of local supply, by detailing the extent of consideration the local suppliers will receive as opposed to non-local supply.

In terms of definition; local versus non-local can be determined from the originating source of the goods or service, as opposed to the Shire of Kulin based supplier of such goods and service.

PRACTICE:

General Purchasing (other than Tenders)

When officers seek quotations or purchase goods or services, quotes must be obtained from businesses (if in existence) that could provide the goods or services required that are located within the Shire of Kulin.

Tenders - Regional Price Preference

That a Regional Price Preference will be provided to businesses operating within the boundary of the Shire of Kulin for all goods and services in accordance with Regulation 24D of the Local Government (Function and General) Regulations 1996.

- Up to 10%-where the contract is for goods and services, up to a maximum reduction of \$50,000 on total cost.
- Up to 5%-where the contract is for construction (building) services, up to a maximum price reduction of \$50,000, or
- Up to 10% where the contract is for goods or services (including construction services), up to a
 maximum price reduction of \$500,000 if the Local Government is seeking tenders for the first
 time, due to goods or services previously being undertaken by the Shire of Kulin.

A copy of this policy must be supplied with each tender document.

The Regional Price Preference Policy will apply to all tenders unless otherwise resolved by Council and information that outlines the power of the Council to make that decision is to be included in the Tender advertising and specifications. (i.e. the lowest or any Tender not necessarily accepted)

Other

When the provision of goods or services is not being sought by tender the following preference will be provided to local suppliers whose business is based within the Shire of Kulin and the product quality is comparable.

5% for any purchase up to \$3,000

2% for any purchase between \$3,001 and \$49,999

HEAD OF POWER: Local Government Act 1995, Regulation 24D of the Local Government (Function and General) Regulations 1996.

Note: Regional Price Preference Policy was advertised in the Narrogin Observer in July 2017 accordance with the requirements of the Local Government Act 1995 and formally adopted by resolution 12/0917.

A11 PROCUREMENT PURCHASING AND TENDERS

Policy originally A21 in APOG Manual

Administration

PREAMBLE: The Shire of Kulin is committed to setting up efficient, effective, economical and sustainable procedures in all purchasing activities. This practice statement provides the Shire of Kulin with a more effective way of purchasing goods and services, ensures that purchasing transactions are carried out in a fair and equitable manner and strengthens integrity and confidence in the purchasing system.

The practice should deliver value for money, compliance, heightened governance, environmental impact analysis and when followed offer a degree of risk minimisation via sound probity principles.

OBJECTIVE: Firstly, to provide compliance with the Local Government Act 1995 and the Local Government Act (Functions and General) Regulations, 1996 (as amended in March 2007) and to deliver a best practice approach and procedures to internal purchasing for the Shire of Kulin.

PRACTICE: ETHICS & INTEGRITY

All officers and employees of the Shire of Kulin shall observe the highest standards of ethics and integrity in undertaking purchasing activity and act in an honest and professional manner that supports the standing of the Shire of Kulin.

The following principles, standards and behaviours must be observed and enforced through all stages of the purchasing process to ensure the fair and equitable treatment of all parties:

- full accountability shall be taken for all purchasing decisions and the efficient, effective and proper expenditure of public monies based on achieving value for money;
- all purchasing practices shall comply with relevant legislation, regulations, and requirements consistent with the Shire of Kulin Regional Price Preference Policy and the Code of Conduct;
- purchasing is to be undertaken on a competitive basis in which all potential suppliers are treated impartially, honestly and consistently;
- all processes, evaluations and decisions shall be transparent, free from bias and fully documented in accordance with applicable policies and audit requirements;
- any actual or perceived conflicts of interest are to be identified, disclosed and appropriately managed; and
- any information provided to the Shire of Kulin by a supplier shall be treated as commercial-inconfidence and should not be released unless authorised by the supplier or relevant legislation.

Value for money is an overarching principle governing purchasing that allows the best possible outcome to be achieved for the Shire of Kulin It is important to note that compliance with the specification is more important than obtaining the lowest price, particularly taking into account user requirements, quality standards, sustainability, life cycle costing, and service benchmarks.

An assessment of the best value for money outcome for any purchasing should consider:

- all relevant whole-of-life costs and benefits whole of life cycle costs (for goods) and whole of contract
 life costs (for services) including transaction costs associated with acquisition, delivery, distribution,
 as well as other costs such as but not limited to holding costs, consumables, deployment,
 maintenance and disposal.
- the technical merits of the goods or services being offered in terms of compliance with specifications, contractual terms and conditions and any relevant methods of assuring quality;
- financial viability and capacity to supply without risk of default. (Competency of the prospective suppliers in terms of managerial and technical capabilities and compliance history);
- a strong element of competition in the allocation of orders or the awarding of contracts. This is achieved by obtaining a sufficient number of competitive quotations wherever practicable.

Where a higher priced conforming offer is recommended, there should be clear and demonstrable benefits over and above the lowest total priced, conforming offer.

SUSTAINABLE PROCUREMENT

Sustainable Procurement is defined as the procurement of goods and services that have less environmental and social impacts than competing products and services.

The Shire of Kulin is committed to sustainable procurement and where appropriate shall endeavour to design quotations and tenders to provide an advantage to goods, services and/or processes that minimise environmental and negative social impacts. Sustainable considerations must be balanced against value for money outcomes in accordance with the Shire of Kulin sustainability objectives.

Practically, sustainable procurement means the Shire of Kulin shall endeavour at all times to identify and procure products and services that:

- have been determined as necessary;
- demonstrate environmental best practice in energy efficiency / and or consumption which can be demonstrated through suitable rating systems and eco-labelling;
- demonstrate environmental best practice in water efficiency;
- are environmentally sound in manufacture, use, and disposal with a specific preference for products made using the minimum amount of raw materials from a sustainable resource, that are free of toxic or polluting materials and that consume minimal energy during the production stage;
- products that can be refurbished, reused, recycled or reclaimed shall be given priority, and those that are designed for ease of recycling, re-manufacture or otherwise to minimise waste.

For motor vehicles – select vehicles featuring the highest fuel efficiency available, based on vehicle type and within the designated price range;

For new buildings and refurbishments – where available use renewable energy and technologies.

PROCESS:

Where the value of procurement (excluding GST) for the value of the contract over the full contract period (including options to extend) is, or is expected to be:-

| Amount of Purchase | Model Policy | |
|----------------------|--|--|
| Up to \$5,000 | Direct purchase from suppliers not requiring any quotations, although one verbal quote could be obtained in most instances. | |
| \$5,001 - \$19,999 | Obtain at least two written quotations | |
| \$20,000 - \$49,999 | Obtain at least two written quotations but where suppliers/contractors are available a minimum of three is required. | |
| \$50,000 - \$249,999 | Obtain at least three written quotations containing price and specification of goods and services (with procurement decision based on all value for money considerations). | |
| \$250,000 and above | Conduct a public tender process. | |

^{*} Note: For purchase of specific plant and machinery parts up to value of \$5,000 refer to "Sole Source of Supply" criteria.

Where it is considered beneficial, tenders may be called in lieu of seeking quotations for purchases under the \$250,000 threshold (excluding GST). If a decision is made to seek public tenders for Contracts of less than \$250,000, a Request for Tender process that entails all the procedures for tendering outlined in this policy must be followed in full.

Up to \$5.000

Goods and services valued at up to \$5,000 do not require the conduct of a competitive process, although one verbal quote could be obtained in most instances, and the purchase must represent value for money.

However, it is recommended to use professional discretion and occasionally undertake market testing with a greater number or more formal forms of quotation to ensure best value is maintained.

This purchasing method is suitable where the purchase is relatively small and low risk.

Record keeping requirements must be maintained in accordance with record keeping policies. The Local Government Purchasing and Tender Guide contains a sample form for recording verbal quotations.

\$5,001 to \$19,999

This category is for the procurement of goods or services where the value of such procurement ranges between \$5,001 and \$19,999. At least two written or verbal quotations are required. Where this is not practical, e.g. due to limited suppliers, it must be noted through records relating to the process.

The general principles for obtaining verbal quotations are:

- ensure that the requirement / specification is clearly understood by the Shire of Kulin employee seeking the verbal quotations;
- ensure that the requirement is clearly, accurately and consistently communicated to each of the suppliers being invited to quote;
- read back the details to the Supplier contact person to confirm their accuracy;
- written notes detailing each verbal quotation must be recorded.

Record keeping requirements must be maintained in accordance with record keeping policies. The Local Government Purchasing and Tender Guide contains sample forms for recording verbal and written quotations.

\$20,000 to \$49,999

For the procurement of goods or services where the value exceeds \$20,000 but is less than \$49,999, it is required to obtain at least three written quotes (commonly a sufficient number of quotes would be sought according to the type and nature of purchase). Where sufficient suppliers or contractors are unavailable the requirement shall be two written quotations.

The responsible officer is expected to demonstrate due diligence seeking quotes and to comply with any record keeping and audit requirements. Record keeping requirements must be maintained in accordance with record keeping policies.

NOTES: The general principles relating to written quotations are;

- an appropriately detailed specification should communicate requirement(s) in a clear, concise and logical fashion;
- the request for written quotation should include as a minimum:
 - Written Specification/Scope of Work;
 - Selection Criteria to be applied;
 - o Price Schedule;
 - Conditions of responding
 - Validity period of offer
- Invitations to quote should be issued simultaneously to ensure that all parties receive an equal
 opportunity to respond.
- Offer to all prospective suppliers at the same time any new information that is likely to change the requirements.
- Responses should be assessed for compliance, then against the selection criteria, and then
 value for money and all evaluations documented.
- Respondents should be advised in writing as soon as possible after the final determination is made and approved.

Note: The Local Government Purchasing and Tender Guide produced by the Western Australian Local Government Association (WALGA) should be consulted for further details and guidance.

\$50,000 to \$249,999+

For the procurement of goods or services where the value exceeds \$50,000 but is less than \$249,999, it is required to obtain at least three written quotations containing price and a sufficient amount of information relating to the specification of goods and services being purchased.

Record keeping requirements must be maintained in accordance with record keeping policies.

For this procurement range, the selection should not be based on price alone, and it is strongly recommended to consider some of the qualitative factors such as quality, stock availability, accreditation, time for completion or delivery, warranty conditions, technology, maintenance requirements, organisation's capability, previous relevant experience and any other relevant factors as part of the assessment of the quote.

NOTES: The general principles relating to written quotations are;

- an appropriately detailed specification should communicate requirement(s) in a clear, concise and logical fashion;
- the request for written quotation should include as a minimum:
 - Written Specification/Scope of Work;
 - Selection Criteria to be applied;
 - o Price Schedule:
 - Conditions of responding
 - Validity period of offer
- Invitations to quote should be issued simultaneously to ensure that all parties receive an equal
 opportunity to respond.
- Offer to all prospective suppliers at the same time any new information that is likely to change the requirements.
- Responses should be assessed for compliance, then against the selection criteria, and then
 value for money and all evaluations documented.
- Respondents should be advised in writing as soon as possible after the final determination is made and approved.

Note: The Local Government Purchasing and Tender Guide produced by the Western Australian Local Government Association (WALGA) should be consulted for further details and guidance.

Tender Exemption

In the following instances public tenders or quotation procedures are not required (regardless of the value of expenditure):

- an emergency situation as defined by the Local Government Act 1995;
- the purchase from a prequalified panel of suppliers, a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
- the purchase is under auction which has been authorised by Council;
- the contract is for petrol, oil, or other liquid or gas used for internal combustion engines;

Any of the other exclusions under Regulation 11 of the Functions and General Regulations apply.

Sole Source of Supply (Monopoly Suppliers)

The procurement of goods and/or services available from only one private sector source of supply, (i.e. manufacturer, supplier or agency) is permitted without the need to call competitive quotations provided that there must genuinely be only one source of supply. Every endeavour to find alternative sources must be made. Written confirmation of this must be kept on file for later audit.

Note: The application of provision "sole source of supply" should only occur in limited cases and procurement experience indicates that generally more than one supplier is able to provide the requirements.

Anti-Avoidance

The Shire of Kulin shall not enter two or more contracts of a similar nature for the purpose of splitting the value of the contracts to take the value of consideration below the level of \$250,000 thereby avoiding the need to publicly tender.

Tender Criteria

The Shire of Kulin shall, before tenders are publicly invited, determine in writing the criteria for deciding which tender should be accepted.

Advertising Tenders

Tenders are to be advertised in a state wide publication e.g. "The West Australian" newspaper, Local Government Tenders section, preferably on a Wednesday or Saturday.

The tender must remain open for at least 14 days after the date the tender is advertised. Care must be taken to ensure that 14 full days are provided as a minimum.

The notice must include;

- a brief description of the goods or services required;
- information as to where and how tenders may be submitted;
- the date and time after which tenders cannot be submitted;
- particulars identifying a person from who more detailed information as to tendering may be obtained;

Detailed information shall include:

- such information as the Shire of Kulin decides should be disclosed to those interested in submitting a tender;
- detailed specifications of the goods or services required;
- the criteria for deciding which tender should be accepted;
- · whether or not the Shire of Kulin has decided to submit a tender; and
- whether or not tenders can be submitted by facsimile or other electronic means, and if so, how tenders may so be submitted.

Issuing Tender Documentation

Tenders will not be made available (counter, mail, internet, referral, or other means) without a robust process to ensure the recording of details of all parties who acquire the documentation.

This is essential as if clarifications, addendums or further communication is required prior to the close of tenders, all potential tenderers must have equal access to this information in order for the Shire of Kulin not to compromise its duty to be fair.

Tender Deadline

A tender that is not received in full in the required format by the advertised Tender Deadline shall be rejected.

Opening of Tenders

No tenders are to be removed from the tender box, or opened (read or evaluated) prior to the Tender Deadline.

Tenders are to be opened in the presence of the Chief Executive Officer's delegated nominee and preferably at least one other Shire Officer. The details of all tenders received and opened shall be recorded in the Tenders Register.

Tenders are to be opened in accordance with the advertised time and place. There is no obligation to disclose or record tendered prices at the tender opening, and price information should be regarded as commercial-in-confidence to the Shire of Kulin. Members of the public are entitled to be present.

The Tenderer's Offer form, Price Schedule and other appropriate pages from each tender shall be date stamped and initialled by at least two Shire of Kulin Officers present at the opening of tenders.

No Tenders Received

Where the Shire of Kulin has invited tenders, however no compliant submissions have been received; direct purchases can be arranged on the basis of the following:

- a sufficient number of quotations are obtained;
- the process follows the guidelines for seeking quotations between \$50,000 & \$250,000 (listed above);
- the specification for goods and/or services remains unchanged;
- purchasing is arranged within 6 months of the closing date of the lapsed tender.

Tender Evaluation

Tenders that have not been rejected shall be assessed by the Shire of Kulin by means of a written evaluation against the pre-determined criteria. The tender evaluation panel shall assess each tender that has not been rejected to determine which tender is most advantageous.

Addendum to Tender

If, after the tender has been publicly advertised, any changes, variations or adjustments to the tender document and/or the conditions of tender are required, the Shire of Kulin may vary the initial information by taking reasonable steps to give each person who has sought copies of the tender documents notice of the variation.

Minor Variation

If after the tender has been publicly advertised and a successful tenderer has been chosen but before the Shire of Kulin and tenderer have entered into a Contract, a minor variation may be made by the Shire of Kulin

A minor variation will not alter the nature of the goods and/or services procured, nor will it materially alter the specification or structure provided for by the initial tender.

Notification of Outcome

Each tenderer shall be notified of the outcome of the tender following Council resolution. Notification shall include:

- the name of the successful tenderer
- the total value of consideration of the winning offer
- the details and total value of consideration for the winning offer must also be entered into the Tenders Register at the conclusion of the tender process.

Records Management

All records associated with the tender process or a direct purchase process must be recorded and retained. For a tender process this includes:

- tender documentation:
- internal documentation:
- evaluation documentation;
- enquiry and response documentation;
- notification and award documentation.

For a direct purchasing process this includes:

- quotation documentation;
- internal documentation;
- · order forms and requisitions.

Record retention shall be in accordance with the minimum requirements of the State Records Act, and the Shire of Kulin internal records management policy.

A12 TEMPORARY EMPLOYMENT OR APPOINTMENT OF AN ACTING CEO

Administration

PREAMBLE: When the Chief Executive Officer takes up to four weeks annual or other leave the Chief Executive Officer is to appoint a member of the Executive Management team as Acting Chief Executive Officer.

OBJECTIVE: To ensure the Shire has an appropriate officer at all times to be acting in the legal position of CEO, taking into account the differing workload and availability of each member of the Executive Management team during the period of absence.

PRACTICE: That the CEO ensure that the position of Acting CEO be filled as judiciously as possible when a known absence will occur.

That the authority to appoint either:

to be Acting Chief Executive Officer during the absence of the Chief Executive Officer on leave or other extended periods of up to four weeks be delegated to the CEO for times when there is no Ordinary Council meeting prior to the period of leave to seek Council's resolution for this appointment.

For the purposes of Section 5.36 (2) of the Local Government Act 1995, the Council has determined that employees that are appointed in one of the above positions are suitably qualified to be appointed as Acting CEO by the CEO, from time to time, when the CEO is on periods of leave.

When exercising the delegation, the Shire President is to be consulted and Council is to be provided with notice of the Acting appointment as soon as possible, or practicable.

For periods of planned or unplanned leave greater than four weeks, but less than 12 months, appoint a CEO as follows:
