Thank you to everyone for supporting our recent school holiday program. It was fantastic to have over 70 kids attending 5 activities throughout the fortnight. Delivering my first school holiday program here in Kulin has been a great experience and I look forward to tailoring more school holiday programs to the interests of local kids. If you have any suggestions, feedback or ideas for future planning it would be great to hear from you. And to those of you who weren't in town I hope you enjoyed a well deserved break.

We have a very busy last week of July with 3 separate events being held on the 25th & 26th. There is more information about our upcoming events in the body of this Update. It would be great to have everyone come along and support these events.

Enjoy this edition of the Update which has plenty of informative and interesting content.

CEO CORNER

My recent sojourn to warmer weather communities prompted for me to undertake an informal study the tourist facilities along the way. It is pleasing to see that some local governments make a real effort to alert travellers to both the historical, environmental and indigenous histories of their stopping points, and many have invested heavily to ensure signage, BBQ's, shelters, toilets and stopping bay hardstands are provided at each location. It is without question, that the quality of the location attracts, but if the facilities are not to the highest standard; then the stopover is short lived.

Kulin stacks up very favourably to most communities and was a wonderful comparative tool. Our tourist comment/feedback record shows that the town centre facilities are excellent and the brand is strong, but near stopover points and regional route environs may need some improvement. Generally it is the simple things that are missing (and noticed), like signage, parking, shade and turnaround points. The Roe region is certainly blessed with sufficient attractions and stopping power (e.g. wildflower season), the quality of our stopping points may have to improve.

As always the travellers whisper amongst themselves about the deals and locations they enjoy the most and Kulin was mentioned for its 72 hour RV stop to me on many occasions, clearly a winner in travellers eyes. For those that did not know – they soon got to hear about it.

FREEBAIRN RECREATION CENTRE

The last weekend in June proved to be the busiest I have seen since commencing in the role at the FRC. With netball, hockey and football fixtures all in Kulin on the Saturday followed by the Merle Mullan Golf Day on the Sunday it was a hectic weekend both behind the bar and in the kitchen. As many of you will know, Paul Jorgensen and his team provided catering for the KKFC 10 year premiership reunion gathering in what proved to be a successful celebration of the glory of a decade ago. With Netball and Hockey also being played in Kulin it made for a great weekend and a “full house” for some hours post games.

As a result of having canteens, sundowners, morning teas, afternoon teas and dinners at the centre over the past few weeks there has again been an accumulation of an array of platters, containers and plates etc. If you are missing something from your kitchen over the past month then please come down to the FRC kitchen and see if it is here.

Kat and Pawel have announced their intention to move on from Kulin and pursue their travel adventures. Their final day in town will be August 3rd. Please join me in wishing them all the very best for their adventures. They have been an integral part of the Centre since arriving here in early March and will be missed. I look forward to welcoming a new couple to the role in early August.... Stay tuned.

I am still interested in hearing from anyone in the community who has (or is willing to attain) an RSA who would be interested in a few casual bar shifts over the coming months – especially coming into finals as the new couple adjust to their roles.

The school holidays have seen a little less traffic through the centre giving us all a bit of time to exhale but, as mentioned, we are now heading into the “business end” of the Winter sports season. Kulin will be hosting both hockey (tbc but highly likely) and football finals on successive weekends in late August / early September. This is a positive for the Centre and we look forward to working with Clubs to ensure we provide positive experiences for all involved.

Kulin will also be hosting the Ladies Association Golf Carnival commencing Tuesday 31 July through until Thursday 2 August so there is certainly a bit to look forward to over the next month or two!

Until next time....

School Holiday Program

Rachael Boyd

The CRC was lucky enough to host some wonderful events over the school holidays.

The program began with a relaxing indoor movie at the Kulin Memorial Hall where the kids watched Peter Rabbit. This was extremely well attended as you can see in the photo below. Early Man was the movie featured on our second movie day. Attendees were all able to sit down with a bowl of freshly popped popcorn and stayed warm wrapped in blankets while they enjoyed the movie.

Bath Bombs were next and we experimented with lots of different colours and patterns before placing them in our moulds - we would love to hear from you how they turned out.

We had a blast playing board games on Friday 6th with a nice cup of hot chocolate to keep everyone warm.

Our last event will be the tour of Butlers Garage and we hope all the children who attend the event have an amazing time and hope they take in all knowledge the men at the Garage are able to share.

We hope all the children who attended the fortnight of activities had as much fun as we did and we look forward to some more fun activities next school holidays!! Let us know if you have any ideas or requests for the upcoming holidays. A teens program is a work in progress.

CHILDCARE HAPPENINGS

10-7-18

We have had a busy time during the school holidays here at daycare looking after BOB and changing her bedding so she can keep warm during these cold nights (two of BOBS babies have turned out to be roosters if any one wants one for their ladies let us know and you can have them). Tom also brought his pet lamb in to show the children, thanks Elle and Brian the children had an amazing time learning to look after Wallace and exploring the relationships between living animals.

If you have driven past daycare over the last week and seen lots of work going on it was the shire boys putting up our new storage shed. Some of the children got to leave their hand and foot prints in the shed pad which they were very excited about. The boys even had their fair share of TA's who were very keen to help them out. The shed looks amazing and from all of us at the centre we would like to thank the shire boys for working on it.

Avon Waste to deliver waste management services to the RoeROC Shires

The Roe Region of Councils have successfully secured a 7 year contract to deliver essential waste management collection services to the Shires of Corrigin, Kondinin, Kulin and Narembeen commencing 1 July 2018. Under the 7 year contract, Avon Waste will be delivering general waste and recycling waste collection services per year for each residence in each Shire.

Avon Waste CEO, Del Sherry said “it is expected the transition to the new contract will be seamless given that Avon Waste have been providing services for RoeROC residents for the past 10 years”.

Chair of the RoeROC Council, Cr Rhonda Cole said “Avon Waste’s proposal offered the greatest overall advantage for Council’s objectives, they provide a high standard of service and this contract recognises the service provided over the past 10 years.”

A significant change in the existing waste management system will be that from 1 July 2018 glass containers should not be placed in the yellow-topped recycling bins.

Glass is being taken out of the yellow-topped recycling system for several reasons.

Cr Rhonda Cole said “we have a glass crusher in the RoeROC region and we would like residents to consider recycling glass to make use of this machine, crushed glass takes up much less space and can provide useful cover material at the Bendinger Landfill site.

In addition to this, glass is becoming a problem when being recycled as it contaminates other products and there is no local market for the product. The removal of glass from the recycling bins will also minimise processing charges. Residents have two options in dealing with the disposal of glass:-

1. Glass may be placed in the general waste bin; or
2. Check with your local Shire on their options for recycling glass.

As part of our ongoing commitment to recycling in the region, the Shires and Avon Waste will provide a series of workshops about sustainability and recycling during July and August. Facilitated by Karla Hooper – Earth Girl (www.karlahooper.com), these workshops will provide an opportunity for residents to find out more about recycling.

Karla is passionate about sustainability and is a zero waste living advocate and is excited to be sharing her message across the RoeROC Shires.

“Avon Waste has a proud history of providing waste services in the regions and we look forward to the next 7 years working closely with the RoeROC Shire’s to enhance waste delivery and recycling services within these towns” said Del Sherry. A media campaign will be undertaken in the coming weeks, keep an eye on your Shire’s website as well as Avon Waste (www.avonwaste.com.au).

For further enquiries contact Avon Waste or your local Shire.

Pingaring Tank/Standpipe

Pingaring town standpipe will now require an access card for water - please contact the office if you require a card. Also note that the water level is low and people are advised to use other standpipes where possible. The mains connection to this standpipe is only a temporary short term fix until the tank on the hill has sufficient amount of rain water.

IS YOUR FIRE PLACE READY FOR WINTER?

You may be thinking about organising your flu shot, but are your chimneys and flues ready for winter?

Each winter, fire fighters attend many house fires due to ash, soot and combustion residue that has built up inside chimney flues.

This residue can ignite causing a fire. In most cases you will see flames shooting out of the top of the chimney!

To make sure your chimneys are ready, we recommend you:

- ❖ Check the heater, fire place brickwork, chimney and flue before lighting your first fire of the year to make sure it is clean.
- ❖ Look at purchasing some additives you can put in your fire while its burning that can help reduce residue build up (check out your local hardware store).
- ❖ If your fireplace chimney is brick, check that the surrounding brickwork has not cracked. This can reduce the chance of a fire creeping through the course in back wall.
- ❖ Ensure that your wood heaters are installed and maintained by a qualified operator.

House fires can cause extensive property loss and damage. Most of these are accidental and preventable – so take action now to minimise your risk.

For more information on Chimneys and Flues visit www.dfes.wa.gov.au and you can also download the Home Heating Safety fact sheet.

Vipers Hockey Notes

On Saturday 30 June we hosted Souths in Kulin. Although we came away with three losses and a draw for B grade, there was some fantastic, competitive hockey played. It was great to see so many players and supporters mingling with the Souths crew at our Sundowner after the men's game.

We have just had a week off for school holidays. Ava Bennier & Tasmin Noble have been representing Roe Districts at the Y7/8 Club Championships in Perth this week.

This Saturday we play Corrigin at home in Kondinin. C grade kicks off at 11am. Come down at check out some great hockey.

We would like to thank our main sponsors Bayer Viper, AgLime and the AOOB's who have made significant contributions to our club this year. A big shout out to all our sponsors – we love your support!

Kulin Netball Notes

Night Game – 27th June 2018

KU1 (47) def CR1 (25)

Did someone say netball + chicken burgers + vinos?! A Grade played Corrigin for the second time in a row Wednesday night, so the smell of scrumptious burgers in the kitchen made it a lot easier for our sore cold bodies to go on the court. It was a great game with our shooters on fire, attacking/C court team working hard to pass into the goal circle speedy with Corro's amazing defence and our defence on their toes with those intercepts and rebounds! Whisson did a sneaky behind through to Mullan giving us a little giggle - looked very impressive!

Round 9 – 30th June 2018

KU1 (64) def KN1 (38)

Our third game for the week was against Kondinin in Kulin. At this stage we were all feeling very tired and sore but that didn't stop the team putting up a fast game! Kondinin came out strong in the first quarter setting the level high. In the second quarter our shooters were on fire, with the C court sticking tight and the defence having a huge spring in their jump to get those passes into GS, it allowed us to get a good looking lead! A couple of injuries in the game with Mullan still playing with a dodgy ankle after Wednesday nights game & Captain Baker coming off in the 2nd quarter with a hard knock to the snoz, but Syred quickly came back on to retain that lead with Boxall - good team work ladies! These injuries didn't stop them though with Mullan playing a solid 1/2 game & Baker coming back on for the 4th quarter.

Kulin Arts Council Inc.

How can Kulin Arts help you?

The Kulin Arts Council Inc. (commonly known as Kulin Arts) is a comprehensive organisation that aims to help existing arts-based groups or individuals within the Kulin community promote their artistic projects.

You don't have to be a part of an existing group to be able to benefit from becoming a member of Kulin Arts. We can offer assistance with grant applications, organise workshops and give you access to an extensive knowledge base in a wide variety of Arts areas.

Friday Arts

Kulin Arts have been getting together on Fridays for a very long time. It's a chance for anyone to work on their Arts based projects, learn from others and socialise with like minded people. There is no set time (roughly 10am-3pm) so drop in for the day or just an hour. Everyone is welcome and the kettle's always on.

Kulin Community Arts Centre

Kulin Arts has been working for several years to find a location that we can call our own. Where everyone can come together to share, experience and work on a wide variety of Arts. A place where Arts displays, exhibitions and purchases can be made. The wait is nearly over!

Kulin Arts Ambassadors

Would you like to be a Kulin Arts Ambassador?

We are looking for friendly people willing to share their Arts knowledge with others. This might be in the form of sitting with someone, over a cup of tea perhaps, and giving them some pointers on the Arts they are trying. Maybe you could share your knowledge and run a workshop for a small group.

I'd like to know more about being a Kulin Arts Ambassador? YES NO

We'd love to know what you do!

Circle your interests and add any we haven't listed.

2018 Kulin Arts Inspression - Expression of Interest

In 2017 Kulin Arts held a very successful Arts event in the Kulin Memorial Hall prior to and during the Kulin Bush Races weekend (5-8th October). Nine artists set up their own space and were able to promote, sell and demonstrate their particular area of The Arts. Each space was under the control of each exhibitor and included an interactive/demonstrative component where visitors could watch the exhibitor work or were able to complete an activity themselves. More comprehensive workshops were also held for adults and children.

After analysing the 2017 event we are planning to run Inspression on the two days prior to the Bush Races – Thursday 4th and Friday 5th October. Over these two days we would like to offer more workshops but still keep with each artist space having some ongoing interactivity or demonstrations during these days.

If you would be interested in holding an Arts Space please fill in the form below and return to me or fill out our online form - <https://form.jotform.co/81668416136865>

We would also appreciate if you could forward this to anyone you know who may be interested.

Thanks

Regional Telecommunications Review 2018

You are invited to attend a public consultation for the 2018 Regional Telecommunications Review. This is an independent review of telecommunications services in regional, rural and remote Australia that takes place every three years.

As part of the review, the Regional Telecommunications Independent Review Committee will travel to many parts of regional and remote Australia throughout June and July, giving communities the opportunity to discuss their views and experiences with the Committee first hand.

The details of the upcoming public consultations in Western Australia are:

Bunbury, WA

- Time: 11:00am – 12.30pm
- Date: 17 July 2018
- Venue: Koombana Bay Sailing Club, Anchorage Cove, Bunbury

Albany, WA

- Time: 11:00am – 12:30pm
- Date: 18 July 2018
- Venue: Albany Bowling Club, Barrett St, Orana

Kalgoorlie, WA

- Time: 9:30am – 11:00am
- Date: 19 July 2018
- Venue: Quality Inn, Railway Hotel, 51 Forrest Street, Kalgoorlie

Anyone who wants to have their say on regional telecommunications services is encouraged to attend. Please feel free to forward this invitation on to anyone who may be interested.

Regional communities and organisations will also have an opportunity to participate through the submission process. For more information and details on how to make a submission visit www.rtirc.gov.au.

For any questions concerning the event, you can email secretariat@rtirc.gov.au or call 02 6271 1701.
