Welcome to my fortnightly CEO Corner as 2020 gathers momentum.

This week sees our first Council Meeting for 2020 on Wednesday 19th February. The meeting commences at 1.00pm with an opportunity for public question time right at the start of the meeting. Unfortunately, our Annual Electors Meeting has been delayed again, due to hold ups with the Office of the Auditor General, who is undertaking our audit of 2018/19. Hopefully this meeting will be held in April.

This week, members of Council and staff will be meeting with the Camp Kulin Inc Committee. This is the Committee responsible for managing the charity fund raising component of Camp Kulin. Key topics of discussion will revolve around how Council and CK Inc can work through the challenges of continuing to make Camp Kulin an operationally sustainable long-term proposition.

Council and staff continue to work closely with Main Roads WA Wheatbelt Region regarding key road and transport issues around Kulin. On Tuesday 18th February, we met with the Regional Manager to discuss issues such as Johnston Street resurfacing, blackspot at Jilakin Street and Lake Grace Road intersection, resurfacing of Lake Grace and Kondinin Road intersection, speed limits south of town towards Wickipin, as well as recent resurfacing works on the Kondinin Road.

Water security and water supplies continue to be an ongoing challenge throughout the district. Whilst some recent thunderstorms may have provided some runoff in places, there still remains a shortage throughout. Staff and Council are investigating a number of projects through the Community Water Grants Scheme and continue to have regular discussion with both DWER and Water Corporation during these challenging times.

Recent fires in the Holt Rock and Varley areas have posed further challenges on water resources, local property holders and volunteers. Commendation to all who assisted in some way or another over the course of these events. A reminder to all FCO and general public to report all fire events to 000, as this allows DFES to keep a record of fire locations. Long term this also enables DFES to make investment decisions regarding fire trucks and other relevant infrastructure such as storage sheds.

Our Works Crew major project of widening the Dudinin - Jitarning Road is near completion, as is the construction of various new footpaths around town and the resurfacing on Price Street. Our Works Crew also recently completed the culvert replacement in Johnston Street for Main Roads WA.

On a sporting note, congratulations to Mr Len Hobson on his bowls singles championship win over the weekend. The Roodogs enjoyed a spirited win in the cricket over arch-rivals Naremben, and are pressing for what should be a hard-fought finals series. This week sees the Kulin Tennis Club host their event of the season with the Mixed Doubles Day. Well done also to the Kulin Bowling Club who recently hosted the Ladies Bowls Carnival.

Until next time, safe travels

CEO

Shire of Kulin Position Vacant

COMMUNITY RESOURCE CENTRE TRAINEESHIP (INCLUDING COMMUNITY DEVELOPMENT)

The Shire of Kulin is seeking an enthusiastic and motivated person to fill the following position.

Community Resource Centre Trainee

This position offers an excellent opportunity to work in a small but highly motivated environment. The successful applicant will be offered a traineeship to complete a Certificate in either Business Administration, Marketing and Communication or Tourism, which will be funded by Council. This position will be for a fixed term contract of 1 year associated with the duration of the traineeship studies. You will gain skills and knowledge in business administration, tourism, visitor servicing, desktop publishing, running events, social media and marketing.

Council is prepared to offer an annual salary package relevant to the responsibilities of the position in the vicinity of \$40-50K dependent upon experience, plus other benefits including subsidised housing and a generous superannuation scheme.

Written applications including a covering letter and resume will be received up to Friday 21 February 2020 and must include details of work experience, relevant qualifications and copies of at least two written references, or the names of two referees. Further information, including position descriptions, can be obtained by contacting Nicole Thompson via email eso@kulin.wa.gov.au or on 08 98801204.

Expression of Interest Fencing - Pingaring Dam Project

Shire of Kulin are seeking expressions of interest to erect 900m of 5 line ringlock, 1 barbwire, steel posts and strainers at the Pingaring Dam site, 2km east of Pingaring on the Pingaring-Varley Road.

All fencing materials supplied. Completion required by end of February 2020. For further details, contact Tom Bennier, Trainee Tech Officer on 9880 1204 or email - to@kulin.wa.gov.au

Freebairn Recreation Centre

While January was a quietish month around the town, the FRC continued it's makeover with several major improvements being made to the centre over the break.

As you will know, the gym has been completely refurbished and is seeing greater patronage already. So if you haven't already paid your membership, please do so and come down and check it out!

The new shutter installation has been completed in the court area. We look forward to hopefully enjoying cooler courts in Summer and warmer ones in Winter.

Another major task was the painting of the Kath and Phil function rooms. The old paintwork was a bit tired so the fresh coat has given both rooms a lift and a brighter look.

You will also notice there is brand new carpet court-side now. Please please please (!!!) let's try and keep it looking fresh and new, and limit the incidence of toasted sandwiches, juice boxes and chips traversing the carpet.

Since the town has come back to life with the inevitable return to work and school routine, the FRC too has seen a busy start to the month. At the start of February we hosted a 3-day Ladies Bowls Carnival with over 100 ladies converging on Kulin to enjoy our Bowling Greens, function areas and of course a wonderful spread of food over the 3 days. To say the kitchen was a flurry of activity is an absolute understatement. The Bowls Club did a fantastic job of catering for the ladies' morning, noon and night, and dealing with adjustments to play (and meal times) due to the very hot conditions over the weekend. Well done Kulin Bowling Club!

Many have already completed their membership renewals which were sent out in early January to existing members. For those of you who are yet to do so please feel free to pop into the centre or complete a direct deposit to update your membership for 2020. Forms are available at the FRC or Shire Office. Of course we are always happy to welcome new members, so if you have not been a member to date, please come and see me.

Next month sees the Kulin Triathlon being staged in town. The event will commence at the Aquatic Centre and will be held on Saturday 21st March, so pop this in your diaries and get a team together or come and conquer the course as a solo participant. Everyone is encouraged to be involved and this year it would be great to see a few of the Clubs get some teams together to challenge each other before the Winter Sports season begins in earnest.

I'll be putting a call out for volunteers to help at this event also so if you are not so fussed on swimming, cycling or running but would like to still be involved, please let me know!

Until next time...

Kulin Re-use Water Supply

The Shire of Kulin wish to advise that the town re-use water supply to the oval has recommenced and will be in use throughout the summer /autumn period until early March. This water will be applied between the hours of 10:00pm and 3:00am so will have no impact on normal oval use.

For any further information contact the office 9880 1204.

VOLUNTEERS NEEDED!!

Do you have a week or two to volunteer and help farmers re-fence their properties in fire-affected areas over East?

****AIRFARES & ACCOMMODATION PAID FOR****

Get a mate or group together, have a bit of fun and camaraderie while helping fellow farmers put up new boundary fencing. Looking for volunteers from now through to end of March on approximate time frame of one week plus.

Kulin Childcare Happenings!!!!

2020 has started off with fantastic numbers at the centre. We have welcomed a couple of new children and have been very happy to be reconnecting with all the children from last year. Our centre received a fresh coat of paint over the break which has brightened up the room and set the tone for the year, with lots of play based learning happening already. The children have been exploring their sense of identity, discussing Australia Day and the activities they participated in with their family over the holidays.

Extending on the children's interest we have been focusing on their family, being a good friend and sharing. The children have enjoyed role playing different types of employment from farmers to firefighters and mums and

dads. It certainly hasn't taken long for the children to continue developing their friendships and creating new ones.

Take care,
Children and educators of KCCC ox

WALRC Livestock Matters Forum

A really interesting day out for livestock producers

Kulin Rec Centre Thursday March 26

12.15 Lunch - Kulin Rec Centre

- 1.00pm Keynote address: Michael Craig runs a mixed broadacre livestock and cropping enterprise with 18,000 sheep and 500 breeders at Harrow in the western districts of Victoria. Considered an 'early adopter' of all things high-tech, with science-based evidence of their application, Michael will share his main production 'leaps' achieved through this approach over the last 5 years.
- 1.45pm Vet talk: What's going on in this patch: We explore what are the livestock animal health challenges locally at the moment, giving us food for thought about what responses and action is needed.
- 2.15pm Meet your researchers: In this segment we have a series of short presentations from MLA, Murdoch, CSIRO, UWA and DPIRD and a chance to hear about some of the latest livestock industry research projects underway.
- 3.00pm Break
- 3.30pm Discussion forum: WALRC chairman Dr Tim Watts leads the discussion session on the issues holding your livestock business back, drawing inspiration from the session's speakers.

Refreshments courtesy of WALRC to follow

Please RSVP to WALRC* so that we can plan our catering!

Email admin@walrc.com.au or text Esther Jones 0418 931 983 with names

**About WALRC: The WA Livestock Research Council is an initiative of MLA that partners with DPIRD, CSIRO, Murdoch and UWA to identify the research needs of WA's beef and sheep producers. Our forums are an ideal opportunity for livestock producers to influence the best spend of their R&D levy.*
