Welcome back to another CEO Corner and what a different month April 2020 it has been. Obviously COVID-19 has dominated the landscape, air waves and daily life in general. Throw in the usual April activities of Easter, Anzac Day and school holidays with the restrictions and it has created a challenging month for the community.

A positive note is that it appears the state, the wheatbelt region and our community have weathered the first wave of the crisis. I suspect that this is largely due to our natural state of isolation and limited population density, once interstate and overseas travel was restricted.

From a local community perspective, the majority of our businesses, besides those in hospitality, have been able to continue operating as close to normal as possible whilst adhering to the relevant restrictions.

In this instance we have been fortunate that our predominant industry of agriculture has been able to function with a reasonable sense of normality and maintain a considerable form of economic activity within the community. Some recent rainfall has enabled seeding around the district to commence. Plenty of dust, smoke, chemical and the occasional scent of moisture in the air certainly reminds us that agriculture is the lifeblood of our livelihoods. Hopefully the season is wetter "than normal".

Whilst talking about the local economy and local businesses its great to see how the community have been getting behind a couple of our local hospitality businesses, who have been showing great innovation in these challenging times. The hospitality sector has been the most affected with the stringent social distancing restrictions and both the Kulin Community Hub and Acres of Taste have shown their adaptability and community mindedness by offering home cooked takeaway meals. These products appear to have been well embraced by the community, personally I was able to take advantage of the local Chinese last Sunday, but unfortunately missed out on Kulin Fried Chicken the previous week.

Anzac Day was obviously a different affair this year. The Shire provided wreaths for both the Kulin and Holt Rock RSL. It was fantastic to hear of Paul Buttigig playing his instrument at dawn on Anzac Day as the town paid its respects.

On 15th April, Council belatedly held our Annual Electors Meeting via the digital platform, many thanks to the community for their patience on this delayed meeting and alternative format, due the OAG's delay in reviewing our Annual Financial Audit.

The Works Crew have continued to deliver their road reconstruction projects. Their working conditions generally exhibit some form of social distancing so COVID-19 hasn't affected them too much. Key projects completed have included; Pingaring Dam construction, Jitarning North Road and Yealering Road gravel resheets. The crew are heading out in the Holt Rock next month to finish off the remaining road projects for the financial year in this area.

A couple of vacant staff houses are enabling Ryan and the building team to complete minor maintenance and improvement works scheduled. This includes a new kitchen at 38 Day Street as well as a new deck at 21 Bull Street. Also, thanks to Ryan and Tom for finalising the landscaping at 17 McInnes Street, which has kept myself busy in the garden over the past few weekends.

As an organisation our staff and Council continue to heed the necessary advice and work with the Federal and State Governments as required. Hopefully society begins to slowly return to normal as restrictions are gradually lifted. We will continue to operate, whilst exhibiting the necessary social responsibility measures and revive certain areas of our business as allowed.

We thank the community for their on-going understanding and adherence to the COVID-19 restrictions. We are seeing some light at the end of this challenge. Typically, the community has collaboratively supported each other and been respectful of the necessary parameters, whilst soldiering on in a resilient manner.

Until next time keep safe.

Garrick Yandle
CEO

LEST WE FORGET

Anzac Day was a different event this year as we respected social distancing rules. This certainly did not stop the Kulin community being creative in showing mateship on Anzac Day and commemorating all Australians and New Zealanders who served and died in all wars, conflicts, and peacekeeping operations.

At 6am the community stood in silence holding candles and lights in their driveways. At the Kulin War Memorial Meggs Gibson raised the flags and Paul Buttigig played the last post which could be heard throughout town (or via live stream on facebook). Thank you Meggs and Paul.

It was very moving to see the number of wreaths laid throughout the day at the War Memorial. A fitting tribute to commemorate this important event.

Congratulations to the Kulin community.

COVID-19 IMPACT AND THINGS TO KNOW

Like everywhere the FRC has been significantly affected by the restrictions being enforced due to Covid-19. However, things WILL change and the FRC WILL still be here when things do change.

As announced on April 26 restrictions on gathering sizes in WA are being cautiously relaxed. From Monday 27th April the limit of people for indoor and outdoor gatherings was raised to 10 people – increased from 2 people. This is a very encouraging sign – but we mustn't rush things.

There have been several enquiries as to when the gym may be available for use again. As members know who use the gym, it is rare that we would ever have any more than 2 people in the area at one time. However, as the equipment is still "shared" it remains closed. I hope to gain further advice as to when and if this restriction will be lifted and this will be communicated ASAP.

For now, please note the following with regard to recreation areas:

- All indoor buildings are CLOSED to the public.
- Town ovals, football and hockey fields and outdoor courts are OPEN but only to small gatherings of less than 10 people.
- If undertaking physical activity in a group situation there is to be NO shared equipment.
- Golf Course is accessible to groups of less than 10 (so play in 2s and 3s is advisable). Flags have been removed from the course and individual casual golf is allowed but there will be no official Golf Club activities until May 31 (at this point in time).
- Social distancing is still enforced in ALL areas and people must remain 1.5m apart if gathering for recreational purposes.

Below is an excerpt from the WA Football Commission (WAFC) Update regarding community football. It is a great summation of where things are at for the time being and the message is of pertinence to all of our sporting teams:

While our State Government's recent decision to ease social distancing restrictions to gatherings of up to 10 people is an encouraging sign in WA, it is important to note that community football remains postponed until May 31st. This includes training sessions at football clubs.

Players are encouraged to continue training away from their club, while ensuring they follow the Government's current social distancing guidelines. Please keep being patient and do not return to your football club at this point in time.

The State Government, healthcare workers and everyone involved with football in WA have done such a great job preventing the spread of Covid-19 and this needs to continue to ensure we can safely return to training and then games when the time is right. We will continue taking advice from all levels of Government and medical experts so that this is done with the safety of all players, coaches, umpires, staff and volunteers as the absolute priority.

We certainly haven't given up on this season and, along with all participants and fans, are excited for footy to start again as soon as possible in a safe environment that meets the Government's guidelines. We will be ready to go when the green light is given, knowing that footy will play a huge part in reconnecting communities right across WA.

From the FRC, thanks for your patience and support. We really look forward to the time we can welcome everyone back here. Yes, it will be different... maybe even better as we will all appreciate it that little bit more!

Until next time.... Stay safe and warm and as active as you can. A chilly walk or run and chat with a mate ticks a lot of boxes - activity and interaction - Enjoy 😊.

Until next time.....

Ruth

TAKE-AWAY ALCOHOL SALES

Drought Community Support Initiative

The Salvation Army is delivering assistance through the Australian governments Drought Community Support Initiative (DCSI – Round 2). The second round of this assistance commenced on 21 November 2019.

If you are a farmer, farm worker, farm supplier or farm contractor who is doing it tough due to the drought you may be eligible for a one off payment of up to \$3,000.

To be eligible you need to be:

- Over the age of 18 years
- Be an Australian citizen or permanent resident
- Live and / or work in the Kulin Shire
- Have not already received this payment from The Salvation Army or St Vincent de Paul since 21 November 2019

The maximum amount a household can receive is \$3,000. If more than one eligible household members reside in the same residence, the total assistance provided to the household cannot exceed \$3,000.

You can apply for the drought assistance online at www.salvationarmy.org.au/drought (preferred method) or by calling the 24/7 Telephone Assistance Line on 1300 551 030. If your preferred method is to call the Telephone Assistance Line, please only use this line to make a new application and please leave a voice message with all the information requested.

The Salvation Army has distributed over \$30 million of this funding to over 10,500 drought affected households since 21 November 2019, and are distributing over \$1.2 million every three days. As you would appreciate, demand for this assistance has been high.

The Salvation Army will call you to complete your assessment as soon as they can. Please do not make a second application if you have already applied as they will get to you. The payment is not considered taxable income. If you had assistance in DCSI (Round 1) which concluded on 30 June 2019 you are eligible to apply for assistance for DCSI (Round 2).

KULIN CHILDCARE HAPPENINGS

We had a lovely week, with a few of our friends joining us that we hadn't seen for a while. Miller, Polly and Florence enjoyed painting some egg cartons to use as seed pots, we love recycling at KCCC. The children also love tending to their garden and learning about the life of plants, how they start from tiny seeds and grow into big plants, that we can eat!!!

The children have been enjoying their opportunities to get out into the sunshine, the best place to be. A great simple learning experience is tracing around your body with chalk. We mixed it up a bit at traced around ourselves standing up, the children loved comparing themselves to each other, adding crazy hair and facial features to their outlines.

One of our big school kids came to visit us too, and bought his remote-controlled Dinosaur in to share, thanks Iggy.

Till next time stay safe ox

wheatbelt
natural resource
management

Does your community group have a project that needs some investment to get it done?

The State NRM Community Stewardship Grants are now open and they are aimed at community-based projects that help conserve, restore, rehabilitate or enhance a local natural area, conserve WA's biodiversity and maintain or build the capability of NRM community groups across the State.

The 2020 Community Stewardship Grants program involves two components:

Small grants valued between \$1,000 - \$35,000 up to 18 months duration

Large grants intended for more strategic, complex projects valued between \$35,001 and \$450,000 for up to 36 months duration

Applications must be submitted using the online application form available here:
<https://nrm.smartygrants.com.au/>

All applications must be submitted by 12 noon AWST on Monday 15 June.

Unincorporated Associations can seek funding but will need a project sponsor to apply on their behalf.

Wheatbelt NRM is keen to ensure our Wheatbelt community can benefit from this opportunity.

If you would like to talk over your project idea or need some help please contact us. Wheatbelt NRM will also consider acting as a sponsor for projects.

Please contact Claire Bowry at cbowry@wheatbeltnrm.org.au or on 0491 204 191.

Guidelines and other information can be found here -
www.nrm.wa.gov.au/grants/state-nrm-program.aspx
