WOW – How good was the ABC TV “Back Roads” program? It certainly put Kulin on the national stage and was great promotion for this fantastic community. The program was superbly edited and showcased all the great attractions, events, people and community spirit that is always on display. Well done to all the local characters and volunteers who featured in the program including Dusty, Westy, Graeme Robbo, Mary, Tanya, Gen and John Bell. We had around 50 locals attend the “Premier” viewing at the FRC enjoying the festivities of the night. A big thanks to local policeman Marcus for volunteering to help cook the burgers on the night. A top evening was had by all.

Another 10mm of rain last Friday has continued to help the crops along. It seems to be coming along in dribs and drabs at just the right time, but without too many significant events. Let’s hope the 10-20mm a week continues over the next couple of months.

Don’t forget next week we have our showcase networking event for local farmers with GenAg 2019 taking place on Tuesday 30th July at the FRC. All young and not so young farmers are encouraged to get on board and attend what poses to be another awesome locally run event.

At our July Council Meeting the 2019/20 Annual Council Budget was passed. A big thank you to Cassi, Fiona and Annie who have worked tirelessly across the end of Financial Year to ensure all the accounts were up to date to enable the Budget to be finalised. Council endorsed a moderate rate increase of 2.8%. We have secured over \$1M in funding for road works in 2019/20, which will significantly contribute towards our annual road renewal program.

The Works Crew have continued with the winter grading program. Hopefully people have been able to see the magnificent drone footage shot of our winter grading regime that highlights the teamwork and attention to detail of our crew. A big thanks to Jarrad West for putting the footage together. The crew were certainly proud when shown the video over a celebratory bbq at the Depot.

Winter sports season continues to be a feature of the weekends. The Kulin Golf Club recently held its annual Merle Mullan Day in early July and will host its feature event the Clayton Cup on 10th August. The KKFC continues to be in the finals mix in both grades with their annual grudge match against the arch rivals of Narembeen this weekend, good luck boys. The Vipers continue to fight hard in all grades without too much consistency, but as all grades are in the finals there is definitely no point in peaking too early, I’m sure late August will bring out the best of the Vipers. On the Netball side of things A1 have been punching above their weight and look set to feature in the finals, whilst Cassi assures me the A2 girls are closing in on their first win of the season. Congrats to all “Kulinites” who have recently featured in any Country Week fixtures, such events are always an opportunity to represent and showcase your skills at a higher level. Well done to the U/13 Girls Roe Districts Hockey Country Week team who made the final narrowly going down 2-1 in a hard fought game with Kulin’s Ava Bennier one of the stars of the week.

As always there is never a dull moment in the community of Kulin. Schools back for term 3, please drive safe around the school zone and near the school buses. Council has budgeted to improve footpath connectivity in streets leading towards KDHS, with new footpaths planned for Price Street and Bowey Way, making it safer for kids, parents and the elderly to commute about town. Well done to Cr Haydn McInnes for driving this initiative.

Until next time safe travels.

Shire of Kulin Positions Vacant

COMMUNITY RESOURCE CENTRE MANAGER & TRAINEE FINANCE OFFICER

The Shire of Kulin is seeking enthusiastic and motivated people to fill the following two positions.

Community Resource Centre Manager

An opportunity exists for an organised and motivated individual to join the Shire of Kulin team managing our Community Resource Centre. As part of the role you will oversee the running of the Community Resource Centre as well as providing specialised administrative support to the Shire administration in tourism, desktop publishing, event management and media and community engagement. The successful applicant will possess excellent time management skills, will have relevant experience in an associated field and will be committed to working closely with Council to ensure potentially viable projects are fully developed.

Council are prepared to offer an annual salary in the vicinity of \$50-\$65k dependent upon qualifications and experience. The package also includes access to Council's superannuation matching scheme, salary packaging options and subsidised housing.

Trainee Finance Officer

This position offers an excellent opportunity to work in a small but highly motivated environment. Applicants with previous experience in Local Government or a similar field will be highly regarded. The successful applicant will be offered a traineeship to complete a Certificate IV in Accounting and Bookkeeping, which will be funded by Council. This position will be for a fixed term contract of 1 year associated with the duration of the traineeship studies. You will gain skills and knowledge in preparing financial reports, accounts and ledgers, operational budgets, business activity statements, accounting principles and industry practice.

Council is prepared to offer an annual salary package relevant to the responsibilities of the position in the vicinity of \$40-50K dependent upon experience, plus other benefits including subsidised housing, a generous superannuation scheme.

Kulin is located 3 hours south/east of Perth and 1 hour east of Narrogin, the Shire has a population of approximately 800 with 400 residing in the townsite. The Shire is well serviced in terms of health care with a local doctor visiting 2 days a week. The district high school is to year 10 with the closest senior high school being in Narrogin. Kulin has excellent community and recreational facilities, including a 2 court indoor facility, recently constructed swimming pool, excellent shopping and is an extremely progressive and energetic community.

Written applications including a covering letter and resume will be received up to Friday 16 August 2019 and must include details of work experience, relevant qualifications and copies of at least two written references, or the names of two referees. Further information, including position descriptions, can be obtained by contacting the undersigned or Nicole Thompson via email eso@kulin.wa.gov.au or on 08 98801204.

Interested in the future of Kulin?

Community minded?

Could you be a future Shire Councillor?

What is involved?

As a Councillor you would be involved in running an organisation with the responsibility of making decisions that have a major impact on our lifestyle. As a representative of your community you will find the role enjoyable, challenging and stimulating with involvement in matters as diverse as recreation, the environment, town planning, health, roads and many more. Meeting fees and some expenses are paid.

Who can nominate?

Any person who is an Australian Citizen over the age of 18 years who is an elector of the district and is not disqualified under the *Local Government Act 1995* may nominate for council. It is not a requirement that a candidate lives or owns property in the ward for which they nominate.

When are elections held?

Local Government ordinary elections are held on the third Saturday in October every two years. The next local government ordinary elections will be held on 19 October 2019.

Councillors are elected for terms of four years in Western Australia. Elections are held every two years for half of the council, and candidates are elected using the first-past-the-post voting system. If a vacancy occurs within a term, an extraordinary election is held.

What training is available?

To ensure the Council members have the necessary training to understand and carry out their role, universal training for candidates and council members is being introduced, part of this training is to complete an online induction prior to nominating for election.

More information will be out soon in regards to Shire of Kulin Local Government elections, in the meantime, if you have thought about nominating to become a Councillor, but aren't sure if the role is for you please register for a free webinar to have all your questions answered!

WALGA WEBINAR for Prospective Elected Members

This Webinar focuses on the following key areas:

- Parliament's role in creating legislation for Local Government;
- how to read the Local Government Act 1995 and Regulations;
- who does what at a Local Government;
- a Councillor's personal responsibilities; and
- consequences of improper conduct.

WALGA'S Communications webinar will be presented by James McGovern, Manager, Governance. Joining James for the Q&A session will be Lyn Fogg, WALGA's Governance Advisor and Tony Brown, Executive Director, Governance and Organisational Services.

As with all of our webinars, you will have the opportunity to ask questions during the Q&A Session at the end of the presentation. This webinar will be recorded and made available to the public within a few days of the event.

Date: Thursday, 15 August

Time: 5:00pm – 6.00pm (including presentation and Q&A session)

Be quick to register as places will fill fast. To register for this free webinar please go to:

PRESS RELEASE

Author: Barry West (President) and Garrick Yandle (CEO)

Subject: ABC TV “Back Roads” episode featuring Kulin

Date: 17th July 2019

The Kulin Shire Council would like to congratulate and thank the ABC “Back Roads” program for such a great showcase of our wonderful community and town of Kulin. In particular Council would like to acknowledge the work undertaken by Brigid Donovan (Executive Producer of Back Roads), Heather Ewert (Presenter) and the entire film crew. The Back Roads team spent over 6 days within the Kulin community researching, filming and meeting all the wonderful people that make our community such a progressive and welcoming place to live.

The episode, which aired on ABC TV on Monday 15th July 2019 is a credit to all involved in the production of Back Roads. The team showed immense professionalism, attention to detail and ability to understand the many intricacies and complexities of a small community and bring them all together as part of a first class production. The community of Kulin have been eagerly awaiting the airing of “our” episode and were immensely proud of how “our” community was portrayed to a national audience.

Council held a community viewing of the episode at the highly featured Freebairn Recreation Centre. In typical Kulin style the viewing was warmly appreciated and understated, gathering a broad cross section of the community to celebrate our new found national exposure. It was a fantastic opportunity for many of the volunteers of Kulin to come together with a sense of pride in seeing how “their” efforts have lifted Kulin onto the “big stage”.

Kulin Shire Council and the wider community are certainly looking forward to the mini, but hopefully on-going tourism boon this may bring to our town. The episode certainly showcased the great characters and people of Kulin telling their “Kulin story” as well as highlighting the great attractions and events that the community has to offer. The episode captured everything that makes Kulin the “Capital of the Wheatbelt” and a great community to be a part of – the people, the events, the attractions and the willingness to come together and take immense pride in where we live.

Once again thank you and congratulations to the ABC “Back Roads” program for showcasing our great community of Kulin to a national audience.

KULIN CHILD CARE CENTRE

We are loving exploring our finally completed new fort and beach sand play area and practicing our gross motor climbing, balancing and sliding skills as well as lots of sand play. The sand is wonderful and though its winter, feels like we are at the beach each and every day. When the fort was delivered it was in thousands of pieces, not in pre-fab form unfortunately, but many many thanks to Rob Doust and Sarah Reader, they spent long afternoons/evenings carefully piecing it all together, a very daunting task considering the amount of pieces to puzzle piece together. Then once it was ready, they were joined by generous volunteers who built the surrounds for the fort and sand to be placed. We are so very grateful to you all for all your hard work, the fort is certainly getting lots of use every day :-)

We would like to thank the AOOB'S so very much for their generous donation to the centre that will be used to replace the old beds and cot mattresses, and also a new mat for our change table. We appreciate your continued support of the centre and thank you for your many years of generous support.

We have also been exploring different foods in our restaurant home corner experimenting picking up foods such as sushi with chopsticks, and learning roles of waiters, chefs and customers in a restaurant setting. This is to continue with our programme of occupations in our community and what type of equipment they might use. We are also planting our own crops in the garden area and are planning to ground our own grains to make our own flour to cook with. We have also been harvesting our home grown silverbeet, kale and eggs and creating lots of yummy treats on our cooking days such as spinach muffins – quite delicious in spite of the colour ☐

We are also learning about printing with different objects such as fruit and vegetables, letter blocks, tools and large Lego blocks which help manipulation skills, the ability to move and position objects within one hand without the help of the other hand and to recognise symmetrical objects.

Our new fort/sand pit area seems to be an attractive area for cats to visit, so to keep our area natural and child friendly, we are planning to plant strong smelling plants completely around the area that are repelling to cats. We would appreciate any cuttings anyone can spare for us to plant as we will need a lot. These plants include rosemary, lemon balm, curry pants, lavender, thyme. We are sure there are many more plants that you all know that work as well, so if you are pruning back your plants please save some cuttings for us please.

If you are thinking of booking your Child into the centre, please don't hesitate to give us a ring or call in to say hi, always welcome to come for a cuppa.

Till next time – Sarah, Melina, Sue, Jojo, Vicky, Ashley, Charlotte and Belle xoxo

Kulin CWA Building Restoration Project

Kulin CWA Members are raising funds to cover costs of building repairs, needed to keep our CWA Rooms open and safe for the community that uses it.

Work has already begun on addressing the drainage issues—thank you to the Kulin Shire, the Kulin Men’s Shed, Barry Harding and Bill Colbourne for installing drains that now carry excess water from around the building under the pavement to the road culvert.

The Kulin AOOB’s have pledged \$2000 to the Kulin CWA to fund electrical repairs –some of which will be completed this month. Thank you so much!

An application for funding support has also been lodged with the Kulin Bush Races Small Funding Round—results will be known soon.

Thank you to everyone who popped in for Tea and Scones on Saturday, 13th July. We had over 50 people visit the CWA rooms between 9 and 12, scoffing scones and cream aplenty, enjoying chatter and scoring plenty of bargains from the market tables. Special thanks to Charlotte Astbury for some great background piano music.

*Round Two for Tea and Scones will not be on 27th July as previously noted—but will occur over the next month or so—we will keep you posted.

Date: Friday 19 July 2019

Register and welcome tea/coffee from **9 am**.

Forum runs from **9.30 am to 2.00 pm** (including a light lunch)

The forums are aimed at ensuring you have the information and tools to identify soils that will respond predictably to various soil amelioration techniques and then be able to match the inputs on these areas to optimise profits. The forum will allow plenty of time for sharing grower experiences and peer discussion between growers as well as specialist soil scientists.

The forums will spend time out in the paddock at soil pits as well as providing plenty of time for discussion in the shed and over lunch.

During the forum you will have opportunities to discuss the main constraints of local relevance including:

- Refresher on water holding capacity and root depth
- Sodic sub soils
- Alternative lime sources, morrell lime research
- What's happening at depth with heavier soils
- Managing shallow duplex soils
- Dry soils, poor performing gravels
- Waterlogged lake bank country
- Nematode activity in soils
- Deep ripping

Please RSVP for catering purposes (light lunch provided) to:
