By the time most of the community read this blog I would have hopefully survived my first Council Meeting. The past week has seen a contingent of Shire officers madly preparing the monthly Council Meeting Agenda. Such a week generally requires a big administrative effort from a number of staff. It was great to witness the office team work together in a hectic week to meet last Friday's deadline. A big thank you to Nicole Thompson for her efforts in helping to coordinate and compile all the reports.

Tuesday 12th February saw the Shire partner with Bendigo Bank to host a Kulin Business Sundowner. This was a great opportunity for me to meet a few more business people in town and gain an understanding of what their strengths, challenges and opportunities are for local businesses and budding entrepreneurs. A big thank to Jocelyn Owen from Bendigo Bank for facilitating the thought provoking discussion on the night. Also a big shout out to Alana and Rachael in the CRC for coordinating the even as well as the Freebairn Recreation Centre for hosting. Signage around town seems to be a big topic for discussion, hopefully some options for local business signage can be developed over the coming months.

It has been great to see over 30 community members at Corporate Bowls as well as over 20 at softball the past couple of Thursdays. Certainly a fun evening to be had as the community recovers from the post-holiday let down.

The Shire has been approached by Rick Wilson MP to host a Live Export Forum at Kulin Recreation Centre at 2pm on Tuesday 19th March. This poses a great opportunity for the local farmers to participate in discussion regarding an industry that is the lifeblood of this community. Certainly a topical issue that affects land holders as well as all 3 tiers of government. It is also an opportunity to showcase the wonderful facilities Kulin has to offer.

Congratulations to Camp Kulin Manager Tanya Dupagne on being awarded Westpac Foundation Social Change Fellowship. This is testament to the great program that Camp Kulin is and will provide Tanya with some exceptional professional development opportunities over throughout the year including 6 weeks investigating the Summer Camp program in USA and numerous leadership seminars. The Shire looks forward to working with Tanya to implement key aspects of her learning from this opportunity to enhance the services on offer at Camp Kulin.

Good luck to all local summer sports teams as they approach finals in the coming weeks. Certainly there is big clash at Kulin Oval this Saturday in the cricket between the Kondinin-Kulin Roodogs and the Narembeen Hawks that will test my allegiances. Good luck for those heading off to Perth for the long weekend for Country Week Bowls and plenty of fun and frivolity.

What is WIFE?

The roles of women on farms are significant and varied. Professional support and training to fulfil all of these roles is often unavailable, because courses, can't usually offer what is required, or it is unattainable due to the distance and time needed to attend. This is where WIFE steps up.

WIFE's essence is to tap into the wealth of knowledge that is your neighbor, your friend, your friends friend, the lady up the road, the new girl in town or the wing attack on your local netball team and if the expert required isn't available locally they simply truck them in!

There is great benefit in discussing issues between local ladies, to help each other improve and excel in the many tasks we all take on within our farming enterprises. Meetings would often be in the form of organised discussions between local members. There would also be chances to run workshops and events with guest speakers or experts, if topics of interest are identified by the group.

Any queries or if you are interested but can't attend, call Janelle South 0410 233 903

Camp Kulin Summer Update

2019 SUMMER SEASON

Camp Kulin completed our busiest summer season yet over December/January. We ran seven five day sessions for 221 campers from 88 towns across WA (including 12 Kulin campers). 72 volunteers donated over 9000 hours of their time (equivalent of \$225,000 of time), including our first two Kulin campers from 2014, Jack August and Alexis Corlett, who are both now old enough to come back as volunteers. We ran over 20,000 minutes of activities, prepared over 6000 meals, travelled over 4000km to and from Perth for pickup/dropoff and raised over \$50,000 in child sponsorship. Feedback has been extremely positive from everyone involved. Thanks to Dot at the Kulin Aquatic Centre for being so awesome with our kids over the summer and to everyone who helped out with dropping in food, cooking and driving the buses for excursion days, we really appreciate your support!

2019 SCHOOL CAMPS

Term 1 is always the busiest term for school camps, with many regional schools now moving their student council training to Camp Kulin. We started the term with Narrogin Residential College and Cunderdin DHS in, and in the next few weeks we will also be running programs for Wagin DHS, Wongan Hills DHS, Dalwallinu DHS, Bruce Rock DHS, Kellerberrin DHS, Mukinbudin DHS, Nungarin PS, Merredin College, Moorine Rock PS, Dowerin DHS, Southern Cross DHS, St Matthews School Narrogin, East Narrogin PS and the Merredin CRC Community Camp.

WESTPAC SOCIAL CHANGE FELLOWSHIP

Tanya was announced this month as one of Westpac's Social Change Fellows for 2019. The fellowship, valued at \$50000, is designed to provide the country's leading social innovators with tailored support and development to accelerate their growth so they can make even more of a difference to Australia. Tanya's development plan includes a six week study tour to America in July/August to work with summer camps leading the way in childhood trauma intervention/prevention and researching camp expansion models; attendance at conferences throughout Australia and personal and professional development opportunities. She also gains lifelong access to the Westpac 100 Scholars and Changemakers Networks. This will have a huge impact on the services we are able to provide at Camp Kulin this year and into the future. Thanks to the Westpac Scholars Trust for providing such an amazing opportunity.
