## Rec Center Dishwasher

The FRC now has a new dishwasher! This is great news for the Centre and will be an invaluable tool when we have functions here – whether it be the Colts Carnival or a Saturday afternoon hockey canteen. The Junior Footy Club and KU Bowling Club have already used the machine and its efficiency has been appreciated.

I just wanted to take this opportunity to let ALL clubs and community members know that the machine is here and functioning. There are some clear instructions for use that I will put on the machine for all users to have as a guide. Please make sure you use it as it has been purchased to be used and to be of benefit for all. No more aching backs after functions J. If you happen to be in the kitchen and you have not used the new dishwasher and have any queries please ask.

Enjoy!! Thanks, Ruth Tyson

## KULIN CHILD CARE CENTRE

Children throughout the ages have enjoyed dressing up in costumes and engaging in dramatic roleplaying. Whether your child is a dragon, a princess, or a fairy, your child's brain is going into high gear when she puts on a costume!

And although it may appear to you as just play, when your child dons that cape, crown, or pirate's eye-patch, his brain is developing in more ways than you can imagine. We as early childhood educators know, play is the work of the child, and children benefit cognitively, physically, socially, and emotionally through dress-up play.

- 1. Dress up play fosters the imagination**
- 2. Dress up play lets them explore themselves**
- 3. Dress up play strengthens relationships**
- 4. Dress up play establishes gender identification**
- 5. Dress up play improves communication**

## CHALK PAINT

Do you want to revamp a small piece of furniture using chalk paint?

We are having a day in the **Varley Hall on 16th May**. What can be achieved is limited only by your imagination.

You can change the colour or look of the furniture piece by adding decorative embellishments like furniture appliques, stencils or striking knobs/handles.

We need definite numbers in by 5th May for this to go ahead. So if you are interested and able to commit please contact Jane on 98751004 or Margaret 98751043 to put your name down.

We estimate the cost will be roughly \$22 to cover paint and wax, plus the cost of any embellishments you use. To make it easy why not email a photo of the piece of furniture you have in mind and discuss your ideas with our instructor Vicki McPhee –[aubvic@bigpond.com](mailto:aubvic@bigpond.com) 0428744063

## OVERDUE DOG AND CAT REGISTRATIONS

The Shire of Kulin advises that licences under the Dog Act 1996 and Cat Act 2011 are overdue for renewal as of the 31 October 2018. Residents who own a cat or dog are required by law to register the animal.

Also, under the current provisions of the Dog Act 1976;

- All dogs must be microchipped once they are three months of age; and
- All dogs, irrespective of age must be microchipped prior to being sold or transferred to a new owner.

If your dog or cat is currently not registered please contact the office to arrange a licence, please note the Shire's Ranger has commenced issuing Warning Notices.

Alternatively if you do not wish to renew the licence because the animal is no longer in your possession, please let us know.

For all queries relating to renewals please contact Trish  
on 9880 1204 or [admin@kulin.wa.gov.au](mailto:admin@kulin.wa.gov.au)

## A NOTE TO PARENTS AND PEOPLE USING THE VDZ PLAYGROUND

We have replaced hinges on the gates quite a few times now as a result of people swinging or standing on the gates. This means the gates are not able to close properly, therefore breaking the gate.

Please report any persons you see swinging on these gates.

Thank you  
Kulin Shire
