HAPPY BIRTHDAY

Didn't see your name on the list ??
Contact the CRC and we will add your very special day to our birthday list

March

- 19th Betty Tyley, Olivia Turner
- 20th Daniel Philip, Ashlee West
- 21st Ron Argent, Roland Slater, Macey Robertson
- 22nd Will Cook
- 23rd Michael Robins, Craig Bradford
- 24th Harry Hodgson, Luke Ledwith
- 25th Ella Barndon
- 26th Mason Dean

March

- 28th Bryan Robins, Michael Martin
- 29th Peter Riseborough, Rachel King, Ben Whisson, Matt Syred, Kayne Lewis
- 31st Lucy Sullivan, Gloria Jernakoff, Charlie Gangell

April

- 1st Neil Argent, Ava Bennier
- 2nd Sheldon Saunders, Mikayla Frantom
- 3rd Stella Dearlove, William Bailey, Miley Jasper

Welcome to my fortnightly CEO Corner and isn't the world in an interesting predicament at the moment.

The outbreak of COVID-19 and its impending infiltration into the wider Australian community has been at the forefront of the media the past few weeks, with the advice changing daily and rapidly. Whilst Kulin may seem a somewhat isolated and safe place at this point in time, it only takes one infection to potentially infiltrate the whole community. The swift response and measures currently being put in place by the Federal and State Governments is to ensure all community members have an understanding of the measures they can take to minimise the effect of COVID-19 in their individual communities as well as across wider Australia.

The Shire of Kulin continues to monitor the growing concern about the coronavirus (COVID-19) and are taking action in accordance with the advice provided by the relevant health and government authorities. Slowing the spread of the COVID 19 is essential in order for our health system to cope in the coming months. In such a rapidly changing environment, it is important that our community is kept informed about how the shire is responding to COVID-19 and the challenges it presents. The Shire will continue monitoring the level of risk associated with COVID-19 and responding to the changing situation as quickly as possible while keeping you informed and updated on a regular basis.

The most effective ways to prevent the spread of the disease are to:

- § Wash your hands often with soap and water.
- § Clean and sanitise high touch objects such as door knobs, light switches, fridges and rails.
- § Cover your mouth with a tissue or the inside of your elbow when you cough or sneeze.
- § Stay at home if you or your family members feel unwell and do not go to work, school or daycare.
- § Practice social distancing by leaving space between yourself and others.
- § Reconsider non-essential public gatherings.
- § Call ahead before attending medical appointments if you are feeling unwell or for testing.
- § Self-isolate for 14 days if you have returned from travelling overseas.

The Shire of Kulin met with Blazing Swan representatives this week to discuss how this issue would impact their impending scheduled Easter 2020 event. On Monday 16th March the WA State Government declared a State of Emergency in Western Australia due to COVID-19. This declaration reiterated that "non-essential, organised gatherings of 500 or more people can no longer go ahead". Based upon this information the Shire of Kulin has requested that the Blazing Swan event scheduled for 2020 is cancelled immediately.

Unfortunately, other local events have also been cancelled this week due to the ongoing risk of COVID-19 and the social isolation measures being requested by the Government. These include the Interschool Swimming Carnival as well as the Kulin Triathlon. I understand this will be most disappointing to sections of the community, but from a risk management perspective at this stage these decisions are in line with what other similar organisations are doing across the country.

Over the past fortnight the Shire of Kulin made the challenging decision to put Camp Kulin in recess for an indefinite period. This decision was not taken lightly and many alternatives were investigated in order to continue delivering this fantastic program to the Kulin community and wider state. On behalf of staff and Council I'd like to wish both Amy and Cathy well in their new ventures and thank them for their hard work, especially over the challenging summer months. Our best wishes also remain with Tanya with her ongoing recovery.

Council staff continue to work with Office of the Auditor General in finalising the 2018/19 Financial Year Audit. The process of review via the OAG has been a challenging process and continues to drag out, however we are ultimately at the mercy of their various queries and requests, which have been significantly more onerous than in previous years. Unfortunately, this continues to delay our Annual Electors Meeting, which we will be endeavouring to hold in April.

Preparations of the 2020/21 Council Budget will commence in the coming month. As part of this process we are hoping to undertake consultation with the community through various public meetings to investigate potential budget items and identify key projects to be considered as part of the Drought Communities Funding Programme Extension. Exactly when and where these meetings take place will be subject to the ongoing restrictions of COVID-19.

On a positive note, the sealing of widening work on Dudinin - Jitarning Road was completed last week. Congratulations to Judd and the team who have worked tirelessly on this project for the past few months, well done crew.

In sporting notes, commiserations to the local lawn bowlers who were knocked out of their pennants finals the other week. Congratulations to the Roodogs who were victorious over Naremben in the Eastern Districts Cricket Association Grand Final. The match was a high standard and hard-fought contest with KKCC winning by 4 runs in the last over.

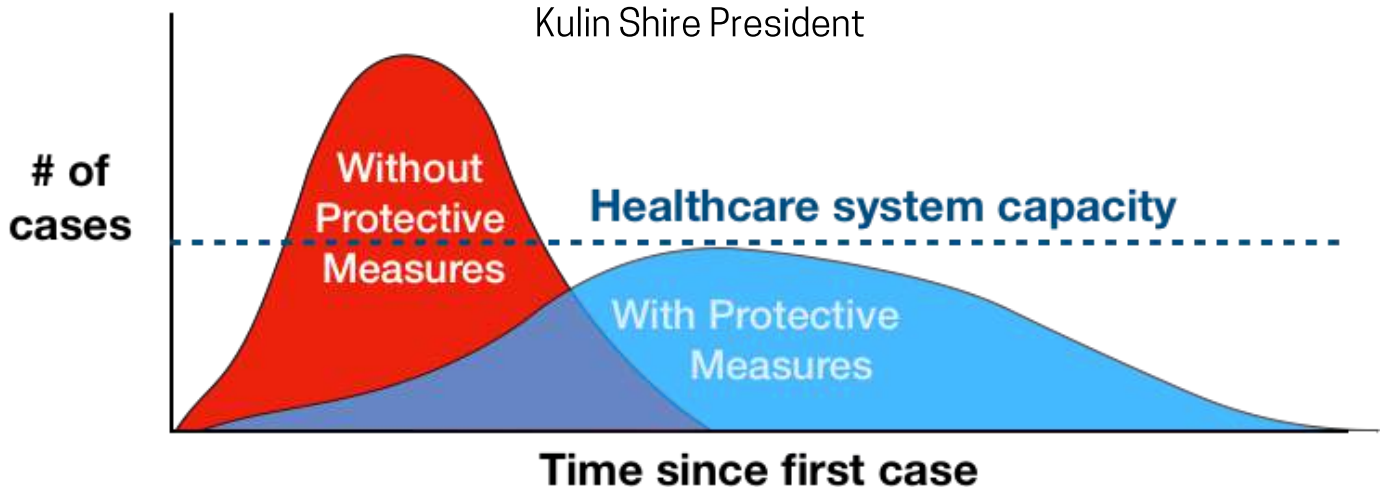

Until next time safe travels.

Garrick Yandle
CEO

To The Kulin Community

We are certainly living in different times with changes occurring daily at the moment. As a proactive and caring community, Kulin is well placed to deal with the challenges of the COVID-19 virus, and it is heartening to see the common sense applied already to our events and sports. We are renowned for our magnificent volunteering - now is the time to continue to help where you can. I encourage everyone to look out for our most vulnerable citizens, the elderly, the very young and those with health conditions – please make sure your neighbours are OK. By following medical and travel rules set down by government, together we can make a difference and support one another through these circumstances.

Barry West
Kulin Shire President

Please read before entering the practice

If you have **ANY** of these symptoms

- fever
- cough
- sore throat
- shortness of breath

AND

- travelled internationally in the 14 days before getting sick

OR

- had contact with **someone diagnosed with or suspected of having coronavirus** in the 14 days before getting sick

Please do not enter the practice

Call reception on 9880 1315

You will be asked some questions and provided information on what to do next.

This will help protect the health and safety of you and others.

Thank you for your cooperation.

What Does Social Distancing Mean?

Social distancing is the practice of reducing close contact between people to slow the spread of infections or diseases like the coronavirus (COVID-19). Social distancing measures include limiting large groups of people coming together, closing buildings, or cancelling events.

AVOID	USE CAUTION	SAFE TO DO
Group Gatherings	Visiting a Grocery Store	Take a Walk
Sleep Overs	Getting Take Out	Go for a Hike

GOOD NEWS!

If you are self-isolating due to COVID-19, we can help.

Kulin businesses are working hard to help us all out during this time when community members may be self-isolating, in quarantine or simply social distancing.

To support our community we are gathering a list of community volunteers who are able to collect orders from Kulin businesses and deliver to your doorstep. Physical contact will not be necessary.

If you are self-isolating and require help with picking up shopping, posting/collecting mail or urgent supplies, please contact Kulin Resource Centre on 9880 1021 to register your interest. We will do our best to match you with a volunteer to help you out (for free!)

If you are interested in assisting as a volunteer to deliver please fill out the online form <https://form.jotform.com/ErinBailey/kulindelivers> or contact Erin Bailey 0429 809 013. This is a purely volunteer services so deliverers will not be reimbursed for fuel or vehicle maintenance.

Let's commit to kindness and helping each other during the Covid-19 outbreak

I commit to show kindness during the Covid-19 outbreak by:

1. *Supporting others:* such as friends, older neighbours, co-workers and family members who might be at risk, isolated, vulnerable or lacking information
2. *Being socially responsible:* not panic buying, helping to make sure there's enough of everything to go around, not spreading misinformation and unofficial advice, and showing kindness and compassion in all my interactions (on and offline)
3. *Saying "thank you":* showing gratitude to others who are taking action to help keep us well and safe

Australian Government

Economic Response to the Coronavirus

The Government's economic response addresses the economic impacts of the Coronavirus outbreak. It is intended to support confidence, employment and business continuity. It is designed to support business investment, help small businesses manage short-term cash flow challenges, provide targeted support to individuals and assistance to the most severely affected communities and regions.

1. Delivering support for business investment

The Government is backing businesses to invest to help the economy withstand and recover from the economic impact of the Coronavirus. The two business investment measures in this package are designed to assist Australian businesses and economic growth in the short term, and encourage a stronger economic recovery following the Coronavirus outbreak.

Increasing the instant asset write-off

From today, the Government is increasing the instant asset write-off threshold from \$30,000 to \$150,000 and expanding access to include businesses with aggregated annual turnover of less than \$500 million (up from \$50 million) until 30 June 2020. In 2017-18 there were more than 360,000 businesses that benefited from the current instant asset write-off, claiming deductions to the value of over \$4 billion.

Backing business investment

The Government is introducing a time limited 15-month investment incentive (through to 30 June 2021) to support business investment and economic growth over the short term, by accelerating depreciation deductions. Businesses with a turnover of less than \$500 million will be able to deduct 50 per cent of the cost of an eligible asset on installation, with existing depreciation rules applying to the balance of the asset's cost. These two measures will support over 3.5 million businesses (over 99 per cent of businesses) employing more than 9.7 million employees.

2. Cash flow assistance for businesses

This assistance will support businesses to manage cash flow challenges resulting from the economic impacts of the Coronavirus and help businesses retain their employees. These two measures are designed to support employing small and medium enterprises and to improve business confidence.

Boosting cash flow for employers

The Boosting Cash Flow for Employers measure will provide up to \$25,000 back to small and medium-sized businesses, with a minimum payment of \$2,000 for eligible businesses. The payment will provide cash flow support to businesses with a turnover of less than \$50 million that employ staff. The payment will be tax free. This measure will benefit around 690,000 businesses employing around 7.8 million people.

Supporting apprentices and trainees

The Government is supporting small business to retain their apprentices and trainees. Eligible employers can apply for a wage subsidy of 50 per cent of the apprentice's or trainee's wage for up to 9 months from 1 January 2020 to 30 September 2020. Where a small business is not able to retain an apprentice, the subsidy will be available to a new employer that employs that apprentice. This measure will support up to 70,000 small businesses, employing around 117,000 apprentices.

3. Stimulus payments to households to support growth

This measure will assist around 6.5 million lower income Australians, which will support confidence and domestic demand in the economy.

Stimulus payments

The Government will provide a one-off \$750 payment to social security, veteran and other income support recipients and eligible concession card holders. Around half of those that will benefit are pensioners. There will be one payment per eligible recipient. For example, if a person qualifies for the one-off payment in multiple ways, they will only receive one payment. The payment will be tax free and will not count as income for Social Security, Farm Household Allowance and Veteran payments.

4. Assistance for severely affected regions

This measure provides \$1 billion to support regions most significantly affected by the Coronavirus outbreak.

Support for Coronavirus-affected regions and communities

The Government has set aside \$1 billion to support those regions and communities that have been disproportionately affected by the economic impacts of the Coronavirus, including those heavily reliant on industries such as tourism, agriculture and education.

This will include the waiver of fees and charges for tourism businesses that operate in the Great Barrier Reef Marine Park and the waiver of entry fees for Commonwealth National Parks. It will also include additional assistance to help businesses identify alternative export markets or supply chains. Targeted measures will also be developed to further promote domestic tourism.

The Australian Tax Office (ATO) is also providing administrative relief for some tax obligations for people affected by the Coronavirus outbreak, on a case-by-case basis. The ATO will set up a temporary shop front in Cairns within the next few weeks with dedicated staff specialising in assisting small business. In addition, it will consider ways to enhance its presence in other significantly affected regions, making it easier for people to apply for relief. The ATO is considering further temporary shop fronts and face-to-face options.

PACKAGE IMPLEMENTATION

The Government will move quickly to implement this package. To that end, a package of Bills will be introduced into Parliament in the final Autumn sitting week in March 2020 for Parliament's urgent consideration and passage. Following passage of the Bills through Parliament, the Government will then move to immediately make, and register, any supporting instruments.

SHIRE OF KULIN

Multi-skilled Road Maintenance / Plant Operator

Applications are invited for a full time Road Maintenance / Plant Operator position with the Council.

The successful applicant will be required to hold a MR licence and will undertake on the job training to enable him/her to carry out various duties and responsibilities in an efficient manner and to become proficient in operating various items of Council plant and machinery.

Conditions of employment are in accordance with the LGIA 2010 Award. With incentives such as regular overtime, over award payments, superannuation and other bonus schemes operators have the capacity to earn in excess of \$60,000 per annum. Subsidised housing may be available to the successful applicant.

Kulin is located three hours south east of Perth and one hour east of Narrogin. The Shire population is approx 1000, with the townsite of Kulin having 400 residents. The Shire is well serviced in terms of health care and schooling (to year 10), has recreation facilities second to none and an energetic community provides the opportunity for plenty of active participation and quality living.

To obtain a position description please email Tom Bennier at to@kulin.wa.gov.au or for further information phone Judd Hobson, Manager of Works, on 0427 801 241.

Applications outlining employment history and other relevant details, including the names of 2 recent referees, are to be received by 4pm Friday 27 March 2020 addressed to the undersigned.

Judd Hobson
Manager of Works
Shire of Kulin
PO Box 125
Kulin WA 6365

WHAT'S HAPPENING AT THE FRC?

With the current state of affairs in the world as a result of the onset of the COVID-19 Pandemic, I thought it might be a good idea to let you know the direction we are taking here at the Freebairn Recreation Centre.

While we don't have a clear-cut timeline with which to work, we are currently adopting a sporting cliché and 'taking each day as it comes'. The COVID-19 Pandemic has meant ALL organised sport has been postponed until at least the end of May at this point in time.

Winter sport is one of our major social interaction opportunities and we see great numbers of people participate both on and off the field and courts every season. With a delayed start to the season we are no longer seeing our sports teams come together for regular training or games activities. As many of you know, sport is a social vehicle – especially in a regional town.

For this reason, please know that **the FRC is NOT closed**. It is still a place for people to gather and interact. In saying this of course we need to exercise common sense and caution. We have undertaken a very strict cleaning regime and have cleaned all surfaces with high grade disinfectant. This includes the bar, kitchen and gym areas. This process will continue on a regular basis to maintain optimum levels of cleanliness and hygiene.

We would also encourage patrons to "socially distance" so as to be in line with the directives being delivered by the government and Health Services at present.

Of course, if you have recently returned from overseas, or have been in contact with anyone who has been or you are in a "high-risk" sector of the population, you would be discouraged from patronising the Centre.

In the interim as we enter another phase of uncertainty as to when and if we will be able to get our seasons underway, I would encourage community members to come and have a walk or run around the oval, play kick to kick with your mates, go and have a roll on the greens, grab a tennis racket and some balls and have a hit or get the basketball out and shoot some hoops. Then grab a cool drink, beer or juice box and enjoy a bit of social activity – of course adhering to the guidelines outlined above. We encourage strict handwashing post-activity.

We look forward to hopefully seeing you down here in the near future for what we will call some modified activities.

OPENING HOURS:

Gym – 24/7

Bar – Thursday 5pm, Friday 4pm, Saturday 5pm and Sunday 5pm

Take care
Ruth

A5 Phone-book - \$5.00

PRESS RELEASE

Author: Barry West (President) and Garrick Yandle (CEO)

Subject: Camp Kulin - Operational Status Update – Going Into Recess

Date: 11th March 2020

Kulin Shire Council and Staff have worked through on-going challenges regarding the operation of Camp Kulin over the Summer of 2019/2020. During the Summer School Holidays we operated a scaled back version of 2 camps, as opposed to the originally proposed 7 camps. These camps were successfully delivered via existing Camp Kulin staff as well as a range of casual staff and volunteers. Camp Kulin staff have also continued to deliver School Leadership Camps for a range of schools within the region during Fourth Term of 2019 as well as First Term of 2020.

As many people are aware Camp Kulin Manager, Tanya Dupagne, remains on extended personal leave for an indefinite period of time as she undergoes intensive medical treatment. The Shire of Kulin continues to wish Tanya all the best with her treatment and ongoing recovery.

The permanent Camp Kulin staff are a small team who are supplemented with casual and volunteer staff during peak camp seasons. At this point in time the Camp Kulin team do not have sufficient resources to adequately deliver the Camp Kulin Program.

Council and Shire staff have continued to work through various challenges regarding resourcing and the ongoing sustainability of Camp Kulin, but we've come to the decision that Camp Kulin will have to go into recess as of Friday 13th March 2020. This decision was not taken lightly and involved consultation with a range of stakeholders. Whilst Camp Kulin is in recess, staff and Council will endeavour to work through the various challenges to determine a suitable resourcing and sustainable operational delivery model for the future.

Kulin Shire Council trusts that this provides a comprehensive update of the operational status of Camp Kulin, until further information comes to light and an appropriate decision is made. We thank everyone in advance for their patience as the Kulin Shire Council, Shire staff and Camp Kulin staff work through this challenging situation.

Should anyone have any other specific enquiries regarding Camp Kulin and Kulin Shire Council please contact Garrick Yandle – Shire of Kulin CEO – ceo@kulin.wa.gov.au.

Shire of Kulin Bush Fire Brigades

Annual Meeting of Bush Fire Brigades

Please be advised that the Annual Meeting of Bush Fire Brigades is to be held on **Wednesday 1 April 2020** at the Pingaring Hall commencing at 4pm.

The AGM is held in March/April of each year to:

- § enable any policy changes to be implemented in time for the next fire season
- § enable new FCO's sufficient time for training prior to the next fire season
- § allow sufficient time for the admin staff to implement changes and provide information to FCO's and brigades as required
- § enable any issues that arose during the previous fire season to be discussed and dealt with in a more efficient manner.

Please extend an invitation to your brigade members, they are welcome to attend.

Any matters to be considered at the AGM, which may require some research, should be raised with Garrick Yandle, email ceo@kulin.wa.gov.au or call 9880 1204 prior to the meeting.

Garrick Yandle
Chief Executive Officer

Kulin Development Co-operative

Kulin Co-operative supporters – we now have the Co-op bank account open so now is the time to honour your pledges – please transfer funds as soon as possible to:

Kulin Development Co-Operative Ltd
BSB - 633-000
Account Number - 173214099

Your commitment and patience is much appreciated.

We encourage anyone who would like to pledge an amount to do so by contacting Hayley at crccounter@kulin.wa.gov.au, as it is still very much needed.

All questions can be directed to:

Cultivating Kulin Committee Community Cropping Program

Cultivating Kulin Committee exists

- (1) To promote and lift the profile of Kulin and its people
- (2) To consider ways and means of improving or maintaining the quality of life in the area;
- (3) To assist in the development of the Kulin community in an orderly and responsible manner;
- (4) To make representation to Governments, Government Authorities and Local Authorities for promoting the interests of its members
- (5) To join with other organisations having similar objectives in order to strengthen the Group's effectiveness in the attainment of its objectives
- (6) Encourage community participation in projects
- (7) Facilitate targeted projects that have a whole of community benefit

Can you support CKC?

To assist the community to reach these goals, CKC has been granted the Community Cropping Lease for six (6) years.

We are asking for donations from the community to assist with this years crop. We would firstly like to thank the Barndon Family and Mike Wilson & family for undertaking the summer spraying. Your donation and contribution is greatly appreciated.

We intend to begin the seeding program at the end of April 2020. We are calling for community assistance:

- Barley seed - preferably Fatham or an early maturing variety
- Fertiliser
- Equipment

If you can assist CKC cropping program, please contact Michael Lucchesi, Community Cropping Coordinator on 0427 804 050.

For further information regarding CKC objectives, initiatives or getting involved, feel free to contact a committee member.

Brad Smoker (President) 0427 906 371
Graeme Robertson (V/President) 0427 429 251

Welcome to our new teachers!

Kindy-Pre Primary

Emily Drakeford - I am so excited to be teaching in the Kindy/ Pre-Primary class at Kulin DHS this year. I am a new teacher who graduated from university in 2019 and am thrilled to have my very first class of students. I grew up in the town of Merredin not too far from Kulin. Making the decision to move has been easy as I have heard wonderful things about the community in Kulin. Outside of school I enjoy playing team sports, especially netball. I am looking forward to being part of the Kulin community and the wonder-ful team we have at Kulin DHS this year.

Year 2/3

My name is **Madison Jenkins** and I will be the Year 2/3 teacher for 2020. I am a graduate teacher from The University of Notre Dame, Fremantle with a specialisation in Special Needs Education. This term in Room 2 our learning journey theme will be 'Australia'. I would like to thank all of the parents and wider school community who have made me feel welcome during my first week at Kulin District High School.

Year 4

Chandler Sanford - I am so excited to be joining the staff at Kulin DHS this year. Teaching is an absolute passion of mine! I am so excited to be working with you all this year. It's going to be a year full of fun, learning, and many adventures!

A bit about me: I grew up in the coal mining town of Collie, attending Primary and High School there. I moved to Perth when I was 18, where I received my Bachelor of Primary Education at Edith Cowan University. After graduating mid 2016 I moved to the UK where I taught Year 3 for two years. I came back to Australia late 2018 and began a part-time teaching position as a PE teacher in Collie in 2019. My hobbies include playing sport (basketball, hockey and netball), scrapbooking, baking, and playing the piano.

RURAL EDGE

Paperless Farm Office

WORKSHOP

Often called our 'light-bulb-moment' workshop, this one is for everyone who wants to stop drowning in office administration.

BASIC SET-UP

Essentials of a paperless office. Multiple screens and scanning. Low cost options that work. Short cuts to save time.

ELECTRONIC FILING

How to name documents. Setting up a filing system. How to find just about anything in 2 secs.

CLOUD STORAGE

Cloud storage options and how-to. Back-ups and internet security. Virus protection.

Wed 25 Mar 2020

KULIN

8.45am to 3pm

Kulin CRC, 38 Johnston Street, Kulin WA 6365

Registrations ESSENTIAL via ruraledge.org.au/workshops/paperless-farm-office

Cost: \$350 + GST (first person from a business), \$175 + GST (add. members of same business)

The commercial value of this workshop is over \$500 per person, support from The Muresk Institute enables Rural Edge to deliver in your community at the subsidised rate.

WALRC Livestock Matters Forum

A really interesting day out for livestock producers

Kulin Rec Centre Thursday March 26

12.15	Lunch - Kulin Rec Centre
1.00pm	Keynote address: Michael Craig runs a mixed broadacre livestock and cropping enterprise with 18,000 sheep and 500 breeders at Harrow in the western districts of Victoria. Considered an 'early adopter' of all things high-tech, with science-based evidence of their application, Michael will share his main production 'leaps' achieved through his approach over the last 5 years.
1.45pm	Virtual talk that's going on in the world: We explore with Dr Anna Erickson, DPIRD Narrogin, what the local livestock production challenges are at the moment that might help us shape the next round of D&E response and funding.
2.15pm	Meet your researchers: In this segment we have a series of short presentations from MLA, Murdoch, CSIRO, UWA and DPIRD and a chance to hear about some of the latest livestock industry research projects underway.
3.00pm	Break
3.30pm	Discussion forum: WALRC chairman Dr Tim Watts leads the discussion session on the issues holding your livestock business back, drawing inspiration from the session's speakers.

Refreshments courtesy of WALRC to follow

Please RSVP to WALRC* so that we can plan our catering!

Email admin@walrc.com.au or text Esther Jones 0418 931 938 with names

**About WALRC: The WA Livestock Research Council is an initiative of MLA that partners with DPIRD, CSIRO, Murdoch and UWA to identify the research needs of WA's beef and sheep producers. Our forums are an ideal opportunity for livestock producers to influence the best spend of their R&D levy.*

Hockey WA Statement - COVID-19

March 17 2020

Dear players, supporters, members, clubs and our broader hockey community,

Hockey WA has taken the decision to suspend all WA hockey competitions, events and activities until May 31st 2020 to reduce the spread of coronavirus throughout our hockey community. We regard the health and wellbeing of players, coaches, officials and staff at all levels within our sport as our highest priority.

Our focus in the coming weeks is to work collaboratively in supporting and guiding our clubs, regional associations and the multitude of stakeholders through this unprecedented and extremely challenging period. This includes strategies and resources to maintain our players and supporters connection to Hockey.

The delay to the start of the season will provide the opportunity for Hockey in WA to track and review the actual effect of the pandemic and collectively with our members, plan and innovate for the delivery of a 2020 hockey season.

It is clear that the situation regarding the COVID-19 is evolving and changing rapidly. We continue to monitor the coronavirus situation daily and receive regular advice and updates from bodies including Hockey Australia, the Department of Local Government, Sport and Cultural Industries and the WA Department of Health to inform our decisions.

It is important to note that the season is not cancelled. We will continue to review the situation and provide our community with regular updates.

It is not our intention to cause undue alarm or concern but rather to help our community to be as prepared as possible, and to be fit for hockey when we are able to return to training and games.

We look forward to your ongoing support of Hockey WA, as without it, we will not be able to effectively deliver hockey in 2020.

Garry Fitzpatrick
President HWA

Stu Gilenan
CEO HWA

Further advice on the Coronavirus COVID-19 can be found using the following links or for general advice regarding COVID-19, call the Australian Government's Coronavirus Health Information Line on 1800 020 080.

KK VIPERS C GRADE TRAINING

Due to the Coronavirus Hockey WA has postponed the start of the hockey season to at least the 31 May 2020. This means that we will not be able to train or play hockey before this date.

In saying that I would still like to hear from all the kids that are interested in playing for when we get the all clear.

All kids from year 3 up to year 7 for boys & Year 8 for girls are welcome.

Even though we may not be able to train together I would still like to send some drills out for you to practice at home each week in preparation for when we are able to play.

If you are interested in playing, please email me at

KULIN TOY LIBRARY

Due to the current unknown and unprecedented situation with COVID 19 and the recommendation from the Health Department to avoid all non essential activities, playgroup will be placed on hold until further notice.

The toy library will also be closed until further notice. If you currently have toys please keep them until advised and ensure they are thoroughly sanitised prior to returning.

WHEATBELT COMMUNITY SURVEY

LGBTI Community Care (based in Northam) are currently undertaking a research project, 'Out and About', to establish data on how many people who are part of the LGBTIQ+ community live in the Wheatbelt. The survey aims to understand their circumstances, concerns and needs whilst also establishing what services they currently access and what are needed to improve their quality of life.

If you are part of the LGBTIQ+ community and are currently residing in the Wheatbelt, we encourage you to fill out the survey. It should take approx 10 minutes to complete and answers are kept strictly confidential. No names are collected and you may choose to answer only the questions you feel comfortable with.

If you have any questions regarding this survey or other concerns, please contact Jodie Longmire, Project Officer of LGBTI Community Care at lgbtproject@gmail.com

The survey can be found online at <https://forms.gle/jfbAYvqBkRQ1LPjs7> or scan the QR code
