This coming Monday a Business After Hours is being hosted at the Rec Centre. I encourage business owners to attend, this is a great opportunity for like minded people to catch up and also support each other. For the rest of the community it is important to remember the time and effort that business owners put into delivering services in the local area. Remember shopping local ensures these services continue to be available in the community.

With ANZAC day approaching it is a timely reminder of the importance of such a day. ANZAC Day means different things to different people but it is generally a day to honour and give thanks to those who have sacrificed their lives and those who are continuing to do so.

Well done to the school on a well delivered ANZAC service – it was a great end to the school semester. I hope students, staff and parents enjoy the holiday break.

I'd also like to take the opportunity to welcome students back from Japan. We look forward to hearing all about the experience and hopefully there will be a feature in the next edition.

SHIRE OF KULIN

CEO CORNER

Congratulations to the residents of West Kulin and our near neighbours in Corrigin and Wickepin Shires – finally the West Kulin Telstra tower is up and operational.

Typically nothing happens without effort and for Barry and Peta West and a number of the West Kulin residents; it's been 7 years in the making since the original "sale of Telstra" funding was announced as mobile blackspot improvements funding. At the opening on Friday 13th, Telstra and State Government staff confirmed that if it had not been for the constant intervention of Kulin residents, the tower would have been built in the original location. This would have reduced the footprint coverage by 33%. After much argie bargie over many a long year; the additional funding (\$100k) was found to place the tower on the Doyle Rd location.

The view from the Telstra site at Doyle Rd is outstanding, and it is easy to see why common sense prevailed. I am told that at night, lights of Kondinin, Corrigin and Yealering can be seen, so the value of going that extra kilometre up the hill makes a lot of sense and a real difference to reception.

An analogy of what happened really! Well done to all.

CONGRATULATIONS

The Shire and CRC would like to congratulate Gemma Boxall on achieving her goal of getting into the army!

Gemma has trained her hardest and it has all paid off! We are all so proud of Gemma not only for all she accomplished while working for the CRC but for achieving her goal and never giving up. Gemma is going in to the army as an administration assistant (command support clerk)

She leaves on the 14th of May to head to Kapooka, Wagga Wagga in NSW for 12 weeks of Basic training. Once she has completed basic training she will participate in a marching out ceremony that her family will be invited to attend.

After basic training Gemma will be transferred to bandianna in Victoria to complete her initial employment training which is job specific. In Bandianna she will be learning all of the skills and knowledge that she will need as an administration assistant. This training will run for approx 59 days.

Once Gemma's initial employment training has been completed she will be posted to a unit and start her career in the Army.

This is an amazing accomplishment for Gemma and we wish her all the best and a safe journey

Telstra launches new site in Mobile Black Spot program

As some of you may have noticed, the reception between Kulin and Corrigin has greatly improved, this is all thanks to the new Telstra mobile base station which has been installed in West Kulin.

The Telstra mobile base station was a part of the Mobile Black Spot Programme, an initiative co-funded with Telstra, The Australian Government and the State Government's Regional Telecommunications Project.

On Friday Rick Wilson, Boyd Brown (Telstra Representative), Shire President Barry West & local community members attended the official opening of the base station.

Telstra Area General Manager Boyd Brown said "The growing use of mobile devices such as smart phones and tablets is changing the way we live and we're acutely aware of the challenges facing communities living with limited access to a mobile network."

The improved coverage has been well received and is vital for emergency services, businesses and allows family members to keep in touch.

TO THE WONDERFUL KULIN COMMUNITY THANK YOU FOR YOUR SUPPORT !

TO THE AMAZING TEAM 'POP-UP', WORDS CAN'T EXPRESS THE GRATITUDE ADEQUATELY BUT THANK YOU TO

• **Paul Jorgensen and Hardeep 'Harry' Singh** for the weeks of planning, organising, preparation, trips to Perth, the giving up of your leisure time and for your many early starts and late nights you spent in order to make the event a success. • **Claire Jorgensen** for stepping off a plane from South Africa and being willing to be put straight to work. Thank you for your help with décor, and for your energy and professionalism. • **Joh Harding** for your enthusiasm, happy demeanour, for reviving us with the seemingly bottomless coffee pot and fruitcake as well as your willingness to help wherever needed. Thank you also for your efficient accounting. • **Margaret and Jim Sullivan** for graciously providing accommodation for Harry and his family. Amazingly **Margaret** came to the Pop-Up on the Monday that we opened, to drop off keys and seeing that we needed extra help, stayed until Friday. Thank you also, **Jim**, for your search for 'rubies'. You are the real gem. • **Margaret and Dot Cook** for being the kitchen dream team. Together they tackled mountains of crockery, cutlery, pots and Bain-Maries, jumped in to do whatever was needed when things got a little crazy, remained undaunted throughout and managed some rousing 'sing a longs.' **Dot's** energy was an inspiration to the 'younger' members of the Pop-Up team. Thank you, **Margaret**, for laundering of linen late at night and thank you **Dot** for being the dessert queen and turning out perfect desserts for the customers, even though a team member, who shall remain anonymous, attempted to eat your newly plated creations! **Dot** is also now an honorary hippy of note.

THE CWA IS SO GRATEFUL FOR THE COMMUNITY SUPPORT. THANK YOU TO EVERYONE FOR YOUR WILLINGNESS TO IMMERSE YOURSELVES IN THE EVENT. WITHOUT THE KULIN' 'GIVE IT A GO' ATTITUDE, WE WOULD NEVER BE ABLE TO DO EVENTS OF THIS KIND.

- **Brendan Sloggett** for electrical work and **Brendan and Glen** for the use of a generator.
- **Dot Cook** for flystrip curtains and for organising extra tablecloths.
- **Jennifer Baker** fo the beautiful reservation cards.
- **Joscelyn Bowey** for decor items.
- **Kat Carrie** for decor items and for all the help and advice with setting up.
- **Lydia Young and Rachael Boyd** from the CRC and **Ruth Tyson and support staff** from the FRC for their wonderful support and willingness to help in any way possible.
- **Darren Thomas** for all his help prior to the event and for giving up his time on a public holiday to help with moving heavy items.
- **Robyn, Mel and Carly** from **Mitre 10** for the donation of candles, loan of decor and for moral support.
- **Wendy Gangell** for solar lights, spray paint, decor items and for organising tablecloths & **Wendy and Barry** for the Bain -Marie which they kindly delivered and picked up and thank you also, **Wendy**, for your support.
- **Barry Harding** for doing 'handy-man' tasks prior to the event.
- The **Patchwork 'gals'** for the loan of the beautiful flags.
- **Sandra Tyley** for the donation of the beautiful succulent plants.

Chewy ANZAC Biscuits

Ingredients

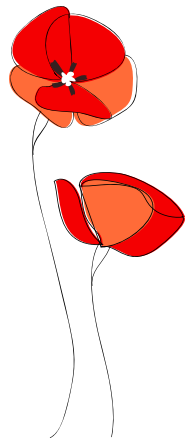

- 1 cup rolled oats
- 1 cup plain flour
- 2/3 cup brown sugar
- 2/3 cup desiccated coconut
- 125g butter, chopped
- 2 tablespoons golden syrup
- 1/2 teaspoon bicarbonate of soda

Method

Step 1: Preheat oven to 160°C/140°C fan-forced. Line 3 baking trays with baking paper.

Step 2: Combine oats, flour, sugar and coconut in a bowl. Place butter, syrup and 2 tablespoons cold water in a saucepan over medium heat. Stir for 2 minutes or until butter has melted. Stir in bicarbonate of soda. Stir butter mixture into oat mixture.

Step 3: Roll level tablespoons of mixture into balls. Place on trays, 5cm apart. Flatten slightly. Bake for 10 to 12 minutes or until light golden (see note). Stand on trays for 5 minutes. Transfer to a wire rack to cool completely. Serve.

Make Your Own Poppy For ANZAC Day

1. Turn the two cupcake cases inside out.
2. Cut a wavy edge — in about 1 cm from the edge — around the first cupcake case.
3. Cut a wavy edge — in about 0.5 cm from the edge — around the second cupcake cases.
4. Draw a black centre inside the smaller cupcake case and small lines coming out from the centre to give that Poppy-Centre look (refer to the image of a wild poppy below).
5. Glue the smaller cupcake case inside the larger one.
6. Glue the flower on to the bamboo rod (or paddle pop stick/straw). If your rod or paddle pop stick is not already green (you can buy them coloured), simply colour in with texta or paint.

Emmett Therapy Coming to Kulin

EMMETT technique is a special form of body therapy that involves application of light pressure at specific points. These can be in sequences that enable gentle release for many common conditions. The results can be dramatic even for first time clients. Accurate and fast assessments of imbalances in the body are an integral feature of this technique.

Symptoms which have been relieved:

- * Neck and shoulder restriction
- * Lymphatic congestion and breathing
- * Migraines or cluster headaches
