BACKGROUND & COMMENT:

Between February and May 2024, Moore Australia completed a Financial Management Review to assess the appropriateness and effectiveness of the Shire of Kulin’s financial management systems. The Financial Management Review was conducted to assist the CEO to discharge his responsibilities under Regulation 5(2)(c) of the *Local Government (Financial Management) Regulations 1996*.

As outlined in the attached Financial Management Review Report, Moore Australia conducted a risk-based assessment of the Shire’s financial management systems examining the following three key areas:

- Financial management framework;
- Implementation of financial management framework; and
- Evaluation of financial management

The scope of the Financial Management Review included, but was not limited to, the following areas of the Shire’s financial systems:

- Collection of money owed;
- Custody and security of money and investments held;
- Rates;
- Maintenance and security of financial records;
- Accounting and controls for revenue and expenses;
- Accounting and controls for assets and liabilities;
- Accounting and controls for trust transactions;
- Authorisation of purchases;
- Authorisation of payments;
- Borrowings;
- Maintenance and processing of payroll;
- Stock controls and costing records;
- Record keeping for financial records;
- Preparation of budgets and budget reviews; and
- Preparation of financial reports.

The Financial Management Review Report identified many matters where there are opportunities for the Shire to improve its financial management systems. Management agrees with all the suggested improvements outlined in the Financial Management Review Report. Management will implement improvements to existing policies and procedures within the Shire to address each of the matters identified by December 2024.
