Welcome back to another CEO Corner. Seeding is drawing to a close, hopefully a bit more rain late this week and it looks like FOOTY is back on TV. This week saw us resume even more of a normality around the community. The Caravan Park and RV area have been opened for a few, CRC services are back to normal and now the FRC, gym and playgrounds have reopened in accordance with relevant restrictions.

June and July pose a bit of hectic month for Shire staff in the preparation of Council budget for 2020/21. An additional spanner has been thrown into these processes with COVID-19, but one such challenge is ability to determine how Kulin Shire Council is going to allocate and spend an additional \$1.1M of funding grants allocated by the Federal Government towards community infrastructure. These are in the form of the following grants.

- Drought Community Funding Program - \$500,000
- Local Roads and Community Infrastructure Program - \$570,000
- Heavy Vehicle Safety and Productivity Program - \$550,000

There are also various opportunities through State Government funding for community and recreation infrastructure and economic development, available that Shire staff are investigating, these include:

- Community Sporting and Recreation Facilities Fund
  - Annual and Forward Grants - \$2 million
  - Small Grants - \$100,000
- Regional Economic Development Fund (\$100,000)
- Community Water Grants
- Bicycle Network Grants

As part of the project development process Council is seeking community input and feedback regarding projects identified to determine the key priorities for community infrastructure requirements that resonate within the community. Council are proposing to engage with the community via a proposed Community Workshop on Thursday 11th June 2020. The purposes of this proposed Workshop are:

- Funding – provide overview of potential sources and opportunities.
- Projects – outline proposed ideas and how they fit with each funding source.
- Survey – identify community priorities.
- Conversation – allow community to provide feedback to Council and Shire staff.
- COVID 19 – provide update on how Council and the community have managed the challenge.

The Community Workshop will also contribute towards the initial stages of Council updating its Strategic Community Plan and Corporate Business Plan, both of which are due for a major review in 2020/21 financial year. It will allow the community members the opportunity to put forward ideas for consideration as part of the review process.

Next week sees our June Council Meeting. A key component of this will be Council discussing potential inclusions for 2020/21 Budget in preparation for adopting this budget at the July Meeting.

Friday 29th May 2020 marked a very special milestone for Shire staff. It was with great pleasure that we were able to hold a surprise celebratory morning tea to recognise Taryn Scadding's 20 years of service with the Shire of Kulin. On behalf of Council I'd like to publicly acknowledge this achievement and length of service from Taryn who, as our Community Development Officer, is an active driver within the organisation for community engagement and understanding and implementing the wider initiatives of the community and Council. Congratulations Taryn and I think the highlight of the morning was being able to keep it a secret from her. Council will further celebrate Taryn's service with a formal function at a later date to be determined along with other staff milestones.

We continue to thank the community for their on-going understanding and adherence to the COVID-19 restrictions. Until next time safe travels.

## KULIN BUSH RACES

CANCELLATION OF THE 2020 KULIN BUSH RACES

03/06/2020

### FOR IMMEDIATE RELEASE

#### KULIN HOLDS THE REINS ON 2020 BUSH RACES EVENT

After a complete sell-out in 2019, the Kulin Bush Races Committee has regrettably announced the cancellation of its iconic regional event in 2020 due to COVID-19 restrictions.

For the past 25 years, the not-for-profit event, which is held every October, has attracted around 4,000 punters to the small Wheatbelt community. The event has raised much needed funds for local projects and communities in Kulin, such as, medical facilities, youth programs, the RFDS and other community facilities.

The Kulin Bush Races Committee, a group of local voluntary community members, waited for as long as possible in the hope that circumstances may have allowed them to bring yet another amazing race experience. However, with the uncertainty surrounding COVID-19, a decision was made at their last meeting to formally suspend what would have been their 26th event.

The newly elected Chairman, Tom Murphy, said, "Whilst the committee was incredibly disappointed, the strange new world was forcing the Kulin community and committee to slow down and use this break to focus on other important aspects of our event. We are putting our efforts into a new website and refreshing our branding, as after 25 years, both of these need a facelift and it will also create a better online experience for our race-goers."

Other initiatives would include getting involved in town projects and revamping some of the race-track amenities. Most importantly, the committee were continuing their planning of how to come back bigger and better in 2021.

"The whole reason for the Bush Races is to make Kulin a better place to live and visit," stated Tom.

"We want our patrons to be well looked after when they visit and whilst our committee have already been working tirelessly on an event we will have to cancel, some of the team are actually looking forward to a year off after 25 busy years!"

In the meantime, they urged Western Australians to get out and explore our amazing region, support local businesses and most importantly, start planning their trip

out to Kulin in October 2021 because the community would be ready for them!

Tom Murphy said, "From a personal perspective, it has been a bizarre situation, as I have just taken over the reins from Graeme Robertson who, after 25 years of service to the committee as Chairperson, stepped down after the 2019 event."

"I would never have thought I'd have to cancel my first event as chairperson!"

"But it's such a privilege to be part of a dedicated and community minded committee who, given the opportunity to have a year off, just want to keep going."

Former Chairman Graeme Robertson said, "In all honesty, it has been a difficult decision for all involved, but the committee and community would learn some great lessons from this and would only add to its resilience."

And on reflection of his decision to hand the gauntlet to Victorian-born Tom, Graeme laughed that, "Regardless of COVID -19, the committee has learnt a really valuable lesson in handing over the chair to a Victorian!"

"But in all seriousness, we love running such an iconic event and seeing the joy it brings to our patrons, so bring on 2021!"

In the meantime, the Kulin Bush Races Committee are urging people to keep an eye on their social media as they still have a bit of fun planned for later in the year. They also encouraged all event goers, past and future, to stay safe and they looked forward to welcoming them back to Kulin in the near future.

## **Freebairn Recreation Centre**

As restrictions imposed by the government in response to the worldwide global pandemic are slowly eased, we see a very gradual return of activity and life to the FRC. Clubs are now allowed to return to training and currently different sports are assessing the best way forward with regard to a return to competition (or not).

As of this week the FRC will return to a bit more regular opening hours for various activities. It will still be a week by week basis but for now we are able to welcome sporting teams back for training purposes. Both junior netball and junior hockey have commenced training sessions and it's been great to see the kids back out there enjoying their sporting opportunities.

AusKick and Junior Footy training both kick off this Friday and I am sure all the juniors will be happy to dust off their footy boots and get back into things.

The Golf Club have started regular Sunday sessions and had a great turnout of 12 for their opening round on Sunday. Anyone is welcome so if you are keen for a round of golf head into the FRC at 11.30 on a Sunday ready for a 12 noon tee off.

The Gym here will be available to members but only when there is a staff member on-site. Government stipulations state that gyms are able to open but only if they are staffed due to hygiene and cleaning regulations. For this reason, the "self-serve" facility will not be available until further notice and/or easing of restrictions. If you want to head in for a work out either come down and see if I am in the office or call ahead to make sure I am here.

Apologies for any inconvenience but we really need to remain vigilant with regard to the guidelines communicated by the WA Government and Health Department.

Sport really does bind a community and I think as the weeks elapse and we adapt accordingly it will be healthy for us all to become involved in some physical activity and social engagement again.

Thanks for your support.

Until next time....

*Ruth*

## Your health matters. See your GP.

**Regular medical needs don't stop during the pandemic.  
But many of us have put off seeing our GP.**

It's more important than ever for Western Australians to prioritise their health and get the treatment, prescriptions and screening they need.

Your general practice is open and safe to visit in person. And while things might look a little different when you arrive, you can be assured these changes are designed to keep everyone safe and well.

However, you can also ask to have your appointment by phone or video call.

So don't put off getting a check on your health, or the health of those you care for.

**Your health matters, so #SeeYourGP.**

## KULIN CHILDCARE HAPPENINGS

This week we celebrated "World Environment Day" and "World Oceans Day". This was a great opportunity to discuss with the children the impact we as humans have on the environment and little changes we can make. A group mandala was created with recycled products and cardboard fish from the different types of rubbish found in and around the ocean. We are very fortunate to have the space for a compost bin, vegie garden, adjoining community garden and chooks in our centre, all of which enable us to embed the importance of sustainability and respect for the environment into everyday practice.

The centre has welcomed two KDHS workplace students Wednesday and Friday mornings, Eloise Mahe and Shaliegth Saunders. They have both already displayed their initiative and willingness to learn new skills.

Looking forward to having you both on board.

Take care, stay warm and most of all stay safe ox

# WE'RE BACK AND OPENING WEDNESDAY 10<sup>TH</sup> JUNE FOR DINNER

The Kulin community Hub... Is back, we are excited to announce that we are reopening our doors for the first time since covid-19 stopped us all in our tracks.

Although we will be open, we are keeping our main bar area closed at this stage, we will be open for dinner Wednesday, from 5.30. The beer is cold and will be waiting. From Thursday we will be open for lunch and dinner, we will still be closed on a Monday for the time being, but will operate for food and drink, every other day.

With the current situation, and the procedures we must do, our restaurant will be booking only. WALK INS WILL BE TURNED AWAY. We cannot express this enough – you **must** book in advance so you will not be disappointed. We will offer a reserve list and if for some reason a table cancels or does not show we will contact you. This will be a first come first served system.

Take-away meals will still be available to purchase.

Going forward, we would ask you to respect our wishes as a business, and please be patient with our staff as we undergo new procedures and rules.

Thank you for understanding. We hope your support carries on and we cannot wait to serve you all again.

## We will be taking bookings straight away. Call 9880 1201

**BUT WAIT.... Not only are we opening we also have a NEW MENU....**

**This will be not be revealed until opening day**

**Coming Soon!**

**Kulin Arts & Crafts Supplies**

Every Friday at the Kulin Community Arts Centre

Drop in any time between 10am-3pm

Bring along an Art/Craft project you are working on

OR

there will be friendly people with a huge amount of knowledge in all sorts of Art/Craft skills that they'd love to share with you

OR

just drop in for a chat and a cuppa. The kettle will be on.

**Cost is \$5      Everyone welcome**

Call Erin Bailey for more information 0429 809 013

**General Meeting**

**19th June 2020**

**1.30pm**

**Kulin Community Arts Centre**

**Agenda items include:**

- Plans for KCAC—building maintenance
  - KDHS art exhibition
  - Art/Craft Supplies Shop
    - Workshops

**Everyone Welcome**

**We'd love to hear your ideas for The Arts in Kulin and how Kulin Arts can help you and our community.**

## Future work in your area - Jilakin to Kuender

Water is an essential service and we are adapting our work in response to COVID-19.

We will soon start work to replace over 2 kilometres of aging pipeline from Commonwealth Road in Jilakin to Kulin-Lake Grace Road in Kuender. This is essential work to maintain a reliable water supply in your area.

Work will begin in late May 2020 and finish in late 2020.

Safety is our priority and our contractors will follow government advice relating to COVID-19 to complete this work. Our crews appreciate a warm welcome, however please keep a safe distance from them and work areas.

We thank you for your support.

For more project information, email [community.engagement@watercorporation.com.au](mailto:community.engagement@watercorporation.com.au)

Faults, Emergencies and Security **13 13 75** (24 hours)

## OPEN FOR PLAY!

Kulin public playgrounds and the skate park are open for use.

## COVID-19 BUSINESS SUPPORT HOTLINE

The WBN in association with the Wheatbelt Development Commission and RDA Wheatbelt are providing Wheatbelt businesses with the opportunity to access valuable business information and assistance relating to COVID-19 through a dedicated Hotline service. In addition to this, we will also be providing businesses with:

Assistance in updating their WBN online Business Directory listing; provision of a digital footprint review; access to WBN business webinars on current topics; access to current information on the COVID-19 support packages and related regulatory changes. To access these services, simply visit our web site and register.

**REGISTER NOW - [wheatbeltbusinessnetwork.com.au/covid-19-support/](http://wheatbeltbusinessnetwork.com.au/covid-19-support/)**

Rural West is supported by funding from the Australian Government and the Government of Western Australia.

## Peter Rundle MLA

Member for Roe

## MEDIA RELEASE

5 June 2020

### RUNDLE WELCOMES FEDERAL FUNDS FOR STATE BARRIER FENCE

Member for Roe, Peter Rundle MLA has welcomed the \$1 million Australian Government investment towards the construction of the wild dog exclusion fence.

Mr Rundle said he was pleased to see this additional investment by the Federal Government towards such an important project.

"The Nationals WA have been strong advocates for this fence since its inception. It is especially rewarding to see that our proactive advocacy with Federal Minister David Littleproud has contributed to this result." Mr Rundle said.

Federal Minister David Littleproud visited Ravensthorpe in 2019 with Mr Rundle and Member for the Agricultural Region, Colin de Grussa MLC where he saw firsthand the issues being experienced by local farmers.

The Nationals WA Agriculture Spokesperson Colin de Grussa also welcomed the funding from the Federal Government.

"Having farmed in the Esperance region, I know full well the havoc being wreaked by wild dogs on agricultural and pastoral properties, as well as the significant efforts by farmers in the region in working tirelessly to progress this project over many years," Mr de Grussa said.

Mr de Grussa said it is absolutely vital to assist pastoralists, producers and farmers to increase productivity in sheep and other grazing operations to ensure that they are globally competitive, especially during these challenging times.

The \$1 million provided by the Federal Government will go towards the delivery of a 183 kilometre segment of the wild dog exclusion fence, which is an additional link to the 660 kilometre Esperance Extension project.

**ENDS**

Fr Tom Zureich.

Phone 9880 1436

Mobile 0425 414 088

### Kulin Anglican Church

Although regular Kulin services have stopped  
for the time being, the Anglican church can still  
be made ready for special services and events.

Contact Katheryn Wilson 0429801228 in Kulin  
or the Bunbury Anglican Diocesan Office on  
08 9721 2100.

## Contacting your local Kulin Police

Kulin Police Station is a 2 person station and  
operates on a shift basis. We also attend calls when  
required out of hours. For this reason the Police  
Station will NOT always be manned.

If you call the station on (08) 9880 1205 and get  
diverted to Albany or Perth please leave a message  
with them and we will contact you as soon as we  
can upon our return.

If have a genuine emergency please dial 000

## KULIN GOLF CLUB

We are pleased to announce that Social golf  
will commence on Sunday June 7th - hit off  
at 12 noon - there may still be some  
guidelines to follow at the Freebairn Centre  
and on course but we can discuss this on the  
day.

New golfers most welcome - see you there.

If you want to be added to the  
Weather Warning SMS listing,  
contact Nicole at the Shire for a  
form on [eso@kulin.wa.gov.au](mailto:eso@kulin.wa.gov.au)
