Welcome to my final edition of the Update as the editor. Tomorrow is my final day as the CRC manager, I will be returning to Geraldton next week to commence my new role. I want to thank the Shire of Kulin, in particular Cassi and Noel, for giving me the opportunity to work and live in Kulin. I have learnt so much in the 6 months that I have been here and it has been a valuable experience that I am extremely grateful for.

I also want to thank the community for supporting me in my role by attending events, providing me with feedback and sharing knowledge and ideas. I have enjoyed being a part of the community and also working along side the community to deliver some great events and programs.

On another note this weekend marks the start of finals and I wish all local sporting clubs good luck.

All the best.

SHIRE OF KULIN

CEO CORNER

The State Government review of the Local Government Act 1995 has produced the first set of recommendations after an extensive public and industry consultation process.

Remembering that there have been numerous high profile local governments under investigation in the recent past with both Councillors and staff being questioned for their ethics and actions.

The first phase of the LG Review recommends;

- *Universal training of candidates and council members, including ongoing professional development*
- *Revised gift framework (\$300 max gift) that provides clarity and meets community expectations*
- *Modernised public notice requirements and provide greater flexibility for local governments to better inform their community*
 - *Reforms to better manage behaviour, including;*
 - *Mandatory codes of conduct for council members, candidates and staff and new sanctions; and*
- *Reporting requirements associated with breaches to drive cultural change*
 - *Improvements to ensure greater consistency in CEO recruitment, performance management and termination through mandatory standards developed in consultation with the sector.*

As is the way, the additional cost of this governance will be left for Local Government and ratepayers to bear.

CAMP KULIN

FREEBAIRN RECREATION CENTRE

It's been another busy period for the FRC for a number of reasons over the past few weeks. As mentioned in previous editions, we have farewelled our Polish friends Kat and Pawel and this week have welcomed Hugh and Sarah who originally hail from Northern Ireland but have been living in WA for almost a year now! If you see a couple of unfamiliar faces around town or down here please make yourself known and say g'day.

Last week saw a VERY successful Ladies Association Golf Carnival. This 3 day event saw between 50 and 70 ladies tee off in each of the 3 days with a range of weather conditions. Beautiful sunshine one day and then driving rain and wind the next!

However, everyone involved had a fabulous few days and not only on course. The celebrations and festivities at the centre at the completion of play were something I am sure everyone involved will remember for a very long time. Mention must be made of the ladies and blokes who volunteered their services in the kitchen – some for the entire 3 days. Another example of a very well organised and successful behind the scenes operation producing morning teas, afternoon teas, antipasto tables, 2 course sit down meals and high teas over the 3 days.

The next month will see a fair bit of sporting activity down here:

Golf - Clayton Cup Saturday 11 August

Netball – Semi Finals, Saturday August 18 – Canteen available

Hockey – Grand Finals, Saturday August 25 – Canteen available

Football – Grand Finals, Sunday September 2 – Canteen available

Again, a reminder to anyone who has been involved in catering in any way over the past few months that there are a multitude of plates, platters and containers here requiring collection please.

Until next time....

Ruth works Wednesday, Thursday & Fridays from 8:30am till 3:30pm. If you require assistance outside of these days or hours please contact the shire offices or send Ruth an email on reccentre@kulin.wa.gov.au which she will reply to when available.

Help us get a new kitchen!

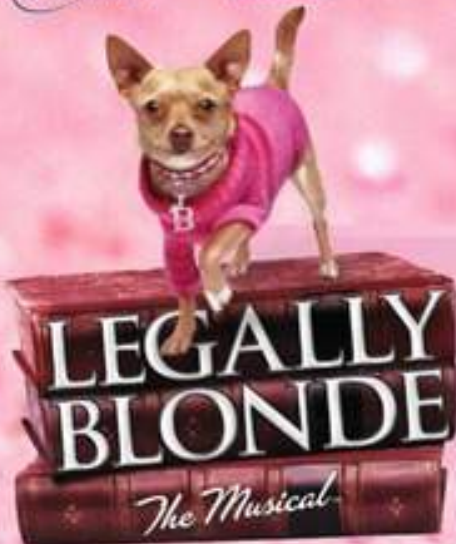

The Camp Kulin kitchen is in desperate need of upgrading! It is old and run down and urgently needs a new lease of life. We now run camps for kids from over 185 towns in WA, including kids affected by trauma and torture situations, and the building is full most of the year. Please help us achieve our fundraising target of \$25,000. Any amount you can donate, large or small, would be greatly appreciated by the Camp Kulin volunteer team and our campers. All donations are fully tax deductible.

CHILD CARE HAPPENINGS

To help our children develop a sense of community and belongingness in our world we have been experiencing cultures from around the world, through art activities and games and songs from other countries

Through our garden and chickens, the children are learning to become responsible for, and have respect for, living things. The educators role model respect, care and appreciation for our natural environment, enabling the children to do the same.

Healthy Eating Kulin Echidna Guides Style

We have been discussing and experimenting with different foods to create simple healthy snacks and meals we can make ourselves. With the recent purchase of a small electric oven we have been able to even do some cooking without having to find an oven in another venue. We have made pita bread pizzas (baby spinach and pine nuts were a new addition for everyone), super sandwiches (really not sure about pineapple in a sandwich) and 4 Ingredient Banana Oat Slice (without nuts so it can be made for school snacks). Next term we will be looking at simple main meals and desserts that are low in sugar and follows the healthy eating food pyramid.

Term 3 Meetings

Wk 2	23rd July
Wk 4	6th Aug
Wk 6	20th Aug
Wk 8	3rd Sept
Wk 10	17th Sept

4 Ingredient Banana Oat Slice

- 2 large, very ripe bananas
- 2 cups old-fashioned rolled oats
- 1/4 cup chopped dried fruit
- 1/4 cup chopped nuts (for nut-free version use extra 1/4 cup of dried fruit)

- Pre-heat oven to 180°C
- Peel the bananas and mash very thoroughly until no large chunks remain - the bananas should be essentially liquid.
- Add the oats and stir them in. Stir in the fruit & nuts.
- Transfer to a greased baking dish and use a fork to press down.
- Bake until the edges just begin to crisp up, about 30 minutes.

WHAT CAN GO INTO MY RECYCLE BIN?

What NOT to put in your Recycle Bin

Green waste
(Belongs in the waste bin)

Nappies
(Belong in the waste bin)

Polystyrene
(Belongs in the waste bin)

Food scraps
(Belong in the waste bin)

Glass
(Recycling options available at your local transfer station, otherwise belongs in the waste bin)

Important changes to your recycling of Glass

Shire of Kulin advise that GLASS is no longer to be placed in the yellow-lid recycling bins. All glass is to be put in the household general waste bin (green lid bin). Glass placed in your general waste bin will be emptied by the waste truck, compacted with the other waste and taken to the Bending Landfill. The compaction will mean that the glass will be partially crushed and this will help reduce the amount of space that it takes up in the landfill.

If you are concerned that your green bin is already full each week and you cannot fit glass in too, Shire of Kulin have a glass bin at the transfer station. The glass will be collected by Avon Waste and will be taken to the Bending Landfill site.

Glass currently causes major issues when included as a recycled product. Broken glass contaminates the other recyclables, such as cardboard, which makes these products unable to be recycled also.

While glass is a recyclable product unfortunately the amount of glass being recycled is a lot more than the markets demand. This is especially true in Western Australia, where we have a lack of local markets and major transport costs to take the glass to a market. As such, most glass is taken out of the recycling stream by the materials recovery facilities and sent to landfill. We would love for this situation to change and there become a market to utilise the glass but at this stage there is just too much glass. Initiatives like the container deposit scheme (due to be rolled out in the next two years) will help to change the future for glass and we look forward to seeing what this situation will do for the product.

Don't miss the opportunity to get a better understanding of sustainability and recycling. Karla Hooper – Earth Girl, will be presenting a community workshop on Thursday 26th July (see flyer attached)

SUGIYAMA STUDENTS

What a week it has been. We were lucky enough to have students visit us from Sugiyama Girls School in Nagoya, Japan. The girls were aged 10-12 years and came to Kulin to improve their English and learn more about Australian culture and way of life.

The girls had an absolute ball, both at school and with their host families. They were able to try Australian foods, play games with our students, catch yabbies, watch sheep being shorn, explore Gorge Rock, plant some trees on a farm, visit our classrooms and for some, explore Wave Rock.

I would like to say a huge thank you to the families that offered to host the girls. Without them we could not have had the Sugiyama girls at our school. So thank you to the Noble, Holmes, Giles, Mullan, Scadding, Bennier and McAdam families. I really appreciate the time and effort that you put in to creating a visit that the Sugiyama girls will never forget.

Vehicles on the oval

The shire of Kulin requests that no vehicles are to be driven on the oval as the recent wet weather is making the grass very soft and susceptible to damage.

Kulin will be hosting the Grand Finals this year and we want the oval to look it's absolute best.

2018/2019 Shire of Kulin Budget

The draft budget was considered and adopted during the council meeting held on Wednesday the 18th of July, 2018. Rising utility, insurance and employee costs coupled with reductions in both State and Federal grant funding meant that a rate increase of 3.5% was unavoidable. As is usual for the Shire of Kulin, road maintenance and construction is high on the list of priorities and as a result make up a significant portion of our budgeted expenditure with the total cost of the program totalling \$2,615m. Other significant projects include the construction of staff housing, the replacement of the community bus, a contribution to the working group (Kulin Bush Races, Shire and Bendigo Bank) for a significant town project and upgraded town and boundary signage. More detailed information regarding the budget will be provided to you when rate notices are prepared and sent out.

RATES TIMELINE

Pingaring town standpipe will now require an access card for water - please contact the office if you require a card. Also note that the water level is low and people are advised to use other standpipes where possible. HOCKEY NOTES

Last week saw the Vipers take on the **Souths** in four games of amazing hockey. C Grade played a strong game, however were unable to get the ball into their attacking goal. This resulted in a 2-0 loss.

B Grade had a very hard fought game against the strong B side of the Souths. They ultimately came out on top with a 3-1 Win.

A Grade came out of the gates with intensity, however the strong Souths A grade side matched them. This game of great hockey ended with a draw 0-0.

The men this week played a great game of linking hockey, getting the ball travelling up the field beautifully. One well-placed hit sent them over the line to win 1-0 against the LG/Kuk men.

This week saw the Vipers take on the **Khats**.

C Grade played with some great intensity. They were able to keep a lot of their play in their attacking D, resulting in a 3-1 win over the Khats.

B Grade just could not get the ball into their attacking goals. One sneaky goal from the Khats resulted in the B Grades first loss of the season.

A Grade played a very well linked game, with strong passing occurring between all. This resulted in a 3-2 win for the girls.

A big thank you to all our sponsors who sponsored our game day awards the last two weeks!

Thanks also to Bayer, our major sponsor for this season.

This Saturday we will be playing Semi-Finals in Kukerin. Come along, brave the cold and watch some skilled hockey.
