Easter is done and dusted for another year and we have welcomed April with a cool change. I hope that everyone enjoyed their short Easter break and spent time with friends or family. I spent the weekend in the sun camping at Steep Point - Mainland Australia's most Westerly point.

Winter sports are looming and we want to stay in the loop. Make sure you send us through all of your results, photos and any other stories from on or off the field.

Lydia Young

SHIRE OF KULIN

CEO CORNER

I grew up in small towns – I love the vibrancy, closeness and togetherness that it brings. Since I started my career in Local Government, as is required for experience I have moved from town to town – always bemused by when the downside of small town syndrome becomes damaging.

I refer to gossip.

I had a boss who once told me that in relation to gossip – if it wasn't news, fact, or passes the public interest test, or is something you would be proud to put yours or your sources names against; then it is gossip.

The Shire has a process that allows any information to be checked, my door is always open - one visit, one phone call or even an FOI claim, but there are opportunities for any person wanting to make public comment about the Shire to check the facts. Failure to do so, puts your salacious information or personal view in the malicious gossip category, and should be challenged by anyone wanting to support a balanced, fair and respectful conversation about community issues.

Just a thought.

April is already upon us meaning Winter sports are just around the corner! We have already begun the preliminary planning process for the Great Southern Colts Carnival which will again be hosted by Kulin Kondinin Football Club on the weekend of 16th and 17th of June. As has been the case in previous years all sports clubs will be involved in some way shape or form so stay tuned for further information.

Before this however all of our regular fixtures will commence at the end of April / early May with Hockey, Netball and Footy teams all training in preparation for the long seasons ahead.

As mentioned in the last issue, the FRC kitchen facilities were utilised by the pop up Indian Restaurant for the week leading up to Blazing Swan / Easter long weekend. I am sure many of you will have enjoyed the final product of some of the delights created in the kitchen!

Social Basketball will continue for the next few Friday evenings.

Bowls is slowly drawing to a close.

Everyone is welcome to come along and enjoy the upcoming KKFC Old Boys Footy Scratch Match. 6.00pm kick off Friday 13 April – at the Kulin Oval. The Centre continues to host a range of varying functions from education seminars to 30th and 40th birthday parties.

Until next time...

Ruth Tyson
FRC manager

Ruth works Tuesday, Thursday & Fridays from 8:30am till 3:30pm. If you require assistance outside of these days or hours please contact the shire offices or send Ruth an email on reccentre@kulin.wa.gov.au which she will reply to when available.

KULIN COMMUNITY GARDEN

The Community Garden is moving along with all the planters and watering systems in place for growing to start taking place.

If you are interested in being involved in the garden we would love to hear from you.

We will be meeting at the garden on Wednesday 11th April 2018 at 10am to discuss ideas for the garden.

We would love to see lots of keen people attend. If you cannot attend but are keen to be involved please contact Taryn Scadding at the Shire to register your interest.

Kulin's Winning Teams

The bowls pennant finals were held in Newdegate on Saturday (March 24, 2018). Kulin Bowling Club had both men and women in the final; Men against Kukerin and the women against Newdegate.

It was a slow start for the kulin Ladies:

Tricia Tyson's team (Jean seaman, Pam McInnes and Sandra Davis) were behind most of the game against the Newdegate team skippered by Brigette Michell but were eventual winners 18-16. Jean McInnes team (Bhel Hallam, Elle Marchei and Ida Welsh) were one (1) down with 2 ends to play and got 4 shots at the 20th end and at the very last end added another 3 shots to win 22- 16 against against Newdegate skippered by Michelle Waddell. Overall Ladies won by 8 shots.

The Men had a strong win with only 1 rink loosing. Ron Argent's team scored 26-21 against Graham Smith; Bob Lockyer's team scored 35-21 against Ross Ditchburn. Carl Bull's team scored 30-15 against Matthew King and John Sparks team lost with a score of 18-26 against Bahrr. Overall men won by 26 shots.

The Ladies were back to back winners with a chance at a "HAT TRICK" next season. The Men's win was the third final appearance in a row with two pennant wins

Congratulations to both teams!!

Colyn and Margaret Prater Family

On the 3rd and 4th March, we interred our parents' ashes in the grave of their baby, Heather, at the Kulin cemetery. We wish to express our thanks to those people who helped make the weekend so memorable.

Dot Cook – for patiently waiting and letting us in to the Memorial Hall where we explored a couple of areas we had never been before and discussed the many and varied experiences we had there, all the more poignant with the hindsight of maturity and appreciation! What a gem.

Megan and staff, at what we now realise is such a unique building, the Hotel – for the friendly hospitality and delicious meal and the patience to accept ever-expanding numbers. We were honoured to be joined by some good friends and relations of Mum and Dad and of course, ours.

Phillip Roads – for he knows what!

Kathy Wilson – for opening the Anglican Church for the Saturday morning. It looked lovely with fresh flowers and probably somewhat as it looked when Mum and Dad were married there, even though they were Presbyterian!

Robbie and Alan Bowey – for supplying lunch at their house for over 20 of us and Joscelyn for letting us wander around the Cedar Park homestead to revisit the "dam". We remember well the excitement of the annual swimming picnics there prior to the advent of the town pool. This was on our way to Jilakin where we all climbed the rock!

Hannah, partner of Andrew Repacholi and Sienne partner of Michael Repacholi - who made and delivered food for lunch at Bowey's.

Mike and Kathy Wilson – who welcomed us all for afternoon tea to the family farm "Yarrowallen" where Mum grew up. Very nostalgic for us, as we spent a lot of time there as children with Uncle John, Aunty Nona and our cousins. Thanks Mike, for setting up the family history and lots of photos on the computer.

Murray and Annette Lewis, but in their absence, their son Kayne – who allowed us to visit the homestead of our old farm, "Wodalla", which they purchased from Mum and Dad. With older, wiser eyes, we realise how hard but enthusiastically our parents worked, both on the farm and as part of the community, thereby creating an ideal childhood environment.

Gladwys Tyson – for hosting various members of the family and in-laws at Wisteria House. Some of them were so impressed by the accommodation and the bush race facilities that they have booked for October!

Janet Colbourne and members of the Uniting Church – for incorporating us into the lovely and appropriate service at the CWA on the Sunday morning. The little walls were bulging! It was very touching to see Mum's sister, Aunty Mary Roads who travelled from Kondinin, and all of those who attended, both the regular congregation and visitors. Then to be able to get together for a good old country morning tea and a natter afterwards just topped the occasion off. Thank you.

The Lions Club and Shire – for placing little headstones on and neatening the unmarked graves at the cemetery. We were proud to add a new headstone and to share the simple ceremony with friends and relations, some who came only for the interment having travelled to Kulin just that morning.

Shire Staff - the office staff who were so encouraging and helpful in finding and passing on information to us for planning.

We were very sorry to miss those of you who we are sure would have joined us, but who were away for the weekend at the Bradford – Marsh wedding (our best wishes to Tim and Steph). As we visited our old haunts you were in our thoughts, as were many other people whose lives touched us, however briefly at Kulin, the memories of many who were invoked as we wandered around the school.

When we look back, it is all the people and our experiences (we all agree: mostly good!) in this unique little town that went a great way towards making us who we are today. We were proud to familiarise members of our family with Kulin, some of whom had either never been there or had not been for a long time. We are content that our wonderful mother and father are back "home".

*Thank you so much,
from Helen, Alison, Rod, Liz and Bud and families*

Yeerakine Lodge

Our committee thought it was time we got you all up to date with the progress of our new extension at Yeerakine Lodge. The building is close to completion. The carpet has been put in the new rooms and the curtains and blinds will be put up in the next few weeks.

The retaining wall, paving and garden are next.

The Kondinin and Kulin communities should be proud of their new building and the contributions everybody has made to make it happen.

Well done and thank you.

Taste Of Punjab - Kulin CWA

Wow...what a week we have just had...our own little Indian Palace at the CWA Rooms.

Thank You

From all of us that had the pleasure of enjoying the take away food, having lunch or being treated to the wonderful night time banquet in the beautifully lit gardens and Indian ambience of the CWA room we say a huge congratulations and thank you to Harry, Philippa, Claire, Paul and the CWA members.

Looking forward to your next venture,
Your very appreciative customers.

The 2018 Poppy Project

RSLWA

The 11th day of November 2018 marks the 100th anniversary of the day the guns fell silent on the Western Front and the First World War officially came to an end.

To commemorate this significant anniversary, RSLWA will be installing 62,000 handcrafted red poppies on the lawns of Kings Park surrounding the State War Memorial. This significant number includes the 61,513 lives that were lost in battle as well as acknowledging the 156,000 that were wounded, gassed or taken prisoner.

Whether you are a beginner or experienced crafter, choose to make only one or hundreds of poppies, anyone can contribute to this history making event in WA. Patterns and guidelines can be found the RSLWA website (www.rslwa.org.au)

You can post your poppies into RSLWA State Branch— PO Box 3023, East Perth WA 6892 or drop off your handcrafted creations at your local RSL Sub-Branch. When making your contribution, please include your details or a completed submission form available on our website's Poppy Project webpage.

For more information and patterns please visit the RSLWA website: www.rslwa.org.au or contact the Shire,
Phone: 9880 1204

Centrelink Services

The Kulin CRC is a Centrelink access point which means all Centrelink services are free.

Our facilities include:

- Internet usage
- Printing
- Faxing
- Centrelink phone

For more information on these services please contact the shire on 9880 1204

Pets on the oval

The Shire asks that all dog walkers on the oval please pick up after their dogs. Training for sport has commenced and we don't want anyone to stumble on a surprise. Bags are provided on the eastern wall of the Rec Centre. **Patrons of the oval are expected to pick up after their animals.**

Thank you

PARKING ACROSS PATHWAYS AND LANEWAYS

If your property has a footpath on the driveway please ensure that no portion of your vehicle protrudes onto the path. Footpaths are there to provide pedestrians with a safe alternative to walking on roads. By parking your vehicles over the footpath pedestrians may be forced onto the road. No portion of a vehicle is permitted to park on, over or in front of a footpath.

We ask if people can please refrain from parking in any laneways. Laneways are often used as a thoroughfare with their main purpose being for residents to gain access to their properties. Parking in the laneway restricts people's access to their properties and can cause a huge inconvenience.

EXPRESSIONS OF INTEREST FOR HR LICENCE

We are seeking expressions of interest from those who are looking to obtain their HR licence. HR courses use a Mack truck with an 18 speed road ranger gearbox. There is a minimum requirement of 5 people for the trainer and assessor to come to Kulin.

There are two categories of HR training available;

HR Experienced requires previous road ranger experience (4 hours training & assessment) - \$995

HR Inexperienced requires NO previous road ranger experience (8 hours training & assessment) - \$1,695.00

If enrolling in the experienced course a verification of competency will be performed to confirm prior experience, if prior experience is not demonstrated the client will need to enrol in the inexperienced course with **additional charges**

MC Courses are also available and this training can be provided on another week if there is enough interest. MC courses use a Volvo truck with an automatic gearbox, towing a B-Double.

**Please contact Lydia at the CRC on 98801021 or
rcmgr@kulin.wa.gov.au for more information or to
express your interest.**

ONLY WORKING SMOKE ALARMS SAVE LIVES.

If your smoke alarm isn't working properly, it won't warn you and your family of a fire in your home!

Is it time to change your battery?

Whether you need to change your smoke alarm battery will depend on your type of smoke alarm.

If you do need to change the battery, DFES recommends you do this on the 1st April

Smoke alarms powered by:

- 9V AKALINE BATTERY require you to replace batteries every year.
- 10-year NON-REMOVABLE LITHIUM BATTERY do not require you to change the battery each year.
- MAINS-POWERED SMOKE ALARMS have a battery back-up for periods of mains power outage.

Many models have a rechargeable (non-removable) battery and do not need replacing.

Refer to the manufacturer's instructions to see if you need to change the battery.

After replacing the battery

Always test that your smoke alarm is operating by holding down the test button until you hear a loud alert tone.

Things you should know...

- Not all smoke alarms need their batteries replaced.
- Smoke alarms will make a 'beep' or 'chirping' sound when they have a low battery or are faulty.
- Mains powered smoke alarms are required to have a Green "Power ON" LED indicator. This will light up when the alarm is connected to mains power.
- Test your smoke alarm every month by holding down the test button until you hear a loud tone.
- All smoke alarms require replacement every 10 years. If you do not know how old your smoke alarm is, it's time to replace it.

For more information:

- Visit the DFES website at www.dfes.wa.gov.au
- Contact DFES Community Engagement on 9395 9816
- Read a number of Smoke Alarm-related Factsheets here.

Get the kids thinking with these great riddles

Q1: I'm tall when I'm young and I'm short when I'm old. What am I?

Q2: In a one-storey pink house, there was a pink person, a pink cat, a pink fish, a pink computer, a pink chair, a pink table, a pink telephone, a pink shower—everything was pink! What color were the stairs?

Q3: What has hands but can not clap?

Q4: You are in a cabin and it is pitch black. You have one match on you. Which do you light first, the newspaper, the lamp, the candle, or the fire?

Q5: Jimmy's mother had four children. She named the first Monday. She named the second Tuesday, and she named the third Wednesday. What is the name of the fourth child?

A1: A candle.
A2: There weren't any stairs, it was a one storey house.
A3: A clock.
A4: You light the match first!
A5: Jimmy, because Jimmy's mother had four children!

Kulin Anglican Church

Although regular Kulin services have stopped for the time being, the Anglican church can still be made ready for special services and events. We have had 2 funeral services for local families since our last regular service in May 2017. The church building will be open to visitors from 8 to 10 am Saturday 3rd March, 8 to 10 am Sunday 4th March – especially for those travelling to Kulin for the Prater Memorial Weekend. For anything concerning the Kulin Anglican Church contact Katheryn Wilson 0429801228 in Kulin or the Bunbury Anglican Diocesan Office on 08 9721 2100.

Earlier this year the council received a letter addressed to the president from a gentlemen asking for any information or assistance about his relatives which had previously lived in Kulin.

The letter is detailed below. If anyone has an information that they are happy to pass on then please contact the CRC and we will pass on the information or we can give you the details of the gentlemen to contact him directly.

A LETTER SEEKING HELP TO FIND FAMILY TIES IN KULIN

**DO YOU HAVE ANY KNOWLEDGE OF
THE FOLLOWING NAMES?**

30-12-2017

Dear Sir or Madam,

I write this as a few years ago my mother Helen Gould received a book " A Bold Yeomanry" by William E. Greble, along with it was the below notes.

Kulin Rates Book
Kulin Rock Ward
March 1921 Truebody H.A
J,A
H.A & J.A

Janurary 1923 Truebody: H.A
J.A
H.A & J.A

"Dear Helen, Here is the book as promised - I hope you find it interesting. Plus a few findings."

I am wondering if you can give me and my younger siblings anymore information on the Truebody's of Kulin. I have spoken to Christine Roads and she gave her permission to use her name. I have some other details of the Truebody (Trubody) from the U.K including one of our relations on mums side of the family whom drove the Royal Train. AS mum passes away 15th December 2015, it has taken about 6 months before I got this book, going through our mothers stuff. Any help you can assist me with will be accepted with great joy. I am in my mid 70's and don't understand computers.

Many thanks in advance.
Hoping you had a very good and safe festive season.

Yours Hopefully,

Emmett Therapy Coming to Kulin

EMMETT technique is a special form of body therapy that involves application of light pressure at specific points. These can be in sequences that enable gentle release for many common conditions. The results can be dramatic even for first time clients. Accurate and fast assessments of imbalances in the body are an integral feature of this technique.

Symptoms which have been relieved:

- * Neck and shoulder restriction
- * Lymphatic congestion and breathing
- * Migraines or cluster headaches
- * Abdominal cramps and bowel discomfort
- * Persistent heel and foot pain
- * Headaches, dizziness and sinus congestion
 - * Back and hip discomfort
 - * Knee and ankle restrictions
 - * Discomfort during pregnancy
 - * Fluid retention
