CEO CORNER

Welcome back to another CEO Corner. School holidays have come and gone again, a bit more rainfall is keeping the crops ticking along and local footy is back. Congratulations to the Blues on a couple of first up wins against last season's premiers Nukarni.

This week, a Council meeting is being held with the 20/21 Annual Budget being considered. As mentioned in recent months, one of the fortunate outcomes of COVID19 is that the Federal and State governments have a range of funding initiatives to stimulate local economies and local government. This financial year, the community of Kulin is fortunate to receive an additional \$1.2M of funding in our budget to develop community infrastructure assets. At this stage, we also have another \$1.5M in road projects with over \$800K of external funding and potentially, an additional \$500K of funding that we are awaiting an announcement on. Hopefully, the budget will be considered and passed without too many hitches so the Shire staff can immediately commence works to get the funded projects up and running. A big thank you to all community members who have provided feedback to staff on proposed community infrastructure projects.

A special shout out to the students and staff at KDHS, as well as the Cultivating Kulin group. Whilst I mention Cultivating Kulin, it was great

to see the results of their initiated busy bees to resurrect the Kulin BMX track. A lot of community time and effort has gone into this over of the past month. This is certainly a great attraction for local kids and tourists alike. Well done to Brad Smoker, Tom Murphy and all the others involved in bringing

this to fruition. The question is which local kid is going to win the inaugural Kulin BMX Championship?

Also, a big thank you to members of the local Volunteer Bush Fire Brigade, who undertook a controlled burn in this area to reduce the fire load

on the southern edge of town. This winter sees the VBFB being proactive in identifying high fire load areas and undertaking controlled burns to reduce this load. Another area they have recently undertaken a controlled burn in is behind the Aquatic Centre. In the coming months, I believe a significant exercise is being planned to undertake an extensive controlled burn in the Jilakin Rock Reserve, which is under the management of the Shire. Local VBFB will be coordinating this as a training exercise for new and established brigade members. Shire staff have been liaising closely with Craig McInnes on this. The AGM of the local VBFB will be held on Wednesday 5th August at Pingaring. Council will also be hosting the next LEMC Meeting at Shire office earlier in the day on Wednesday 5th August. If you have any emergency management or brigade issues please contact your relevant representatives to engage in discussion with them prior to this meeting.

The Works Crew have continued to be busy the past few weeks completing their maintenance grading program in the eastern portion of the Shire. I was fortunate to witness the excellence of their exploits the other week. I believe the crew are nearing 4 weeks on camping out at Holt Rock, wouldn't we all like a four-week camping getaway at this time of the year. Next week sees Vice President Robins, Works Manager Judd

and myself attending the Wheatbelt South Regional Road. At this meeting, there will be some significant announcements regarding Wheatbelt Secondary Freight Network funding. This is a regional wide project that consists of 42 Shires. How this affects Kulin will hopefully be outlined in a future CEO Corner.

Next month, sees the FRC host a couple of regional meetings including a 'Grain on Rail' Meeting as well as the WALGA Central Country Zone Meeting. Further information on these specific meetings will be outlined in coming weeks. They are certainly an opportunity to showcase the great community of Kulin.

Until next time, safe travels.

KULIN CHILDCARE HAPPENINGS

HEALTHY EATING

This week, we are focusing on healthy eating. The children made their own bread and baked it. We also made a dairy free version, using dairy free yoghurt. The children loved their creations and ate them all!

RECIPE

1 cup SR Flour
2/3 cup Greek yoghurt

1. Mix and then knead all ingredients together.
2. Flatten out dough. Use cookie cutters to cut out your desired shape.
3. Decorate with sultanas, blueberries, banana chips, seeds.
4. Bake at 180°C until they are just brown. The colour will change and the bread will rise slightly too.
5. Enjoy when they are warm!

PIRATE WEEK

During week two of the school holidays, the focus was on pirates. The children made egg carton Pirate Ships. Click this link to make your egg carton pirate ship at home: https://youtu.be/E0OJ6lKS8_g

JOB OPPORTUNITIES IN THE SHIRE OF KULIN

SHIRE OF KULIN TRUCK DRIVER / ROAD TRAIN OPERATOR POSITION

Applications are invited for the position of a full time Truck Driver (Road Train) with the Shire of Kulin.

The successful applicant will be required to hold a MC licence and completion of appropriate training as required by the Code of Practice on Fatigue Management for Commercial Vehicle Drivers. Applicants will be encouraged to undertake on the job training to become proficient in operating other items of Council plant and machinery, while appropriate off the job training will be provided as required. You will be responsible for the day to day running of council's road train side tipper setup while working a 85 hour 9 day fortnight being home each night.

Conditions of employment are in accordance with the Local Govt. Industry Award 2010.

The successful applicant will be offered a total cash remuneration package of between \$65,000 - \$70,000 for an 84-hour fortnight spread across nine days and includes an RDO and housing allowance. There is the potential for higher earnings should the applicant be willing to complete further hours of overtime. Subject to availability at the time of the offer, subsidised housing may also be available to the successful candidate.

Kulin is located three hours south east of Perth, has a district population of 1000 and is well serviced in terms of health care and schooling (to year

10), has recreation facilities second to none and an energetic community provides the opportunity for plenty of active participation and quality living.

Further information may be obtained by contacting Judd Hobson, Manager of Works, on 0427 801 241.

A MILESTONE

Things keep ticking along and changing almost weekly here at the FRC. This week sees us reach what we could almost term a milestone given what has been happening in the world throughout 2020. Casting my mind back, on March 23 I was putting up a 'CLOSED UNTIL FURTHER NOTICE SIGN' and questioning if and when we would have any Winter sports here during 2020 and even beyond!

FIRST HOME GAME

So, this weekend will be one to remember for reasons we will probably never forget. It's the first home game of season 2020 – on July 25. In a normal season this would be Round 9 of the home and away games. Instead the boys will take the field in Kulin for the first time this year! The Kulin-Kondinin team come up against Corrigin on Saturday. The Juniors will have a run first at 11.00 am followed by the Reserves at 12.30 pm and League at 2.30 pm.

KULIN NETBALL TEAM

The Kulin Netball Team will be running the canteen on the day and dinner will be available in the evening as well. So, as much as it can be, it will be a normal Saturday afternoon at the footy – so come down and give the boys your support as well as supporting the Netball

girls in the canteen and the FRC as we welcome crowds back to the Centre. We will be adhering to Health Department guidelines and encouraging personal hygiene measures, social distancing and making sanitization stations available throughout the centre.

It's been great to see regular attendance at the Fitness sessions being run by the Kulin Netball Club on a Monday evening. I think everyone who has been coming along has certainly benefited from the sessions both physically and socially – so well done to the Netball girls for initiating this after their season was abandoned.

JUNIORS

After a brief break for school holidays, both junior netball and junior hockey training will re-commence at the FRC this Thursday afternoon. It's always so nice to have a buzz around the place and the buzz continues on a Friday afternoon when we have the AusKickers and Junior Footy training on. There have been good numbers at these sessions and the kids have been enjoying the traditional cool drink, juice box and bag of chips at the end of training while Mum and Dad have some Friday arvo social time.

GOLF

The buzz carries on into Sunday here – a bit of a quieter buzz

but a good group have been gathering for a round of Golf every Sunday afternoon followed by a re-cap of the holes post round over a beverage or two. Everyone is welcome so please feel free to come along for a 12-noon hit off each Sunday afternoon.

WELCOME

For those of you who have been in over the past few weeks, you will have noticed a new face behind the bar! Laura Balestrini joined us at the end of June. Laura is from Northern Italy and has spent time in Australia before. It has been lovely to welcome her to Kulin – and yes you may have seen her serving you groceries behind the counter at the IGA as well drinks behind the bar at the FRC as she keeps herself more than busy in our town.

So please, make Laura feel really welcome as she more than many of us can appreciate is certainly feeling the effects of Covid-19 and being separated from close ones back home.

Looking forward to seeing everyone out and about on Saturday!

Thanks for your support.
Until next time,
Ruth

NEW COMMUNITY MEMBERS

WELCOME

The Shire of Kulin and the CRC would like to welcome Laura Balestrini to Kulin. She has just started working at the IGA and the Rec Centre.

A NOTE FROM LAURA BALESTRINI

I'm from Italy and I grew up in Saronno, which is well known for 'Amaretto', the sweet liqueur. It's just 30km from Milan, where I did my studies.

I have a Degree in Interior design and also specialised in Editorial graphics, which I worked in for almost 8 years. Even though I loved my job, I realised that something was missing from my life. I was super busy at work and I didn't have enough time for my passion - travelling.

I love travelling on my own and getting to know new cultures and people. I love hiking and I feel more comfortable in the countryside than in the city. I decided to leave my job and my life in Italy to follow my dreams.

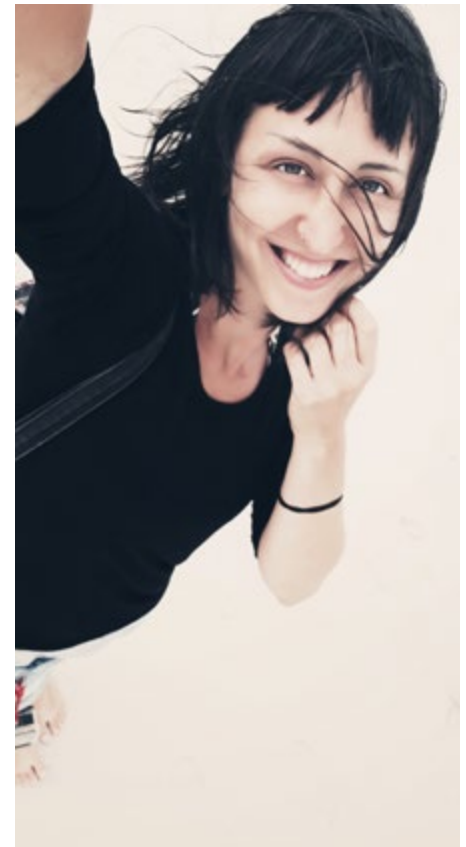

In 2018, I travelled around Australia for one year. I lived in Melbourne for a few months working and trying to improve my English. I went to Uluru, through the beautiful desert, I travelled 'solo' from Melbourne to Cairns visiting amazing places and meeting wonderful people before stopping in Queensland to do farm work. Finally, I ended

up in WA where I did a road trip from Perth to Darwin. I fell in love with the red sand, the natural springs and the crazy wind. This trip was one of the best experiences I have ever had.

After returning to Italy for an eight month work project, I decided to continue travelling. I spent four months in New Zealand, hiking and getting to know the countryside very well. That's one place that really stole a piece of my heart.

I came back to Australia when all the Coronavirus craziness was starting up. I was travelling from Melbourne to Perth and I had just arrived in Adelaide when the government announced the closure of the borders. My travelling mates and I managed to get to WA, but we got stuck in

Mandurah for six weeks during the lock down. Luckily, we found an amazing Australian guy who hosted us, we became part of his family. After the regional borders opened, we spent another month together travelling to Margaret River and Albany.

But after all this intense, sometimes hard, and amazing experience it was time to part ways. It was also time for me to travel on my own and, of course, save some money for the next wonderful trip.

Thanks to Wout and Maddie, I found the jobs in Kulin, where I'm working at the Rec Centre and I am helping at the IGA in town. I'm enjoying Kulin and I really appreciate meeting all the friendly people who live here.

TALES FROM KULIN KIDS NEAR AND FAR

ST MARY'S HISTORY TRIP TO GERMANY IN JULY 2019

By Alysha Sloggett

Things that I never thought I would have the chance to experience, I have experienced today. From the physical locations to the tormenting stories told of them and their immense horrors. The visuals and just thinking about what had once happened in the now visually breathtakingly beautiful place, makes me feel deeply conflicted. The solemn atmosphere made it more surreal that we were actually there. It wasn't a simulation or a rebuilt design, but the true place of a murder of over a million people. Going into today the tour leaders had told us that, we would come away either being somewhat changed or affected by our experience they also said that some people would feel like their were still staring into a textbook. I was one that was affected.

My most emotional part of our tour was as we went into a building which contained hundreds of items and parts of humans who were the Jewish people deported to Auschwitz. From children's and adults shoes, 2 tonnes of authentic human hair, pots and pans that were uniquely painted, braces and prosthetic amputations and suitcases with the names and addresses of the victims. For the memory of those people, those

small items, a normal item to all of us today, singularly takes on the role of remembering who these people were, what their fate was and is a connection between the victims of the genocide and us remembering their stories today.

Walking into auchwitz-birkenau, the eerie feeling in the air was surreal. The feeling of such a place where so many people died, made me feel a type of overwhelming emotion that is hard to pinpoint. Walking into the red brick gates along the railway track on which over a million Jews would have entered on, not knowing their fate, walking where they walked, it was an intimidating realisation for me.

My experience today has inspired me to make a change. My choices, my morals, my goals and my outlook on the world as a whole. I can see now that I am just a person in the big picture, these people were just humans like me. We may have had religious beliefs that were different, but we were the same. Just trying to get through one day at a time. Their lives were cut short from views that were inhuman and utterly brutal. This event has and forever will be a part of human history that will never be forgotten, especially by me. To discriminate and dictate, causes death.

SUPPORTING WOMEN

2020 is only the second year of my membership at the CWA in Kulin, although I used to really enjoy the companionship of the CWA group back in the early 90's when I would attend with my late Mother-in Law Nona Wilson.

A vibrant group back then and a vibrant group at present. The work currently being undertaken to stabilize and repair the CWA building is an exciting project to be involved in, although more importantly, the project is allowing the group of people involved to re-focus on the value of the Kulin CWA and the role it might play now to support women of all ages within our community and beyond.

WINTER GARDEN QUICHE

With plenty of greens, fresh eggs and a few tomatoes that survived the recent frosts in Kulin, this recipe is a great one for using things from my garden and on hand in the kitchen. The breadcrumb base gives a lighter touch rather than the usual heavy pastry.

INGREDIENTS

6 slices of wholegrain bread (or equivalent sourdough, pitta, defrosted breads from the freezer etc.) – processed to crumbs
1 bunch of spinach – trim stalks off, microwave, squeeze juice out and chopped
2 spring onions - finely sliced
Sprig of parsley - chopped
1 clove garlic – finely grated
6 eggs – beaten lightly
1 ¼ cups of cream (partially substitute sour cream if that's what you have)
¼ cup finely grated parmesan cheese
1 cup grated cheddar cheese
2 tablespoons wholemeal SR flour
2 small tomatoes – finely sliced

Pyrex dish pictured is 28cm x 18cm by 5cm deep

METHOD

1. Grease dish and preheat oven to 180°C
2. Process the bread to crumbs, adding a small amount of the spring onion and parsley.
3. Gently press crumb mixture onto base and up sides of dish.
4. Combine remaining spring onion, garlic, eggs, cream, flour and cheeses (keep back a small amount of each cheese for topping) and mix well.
5. Stir spinach into filling mixture.
6. Pour filling gently over crumb base. Top with tomato slices and sprinkle remaining cheese over whole lot.
7. Bake uncovered quiche in a moderate oven for 40 – 45 minutes.
8. Serve with a mixed lettuce salad on the side although the Wilson boys prefer it with tomato sauce.

CBH GROUP HARVEST CASUAL WORK 2020

Applications are now open - get in quick!

We are looking for hard working, safety-conscious people to work at our receival points across the WA grain growing region during harvest this year.

We are inviting applications for the following casual positions:

- Receival Point Operators, including grain sampling, and
- Plant Operators at selected port terminals

Depending on weather conditions, the season will commence around October and generally lasts up to six weeks.

No experience? No worries! Full training is provided - no need for qualifications or experience, just a great attitude.

To find out more about the CBH Group, what harvest is like and where to apply, visit:
