Last Thursday 4th of July I went to Perth for a meeting regarding the Wheatbelt Secondary Freight Network, I can happily report that I returned to Kulin late that afternoon bringing with me 25mm of rainfall to farmers across the district. This obviously hampered the scheduled training sessions of the local sports teams that evening, but brought a most welcomed smile to local farmers' faces and some additional takings over the bar at the FRC. I think most people exhausted their monthly internet data allowance checking the BOM radar on their phones every 5 minutes just to make sure the rain kept coming and making sure surrounding towns weren't stealing too much of Kulin's share.

Around the office there are a few things happening for the month of July. School holidays are here, but the girls at the CRC have a multitude of community events planned for the month of July that is keeping them busy. The most notable of these being:

§ Wheatbelt Women United to be held on Tuesday 23rd July at FRC the topic of the evening will be "Women in Leadership" with a couple of special guest ladies outlining their successes as leaders within their community. Contact Alana and Rach at the CRC for tickets to what poses to be a wonderful night with a delicious casserole dinner.

§ GenAg 2019 will take place on Tuesday 30th July, also at the FRC. This is joint event between the Shire of Kulin and Kulin Community Financial Services (Bendigo Bank and Rural Bank). Alana, Tom and Jocelyn have been frantically pulling together the program of notable speakers and dignitaries. All young and not so young farmers are encouraged to get on board and attend what looks to be another great event.

July is also a hectic month for Camp Kulin as they run their winter school holiday camp program. Tanya and the ladies will certainly be putting in the hours as they host 3 different camps from 1st to 15th July. I'm sure all participants are looking forward to their CK experience and will leave with lifelong memories and learning from their experiences. We also wish Tanya well on 15th July as she jets off to the USA on a 6 week study tour courtesy of her Westpac Fellowship. This is certainly an opportunity of a lifetime for Tanya and we look forward to seeing how this will make Camp Kulin even bigger and better.

One thing our Shire can be proud of is our winter grading program. I was fortunate to be out and about last Monday and witnessed our crew in action. 4 x graders, 3 x rollers, 7 x operators functioning as a well-oiled machine, bringing our gravel roads back up to scratch in a great show of teamwork. Talking to Judd and the crew we get through around 100km of grading a week via this method. The winter grading program of 3 months certainly sets us up for the heavy traffic months of harvest. The crew are to be commended and the Shire would love to see any photos / videos that the public take of the crew doing a magnificent maintenance grading job. Our roads are the envy of many surrounding shires. Well done gang.

Don't forget the "Back Roads" episode on Kulin to be aired on Monday 15th July giving our community great national exposure. There is a gathering of momentum within the community for the stars of the show to head down the slide on the day and raise some funds for Camp Kulin. Might be time for Dousty, Westy and Wendy to dust off their swimming costumes for a great cause. All jokes aside this promises to be great exposure for the community.

Until next time safe travels.

Kulin Community Bank® Bush Races Update

Did you know there is now just less than 3 months until our big event? In case you missed the memo... It's a special one this year, KBR is turning 25!!

The committee have been very busy behind the scenes and we wanted to keep our community up to date with some of the things happening so far.

- We have a '25th Year' subcommittee planning for our special birthday celebration. Wendy, Tricia, Anne-Marie, Mary and Erin have some fabulous ideas in the pipeline. If you have any amazing suggestions that may add to the celebration, please chat to one of the ladies.
- Tom Murphy is our KBR representative on the Cultivating Kulin Committee.
- The small funding round is now closed. Successful applicants will be informed after our next meeting.
- Merchandise for this year has been ordered and should be for sale in the next few weeks after arrival. I can't wait to see what new gear Rynelle and Sarah have in store for us!
- KBR car bumper stickers will be back this year!
- KBR have ordered 100 Tin Horse Highway photo books by photographer Folker Krueger. This book is full of beautiful photos of the current creations on our highway. If you would like more info or to secure a copy, please email Sharyn on karrimahfarm@bigpond.com or text 0429801055.
- We are still seeking a Kids Tent Coordinator. This year will be very easy as we are outsourcing the Kids Tent to Bush Fairies. We would like someone to be a contact for this group and ensure they have everything they need. This is a job that you can do with your own children. Chat to Minnie or Alecia if you have any questions regarding this.

The next KBR meeting is on Monday 5th August, 7pm at the Kulin Arts Centre. All welcome! The meeting minutes are sent out to the committee only but if you have any queries...feel free to contact me.

Junior Netball Notes

15TH June 2019 – Kulin 3 VS Narembeen 5

Today we were in Corrigin against Narembeen, so nice to be indoors again! We had a couple away today, so it was a tough game. Our passes had to be accurate with a couple of fast boys on the Narem side intercepting any bad throws! The score wasn't pretty in the end, but I'm happy that the girls fought hard right to the finish. Award today went to Brandy. Thanks to Laney and Christie for timing and umpiring.

Coach Lauren.

22nd June 2019 – Kulin 3 VS Narembeen 5

Another game against Narem 5 in Kondinin. Great sunny weather with no wind, so perfect conditions for netball. The girls definitely improved on their score from last week, but still went down 29-4. With one away and two girls sick it was full court time for everyone which was nice for our younger players. Great umpiring from Taryn and Holly was invaluable to all the girls on court. Award went to Lucy. Thanks again to parent support!

Coach Lauren

28th June 2019 – Kulin 3 VS Kondinin

Another home game with it being just as cold inside as out! We had two away and one sick. These bugs have definitely taken their toll on the kids this term – so looking forward to having some healthy kids back in term 3! Kondinin were a strong side, but we had some good passages of play. Final score was 23-6. Thanks to Zoe Syred who sat on our bench today and had her first quarter in junior netball! She did a fantastic job! I gave out two awards today and they went to Alexah and Kailey. Thanks to Tess & Shaz for umpiring and scoring duties.

Coach Lauren

6th July 2019 – Kulin 3 VS Corrigin

With three away and one sick we were left with only six this week! But lucky for us we had Lucy McInnes willing to step up and play her first game of juniors! So exciting for her and she did so well. The girls ALL had a fantastic game of netball. It was goal for goal and at the final whistle it was a draw! Well done to both teams. Next week is a general bye over the school holidays. Everyone deserves a much needed break – including the coach!

Coach Lauren

A1 Netball Notes

Round 8

We played Kondinin at home in kulin and came away again with another 5 goal win. Our girls played a great first half, taking the lead for the game, however we fell away in the second half, where Kondinin played with lots of pressure and intensity. Thank you to Laney and Briana for filling in for us!

39 - 34

Round 9

We played corrigin in corrigin and the girls played a ripper game with yet different team line up for both teams! The flow down the court worked well and the ball transitions beautifully from defence to attack! Great game by all the girls, thank you Lauren for filling in for us again! It's like you never left 😊

C Grade played a strong game and came out with a 3-3 draw.

B Grade played a great game, however ended the game with a 1-0 loss.

A Grade played well and with offensive strength, resulting in a 2-1 win.

The Men played a game of very offensive hockey and managed a 5-0 win.

Round 8

This week saw the Vipers take on Corrigin.

C Grade played a very well-connected game; however they were unable to get in front of the strong Corrigin side resulting in an 11-0 loss.

B Grade played a strong first half, but with two quick breakaways by Corrigin in the second half they came away with a 2-1 loss.

A Grade played a very evenly matched game against the Corrigin side which resulted in a 2-2 draw.

The Men played managed to get the ball in the net but the strong Corrigin side were able to double that resulting in a 2-1 loss.

Congratulations to both Fiona Murphy and Minnie for playing their 50th games over the last few weekends.

A big thank you to Careema Agencies, 4 Farmers & Kulin IGA for sponsoring the last two week's game day awards.

Practical Ideas for Managing Difficult Soils

The GRDC and LIFT invite you to attend a grower discussion with a team of visiting soil science specialists to review practical means of addressing soil constraints on your property.

**Location: 811 Newdegate Lake Grace Rd (Kim Slarke's Sheds)
and then on to Justin Carruther's (address TBC)**

Date: Friday 19 July 2019

Register and welcome tea/coffee from **9 am**.

Forum runs from **9.30 am to 2.00 pm** (including a light lunch)

The forums are aimed at ensuring you have the information and tools to identify soils that will respond predictably to various soil amelioration techniques and then be able to match the inputs on these areas to optimise profits. The forum will allow plenty of time for sharing grower experiences and peer discussion between growers as well as specialist soil scientists.

The forums will spend time out in the paddock at soil pits as well as providing plenty of time for discussion in the shed and over lunch.

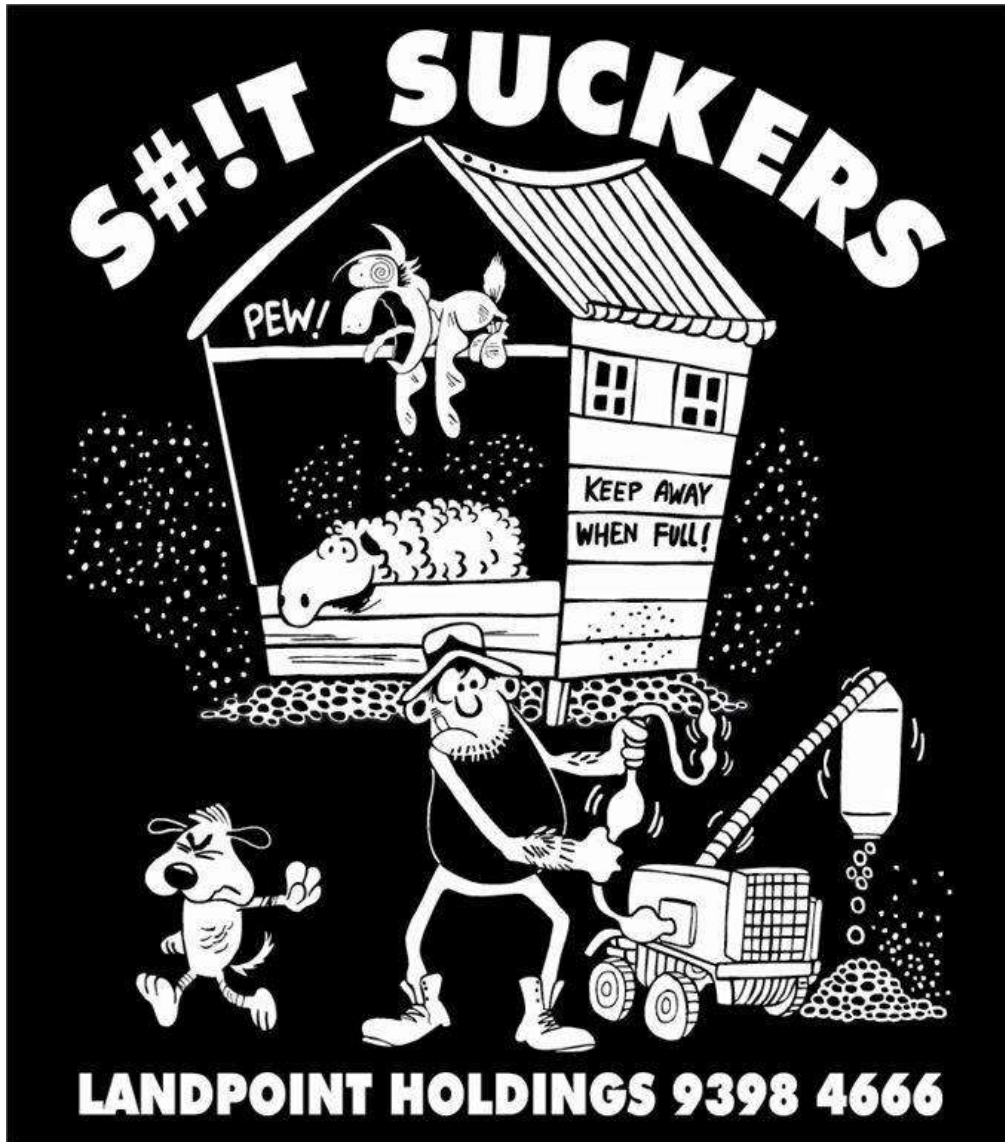

During the forum you will have opportunities to discuss the main constraints of local relevance including:

- Refresher on water holding capacity and root depth
- Sodic sub soils
- Alternative lime sources, morrell lime research
- What's happening at depth with heavier soils
- Managing shallow duplex soils
- Dry soils, poor performing gravels
- Waterlogged lake bank country
- Nematode activity in soils
- Deep ripping
