CEO CORNER

Welcome back to another CEO corner for 2021.

Our community engagement process for the updated Integrated Planning and Reporting required for 20/21 was kick started this week. We held a Business Workshop on Tuesday the 23rd of February with a Community Workshop scheduled for Thursday the 4th of March. There will also be a community survey issued in the coming weeks. All information gathered will go towards updating our Strategic Community Plan and identifying specific initiatives for inclusion within the Corporate Business Plan.

If your community organisation has an event or an AGM coming up in the next few months, please let me know. I would be more than interested in attending to learn how Council, the Shire and your organisation can work together to continue to develop this progressive community. So far in 2021 I've met with Kulin Bush Races and Blazing Swan to get an understanding of the processes required for COVID and wider event planning. I've also had discussions with KKFC and will be attending the KKHC AGM in the coming weeks.

Shire staff are continuing to deliver and finalise planning for the projects funded via COVID and drought money. This includes:

- Townsite street reconstruction.
- Aquatic Centre amenities improvements.
- FRC Court Replacement
- FRC audio visual equipment upgrade.
- CCTV.
- Town footpaths.
- All Ages Precinct.

Unfortunately, last week at Council Meeting our 2019/20 Audit was delayed by the OAG who is still finalising their review. This will ultimately push back our Annual Electors Meeting a further month or so. Once we get the all clear we will hold a Special Council Meeting to accept the Audit and finally determine a date for the Annual Electors Meeting.

From a Council perspective we were informed of Cr Brad Taylor's resignation from Council the week prior to February's Council Meeting. Reluctantly Council accepted his resignation from Central Ward and will govern with 8 remaining Councillors until the next Local Government Elections in October this year. On behalf of Council and the community I would like to thank Cr Taylor for his input on Council for a number of years. He has been a very

passionate councillor for the whole Shire and particularly for the community of Pingaring and Central Ward. He has been particularly proactive on the issues of water security in the eastern sections of the Shire where he has worked with staff and government agencies to develop new strategic water resources. Personally I have found Cr Taylor to provide constructive feedback and ask tough questions as required.

On a staff note, congratulations to Annette Lewis who ticked over 20 years at the Shire last week. Another example of fantastic service to the Shire and wider community. I know Annette is very passionate about her role with Kulin Retirement Homes and always bounces into the office full of chirp. We had a small gathering with Annette to celebrate with her the other week. We look forward to her MOCHA cake when she returns from holidays.

The summer sports season is reaching the business end. KDHS are holding their Swimming Faction Carnival this Friday, good luck to all involved. Country Week Bowls takes place this long weekend in what I'm sure will be a crackerjack event, good luck gents.

Until next time safe travels.
Garrick Yandle - CEO

Polling station open 8.00am – 6.00pm

WESTERN AUSTRALIAN
Electoral Commission

Postal voting

Early voting (by post) is made available at all State elections but is important in 2021 for those who may be uncertain about casting their ballot in person.

An application for a postal vote can be completed electronically on the Commission's website (<https://www.elections.wa.gov.au/postal-vote-apply>) or a printed form can be requested by contacting the Commission on 13 63 06 and selecting option 2.

Ballot papers will be posted to electors from Monday 22 February 2021. If posted by the elector on or before polling day, completed postal packages can be accepted via mail until 9:00am on the Thursday following polling day.

Early voting (in person)

The WA Electoral Commission is working closely with the WA Department of Health to manage the risks around COVID-19 at the 2021 election, but the constantly changing situation means the WA Electoral Commission cannot plan the lead-up to and the actual election with absolute certainty. Most importantly, the WA Electoral Commission is encouraging everyone who has concerns about attending a polling place on election day to vote prior to election day, either by postal vote or at an early voting centre.

CONGRATULATIONS TO OUR PHOTO COMPETITION WINNER FIONA JASPER FOR THIS AMAZING HOLIDAY SHOT!

“Rockingham Beach – near Penguin Island.

During one of the most calm evenings, the family decided to go swimming to catch crabs off the shore near Rockingham beach, as the sun began to set our 3 children were playing by the waters edge. I snapped this shadowed picture of my family watching the sunset over the water. Made for a pretty special memory.”

-Fiona Jasper

Fiona has won a voucher for Acres of Taste for this stunning shot, very well deserved.

Thank you to all who entered our Competition, the photography talent in this town is very strong. Keep an eye out for our next competition!

Tech Savy Seniors Group

The Tech Savy Seniors Group is a free initiative aimed at increasing the confidence, skills and online safety of Kulin Seniors when they use the internet and everyday technology.

The group will learn the basics of mobile phones, tablets, computers and laptops.

We meet every Thursday afternoon at 2pm at the Kulin CRC meeting room.

The sessions will be informal, where you can learn how to use your device, solve problems and answer questions you have, help each other, and gain the confidence and skills to get online and use your devices safely and economically.

The aim is for you to be independent and use your devices to connect with family, friends and keep up to date with what is happening in the community.

NOTICES FROM THE SHIRE OF KULIN

Kulin Shire are undertaking a major review of the
Strategic Community Plan and Corporate Business Plan.

The Shire of Kulin Strategic Community Plan is the principle strategy document influencing decision making at the Shire. It outlines over the long term how the shire will work towards a brighter future.

Council invites all Kulin Shire residents
to be involved in the plan by attending interactive forums to discuss ideas about the future direction of Kulin.

Community input is important
to ensure we are developing our Shire plans in the direction that the community wants it to go - we need to think about where we want to be in 5 years, 10 years and further!

KULIN DISTRICT HIGH SCHOOL

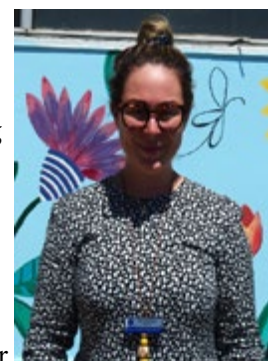

At Kulin District High School, there are 136 kids enrolled, 46 of those being in the High School! That is the highest number of students the High School has had in years.

Joining us in 2021 we have Eliza Edinger (teaching High School English and HASS), Ross Woolf (teaching High School Maths and Science), and Zoe Perfit, (teaching Year 2/3). This year KDHS also has Reet Joy, a School Chaplin coming into town every Tuesday, working with students and families. Returning to Kulin after leaving in 2012, Miss Gill Irvine teaches digital/technology and works with the Year 5-10s. The school finally has a teacher working in the blue shed! Familiar faces at KDHS include Mrs Steph Bradford (teaching Home Economics for the High School), and Mrs Hayley Browning (teaching Media for the High School).

There are several exciting things for everyone to look forward to this Term. The Faction Swimming Carnival on the 26th of February, Mental Health Training in First Aid for High School students and staff in week 7, and the High School Belongingness Camp in week 8.

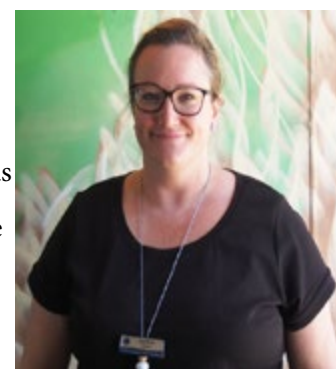

Kulin District High Schools New Teachers

Eliza Edinger graduated High School in 2011 and spent her gap year volunteering in Tanzania (Africa) teaching Maths and English to orphans. This was where she found her love for teaching children. So in 2016 she moved to Melbourne and started her Teaching degree. After graduating in 2020, Miss Edinger moved back to Perth and was hired by KDHS in the fifth week of School Term 4. Her first impressions of Kulin were that it was extremely hot, a very small town and she couldn't believe there was no pharmacy. Miss Edinger found her first weeks daunting because everyone knew each other and she felt like an outsider, as everyone knew what Eliza was here for but no one really knew who she was.

Ross Woolf has taught in more than 20 towns including Collie, Kojonup, Ravensthorpe and Newman. Mr Woolf mostly does Fly Squad work, working for normally one term. Mr Woolf's interests include trading crypto currency (bitcoin), AFL, and his favourite team is Collingwood. Mr Woolf's first impression of Kulin was it is a small dry town with nice facilities including our gym.

Zoe Perfit taught in Norseman for 5 years, which is out in the Goldfields. Two of those years were with a Year 2/3 class and the other three years she taught some lower primary classes. Miss Perfitts interests include travelling, reading and spending time with her friends and family. Miss Perfitts first impression of Kulin came while driving into town along the Tin Horse Highway; she thought the horses were quirky and fun.

Quairading Swim Meet Sunday 21st February 2021

Relays

On Sunday nine of our swimmers headed to Quairading for our second swim meet of the season. All decked out in our new club shirts we certainly looked the part right from the start. It took a little bit of getting used to the narrow lanes and we appeared to want to hug the lane ropes in every event. Even with such a small team, we picked up a heap of medallions, even smashing a few meet records along the way. Thankyou to all the family members that braved the heat to support their swimmers. We are all very proud of everyone's efforts and are very excited to see what happens this Friday at the Faction Carnival. Do not forget the Narembeen Swim Meet is on Sunday 14th March and we are hoping to take a big team over for this event.

KULIN WILDFLOWER BRANCH of the WILDFLOWER SOCIETY of WA Inc

Orange, pink and purple trees!?!? There are many near Browning's on the Middleton-Kondinin Lake junction and on clay flats. The bark is now changing to magenta and orange flakes against the new lime-white trunks. So easy to grow from seed. If a stem leans the wrong way, just chop it off and new ones will appear. Stake them straight in the first year for a narrow driveway. *Eucalyptus erythronema* and *E. armillata* have cream-orange, pink or cherry-red flowers.

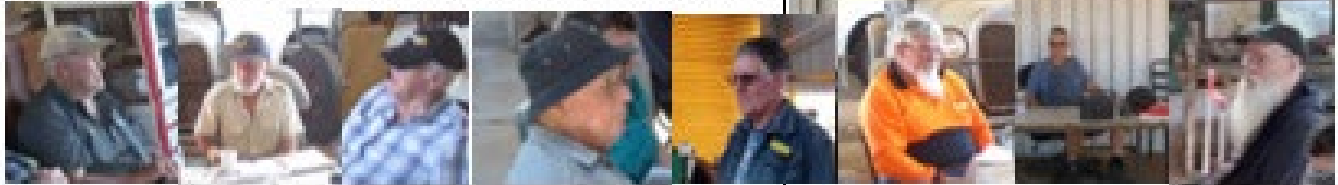

MACROCARPA TRAIL - FEBRUARY: a good place for joggers and artistic minds who appreciate a myriad of leaf designs, every shade of green, grey and pale blue. Flowers should appear in March. Bring a photo from anywhere or a flower from YOUR bushland to our room in the old shire building. We can ID it and advise on how to grow it. There are water pots to leave it if no one is here. Call us for a casual, free, survey of your bushland. Photos & text: President-Secretary Robin Campbell 0499 624 0 038

KULIN MUSEUM AND MENS SHED

Many, many thanks to our members, who supervised the Kulin Tip for five months through the heat of summer. We greatly appreciate the many hours given on 40 shifts and the funds raised by Keven Giles, Barry Harding, Yann Dolvic and especially Bill Colbourne, Jeff Gray, Bill Herwig, Clarry King and John Munro. Memories are so precious and valuable
When you are going through a shoe-box of old photos, please don't throw them away. Ring a member and we will copy special ones for Kulin's history. Many historical records have been lost or destroyed by fire, flood, mice or termites. Future generations may be searching for their ancestors or someone may want to fix or make something themselves. A photo may stir a spark to create something new or transform junk.

The Day I was a Goner

I was straining a km of fence when the chain broke and hit my hip. I heard about it when I woke up, felt the pain and saw the bruise. Luckily it was only my hip. I haven't accepted fencing invitations since ... and we all laughed.

For non-fencers, like me: My son was dragging out ring-lock fencing with the ute and I was back waiting to tie it off at the strainer post. Suddenly the heavy chain broke and whipped back in a split second which could have been lethal.

FEBRUARY MEETING

Much milder weather and 16 attended again for interesting discussions on current projects and another delicious lunch.

Assisting the 3 bears with the bowser; Janet Colbourne, John Munro and Barry Harding I checked this Zephyr pedal car out on-line and a rusty old one was worth heaps more than a shiny restored one. VOTE **1** **THE NATIONALS** *for Regional WA* in the **Legislative Council**

NO NEED TO NUMBER BOXES BELOW THE THICK BLACK LINE

The WA Labor Party want to **ABOLISH** more regional seats in Parliament !

The WA Labor Party have secret plans hidden deep within a 146 page dossier outlining their policy to abolish more regional seats in the State Parliament, further diminishing your voice in the Parliament.

Their desire to move parliamentary seats to Perth have resulted in the loss of seven country seats and seven voices standing up for you. Regional electorates are now comparable in size to European countries with some stretching for thousands of kilometres. If Labor gains control of the Upper House on March 13, their plan is to abolish another 9 country seats relocating them to the metropolitan suburbs.

Your Nationals team in the Legislative Council has fought hard for farmers, small business and families over the last four years. We stopped the closure of the Moora Residential College and School of the Air and fought against budget cuts to our country schools and community resource centres.

Don't risk being governed by Perth politicians. Vote 1 The Nationals on both ballot papers.

CENTRAL WHEATBELT

Dear Central Wheatbelt resident

In this election, every single vote will be important.

While the way the COVID-19 pandemic has been managed is important, but how you vote at this State election is about more than one issue – especially in regional WA. If the Labor Party increase their vote they will introduce one-vote-one value in the Upper House and cut the number of regional representatives. There will be no check and balance for regional WA, we will lose our voice.

In addition to this threat, the Labor Government has slashed *Royalties for Regions*, short-changing our communities. They've collected record iron ore and gold royalties and are sitting on a \$3 billion budget surplus, but our region still struggles with high power and water bills, poor mobile phone connectivity, a lack of aged care services, crumbling roads and rail and no plan to fix it. Only The Nationals WA have promised to restore *Royalties for Regions* in full. We are fighting to return your fair share of funding to the Central Wheatbelt for projects that are important to you and your community.

The way you vote is important – don't leave your future in the hands of Perth politicians. I'm asking for your support so The Nationals WA can keep fighting for you.

Yours sincerely
