The Kulin Kondinin Junior Football Club has taken out the Premiership of the Corrigin Neu-Tech Cup for 2020 by

# CEO CORNER

---

Welcome back to another CEO corner. This fortnight, I am acting on behalf of Garrick, while he is away and waiting for his newest bundle of joy to arrive. The staff are excitedly waiting on news of the bub's arrival. We wish Garrick and Tenille the best of luck with the delivery and we can't wait to meet Kulin's newest addition!

The last week has been a busy one for those in and around Kulin; the week kicked off with a WAFarners meeting held at the Freebairn Recreation Centre on Monday 24th August. The topics of the day were rail and water and the event was well attended by members and stakeholders. Later in the week, the FRC

hosted the KDHS faction athletic carnival on an unseasonably warm August day. The WALGA zone meeting was also held on Friday and the faction carnival provided a bit of excitement for the group. Well done to the Freebairn Flyers for winning the carnival and to Miley Jasper for snatching the 1500m race from the older girls, it was quite a remarkable effort!

On Saturday, many made their way to Kondinin for the last of a modified EDFL home and away fixture. Well done to the league side for scoring an important win and to Simon Duckworth on kicking an amazing 13 goals. Sunday saw our junior footballers make their annual

pilgrimage to Corrigin for the Neu-Tech Cup. It was an enjoyable day of football made better by the beautiful spring weather. Congratulations to Kulin's D-grade side who came out and pipped Merredin in the grand final by one point. Well done!

The spring weather has brought out the wildflowers, which are in full bloom on the Macrocarpa Trail. I was lucky enough to spot a few orchids this year and right now there is a carpet of blue where the *Dampiera Lavandulacea* are flowering. While this weather has been enjoyable for many, we should spare a thought for those farmers waiting on the edge of their seat

# CEO CORNER

for the next rain event. Even though there were showers forecast for Monday evening and Tuesday, it seems that they have not been fruitful for the Kulin area. Let's hope there is something decent right around the corner.

Our work's crew wrapped up their winter grading program on Friday and are now moving on to their long list of construction jobs. At the moment, they are preparing the shoulders to widen the seal on about 3km of Yealering Road, gravel sheeting 5km of Allen Rocks Road and are about to begin a Regional Road Group job on the Dudinin Jitarning Road.

On Thursday night, the crew celebrated the contribution Colin Jenks has made to the team over his period of employment. Colin is retiring after almost 10 years of service, best of luck in your retirement Col. We will all miss you!

At the last Council meeting, Council deliberated over the project termed the 'All Ages Activity Precinct'. The precinct was first proposed to be constructed over the old basketball courts at the FRC however Council determined the area unsuitable due to traffic and the safety of children. We have gone back to the drawing board and are considering the suitability of the town centre as the new location for the precinct.

Kulin will be in the spotlight

again this coming weekend with the Freebairn Recreation Centre hosting both the League and Reserves EDFL final between Kulin Kondinin and Bruce Rock on Saturday. Good luck to both teams!

Until next time (when Garrick returns!), best wishes and safe travels.

**Keep it clean or feel green**  
Bacteria on raw meat, chicken, eggs and fruit 'n' veg can spread from your kitchen to your food, making you sick. Simply clean your hands, utensils and benchtops with hot, soapy water before, during and after cooking to prevent food poisoning.

**CLEAN**

**Be smart. Keep foods apart**  
The majority of food poisoning happens at home. Separate raw meat, chicken and eggs from ready-to-eat food. Use separate utensils and chopping boards to prevent cross-contamination.

**SEPARATE**

**Nuke it don't puke it**  
Cook meat, chicken, eggs and seafood thoroughly to kill bacteria that can make you sick. When cooking meat, ensure the juices run clear and there's no pink inside. Only reheat food once, and until it's steaming hot.

**COOK**

**Chill it or chuck it**  
Bacteria that cause food poisoning grow best between 5°C and 60°C, known as the temperature danger zone. So, keep cold foods cold (below 5°C) and hot foods hot (above 60°C). Anything left in the danger zone for more than four hours should be thrown away.

**CHILL**

**PLAY it FOOD SAFE.**

# NOTICES FROM THE SHIRE OF KULIN

---

## TO THE HOUSEHOLDER - COMMUNITY CLEAN-UP

With the coming spring and even though there are no Bush Races, many visitors will still be arriving/travelling in our Shire for a multitude of reasons, not the least that Kulin is quite simply a fantastic place to be.

With the above in mind the Shire is requesting all residents to set aside some time now to spruce up their little piece of heaven. Time to clean up around your home for the spring and to get in early to get rid of potential fire hazards that will exist once the grasses dry off. There is also the issue that long grass and rubbish makes an ideal home for snakes and other unwanted pests. In terms of Bushfire control, in past years Council has not seriously considered issuing infringements however this year there will be no warnings given to anyone not complying with the firebreak order.

### THE FIREBREAK ORDER THAT APPLIES TO TOWNSITE LAND IS AS FOLLOWS:

“Land Area less than 1 hectare:- All hazardous material must be removed from the whole of the land except living trees, shrubs and plants. In the remaining area all vegetation is to be maintained to a height of no greater than 100mm, and;

It be recommended that at least a 2m wide area, immediately

within the external boundaries of the lot, be clear of all flammable material except for living trees, plants and shrubs.”

For information any land of one hectare or above the rural provisions apply. We look forward to your support and cooperation in helping clean-up Kulin.

## KERBSIDE RUBBISH COLLECTION

The Shire will be conducting a kerbside pickup throughout the townsite on Thursday 10th and Thursday 24th of September 2020.

This will be a great opportunity to get rid of any rubbish not suited to the weekly depot pickups.

- Small electrical goods, small furniture, tree and garden trimmings etc.
- Larger items may be removed from your yard by phoning office staff to organise for pick-up. Please let us know if you would like something removed.
- Please NO broken glass or lawn clippings.

Further information call the Shire Office 9880 1204 or email [to@kulin.wa.gov.au](mailto:to@kulin.wa.gov.au)

## THANK YOU COLIN JENKS

On Thursday the 27th of August, Shire staff and Council had farewell drinks and dinner for Colin Jenks at the depot, as he has retired from the Shire. Colin has been working in the Shire for just over nine years, starting as a Town Gardener then moving on to the Roller Driver Road Maintenance Crew. Colin will be missed as a valuable team member especially for his knowledge of Shire areas, which he passed every year during winter grading on the roller and noticed problems or areas to be maintained.

Over the past few years, Col has been keeping the roller drivers in tow during winter grading and doing a great job until this year he was sent to the front of the line so the grader drivers could keep an eye on him as he started being the naughty kid in the class.

On behalf of the Shire Staff and Council, we would like to thank Colin for his contribution over the past 9 years to the town and Shire. We wish Colin all the best with his retirement and I have no doubt that we will see him around town for a friendly chat.

# ONE MAN AND A BIKE TV SERIES

## ONE MAN AND A BIKE

On Sunday 23rd August 2020, One Man and a Bike were in Kulin filming for the Pathways to Wave Rock road trip. With beautiful weather to showcase our community, Ian 'Blackers' Blackley and the crew spent time on the Tin Horse Highway, at Butlers Garage, shooting footage in Kulin townsite and interviewed Tom Murphy, Erin Bailey and members of Butlers Garage.

The Pathways to Wave Rock road trip includes the towns of Lake Grace, Kulin, Kondinin, Hyden and Naremben and will tell some awesome stories along the journey. The series will be broadcast on the Seven Network in late 2020.

# BUSHFIRE BRIGADE INFORMATION

## VEHICLE IDENTIFICATION STICKERS

Volunteer Fire Fighters / Bush Fire Brigade Members please be advised that the grey Vehicle Identifier Stickers will expire on 30 September 2020; and need to be replaced with the new blue stickers (valid from 1 October 2020 – 20 September 2022). These stickers are available from the Shire Office. If you would like one posted out please email Nicole [eso@kulin.wa.gov.au](mailto:eso@kulin.wa.gov.au) and provide your vehicle registration plate number and the make & model of your vehicle.

Please see below key information from DFES regarding these stickers:-

- DFES encourages the use of Vehicle Identifier stickers to identify private vehicles owned by persons pre-authorized by Local Governments to enter the fire ground and assist with emergency response operations;
- As emergency response is often supplemented by local farmers/land owners with private vehicles who may not be members of local fire brigades they assist to provide timely identification of private vehicles and persons suitable for access on the incident ground;
- Vehicle Identifier stickers are affixed to the lower left corner of the windscreen of a vehicle to identify it as a private vehicle owned by a person who is authorised by Local Government to assist with operations;

## CONDITIONS

DFES has set minimum conditions which the person being issued a vehicle identifier sticker must agree to:

- It is the responsibility of the owner and driver of the vehicle to comply with the Road Traffic Act 1974;
- Appropriate Personal Protective Equipment and Clothing will be worn at all times; and
- The driver will ensure that the vehicle's presence at an incident is recorded on both arrival and departure. The vehicle identifier sticker does not infer that a vehicle is a fire fighting vehicle, but that it may be assisting or supporting an incident, or to enable passage of brigade members through a Vehicle Control Point for the purpose of deployment to the incident (e.g. to travel to a local brigade station or to crew an appliance deployed to the incident).

For further information please contact Nicole at the Shire [eso@kulin.wa.gov.au](mailto:eso@kulin.wa.gov.au)

# KULIN GOLF CLUB

## CLAYTON CUP

On the 22nd August, a field of 40 golfers turned up for the 68th Annual Clayton Cup from all regions. It was good to see Tim and Marg Clayton, Robert, Teresa and family, who came to Kulin for the weekend.

After morning tea, the field hit the golf course in perfect

Robert Clayton with the winner Chad Stanton of Lake Grace.

Combined Gross winners Peter Elliot and Ron Yeats from Bruce Rock

conditions and teed off. After 9 holes, they pulled in for a sausage sizzle prepared by Meiks and a few stories were had: some good shots, some found the water hazard, some found the bush but most stayed on the fairway.

After 18 holes, everyone enjoyed afternoon tea and the 19th hole stories started. Norm got the Bingo wheel going and a few lucky ones took home some cash.

After the presentations, Milesy and Willow cooked up some juicy porterhouse steaks and chips, sauces and salads were served up by Tricia, Helen, Wendy and Lex. Everyone enjoyed a lovely tea.

Clayton Cup Winner - Chad Stanton from Lake Grace

Runner up - Kelly Browning from Kondinin

Combined Gross winners - Peter Elliot and Ron Yeats

Runner up in the Nett. Kelly Browning and Tammy Wilkins.

## 3RD CHAMPIONSHIP ROUND

On the 30th August, we played the 3rd championship round. The weather was good but playing a stroke round is always challenging. It was good to see Mags, Youngsy, Jordan and Wizz, who came for a hit. At the end of the day, it was the Wizz who showed us how to hit a golf ball with a great score of 61 Nett, followed by Milesy with a 68 Nett.

We have three weeks of golf to go, so feel free to come in on a Sunday and have a hit.

Sunday the 20th is the Kulin Post Office day thanks to Zina and Ambrose playing a two person Ambrose. It is also our closing day!

# KULIN CHILDCARE HAPPENINGS

## CELEBRATING OUR EDUCATORS

On Wednesday 2nd September, we recognize and celebrate the work of the Kulin Child Care Centre educators for their wonderful contribution to the wellbeing and healthy development of the children in their care. Patient, kind, thoughtful and nurturing are some of the words that come to mind when we think about the educators at KCCC and the incredible work they do each day.

We are very lucky in Kulin to have a strong professional team of educators who are passionate and dedicated in providing our children with the best start at a crucial time in their development. The work of our educators not only ensures that children are provided with opportunities to build their skills and resilience, but also supports families and our community.

To our team at Kulin Child Care Centre – Melina, Sue, Sarah, Vicki, Jaidyn, Maddi and Shaliegh we thank you – not just on the day, but every day.

## ACTS OF KINDNESS AND APPRECIATION

On Sunday, loads of locals travelled across to Corrigin to watch the Auskick football team and the Junior football team from the Kulin Kondinin Football Club, who were playing in the annual Neu-Tech Carnival. It was such a wonderful day on and off the field. The Corrigin locals did an amazing job of hosting the day and there were many volunteers manning the canteen, cooking the sausage sizzle and managing the results and statistics in the office to ensure the carnival ran smoothly. The young kids did Kulin and Kondinin proud and I am so excited to tell you that the KKFC Junior team won the carnival for the first time since it began back in 2006.

After a long and hot day on Sunday, many of us all travelled back to town and took respite at the local Kulin Community Hub - it was so great to see the Hotel busy and full of life and laughter. Thanks Becca, Liam and all the Hub staff for all you have done over the past few months to reinvigorate the Kulin Hotel and make it a place that feels really good.

Remember if you would like to acknowledge a kindness or share a positive story please do not hesitate to send it through to the CRC.

## AGM AND 25TH ANNIVERSARY CELEBRATION 25 AUGUST 2020 AGM

The old shire building was ablaze with wildflowers, with people from far and near and loads of delicious food. Our group has grown from 2 to 8 so we intend to expand our scientific works to more community involvement activities. Our Shire President, Barry West opened the meeting and gave us thoughts to ponder. As ever he did not get away in 15 minutes. The President, Dr Kevin Thiele, Vice President, Brett Loney and Treasurer, Robert Atkins of WSWA came from the coast and gave us encouragement and backing to apply for funding for projects. Robin Campbell remains as President-Secretary and Heather Gibson as Treasurer but we shall be delegating works to our new members.

## 25TH ANNIVERSARY

Congratulations to the Kulin-Kondinin Herbarium which began in 1995 and has hung on by a thread in recent years, till 2020. I am overwhelmed at all the work Sandra Murray did behind the scenes, she is a legend. Ten stars to Heather Gibson who has been on every step of the way. Dr Thiele presented Heather with a 1995 photo and congratulated her on 25 years. Inaugural members Dot Cook and Jenny Hardy came and Keven Giles represented his mother Rhoda. The CWA provided a magnificent feast, acclaimed by all as “real food” .

## SCIENCE

It is critical that we continue to search for new plant species as they may hold the answer to future medical, agronomic or chemical challenges. Preserving what we have, on the ground, is critical to support the pollinators

of our canola, lupins, fruit and vegetables. Some future thinking shires are already selecting plants from more arid regions to reduce precious water use and to lower maintenance costs.

## GARDENS

Now is the time to select the most amazing plants for your garden. Many are much earlier and some are flowering for the 2nd or 3rd time. Take a slow drive and check out verges and bushlands. There are live displays and photo pages, on the patio at the old shire building

## TOURISM

Tourism will be greatly curtailed, maybe for years, by Covid-19. Maybe we can provide info and walks and experiences for WA people and their families. City children do not know what “running free” means: no signs, no concrete, no traffic, ... Could

you live in a city tower block ? Please come and discuss ideas that we can assist you with, e.g: a safe walk or a separate bike trail in the Caravan Park bushland. If you are studying botanical sciences, enjoy photography or are looking for new ideas for your craft hobbies, call one of us or pop along to the Kulin Wildflower Place in the old shire building. Join us for a wander in bushlands or on the Macrocarpa Trail. We will organize set opening times in the near future. I have yet to check with our new members to add their contact numbers.

## CWA KULIN AUGUST 2020 REPORT

What a busy and rewarding August. Quite a few travellers came to our Saturday scones-n-tea on the 1st Saturday of August. They appreciated the opportunity to chat with locals. At our meeting we discussed plans to gather funds for our repairs and for the Albany CWA cottages renovations. We catered for the Kulin Wildflower Society AGM and 25th Anniversary. No nouvelle cuisine “sticks and cubes”! The “real food” was highly praised, especially by the city visitors.

### MARKET DAY

Our tea and scones were very popular at the Kulin Markets last Saturday, 29th August. Doris braved the chill wind at the till and Dot manned the “shop” while Katheryn, Janet, Johanna, Margaret and Robin served up the hot scones. Many visitors took home a bag to have later as well.

## BEEF PLOVE

Beef Plove comes from Ukraine, where my daughter lives. She introduced it to me on my first visit. I fell in love with the wonderful flavour, and and been cooking it ever since. Every time the Pot comes out, my husband knows he’s going to have the same meal for 2 nights.

By Johanna Harding

### BEEF PLOVE PRESSURE COOKER/SLOW COOKER

#### INGREDIENTS

2 ½ cups short grain brown rice, 500 grams, rinsed and drained  
500 grams beef, chuck or beef stew meat cut into cubes.  
I used 500 grams mince.  
4 Tblsp olive oil  
4 Tblsp unsalted butter  
1 large onion diced  
3 large carrots thickly julienned  
3 cups, 720 ml warm water  
1 Tspn salt  
½ tsp black pepper  
½ tsp ground cumin  
½ tsp ground paprika  
½ tsp ground coriander  
1 whole garlic unpeeled, cut in half crosswise.

#### INSTRUCTIONS:

1. Rinse and drain rice and set aside. Saute beef in 4 Tblspns Oil, wait till oil is hot but not smoking. Saute until lightly browned (5 mins), stirring occasionally.
2. Add 4 Tbsp butter and chopped onion and stir 3 minutes until softened.
3. Add julienned carrots along with all seasonings (1 tsp salt,

- ½ tsp pepper, ½ tsp cumin, ½ tspn paprika, ½ tspn coriander) and saute 5 mins until softened, stirring occasionally.
4. Spread rice evenly over the top (Do not Stir). Push garlic halves cut-side-down, halfway into the rice. Pour very warm water (not hot), directly over garlic cloves so you don’t disturb the rice. Use the back of a wooden spoon to poke 5-7 holes through the rice to the bottom of the pot, (this helps to disburse the flavour)
5. Cover and cook on high for 30 minutes, let cooker rest and naturally depressurize for 10 min before switching to venting position to release steam. Make sure the steam is fully released and the pressure valve has floated down before opening pot.
6. Remove garlic, for extra flavour squeeze garlic cloves back into pot. Combine all ingredients

# KULIN WALK TRAIL

A GREAT PLACE TO WANDER AND VIEW THE WILDFLOWERS

## THE PERFECT PLACE TO STRETCH YOUR LEGS, VIEW WILDFLOWERS AND ENJOY KULIN'S NATURAL SURROUNDINGS.

The 3km walk trail allows you to wander through Kulin's natural surroundings all in the close proximity of town and the Kulin Caravan Park. Visitors and locals can get up close and personal with a few of our famous tin horses as well as spot a variety of wildflowers along the way.

The compacted gravel trail starts at the Freebairn Recreation Centre and then leads you around the oval and Kulin Golf Course. Look for the start of the trail at the yellow Tin Horse Highway sign at the entrance of the Freebairn Rec Centre. The trail weaves its way along the side of the road passing two tin horses. Next, it takes a left turn after the golf course and leads you through two gates - it comes out at the 5th hole fairway. It then joins an existing trail behind the 6th hole tee box which heads back towards town alongside number 8 fairway. It finishes at the Kulin Tennis Club.

Nominate an individual or a group for a 2021 Australia Day Award.

[citizenshipawards.com.au](http://citizenshipawards.com.au) | Closing Date: 31 October 2020

Local Government Recognising Community Champions.

Australia Day Awards promote national pride, community responsibility and participation.

**Auspire – Australia Day Council WA presents the Community Citizen of the Year**

Your local government invites you to nominate an outstanding individual or group for one of this year's Community Citizen of the Year Awards to be presented on Australia Day 26 January. The awards foster, recognise and celebrate significant contributions to community life and active citizenship in all local government areas of Western Australia. His Excellency the Governor of Western Australia is the Patron and signatory for the awards.

## Guidelines and criteria

Each year three local citizens and one local community group in each local government area will be eligible for the Community Citizen of the Year Awards. The recipients will be selected from people and groups who have made a noteworthy contribution during the current year or given outstanding service to the local community over a number of years through active involvement.

Auspire - Australia Day Council WA provides four awards each year for presentation in each local government area. These prestigious awards are provided to your local government for presentation during Australia Day celebrations.

## Nomination Process

Your local government invites nominations for the awards from community groups and private citizens. At the council's discretion, a committee comprised of people from community organisations and citizens, will be appointed to encourage and promote nominations. The committee or your local council may also make nominations based on local knowledge and experience.

Nominations open on 1 September and close on 31 October and can be received in hard copy on the original nomination form or online at [www.citizenshipawards.com.au](http://www.citizenshipawards.com.au).

Nominations received after the closing date will be ineligible for this year's awards.

## Selection Criteria

The winners will have been judged to have shown active citizenship and:

- Significant contribution to the local community.
- Demonstrated leadership on a community issue resulting in the enhancement of community life.
- A significant initiative which has brought about positive change and added value to community life.
- Inspiring qualities as a role model for the community.

## Eligibility criteria

- Nominees should reside or work principally within the local authority making the award.
- Awards may be granted posthumously in recognition of recent achievements.
- Groups of people or couples will not normally be eligible except when meeting the criteria for a community group.
- A person may receive an award on more than one occasion in recognition of their particularly outstanding community contribution or involvement in an alternative initiative.
- Unsuccessful nominees may be nominated in future years.
- Nominations must be apolitical in their nature and should not in any way bring the awards program or local government area into disrepute.
- Sitting members of State, Federal and Local Government are not eligible.

## The four award categories

- | Community Citizen of the Year
- | Community Citizen of the Year (Senior)
- | Community Citizen of the Year (Youth)
- | Active Citizen Award (Group or Event)
