CEO CORNER

Welcome back to another CEO corner for 2021. It has been a couple of big weeks in the Kulin community. How good was it to hear Kulin District High School had taken out the Interschool Swimming Carnival last Friday. I've seen the efforts put in by PE staff at the school as well as Swimming Club coaches and Jones at the Pool. All the kids making the effort to get down to 6:45AM training, your efforts have certainly paid off. Congratulations to all involved.

On another sporting front congratulations to the KKCC Roodogs on their back-to-back cricket Premiership against arch rivals Narembeen. Similar to last year it was a high quality hard fought game, with plenty of local supporters making the trip to Corrigin for the match.

More sporting glory within the district saw the Dudinin Tennis Club win their pennants Grand Final over the weekend. Congratulations to this club who have been very proactive in recent years in improving their amenities to maintain a thriving club within their small community.

Last week saw our March Council Meeting held with some significant items discussed.

Audit and Annual Electors Meeting

We finally presented the 2019/20 Audit of the Annual Financial Report to the Audit Committee and Council. We received positive feedback from the OAG regarding our financial processes and systems, which bodes well for our long-term financial sustainability. The Annual Electors Meeting can now be held and is scheduled for 11AM on the day of April's Council Meeting. Well done to Cassi and Fiona for their hard work getting the tick of approval.

All Ages Precinct

The Stage 2 Detailed Design was approved by Council after much consultation between staff, KDHS, CKC, Council and the design consultant. Staff are currently working through a Tender process with a short list of prospective contractors. Hopefully this tender will be presented to Council for award at April's meeting. Construction will hopefully commence in May with completion by end of September. This is a co-funded project between Council and CKC as well as other external funding.

FRC Court Replacement

The award of the contract for the FRC Court Replacement was also approved by Council. Thanks Ruth, Judd and other relevant staff for the collation of information required in scoping this project. We are working with the contractor to schedule this work between the Netball and Junior Basketball seasons with a 6-week window commencing at the start of September. Shire staff will be in contact with relevant sports clubs in the coming weeks to verify exact dates.

Moving forward with Council now is another busy time of year for staff in planning for next financial year. Cassi and Judd, as well as other relevant staff, will commence the development of the 21/22 Budget. This will coincide closely with our IPR planning and community engagement processes.

You will see advertised, a number of FRC bar staff positions. Ongoing long-term consistency of staff in these positions is a challenge we are working on. In recent years we have used a dual backpacker staffing model, however given the restricted travel climate due to COVID, such a staffing model is difficult. This presents an opportunity for FRC

to employ local staff in either a permanent part-time, casual or potentially even a full-time capacity dependent upon skills, experience and circumstances. Contact Ruth to express your interest, submit your application or discuss what the roles entail.

This week brings the curtain down on another successful Aquatic Centre season. Well done to Jones on his efforts. We regularly get over 100 tourists through the centre on weekend days. Thanks also to slide attendants and Ash in the kiosk from time to time.

Jones has also been proactive in identifying improvement and repair works required at the pool. At some stage in April the pool will be drained and much needed repair works to specific tiled areas will be undertaken. Last week the chlorine controllers, which have provided ongoing challenges, were replaced. Thanks Jones, for scoping out appropriate contractors and identifying what is required with this work.

Blazing Swan will be here again over Easter. They have worked closely with our EHO, as well as the Department of Health, local WA Police and St John Ambulance to ensure all the necessary protocols have been met in this COVID-19 climate. There will be a few warm days leading up to the event, with maybe some rain in the middle of next week. Hopefully culminating in a mild Easter weekend for Blazing Swan and any other significant events organised around the community.

As always there's plenty happening in Kulin, until next time safe travels.

Garrick Yandle - CEO

SHIRE OF KULIN

Road Train Operator

Applications are invited for the position of full time Road Train Operator with the Shire of Kulin.

The successful applicant will be required to hold a MC licence and complete appropriate training as required by the *Code of Practice on Fatigue Management for Commercial Vehicle Drivers*. Applicants will be encouraged to undertake on the job training to become proficient in operating other items of Council plant and machinery, while appropriate off the job training will be provided as required. You will be responsible for the day to day running of council's machinery and equipment, while working an 85 hour, 9 day fortnight.

Conditions of employment are in accordance with the Local Govt. Industry Award 2020. The successful applicant will be offered a total cash remuneration package of between \$65,000 - \$70,000 for an 85-hour fortnight spread across nine days, and includes an RDO and housing allowance. There is the potential for higher earnings should the applicant be willing to complete further hours of overtime. Subject to availability at the time of the offer, subsidised housing may also be available to the successful candidate.

Kulin is located three hours south east of Perth, has a district population of 1000, and is well serviced in terms of health care, schooling (to Year 10) and childcare. Local recreation facilities are second to none and an energetic community provides the opportunity for plenty of active participation and quality living.

Further information may be obtained by contacting Judd Hobson, Manager of Works, on 0427 801 241.

Applications outlining employment history and other relevant details, including the names of two recent referees must be received by the undersigned by Tuesday 20th April 2021 at 4pm.

Are you are Photographer looking for a tourism focused opportunity? Then this could be for you...

FREELANCE PHOTOGRAPHER

Roe Tourism Association are seeking Expressions of Interest for a Professional Freelance Photographer, confident in creating content which stands apart from the rest.

THE OPPORTUNITY

Roe Tourism has an amazing opportunity for a Professional Freelance Photographer to develop a notable professional image library for the use of marketing, advertising, and social media content. The opportunity would be suitable for a person with the capacity and flexibility to travel throughout the seven Member Shires, over a period from April to November 2021. The images should reflect the people, region and the essence of the Roe Tourism brand: inviting visitors to engage, experience and make memories as they travel the Pathways to Wave Rock.

DELIVERABLES AND RESPONSIBILITIES

- Curating photographic content to be used for Roe Tourism marketing, advertising, and social media.
- The ability to conceptualise and produce quality images and finished works across all media platforms.
- The ability to work independently and collaboratively with others
- The ability to work to a schedule and met deadlines.
- An understanding of the Wheatbelt region (desirable)
- Ability to reflect the key outcomes of the Roe Tourism Social Media Strategy

ABOUT ROE TOURISM ASSOCIATION

The Roe Tourism Association is a collaborative, non-for-profit partnership between the Shires of Bruce Rock, Corrigin, Kondinin, Kulin, Lake Grace, Narembeen, and Gairdiner. Originally formed in 1998, the purpose of Roe Tourism is to work with the community and local business to promote the Pathways to Wave Rock self-drive trail and encourage visitors to come and see the many extraordinary and unique experiences which the region has to offer.

Take a look and find out more about us by visiting:

www.pathwaystowaverock.com

[facebook.com/PathwaysToWaveRock](https://www.facebook.com/PathwaysToWaveRock)

www.instagram.com/pathwaystowaverock/

APPLYING FOR THIS POSITION

Submit a one (1) page letter of introduction, detailing your preferred field of photography (landscape, people, environment) and highlighting your experience in this field. Please include examples of your ability to create a library of works which reflect a brand or the essence of a specific task.

Letters to be addressed to: The Executive, Roe Tourism Association and emailed to: roetourism@outlook.com with the subject line 'Freelance Photographer EOI'

APPLICATIONS CLOSE:

Monday 12 April at 5pm.

HARVEST BAN INFORMATION LINE 9880 1511

This is a recorded message and is updated with current harvest ban information

HARVEST AND VEHICLE MOVEMENT BAN

Harvest and Vehicle Movement Bans are issued by your local government and are put in place when your local Bushfire Control Officer identifies the use of engines, vehicles, plant or machinery as high bushfire risk activities, during particular times of the day.

Kulin Shire will distribute this information via SMS and the harvest ban information line.

TOTAL FIRE BAN

A Total Fire Ban is declared on days when fires are most likely to threaten lives and property. This is because of predicted extreme fire weather or when there are already widespread fires and firefighting resources are stretched.

Total Fire Bans are put in place by DFES.

IN CASE OF FIRE RING 000

If there is a fire you must call 000 immediately. Shire of Kulin staff are unable to register the emergency.

RESTRICTED BURNING PERIOD

Burning is restricted from 16 Feb 2021 to 15 March 2021.

KULIN OVAL WATERING

The Shire of Kulin wish to advise that the town oval is no longer being watered with re-use water. Access to the oval is no longer restricted.

For any further information contact the office 9880 1204.

Contact Registers in Shire facilities

From 5 December 2020, Shire of Kulin is required to maintain mandatory contact registers for WA Health Department COVID-19 contact tracing. Individuals can either scan the SafeWA QR Code or manually sign in at each venue.

The following venues/buildings will have contact registers:

- Kulin Aquatic Centre and Waterslide
- Freebairn Recreation Centre
- Freebairn Recreation Centre Gym
- Kulin Memorial Hall
- Kulin Public Library (located at Kulin Post Office)

The WA Government has developed a free app, SafeWA, which is a digital contact register system. The SafeWA app can be downloaded from Apple App Store or Google Play. The app is not mandatory, and an alternative paper based system is also available.

-Failing to comply to the new requirements could result in fines and penalties of up to \$50,000 for an INDIVIDUAL and \$250,000 FOR A BODY CORPORATE or 12 months imprisonment.

- Any person aged 16 years and over who attends the facility, including patrons, staff, volunteers and contractors will be required to register their contact details. Records are not required to be collected for children under 16 years.

FREEBAIRN RECREATION CENTRE

Just a few small housekeeping reminders from me in this edition.

Over the past few months there have been multiple functions at the FRC meaning a lot of food has been very kindly prepared and brought in. As a result, we now have a significant assortment of Tupperware containers, platters, plates and dishes still awaiting collection from their rightful owner. When you are here next, feel free to pop in to the kitchen and collect what is yours. With the Winter sports season really close it would be good to have all of these things collected.

If any Clubs still have food items in either the cool room or freezers, please ensure it is removed before the Easter long weekend. That way we can start afresh and all clubs will be assured adequate fridge and freezer space for the season ahead.

If you use the gym facility please ensure equipment is cleaned down and also returned to where it came from. Weight plates need to go back on the racks and if you move benches around please return them to their location as well. Thanks.

A reminder to everyone that memberships are now due. If you intend playing in a Winter sports team you will need to pay a full FRC membership. Feel free to contact me for forms or payment options. Until next time.....

Thanks
Ruth

FREEBAIRN RECREATION CENTRE

EMPLOYMENT OPPORTUNITY

The Freebairn Recreation Centre is seeking capable and enthusiastic staff to undertake the following positions associated with running the bar, function components and cleaning of the FRC. These include:

- Permanent Part-time Bar Attendant
- Casual Bar Staff
- Part-time Facility Cleaner

Primary duties include hospitality responsibilities, bar service, as well as cleaning and maintenance of the bar facilities in the centre's function areas. Hours for each position are negotiable with an ongoing requirement for at least 30 hours per week across an individual role with another 30-50 hours across casual roles dependent upon facility bookings.

Applicants must possess RSA certification and ideally have experience within the hospitality industry. On the job training will be provided.

This is a multi-faceted role and we are seeking applicants who have the desire to become involved and be a key-player in the operations of the FRC. Weekend work will form a significant component of the role.

Key Points:

- Employed under Local Government Industry Award 2020 (salary negotiable dependent upon final role and responsibilities)
- Must be adaptable, possess great time management skills and exhibit initiative.
- RSA certification is required.
- Uniform provided.
- A vehicle would be advantageous but not essential.
- Accommodation potentially available via negotiation dependent upon final role.

The position is available on an ongoing basis with a starting date to be negotiated.

For further information and to apply, please email: reccentre@kulin.wa.gov.au

In order to apply for this role please forward a covering letter outlining experiences and motivation for your application as well as a copy of your current Resume to:

Freebairn Recreation Centre Manager - reccentre@kulin.wa.gov.au
PO Box 125
Kulin WA 6365

Applications close Wednesday April 7, 2021.

*** Please note, there are other opportunities for cleaning and maintenance of the wider FRC amenities. Please contact the Centre Manager via email to discuss if you are available for casual hours.**

It was a wonderful atmosphere all day in Narembeen, watching the sheer joy on the swimmers' and parents faces at the completion of each race. Not only did the place ribbons come flooding back into our team bay, but records were smashed left right and centre. The 25m pool records only had four Kulin names listed. We have added another nine individual and two relay team records to that list with some being smashed by 10 seconds! Every single swimmer put in their very best effort, which definitely made their parents, coaches and team proud. It was a wonderful experience listening to the presentations and hearing our Kulin swimmers collect half the medallions up for grabs - that is 20 out of 40!

Congratulations to everyone involved in this swimming season. Victories like these are only won by the best team and I think you would have to look far and wide to find a better all-round team than Kulin.

BOMBER COMMAND

Men from a range of Commonwealth and Allied countries, including Australia, served in Bomber Command. During the Second World War, Bomber Command started with daylight precision attacks on military targets but was compelled to adopt night operations when casualty numbers increased. Few crews managed to drop their bombs within eight kilometres of the target in the dark, so high command switched to 'area bombing' - attacks on German cities.

Bomber Command's most famous operation was the Dam Busters raid of May 1943, which attacked the Ruhr Valley's reservoirs. From April 1944 area bombing gave way to operations in support of the forthcoming Allied invasion of western Europe, Operation Overlord, and attacks on cities resumed before the end of the year. An Australian recalled the raids: 'Square miles are alight ... with pulsating explosions ... Over this cauldron the hundreds of bombers are silhouetted ... some banked, some under attack - for fighters follow us even here ... the nearby shell-bursts ... toss us like a canoe in rapids'.

As the command's capability increased and navigational techniques improved, raids became more accurate and more devastating, culminating in the infamous attack on Dresden in February 1945. From 1944 as the German Air

Force - the Luftwaffe - suffered increasingly heavy losses, Bomber Command returned to daylight operations while also continuing night raids.

Bomber Command's final operations involved flying liberated prisoners of war from mainland Europe to Britain. More than 55,000 of some 125,000 Bomber Command aircrew lost their lives in the war, one of the highest loss ratios of any service, and a total which included some 5500 Australians. The bomber offensive against Germany was Australia's costliest Second World War campaign.

After the Second World War, Bomber Command operated during the Suez Crisis of 1956. Its aircraft also deployed to the Middle East and Asia, serving during the Indonesian Confrontation and being involved in atomic testing. In 1968 Bomber Command combined with Fighter Command to form Strike Command.

Six of these seven men were killed on 28 April 1944 when their aircraft was shot down during a bombing raid on the German city of Friedrichshafen, and the sole survivor became a prisoner of war. The Royal Australian Air Force (RAAF) was established in 1921, building on the foundations laid by its forerunner, the Australian Flying Corps, during the First World War. Ever since, the RAAF has played a vital role in Australia's military operations. From the Second World War, through Korea, Borneo, Malaya, Vietnam, the Persian Gulf and Afghanistan to peacekeeping and humanitarian operations, air force personnel have earned the respect of Australians and people around the world.

GENERAL NOTICES

The commencement of Phase 1b of the National COVID-19 vaccine roll out is due to commence from the week of 22 March 2021 in selected locations.

Many people are keen to know when, where and how to book an appointment with an approved vaccination provider within their local area.

Members of the community can check their eligibility, or that of a loved one, online via the Eligibility Checker available at <https://covid-vaccine.healthdirect.gov.au/eligibility>. If eligible, they will be able to view vaccination clinics and book an appointment online or via phone.

There is currently a low risk of contracting COVID-19 in Western Australia and indeed in Australia, so it's important to take the time to check eligibility in this round before making an appointment or calling a doctor.

The Australian Government Department of Health website contains further information and resources to support the rollout including a downloadable fact sheet listing the General Practices, Aboriginal Controlled Community Health Services, and GP-led respiratory clinics as well as official communication guidance which will be updated as the roll out progresses. If the online method is not the preferred option, the National Coronavirus and COVID-19 Vaccination Helpline is available on 1800 020 080. Details of State based clinics (Co-ordinated by WA Country Health Service) are in the last stages of finalisation and aim to 'fill service gaps' where vaccination is not locally available.

Some, but not all general practices have opted in to deliver COVID-19 vaccines for the next stage of the vaccine rollout, Phase 1b.

Phase 1b is for the over 70's, Aboriginal and Torres Strait Islanders over 55, adults with a specified medical condition, healthcare workers and critical high-risk workers.

We've already seen a high demand for the COVID-19 vaccine, not just from people who are eligible for Phase 1b but in general.

There are things that can be done while people wait for their vaccination appointment. They can make sure Medicare details are correct, continue to practise good hygiene, physical distancing and adhere to local restrictions and understand how to isolate if needed. If feeling unwell, don't go to work or to activities in big groups and get tested.

Further information related to local primary health care can be found on the Wheatbelt Primary Health Exchange Site at <https://phexchange.wapha.org.au/my-region-Wheatbelt> including 'My Community Directory' which is an online directory of health and community services.

People are asked to please be patient - the vaccination rollout will go slowly at first with more vaccination sites coming online over the next few weeks.

All eligible Australians will have the opportunity to have the vaccination in the coming months.

We are all committed to working together with the aim of facilitating the best possible information, care and future health outcomes for people belonging to our Wheatbelt community.

**Thanks and kind regards,
The WA Primary Health Alliance Wheatbelt team.**

KULIN CWA

Thank you, to you all, for supporting Kulin CWA on Election Day and again at the Kulin Markets last Saturday.

There were many vibrant discussions on polling day with locals and people passing through, who turned out to have connections here. We enjoyed your company on both days and thank you again for contributing to our building restoration fund.

Many thanks also to all our members who contribute so selflessly and especially to Katheryn Wilson who cooked up a storm after a last minute kitchen change.

KULIN WILDFLOWER BRANCH

These Gimlet and Salmon Gums have formed a close alliance, half-way up the hill to Kulin Road Reserve. Where can we find other unusual or stunning trees to photo ? Post yours on Kulin What to See and Do .

The Fox Banksia globes of gold are lighting up the roadside shrubs now along with the autumn wattles. If you bring us a wattle sprig from ones you like, on your property, we can make you a label to attach to it. In November you can collect some seed to grow them.

If you need spiky shrubs to deter two or four legged intruders the Acacia acutata, the Kulin Wattle- A kulinensis, Dryandra purdieana and the red Star Grevillea asteriscosa are ideal.

We have colour pages of local shrubs for our rainfall, temperature and humidity conditions. We are working on pages for soil types as well and for bee-keepers. Walk-n-drives around Corrigin - Kulin - Kondinin are planned for April.

CATERPILLAR 22 crawler tractor 1928

Dimensions LWH: 8' -2.45m x 4'2" - 1.27cm x 5' - 1.5m

Imagine this “toy” beside the leviathans in our mining and construction industries. When Holt Mfg brought their “track-type” tractor to NSW in 1913 it had to be dismantled to the last bolt for Customs. After re-assembling they then, had to reduce the height so that it could fit through the railway tunnels. The first Caterpillar 20 was manufactured in 1927 and the Cat-22 in 1928 in California, USA. 20HP, petrol ignition and ran on kero.

Allan and Margaret Waters bought this Cat-22 from Tambellup circa 1968. Allan used it on Hillview Farm on Tom Gray Road in tandem with a Cat-D4 to clear mallees. Very heavy chains joined each tractor. After felling, the mallees were pulled out one by one! If roots remained, they resprouted and had to be burned. Do you have a story about one losing traction and being pulled in reverse, accidentally? Very messy!

WHAT IS THIS GEM ?

John will have a prize for the first person, except a member, who pops in at the museum or calls with the answer

He will show you how to operate it too!

Come along on **Wednesdays or Saturdays 10-2** and share your stories.

What did you buy at a Lottery Auction ?

After World War 2 machinery was hard to acquire. **At clearing sales, tractors and trucks had prices chalked on them.** You took a ticket for what you wanted and if your name was drawn it was yours so long as you had the money for it. Other things were auctioned. Bill Colbourne’s Dad, Ernie, “won” this McCormick Deering 15-30 and loaded it on the train from Kellerberin about 1948. Initially it was used to clear mallees and scrub using two 6x3m salmon gum logs in parallel. The tractor was then used to seed and harvest oats for the farm horses and for sale. There were tired wheels to use once the threat of punctures eased but the rear wheels still shook your bones about.

KULIN COMMUNITY MARKETS

Our first Kulin Community Markets for the year were held at the Kulin Memorial Hall on Saturday 20th March. A range of stalls filled the hall with several more outside, including 3 new stallholders. Unfortunately, visitor numbers to the markets were not as high as usual, but I'm sure those who did venture out in the warm weather enjoyed the many food choices and products that our markets could offer.

All stallholder fees go to the upkeep of our beautiful memorial hall.

KONDININ KULIN CRICKET CLUB

The Kondinin-Kulin Roodogs claimed back to back Premierships in the Eastern Districts Cricket Association over the weekend against Narembeen.

After a somewhat controversial and drawn out finals series, the Roodogs only found out their opponents on the Saturday evening before Sunday's rescheduled Grand Final at the Corrigin Oval. In a rematch of the previous year, both teams were pretty much at full strength after being the dominant two sides across the course of the year.

Captain Biglin won the toss and had no hesitation in batting on what looked be a good wicket, but turned out to a be challengingly slow outfield. An enterprising opening partnership between Roo and Timmy took advantage of some wayward opening bowling from the Hawks. The change bowlers of Gray and Cheetham, brought a few quick wickets leaving the Roodogs in the precarious position of 5 wickets down after losing Tullzor, Grim and Westy for not many. A rebuilding partnership between George and Poppy saw us creep past 100. This was followed by another flurry of late wickets as we finished

all out for 144 in the last over. On a slow outfield 144 was always going to be a challenge against the Roodogs top class bowling attack. The Ellis combination of wily verteran Doug and son Sam, started with a miserly spell much to the delight of their number one ticket holder and chief photographer Kristy. This was followed by further miserly spells from Captain Tullzor and Grim as Jordan Sprigg, the Hawks Number One Sculptor and Cricketer of the Year slowly carved out an innings of 11 runs off 24 overs putting them on the back foot. A few choice words between the Yandle brothers on opposing sides added further spice to the contest, before a 39 year argument was settled by the older sibling as he knocked his brother over sending him brother packing with his bat under his arm and dummy on the ground.

At this stage the Hawks looked dead and buried, but great sides produce great contests and great grand finals. The Hawks were not to be denied as Chris Fields and Happy, their semi-final hero, upped the tempo. Enter Jarrad "The Broom" West, who'd been strategically held back by the skipper. He produced a masterly spell of bowling to clean

up the tail with 5 wickets and putting the game out of the Hawks reach. The Hawks kept fighting and took it right to the last over, but the Roodogs triumphed by 11 runs. Some excellent fielding saw Whytie snare four awesome catches and George take a trademark hanger in front of the crowd, with a runout from Poppy to finish. Dool, Yoda and Thumper all contributed as part of the 13 person grand final team.

So there we have it, two close Grand Finals in two years going to the Roodogs in front of a great crowd. Plenty of supporters travelled across to cheer us on which was much appreciated, especially a few of the Roopups who were quite vocal in their support. Thanks Baz for driving the bus home and the Kulin Community Hub for their hospitality. Thanks also to the support from Kondinin Hotel and FRC for their hospitality throughout the year as well as Gangells for sponsoring the hats.

After a slow start to the year the Roodogs finished triumphant, with a three-peat lurking as next season's challenge.
