Well the big dry continues around the district with minimal rainfall so far. Hopefully there might be a drop or two to end the week, but like most I'm not overly optimistic about a significant drenching this week. With a tough start to the season it has really shown how resilient the community is to continue to deal with whatever challenges are thrown at them. I see farmers still working feverishly with their cropping program, albeit at a slower than normal pace, let's hope all your hard work begins to pay off. I did hear someone say last week that a bonus of minimal rain so far is that any rain that does fall from now on should at least be in the growing season.

The lack of rain certainly hasn't inhibited the local winter sports teams hitting the park in the early stages of the season. It is great that this community continues to fill all teams on a regular basis without forfeits. This is testament to the community spirit and overall resilience of the community groups and is one that should be commended. This doesn't happen just from a once off, it takes years to develop strong community groups and sporting clubs so that clubs can handle the tough times. Throwing dollars at external players and making excuses in pursuit of short term glory is an easy fix as a nearby town is harshly starting to find out.

From a Council perspective we are feverishly preparing next year's budget. If any community members or groups have any suggestions / wish lists / bright ideas for budget consideration, please send them through to myself or any other Shire officer or even your favourite Councillor. Whilst not all submissions will be guaranteed inclusion, all suggestions will be considered, evaluated and discussed and a response endeavoured to be provided.

Camp Kulin continues to be a busy hub with 2 camps over the April holidays and the Ladies Camp coming up at the end of May, plus numerous school camps. This week we welcomed Cathy Howard as Camp Kulin Program Assistant. Cathy has a wealth of knowledge and experience through Department of Child Protection and will no doubt provide another experienced staff member within our team. Last week Tanya and I were fortunate to visit His Excellency The Honourable Kim Beazley AC, Governor of Western Australia at Government House to showcase the wonderful contribution Camp Kulin provides to the Shire of Kulin and the wider Western Australian community. His Excellency was very impressed with program and is hoping to visit Kulin sometime later in the year.

I have been fortunate to continue to work closely with Wheatbelt Secondary Freight Network Working Group, which has recently received \$85M in funding for 42 local governments across the Wheatbelt to upgrade key freight routes within each Shire. The next phase of that process is to identify priority projects for on-ground works commencing 2019/20.

Obviously the Federal election this weekend poses a significant amount of uncertainty and anxiety across the community. Whatever the result Council and staff will continue to work closely with our local member and whoever forms government to ensure this community and the region as a whole is fiercely represented. A big thankyou to all the volunteers who will be helping out within the community on Election Day. We await the result with baited breath.

Until next time safe travels.

FRC Notes

Well Winter Sports season is now in full swing and we kicked off with a hockey and football fixture in Kulin on the first weekend of May. May sees quite a bit happening sports wise in Kulin with a quieter June scheduled so head down and catch some sport while you can.

May 18 – Hockey GALA DAY

May 25 – Netball, Hockey AND Football all in Kulin

Golf – Ladies Day every Wednesday and regular fixtures EVERY Sunday

We also have our junior sports programs underway with the kids enjoying netball and hockey on a Thursday afternoon and AusKick and Junior Footy on a Friday.

With sports season comes the regular canteens, afternoon teas, sundowners and dinners. Inevitably plates and dishes etc get left behind so if you are missing something please come and check the kitchen here!

For those of you who have not already paid your FRC Membership please pop in and see me to process payment or utilise the direct deposit option. If by chance you have not received your renewal please get in touch and we can sort it out. reccentre@kulin.wa.gov.au

All the best to all of our sporting teams for the season and we look forward to seeing many family and friends down here to offer support and enjoy the hospitality on offer.

Until next time....

PUBLIC MEETING

Kulin is renowned for its forward thinking and making things happen. Over the years we've received many accolades for our attractions and events and for promoting our community. We need to continue to innovate and remain strong.

Now is the time to get back on the front foot and think about what businesses we would like to attract and support in our town.

A front-runner could be an engineering business to cater for the urgent need in our area. An Auto-Electrician would also be very welcome.

The formation of a Kulin Cooperative could make this happen. Perhaps you have some other ideas?

Everyone welcome - Please come along and contribute to an informal think-tank on how we can boost business opportunities in our town.

Living under a rock?
***You may have missed the news
that the Kulin Bush Races is
celebrating its 25th year!***
If you have any ideas for how we can
celebrate this fabulous event we'd
love to know.

One plan is to set up a display of past memorabilia to be open prior to and during this year's race weekend. If you have anything bush races related (photos, shirts, stubby holders, stickers, other souvenirs, race books, etc) we'd love to borrow it. Make sure it is labelled with your name so it can be returned.

Drop off point is Gangells Ag Solutions.

KBR SPONSORSHIP PACKAGES ARE AVAILABLE NOW

Kulin Bush Races (KBR) presents an excellent opportunity for Sponsors. Since 1995 KBR have produced a quintessentially Australian, all ages event like no other.... a weekend of picnic horse racing, live bands, children's activities, novelty events and welcoming country hospitality.

Additionally since 2017 we have introduced an integral entertainment feature which is a headline music act. In 2017 it was Eskimo Joe and in 2018 it was ARC- Antipodean Rock n Roll Collective. We are close to finalising the 2019 act.

KBR Incorporated is a multi-faceted community group with an abundance of talent, passion and creativity. Over 200 volunteers undertake the planning, coordinating and running of the event.

Our profits go towards progressive and innovative projects that would otherwise not be funded in our rural region.

Sponsorship helps KBR Inc put on the event to the standard that we know meets and surpasses our visitors expectations.

Premier, Entertainment and Supporting packages have been created to adequately recognise our Sponsors via brand exposure such as advertising and publicity, and corporate hospitality such as tickets and a designated Sponsors Area.

BillionGraves

Recently a man named Don Maskew came through the area visiting cemeteries as part of the BillionGraves project.

BillionGraves is the world's largest resource for searchable GPS cemetery data, and is growing bigger and better every day.

Volunteers help by collecting headstone images from local and other cemeteries, and then by transcribing the personal information found on the images, this is what Don did at the Kulin, Pingaring and Dudinin Cemeteries. His trip through the South East resulted in visiting 22 cemeteries and taking 3,965 photos.

If you are interested check out the links to the cemeteries in the Shire of Kulin:

Celia Violet Carruthers

Eulogy

Celia Violet Carruthers was born on the 15th August 1924. She is the youngest of nine children, born to Celia and Jack Truslove. Celia was born in Midland Junction and she lived in Buckingham Road, Greenmount, opposite the Blackboy Hill Training Camp, which was then occupied by trainee soldiers during World War One.

Celia spent her primary school years at Greenmount Primary School and then went on to Midland school, for Years 7 and 8, walking half a mile to catch a bus. She would often buy frozen oranges for a penny each from the tuck shop on the way. Celia said she remembered the pepper corn trees outside the toilets and how the kids would rub it on them before they got the whip, so that it wouldn't hurt as much.

One of Celia's favourite childhood memories was her twelfth birthday party. It rained all day, and when her brother Ray got home from work, he took over and entertained everyone and it was such a wonderful day. Not long after her twelfth birthday, Celia had her tonsils out at Princess Margaret Hospital. There was a queue waiting to have them out, and she came home on the same day. Celia said she must have looked pretty sick, as the guardsman on the train put her mum and her in the first class carriage so she could lie down. Her dad was waiting for them at the Midland Station. Celia's dad owned a bike shop, Gordonson Bikes in Midland, and owned one of the first cars in Midland, a Studebaker.

The family would go on holidays to Canning Bridge with family and friends. They sewed together hessian bags to make a huge tent, which had four rooms. Celia always enjoyed the games and fun with everyone. As a family they had regular picnics at Rocky Pool.

Celia's mum made most of her clothes, she wore a blue flannel dress with boxer pleats to school and for Sunday school, and she wore a purple dress with white cuffs and collar. Her mum once brought her a floral dress for two and six, 25 cents. It was her best dress, and she loved it with its little sleeves and high neck with a little collar.

On some nights when the family was home, Celia's mum played the organ and the family used to stand around it and sing. They didn't have a lounge room just a dining room and sitting room. The organ was in the sitting room, with a huge table covered with a red velvet cloth and eight padded chairs. There were such happy days. In the sitting room there was an open fireplace, which backed onto Celia's room. She used to put her feet up against the wall when in her bed to keep warm.

After leaving school, Celia used to help her mum and dad collect eggs on their poultry farm, for her dad to take to the markets. Celia used to pick grapes; they were then dipped in a copper of water and caustic soda, and then put on racks to dry, turning them brown for sultanas and raisins. They had to be very careful taking them out of the copper.

When Celia was sixteen she went to work in a dress shop, named Corots, in Hay Street Perth. It was a one-way street where the trams ran down the Centre. The Second World War started and she saw her cousin Stan off where he was killed in New Guinea on the Kokoda Trail; she never forgot waving him off. Celia's two brothers Jack and Allan were both in the army. Celia left Corots and went to work in a Munitions Factory in Midland, making 25 pound artillery shells. She would catch the train to Bellevue, cycling to and from the station. During this time, Celia and her friends went to the dances in the Embassy Ballroom in Perth and local dances at Swan View Hall.

It was at these dances where Celia met her husband John William Carruthers, Jock. He and his brother Jim and their friends would come by bus from Bassendean. Jock would often walk Celia home and then run to catch the last bus to Midland, walking home to Bassendean.

The war ended in 1945, and Victory Day was on Celia's 21st birthday. Jock, Celia and friends celebrated by going to Perth, with the streets being crowded. They travelled across the river, on the Ferry, with everyone on the ferry singing her happy birthday. At this time, Celia left the munitions factory and went to work in Boans Department Store, in the country order department. She finished work there when Celia and Jock married on the 16th March 1946. Her mum had brought a small house in Guildford and they went to live with her.

They brought a block of land in Bassendean and each weekend they made cement bricks, making 6000 bricks altogether. Jock and some friends built a lovely home on the block, and they had only been in it for a few months when Jock was offered a share farming job at Laganas in Yealering, near his parent's farm. So off they went in an old truck with all their worldly goods, with their four year old son John, born March 1947 and baby Kath, born January 1951, only six weeks old.

Celia said she cried when she saw the funny little house where they would live. It had no lining, an awful black wood stove and the bathroom was on the front verandah. They had bought a Bedford truck while at Laganas, and Celia took her licence in that. She would drive this every Friday into Yealering to do the shopping. They grew to love country life and made many good friends.

Jock worked hard, and after selling the house in Bassendean they were able to buy their own land between Yealering and Kulin. He cleared most of the land himself, by dragging a chain behind a tractor. They built a big shed on the farm and lived in a caravan in the shed for two years, while Jock and a builder friend built a house on the farm.

Vicki was born April 1954. They had two more daughters, Joanne born August 1961 and Robyn, August 1963. The children all went to Kulin School. John arrived home from Narrogin Agricultural College in 1965, and Celia and Jock began share farming for Phil and Kath Freebairn. They share farmed the property for ten years. John was called up to the army, when he was twenty and spent his 21st birthday in Vietnam. Celia and Jock thanked God, he was brought home safely. It was a hard time on the farm without John, so they moved to Kulin and Jock got a job on the Kulin Shire. After twenty years on the farm, it was sold, and they built a house in Kulin.

When they moved to Kulin, they joined the bowling club in 1974; it was home away from home. Celia loved the bowls and the friends she made. She won the singles championship six times over the years, and had been playing for 43 years when she won the League Singles in 2003. Celia also won the pairs, threes and fours on many occasions, and a number of wonderful wins with the Pennant Girls. A proud moment was becoming a Life Member in March 29, 2009. Bowls was played most weekends during the summer, including travelling to Gala and invitation days, sometimes winning but always having a great time. It would be fair to say, it was a great love.

Celia and Jock's other love was travel. In 1987, they travelled around Australia with Jock's brothers Jim and Harold and their wives, June and Edith. They camped along the way, using two way radios to keep in touch, free camping along the way, sharing the evening around the fire or playing cards. They had the most wonderful time.

Celia and Jock got the travel bug after this, so for twenty seven years they travelled up North to Broome and Port Smith, to get away from the cold. The regulars that arrived each winter became their friends and they looked forward to catching up each year.

In summer, they travelled to Hopetoun, meeting up with many friends and family. Here they enjoyed the fishing, the regular bowls events and loved nothing more than sitting by the fire bucket at night, sharing stories. In between these trips they travelled to Tamworth for the Country Music Festival, and enjoyed many trips to Sydney and Tahmoor visiting Vicki, John and family.

Being idle wasn't in Celia's nature, so over the years she became a Girl Guide leader in Kulin, helping many girls obtain their badges. Then there was the love of decoupage, it was a family joke, that if you sat still too long gran would decoupage you! Then thirty years ago she became a senior Cit! A whole new world opened, with Celia and Jock joining in with locals and they played indoor games, competing against other country clubs, travelling away each year to different towns. Spare days were filled up with card making, and playing Rummicub. Celia and her dear friend Ruth, played Rummicub any chance they could, enjoying many an afternoon together.

Celia lead a quiet life, thankful for her friends and wonderful family. She loved her dear husband Jock, their family of five children, eleven grandchildren, and twenty four great gran children.

Thank you

Jock, John, Kath, Vikki, Jo, Robyn and families would like to sincerely thank everyone who attended the Memorial Service, sent sympathy cards, flowers and put notices in the paper, phoned or visited us on the passing of our very much loved and missed Wife, Mum, Mother-In-Law, Gran and Great Gran.

We also thank those that made food for us, the memorial service and all the ladies that helped.

The Shire council, the staff, the Freebairn centre and their staff.

A special thanks to Dr Mackie and the nursing staff at Kondinin hospital for all their care and attention.

Thank you everyone for all your support, love and kindness always.

GOLF NEWS

I am happy to report that Golf is ticking along nicely despite the very brown surrounds. Numbers on the course have been excellent with some impressive scores with golfers taking advantage of the flat surface and run on of the balls.

The club is gearing up for our coaching clinics which will be offered over the next three months. These are for children and adults so keep a look out for dates! We have sticks for the kids to use so encourage them to come along. It is also a great way for beginners to experience the game and get some guidance so that you are starting off on the right foot.

We also are into planning for our annual "Nona Wilson Memorial Ladies Open Day" so grab a partner and head along for a great day on Wednesday May 29th. We are having a nine hole friendship day for the ladies followed by lunch.

We hope you can join us.

GOLF RAFFLE RESULTS

Winner of Golf Club Mother's Day Raffle was Leanne Saunders
congratulations Leanne we hope you had a wonderful day!

THANK YOU

A big thank you to all those keen gardeners who travelled from Dudinin, Holt Rock, Karlgarin, Kulin, Lake King and Varley to enjoy a day in the splendid gardens of Kulin's green fingered ladies who are progressive innovative gardeners. The day began the night before Wednesday 31st April when those who could, met in Kulin Hotel for dinner to meet and greet each other. It was a lovely friendly evening of getting to know each other with much chatter. The boys must have talked themselves out the previous evening as none showed for the garden trail.

Thursday 1st May an enthusiastic crowd of keen gardeners met at the home of Mrs Ellen Marchei to enjoy her lovely garden and share their passionate interest, awe and delight at "Ellen's Studio" Then a sumptuous morning tea was shared in the warm sun on the verandah of her home. Thank you Ellen, it was delicious and the Studio has been a strong topic of interest ever since guessing many plans and ideas are forming in heads and on paper throughout the area.

Wow Mrs Dunham what a great display of roses in your so neat garden the colours and perfume were a delight. Yes that is where we all ambled to next like gypsy's on the trail. Mrs Dunham's garden is truly lovely you could not count all the varieties of roses and the colours so vibrant. Oh and yes those Docker Ducks proudly displayed at the front made many a heart sing. Thank you Mrs Dunham for sharing your lovely garden.

The girls then ambled down to Mrs Wendy Gangell's delightful garden with its little garden rooms, and treasure plants, nooks and delightful get away path for the "grandies". Thank you so much Wendy.

To all who were able to attend and to those great garden tenders thank you so much for not only sharing your gardens but time and friendship.

The Varley CWA and Garden Club so appreciated your kindness and all those cuttings you were so willing to share.

You are Bloomin great

Thank you

Round 2 11th May

Narembeen in narem - went down 48:30 - the play got better as the game went on! Once the play settled the team flowed really well! Well done to our attacking girls! They moved extremely well in the circle! Thanks Corrina for playing for us.

Round 2 11th May

Our first game of the season against Corrigin was a hot and fast game. With quite a few new players and ladies returning it took a while to settle into their positions. Our defenders put up a good fight but had their hands full with Corrigin's strong attack. Cassi showed her strength in the centre court and our attack tried hard all game. Well done ladies. Welcome to our new and returning players Ed, Kat, Teneille, Belle. Corrigin 40 Kulin 11

Kulin Junior Netball

4TH May 2019 – Kulin 3 VS Bruce Rock

This year we have increased our numbers to 10! Our junior side consists of: Shayley Rennie, Alexah Jenks, Lucy Scadding, Montana Dunlop, Tasmyn Griffiths, Stella Mullan, Amber McAdam, Brandy Dunlop, Kailey Jenks and Zari Duckworth. Our first game was at Hyden for the Gala Day and what an awesome start to the season! There were a few nerves from the players but they soon settled in nicely to the game coming away with a strong win 24-0! A fabulous team effort! The girls were definitely improving last year and having that consistency of players this year, certainly showed. Well done to Brandy and Zari who played their first game of junior netball – they did so well! Player of the day went to Amber McAdam. I am looking forward to a fun season with the girls and watching them grow into fine young netballers! Thank you to Gemma who umpired and Mel who timed...who has now learnt how long netball quarters are!

Coach Lauren.

11TH May 2019 – Kulin 3 VS Narem 6

We ventured out to Narembeen today. It was a tough day for the girls coming up against some very tall experienced competition. Kulin girls didn't give up though and managed to get a few goals on the board so I was happy with that. The end result was 30-4 in Narembeen's favour. After a couple of games it's becoming clearer what we need to focus on at training so I'm looking forward to working on that. Well done to Kailey who played her first game of junior netball today! Congratulations to Tasmyn Griffiths for receiving player of the day award. Thanks to Owen who timed and Michelle for umpiring.

Coach Lauren.

HOCKEY

Round 1

Last week saw the Vipers start off the season facing off against Corrigin.

C Grade gave a good fight but at the end of the game went down 9-1.

B Grade played strongly however came out with a 1-0 loss.

A Grade played some great hockey but unfortunately lost to the strong A Grade side of Corrigin 2-1.

The Men played a hard game against Corrigin men and managed to swindle a few goals resulting in a 2-1 win.

Round 2

This week saw the Vipers take on the KHATS in Hyden, with all four teams bringing their best on the warm Saturday.

C Grade unfortunately lost 4-0 after giving a good fight.

B Grade and A Grade both came out with a draw after 4 quarters of equally skilled hockey from both sides.

The Men played a great game however the new KHATS men's side came out in the end with a win of 2-1 over the men.

A big thank you to Tamora Plumbing and Gas and Jilakin Earthmoving for sponsoring the last two week's game day awards.

We would like to congratulate Daniel Lockyer and Alecia Robertson on reaching their 50 games as Vipers! Well Done!

Gala Day is Saturday the 18th May in Kulin against the Souths. Come along for a great day of hockey!
