# SCHOOL HOLIDAY PROGRAM

## DIY BATH BOMBS

On the 14th of July, we commenced the last school holiday program. With all ages attending, this activity was definitely the most successful program. While everyone started to arrive, Iria and I set up all ingredients, a big thanks to Iria who helped out

for the program. We had blue, red and green bath bombs, which have been put into moulds and dried out for the weekend. Once we had made the bath bombs and cleaned up, we headed outside to let out ALOT of energy. Thank you to everyone that

has come down to these holiday programs, it is not possible without your participation. I can't wait to plan more fun activities!

# KULIN KONDININ FOOTBALL CLUB

## KKFC VS BRUCE ROCK

2 weekends ago the Blues travelled to Bruce Rock to take on the Magpies..

The reserves began slowly as the Magpies piled on early goals. The young guns featured once more thanks to school holidays, as Toby provided a target up forward whilst Jamie and Ethan continued to improve down back. At half time coach Whisso filled the young team with the confidence to keep having a crack and it showed in the third quarter. The Blues played a strong contested game thanks to some

good work from Sean, Scads and Joel in the middle whilst Yoda wound the clock back up forward. In the second half the Blues matched it with the opposition but unfortunately went down to the Magpies.

Reserve Award Winners: S.Cadell, R.Scadding, E.Wade

The league game was a mirror image of the reserves as the Blues started slowly against the fleet footed Magpies. The Blues backline was up

against it early as coach Sosl led the way along with, Oscar, Zac and Gaz. Similar to the resses, the team had to regroup at half time as the boys went back to basics. The second half was much improved as the forward line received more opportunities thanks to some good work from Chippa, Duck and Davey. In the end the Blues couldn't bridge the margin going down to Bruce Rock.

League Award Winners: O. Omedei, L.Biglin, S.Browning

## KKFC VS BURRACOPPIN

Last week the Blues travelled to Burracoppin to take on the cats.

The reserves team were bolstered with a few inclusions as Joey managed to get together a side at the last minute. The Blues had a crack early with both sides moving the ball at pace. Kurt provided a target up forward and Zed added some run in the middle. The Blues battled hard in the first half but went into the main break behind. In the second half the Blues defence was tested once more with Whisso leading the way down there along with Grantly and Ethan. The Cadell boys continued their good form in the middle of the ground and with Dieter, Braeden, George and Boo. Yoda wound back the clock while Youngy looked the part in his 100th game for the club! The Blues toiled hard all game and can hold their heads up high but went down to the Cats in a quality match.

Reserves Award Winners: S.Cadell,

G.Mullan, Z.Clark

The league game began positively for the Blues as both sides traded early goals. George worked hard in the ruck along with Jobs, Chippa and Tull in the middle of the ground as the forward line looked dangerous thanks to the two Ducks, Jaan and Nahs. With scores pretty much even at the first break the Cats hit back in the second quarter and kicked ahead. Sosl asked for more composure with the footy in the second half as the Blues responded with some promising passages of play, bridging the margin in the third quarter. Biggo continued his good form on the wing along with Davey whilst down back Dool played well along with, Poppy, Sosl and Gaz. In the last quarter the Blues found several opportunities in front of goal but failed to convert as the Cats ran out eventual winners against a gallant Blues side.

League Award Winners: L.Biglin, D.Hallam, S.Schorer

The club would like to send the Young family their sincere condolences for the passing of Rhonda during the week. Rhonda has been a huge part of country sport starring for the Kulin Netball Club for decades and her bubbly personality was infectious to all around her. Braden is a massive cog in our football club today and he has the same positive effect on everyone at the club. The Blues are sending much love to Young family and everyone in the community grieving the loss of Rhonda, she will be dearly missed.

Next week the Blues host the Tigers in Kondinin as the season nears the end, we hope to see as many of our supporters there.

Go the Blues!

# KULIN KONDININ HOCKEY CLUB

## KKHC VS SOUTHS

Last Saturday was the final round of the home and away season for the KK Vipers.

It was a day of mixed results for the club. C grade was a very even game resulting in a 1-all draw. Congratulations to the kids who have had an amazing season finishing top of the ladder.

The B graders had a great 2-0 win. Jennie McInnes and Maggie Murphy won the Players Player award and Sarah Gangell and Molly McInnes took out the Captain's Cup.

A grade went down 0-2. Tam Wilkins and Shenae Harradine had fantastic individual games, taking out the Player's Player and Captains Cup award respectively.

The Men's team knew before the game that this was their final game of the season. It was a ripper game against the top of the ladder Souths - resulting in a 2-all draw.

Thanks to Chad and Elana Frantom for hosting the after game festivities.

Finals start this Saturday - with

Corrigin hosting the Semi Finals. Our C graders play in the second Semi at 10:30 against Souths.

B grade follows at 12pm against Khats.

Our A graders have a break this week. The preliminary final will be held in Hyden on Saturday 5 August.

Good luck to all teams in the finals. We'd love to see lots of supporters cheering on the sidelines for finals.

Go Vipers!

# CAMBODIA HOUSE BUILDING TRIP 2023

Congratulations to **Amber McAdam** and **Amelia Spurr** who were selected to represent the Kulin Community on a life changing 9-day trip to Cambodia in October 2023 to help build homes for some of the world's poorest families.

Amber and Amelia will be travelling with Miss Sanford, Mrs Frantom and Ben Whisson from Consult Ag Kulin to work with The Helping Foundation Australia, who have coordinated volunteer building tours to Cambodia since 2008 and have built over 1,000 houses.

Eight out of ten Cambodians live in rural Cambodia, in fragile structures that offer little protection from the elements. During the rainy season, houses are often flooded and limited possessions are lost. Parents often get sick and cannot work. In Cambodia, if you do not work you do not earn. Children need to fossick for food

for the family, so they have no time to attend school. Having a sturdy house not only provides shelter and security, but parents are also healthier, possessions are not lost to floods, and children in weatherproof housing are ten times more likely to attend school and are on a path to better employment and a better life.

The initiative is being coordinated by Ben and Gen Whisson from Consult Ag Kulin (Croppportunity Pty Ltd) and aims to provide Kulin DHS students with an experience of a lifetime, building leadership and an appreciation of the incredible perks of life in Australia.

A big thank you and congratulations to all six high school students who applied. All applicants were incredible. The community panel who assisted with the selection process were highly impressed with the written applications and how

all students conducted themselves at their interviews. The depth of the talented and compassionate students/youth we have at our school and within our community shone through and the panel was very proud of each student.

## How Can You Help?

Volunteers who attend a Helping Foundation Australia trip are expected to fundraise towards the cost of the houses and building materials.

If you would like to support this initiative by donating towards the cost of a Cambodian family home, please contact Gen Whisson on 0427 651 304 or email [gen@consultag.com.au](mailto:gen@consultag.com.au)

Please continue to watch this space for ways you can support, contribute and be involved.

# KULIN NETBALL CLUB

## KULIN VS BRUCE ROCK

Both senior teams and junior went to Bruce Rock on the 15th of July, it was a great result for B grade, with a very comfortable win over BR, 13 to 29. Bridie had a ripper game in goals and has only gotten better every week with her movement around the D. Caroline covering every inch of the court again in C and with out newest full team member Ellise having some amazing intercepts the dream trio (Gen, Foops and Ellise) work amazingly in defence. Thanks to Gem who stepped in and coached B grade

on the weekend.

Although Juniors had a very very clear win, Bruce Rock did show a lot of potential in an upset. Amy played amazing, as always, Chase the little super star filled in and wore his new scrunchie with pride, and a few little super stars even played hockey in Kondinin then zoomed over to Bruce Rock to play netty! How good are they?

A1 was a really disappointing loss, unfortunately this has not been our

season. We are flat, and that is very clear out on the court. Ash and Chloe work so well in defence, they talk well and move around the D amazingly, they are a force to be reckoned with! Gem jumped in WA this weekend, and fed the ball into the D to myself and Amber perfectly! Her netball brain is amazing. Cookie took out our best on this week, thank you Acres of Taste for the awards!

Secretary

## KULIN VS BURRACOPPIN

Following the loss of our dear Rhonda, our club has been shook, we pass our deepest sympathies to the Young family and send them all our love.

Juniors and A1 headed up to Merredin to vs Burracoppin. I missed the junior game, but scores say Kulin juniors were defeated by 4 goals, so it sounds like a ripper game! Thank you Amy for sponsoring the milkshake voucher!

A1 score was not a reflection of the game! As a team, we are starting to play some really good netball together.

Gemma has springs in her knees and showed us all how high she can jump on the weekend. While Lau ran this high intensity game out in Centre, which earned her the Acres of Tase voucher. Thanks to Gen for filling in on the weekend and to Veronica who came over and scored for us! Post-game, a few of us headed off on a mid-season netball trip, disco theme. We headed to York for the night making a couple of stops on the way. Thanks so much to Elsabe for being the best bus driver, and thank you to Ash and Gen for making is happen! I'm counting

down to next years trip already!

Lastly, for those who can make it this weekend, we invite you to show your respects in a minute silence for our dear Rhonda Young in Kondinin at 10.25am on the netball courts. Please ensure you arrive on time and if you have any questions, please contact me directly.

Dani White  
Secretary

Refrigerate until set.

## RECREATIONAL VEHICLE (RV)

### 1. Use An RV Departure Checklist

There is nothing like getting on the road and finding out that you forgot to unplug your power cord. There are a lot of things to remember before you pull out.

A visual checkleest, either printed or on your smartphone, will help to ensure you don't forget anything. Print out this free RV Departure Checklist and keep it somewhere easy to access.

### 2. Know The Height Of Your Rig

Find out how high your rig is. Write the height on a label or piece of masking tape and put it on your dashboard. Watch for low-hanging branches and take note of the height of overpasses before you proceed. Use an RV-safe GPS to make sure you have a safe route.

### 3. Level Your RV Before Filling Your Freshwater Tank

Levelling your RV before filling your tank will ensure that you are really getting a full tank.

### 4. Mount Towel Bards On Your Walls With Exterior Grade Gorilla Mounting Tape

Exterior grade Gorilla mounting tape adheres to RV walls much better than Command strips or anything else.

### 5. Replace Your RV Showerhead

This trick will help you to conserve water, while still having decent water pressure.

### 6. Use An Instant Pot Pressure

### Cooker

The instant pot pressure cooker will allow you to make almost effortless, delicious meals in a lot less time than traditional cooking methods.

### 7. Bring A Basic Tool Kit

Be prepared to make minor repairs if you need by having a basic tool kit with just the essentials. This includes a screwdriver or cordless drill, a few different bits, some screws, and electrical tester and wrenches like a torque wrench.

### 8. Pack A Hairdryer

A hairdryer can be used for more than just giving you good hair. You can use a hairdryer to thaw frozen foods or blow warm air onto cold kindling when lighting a campfire.

### 9. Pack A First Aid Kit

Be prepared for emergencies by packing a first aid kit for both humans and pets.

### 10. Bring A Collapsible Storage Tote Or Two

Collapsible storage totes can be used to tote campfire supplies like s'mores ingredients, napkins, glasses and beverages and make decent impromptu tables to put campfire essentials on.

11. Board games will help your family enjoy time indoors if the weather gets too ugly to play outside.

### 12. Repurpose Your Dishwater

When you are boondocking, your time off-grid and unhooked will be much better if you don't run out of water.

Washing and rinsing dishes uses more water than anything besides your RV toilet, so it makes sense to repurpose your dishwater. Use a basin to wash your dishes and then use grey water to flush your toilet.

### 13. Make Sure Your Campfire Is Really Out Before Leaving It

Abandoned campfires are one of the leading causes of forest fires. Not all of these fires were intentionally left smouldering.

Campfires heat the ground underneath them, hot enough to reignite anything combustible in your firepit hours later. No one wants to be "that guy/girl" so use a lot of water or dirt to thoroughly smother your campfire when you are done with it.

As a rule of thumb, you should be able to put your hand comfortably on the ground in your fireplace before you leave.

### 14. Wash Your Clothes As You Travel

Put dirty clothes, water and laundry soap into a five-gallon bucket with a tight lid. Make sure the lid is on snug because if it isn't it makes a huge mess. Find a place in your rig where you can make sure the bucket will stay firmly in place. If you have a place to secure it, even better.

Every bump you hit and turn you take will agitate the clothes in the bucket as you drive, just like a washing machine does. After an hour or two of driving, your clothes will be perfectly clean, ready to be rinsed and hung to dry in fresh air.

# AROUND THE WORLD

## NATIONAL SOCCER DAY 28TH JULY

### What Is National Soccer Day?

National Soccer Day celebrates soccer, which is the most popular sporting game in the world. Soccer is played by 250 million in over 200 countries. Although soccer and goalkeeper may touch the ball with their hands and then only in the goal area. In the 1880's the term "soccer" was coined to distinguish this game from other games, such as football. When first played, soccer was a dangerous sport and was even banned in 1314 by Edward II. But children and adults still found a way to play the sport until it was eventually legalized.

### How To Celebrate National Soccer Day?

Soccer is a great way of getting into shape or sharpening your reflexes. Kick a soccer ball in the yard with friends or get a game going. If you don't own a soccer ball, then use this day to buy one. Other ways to celebrate National Soccer Day is to buy a child a soccer ball, including neighbor kids who might not be able to afford one. You can also watch a soccer game on TV. Make a party out of it. Post your favourite players or soccer moments on social media.

### History Of National Soccer Day

Soccer's contemporary incarnation originated in London. Rugby and Eton were two different game types used. Since there were few restrictions and the game regulations were open-ended at first, a lot of people took up the sport. However, the game was so well liked that the limitations were immediately removed.

In London, the first football organisation was established in 1863, many decades later. The association codified and created the initial set of soccer regulations. They also

established guidelines on the size and weight of the ball used in the game and prohibited the use of hands during play. The new set of guidelines separated the game into two groups: rugby and football. Soccer players are not permitted to sprint while holding the ball in their hands, but rugby players are. Over time, the popularity of the game expanded from England to its colonies, including what is now the United States.
