[crccounter@kulin.wa.gov.au](mailto:crccounter@kulin.wa.gov.au)

Welcome to another edition packed with information. The Shire are big contributors to this edition as a number of programs reach public information stage. A real winter time read, over a cuppa with a nice warm spot in the sun.

I hope everyone enjoyed the long awaited rain - I know the cool change will be welcome for those of you running around the field or courts on Saturdays.

## Upcoming Events:

8th June - Ladies Long Table Lunch

26th June - Bloke's Night Out

24th June - Volunteer Morning Tea

28th June - Seniors Movie Day

TBA June - Community Garden Busy Bee

Lydia Young

**CRC Manager**

Happy Birthday!

## June

1st Jennie McInnes,  
3rd Robert Dall, Declan Sullivan, Luke Sullivan  
4th Craig Jasper  
5th Claire McCallum  
7th Emily Pittard, Matt Schmook  
9th Deirdre Carroll, Rodney Duckworth  
10th Tim Day, Peter Lucchesi, Robyn Schorer  
11th Eileen Thewlis  
12th Christine Tholstrup, Troy Gangell  
13th Kurt Pittard, Kaitlyn Pittard  
15th Tricia Meikle, Tyrone Smoker, Jake Argent  
16th Sandra Davies, Judd Hobson  
18th Gwladys Tyson, Emelia Sullivan, Sophia Sullivan

Didn't see your name on the list ??

29th Shahan Hobson, Chloe Cleverley  
30th Grantly Mullan, Janine Noble, Rachel Argent, Tanya Dupagne

## FREEBAIRN RECREATION CENTRE

June is already here and Kulin will see a number of sporting fixtures staged at the FRC during the month. The main focus for us all at the moment is hosting the Great Southern Colts Football Carnival in the middle of the month from June 15-17. The weekend will commence on the Friday evening with teams arriving in town in readiness for their games on the Saturday and Sunday.

All local sports clubs as well as the School P&C Association have been contacted to request assistance across the weekend. If you have not already expressed a willingness to assist, please contact your Club Secretary who will have information regarding the roster you will be able to help with.

If you are not involved in a voluntary capacity then please come along and see some of the action in what promises to be a bustling and busy weekend for the Shire of Kulin!

In addition to this weekend the FRC is set to host the following sporting fixtures:

### Football

Saturday 2 June – KKFC v Burracoppin – canteen open and dinner available

Saturday 30 June – KKFC v Southern Cross – Canteen available + 10 Year Reunion Dinner and Festivities post-match

### Netball

Saturday 9 June

9.30 – KU2 v BK1

10.30am – KU3 v BK2

Noon – KU1 v NB1

1.30 – KU2 v BK1

(Canteen available)

### Netball

Saturday 30 June

9.30 – KU3 v KN2

1.30 – KU1 v KN1

3.00 – KU2 v NB3

(Canteen available)

### Hockey

Saturday 30 June

KK Vipers v Southern Cross

11.15am – C Grade

12.30pm – B Grade

2.00pm – A Grade

3.30pm – Men's

(canteen available)

So Saturday June 30 is shaping up to be BIG BIG BIG with all 3 sports being played in Kulin!! Come along and check out the talent across all the sports and remember it'll be a big day all round with donuts and hamburgers available for sale in addition to the regular canteen. The day / night will finish with a 10 Year Reunion Dinner for the KKFC so it's guaranteed to be a fun-filled day and evening down here at the Rec Centre.

Best of luck to all local participants for the upcoming Men's Hockey Country Week, Netball Country Week and Women's Hockey Country Week which are all scheduled for the month of June up in Perth.

Finally, please note that due to the WA Day Long Weekend the Freebairn Recreation Centre will be CLOSED on Sunday June 3.

Ruth works Wednesday, Thursday & Fridays from 8:30am till 3:30pm. If you require assistance outside of these days or hours please contact the shire offices or send Ruth an email on [reccentre@kulin.wa.gov.au](mailto:reccentre@kulin.wa.gov.au) which she will reply to when available.

## CEO CORNER

I bring to Update reader's attention issues that are currently front and centre for the Shire, namely the establishment of a Community Foundation, the new waste collection and recycling contract and the solar farm proposal by Blue Planet Developments. You will read more about the issues in this Update as we start the process of community information and consultation, but I just wanted to clarify a position up front. The Shire is always willing to hear points of view on any matter.

We have processes that record complaint, suggestion, work requests and compliments in a way that ensures the needs of the person making the contact are best served. No matter the issue, be assured of our commitment to consider your views, knowing that they are appreciated. Your effort in making them known, improves our effort in response, so all manner of contact is important.

The matters being presented in this Update are designed to stretch local thinking; please feel free to participate in the consultation processes and we are happy to take any input given.

I can always be contacted at any time on 0429 201350 or 9880 1204.

*Noel Mason*

## Kulin Email Lists

Here at the CRC we want to make sure those who are on our email list are only receiving the emails they want.

We now have 3 email lists at the CRC including

# Joint Working Group

Kulin Bush Races - Kulin Community Bank - Shire of Kulin

## JOINT WORKING GROUP OVERVIEW

The Joint Working Group (JWG) comprises members of Kulin Bush Races, Kulin Community Bank and Kulin Shire Council. It has been established to look at the possibility of aligning the organisational and community aspirations in relation to what community projects could result from the efforts of Kulin Bush Races and Kulin Community Bank, in raising funds and allocating those funds to community projects.

## JOINT WORKING GROUP OBJECTIVES

- Projects should accommodate the needs of Kulin now and into the future
- Enhanced outcomes as a result of the special - that the project would enhance the community amenity, facility, market capture or marketplace and community enjoyment over time, projects that deliver a one off result for a one off occasion would be favoured less
- The level of investment should deliver a rate of return
- Kulin Shire Council, Kulin Bush Races and Kulin Community Bank focus on community assets that generate community support and could be seen as required assets, which may not have a commercially acceptable rate of return
- Where possible projects should deliver outcomes that can impact multiple shortcomings or goals simultaneously, not just focus on one issue at one time
- That projects should not be to the detriment of other established businesses, unless assessment indicates there is unmet need and demand is high. In those cases, the project should be developed in such a way that to maintain a fair and equitable marketplace.

## SUPPORTED COMMUNITY PROJECT FUNDING

- A framework will be established consisting of two organisations. Cultivating Kulin Committee will update their constitution, in line with the Associations Incorporation Act 2015, which will enable it to continue to act as the peak community body in Kulin. A Community Enterprise Foundation will also be established through Bendigo Bank, which will hold charitable status. Both these organisations will hold funds for projects and distribute funds to approved projects.
- A community grants selection panel will be elected to determine applications for community funding in accordance with the established guidelines.

## GOING FORWARD

- Further information will be distributed to the community for feedback in the coming weeks.
- Detailed information regarding priority projects and funding framework will be open for public comment. Information will be disseminated by post, email and electronic media. All feedback is welcomed either in person or by mail/email. There will be plenty of opportunity for community input. Any questions please contact Taryn Scadding - [cdo@kulin.wa.gov.au](mailto:cdo@kulin.wa.gov.au)

## Waste Collection and Recycling Services Contract 2018

The Shire of Kulin, along with its RoeROC partners the Shires of Corrigin, Kondinin and Narembeen have recently renewed the contract for waste and recycling services.

Avon Waste were the successful supplier for a 7 year contract.

The following information is provided as a starting point in the community information and education program that will form part of the contracted services from Avon Waste.

Waste is an expensive business and ROE Councils are well positioned to keep costs to a minimum by owning their regional refuse site and contracting services together. The pricing received under this contract reflects this advantage, but also signals that some practices may need to change to keep costs down.

One action that will be taken early in the contract period is a bin audit. As weekly charges are determined by bin sizes and weight, knowing exactly where the bins are collected is important. The Shire maintains a record of bin ID numbers and these will be checked against what appears at each residence and the information held by Avon Waste.

Additionally, the number of skip bins filled at the transfer station each week will be a high cost element, therefore we will adopt a method where empty bins can only be accessed after adjacent bins are full. Users of the transfer station will be required to be aware of these changes. Recycling bulk bins will still be part of the transfer station service.

Residents may have heard of the decision by China to limit the nature and type of recycling it receives for processing. This has impacted the WA market and ROE Councils are affected. In an effort to minimise the cost of recycling sorting (\$115 tonne), we have considered a number of options with the contractor. Local recycling rates are commendable, yet a high proportion of the recycled material when sorted in Perth is contaminated (18%). One of the biggest contaminants is broken glass. In our situation, the potential for glass to be broken is high and it is the smaller pieces of glass that cause recycling materials to be rejected.

Glass is broken at point of household collection, when deposited into the compactor truck, when compacted and then travelled to York, offloaded, sorted then repacked for Perth, then finally sorted by the recycling recovery station in Perth. On every occasion where glass pierces cardboard or plastic, these items are rejected. To this end, the Shires have decided that removing glass from the recycle bin will be required to improve the recycling recovery rates, lower contaminated material and reduce sorting costs.

## Waste Collection and Recycling Services Contract 2018

To do this, we will embark on an education program about recycling and have available bulk glass recycle bins at the transfer stations. All other minor glass material can be placed in the green household waste bin. Now some would argue that to remove glass from recycling is an opportunity missed, but in the current markets glass has no value and adversely affects the value of other recycling materials. ROE statistics demonstrate there is no value in persisting with the collection of glass as a recyclable material at present.

The new Container Deposit Scheme in WA (when adopted) will impact glass as a recyclable material, therefore the current proposal of removing glass from fortnightly recycling may be the start of a changing landscape for glass containers altogether. Most glass will struggle to find its way into the recycling system with a bounty available for collection.

Other points of interest in the contract;

- Avon Waste will continue household collections each week on a Monday and recycling every fortnight on the Tuesday.
- Standard bins will be 140ltr green household bins and the yellow lid light green 240ltr recycling bins.
- Non-standard bin sizes will receive additional charges when the Shires levy rates, or if introduced in between charging periods – will not be emptied unless by arrangement or payment.
- Avon Waste will convert multi bin waste collection businesses to bulk bins if requested by the landowner and can do so at comparative rates. This should be arranged through the Shire.
- Avon Waste will maintain the Bending Regional Tip, all bin maintenance and a phone call centre for collection service enquiries.
- A bin audit will be conducted in July 2018.

*Local Capability  
Local Commitment*

## SOLAR FARM Community Information – by Noel Mason, Shire CEO

Blue Planet Developments (BPD) approached the Shire 12 months ago with a request to develop Shire owned land into a 5MW photo-voltaic (PV) solar farm. At the time, subject to a long list of conditions, the Shire agreed “in principle”. In May 2018, the Shire agreed to offer a land lease on a 3 year window to have BPD develop their proposal and seek Western Power approval. If approved, the Shire would then Lease the required land (approx. 20ha) for 40 years. The layout plan below gives the location and a design example.

Points of note in the WA electricity market;

- Sale of State generation and network assets has been high on the political agenda and is driven by sale price.
- Delay the sale and the electricity asset is worth less and less (old technology), sell now and the change will result in major impacts on the supply and grid network.
- Reducing fossil fuel generation adds to the complexity of the WA market and the end result of all change is an upward pressure on electricity prices for users.

Local generation of 5 MW would cater for;

- A daytime base load 3 times that required for a town of Kulin’s size.
- Network islands are a likely future solution to the cost of maintaining the grid and with a sub-station in Kondinin and the main line to Kalgoorlie nearby, Kulin/Kondinin is well placed to be a grid island.
- Local solar generation and the ongoing development of battery technologies would complement the island grid approach.

The Shire thinking has been to position for the impacts in any future marketplace. We will do this by seeking local PV solar generation and deriving a small income source from the land lease fee, installing solar systems on our buildings where daytime use patterns suit and by negotiating electricity usage contracts at lower prices on today’s pricing. This multi facet approach has a NIL financial impact today and saves long term on cost.

BPD are confident that their application to Western Power will be successful, the Shire will await an outcome before developing the additional options. I hope you find this strategy information helpful.

Solar Power Farm - a portion of Lot 9002 Kulin, on the corner of the Corrigin-Kulin Rd and Davies Rd, Kulin

please contact Taryn 9880 1204

## No-bake Snickers Slice

### Ingredients

2 cup milk chocolate melts  
145 g smooth peanut butter  
200 g white marshmallows  
1 1/2 cup icing sugar  
400 g jersey caramels  
1/2 cup thickened cream  
1/2 cup peanuts

### Method

1. Line a 28cm x 18cm slice tin with baking paper.
2. Put 1 cup of the chocolate melts plus 3 tablespoons of the peanut butter into a heatproof bowl. Microwave for one minute, stir and heat again for another 20 seconds or until it's all smooth and melted.
3. Pour the melted chocolate mixture into the base of the pan and put it in the freezer for about five minutes, or until it's set.
4. In a clean bowl, place the marshmallows and microwave them for one minute (or until melted.) Stir in 1/4 cup of peanut butter and add the icing sugar.
5. Stir the marshmallow mixture with a wooden spoon until it all combines to form a sticky dough. Press the dough onto the top of the first chocolate layer.
6. Sprinkle that layer with peanuts and press them in with your fingers.
7. Put the caramels and cream into a saucepan and melt over a medium heat until it is all smooth and combined. Pour the caramel layer on top of the sticky marshmallow dough layer.
8. Put it in the freezer for about five minutes, or until set.
9. In a heatproof bowl, melt the remaining 1 cup plus 3 tablespoons of peanut butter in the microwave. Pour the melted chocolate over the top of the set caramel layer.
10. Refrigerate it for 10 - 15 minutes, or until set. Cut it into bars and eat it. (Not all at once, just have once piece every afternoon at 3pm.)

## KULIN CHILD CARE CENTRE

# 4 BENEFITS OF KCCC

01

### A Regular Schedule

Young children really benefit from having a regular schedule during the day. Thanks to a full programme of activities at KCCC, your children will never be bored. From songs to stories, they'll be able to enjoy their days.

The children also enjoy structured periods of playing, learning, resting and eating. Playing is an important part of development and growth for young children as they learn to explore the world around them.

02

### Social Interaction

Children who attend KCCC learn to interact and make friends in groups early on. Not only do they learn how to make friends, but they also learn how to make themselves heard in a group. Children especially benefit from spending time with other children of the same or similar age group.

It's also important for children to get the opportunity to interact with each other in a safe and supervised environment. It's also important for children to learn to solve problems and share stories at a young age while their personalities are still developing.

Children also benefit from social interaction with other adults other than their parents and other members of the family.

03

### Cognitive and Language Development!

There are many practical elements to improving the development of your child. This is taught in a fun way through practical play.

At Kulin CCC our educators are trained to identify when they should challenge a child to reach the next stage and when to comfort them. The combination of loving parents and professional staff works wonders for child development.

04

### Preparation for School

KCCC provides children with an invaluable opportunity to develop and experience many new things that can help prepare your children for school. Your children will develop many of the important and useful skills essential for classroom learning at school. These skills can include a wide range of things from being apart from their parents for a short time to problem-solving activities.

## BOOKINGS AVAILABLE EVERY DAY

Contact Sarah, Melina and Sue at the Centre to secure your place

9880 1636 or [kulinccc@kulin.wa.gov.au](mailto:kulinccc@kulin.wa.gov.au)

## Kulin Child Care Centre Happenings

The children have enjoyed a week filled with sensory experiences, fine motor activities, music and role playing just to name a few. A majority of our children are aged 1-3 so our intentional teaching has shifted to developing social skills (sharing, taking turns), how to effectively communicate with our peers and developing their sense of identity and belonging.

Our resident chicken Bob has recently hatched some adopted eggs (yes Bob is a girl!! Lol) Bob is the proud mum of 4 healthy chicks. Bob, her brood, the vegie patch and Community Garden provide the children with endless learning opportunities. The children love tending to the garden every day and eating the fresh produce, checking on Bob every morning and feeding him our fruit scraps. These interactions promote an understanding of the responsibilities required to take care for our environment and how to be an active part of our community.

## Kulin's Star Party

We had an outstanding turnout of people for the World Record attempt in Kulin on Wednesday 23<sup>rd</sup> of May.

'Cultivating Kulin Committee' with the support from the Shire of Kulin hosted the Star Party in Kulin to promote a love of science, have some fun and of course hopefully set a new World Record, and become part of history!

The free community event was initiated by the ABC in conjunction with the Australian National University. With the local volunteers/World Record officials glued to their smart phones for the live screening of Stargazing Live with Brian Cox, which coincided with the world record attempt and ensured that across Australia over 30,000 began to simultaneously gaze at the moon for ten minutes from 6.40pm to 6.50pm, we began with an official head count of 50 people.

36 people registered for telescopes purchases in advance (34 picked up on the night) another 21 telescopes sold on the night. 29 people registered to BYO binoculars before the event another 11 new registrations were recorded on the night

50 people in total participated in the world record with 47 completing the full 10 minutes of "star gazing simultaneously across multiple locations" our location being in Kulin at the Kulin Discovery Zone!

Picture (left) pan shot of participants during the world record attempt. Picture (right) timekeepers Wendy Gangell and Steve Werth

It is an understatement to say we are all very pleased with the efforts and support of our tremendous community who braved the chilly night and took up the challenge of staring at the moon for so long. Thanks to everyone for coming! Everyone was so helpful, easy going, diligent and compliant. A huge thanks to the additional 20 or so kids who came along with their family and did some moon and star gazing too.

The time, effort, expertise and support from the entire official crew cannot be underestimated so it's timely that we thank the individuals who took on the official roles for the event. Much respect and thanks goes to Frank Farrell (witness), Sharyn McAdam (witness), Travis Mcadam (steward), Jamie Mawer (steward), Wendy Gangell (timer), Steve Werth (timer), Sarah Kemp (photographer) and Jaime Martens (videographer) - an exceptional job so well done to you all.

Congratulations Kulin!

Sharyn McAdam

## HOCKEY

**Last week saw the Vipers take on the Khats.**

C Grade played a solid game, keeping a lot of the play in their offensive half. They managed to get two great goals winning 2-0.

B Grade came out triumphant with a 4-2 win.

A Grade played with great structure this week and came out on top with a 4-0 win over the Khats.

**This week saw the Vipers take on the Souths in 4 games of very wet and windy hockey.**

C Grade played a great game despite the wet and woolly weather. Unfortunately they were not able to convert and went down 3-0.

B Grade managed to sneak a goal past the strong South side to win 1-0.

A Grade played with great determination this week, however lost 3-2.

Our men's side played a very even game against Souths full set of players however went down 1-0.

A big thank you to all our sponsors who sponsored our game day awards the last two weeks!

Thanks also to Bayer, our major sponsor for this season.

This Saturday is a bye. If you find yourself in Perth come and support our men who are playing country week at PHS.

Zari Duckworth, one of our young Vipers, played her debut match last weekend.

Despite the wet weather the Vipers were out supporting each other all day.

Our men getting a brief break in the rain and wind during their game.

## Kulin Netball Notes

### Round 4 – 19/05/18

#### KU1 (64) def HY1 (13)

The last couple of weeks A grade have had some huge wins. The 19th of May we played in Kulin against Hyden and after a very strong 4 quarters the final score was 64-13. Well done ladies!

#### KU2 (40) def CR3 (21)

It was a great win against Corrigin's second b grade side. Well played girls despite being without your coaches inspirational quarter time pep talks, "No injuries". Thanks to Carl for being our number 1 and only supporter.

#### HY 2 (30) def KU3 (12)

The juniors played Hyden at Kulin. We only had 5 players this week, but Hyden were kind enough to lend us two of their players each quarter. It was a competitive game and the girls lifted when put against some stronger players. We have been really working hard on cutting in front of players to make leads towards the ball. Other aspects we have been working on are: getting correct distance before putting arms up and defending; using loud voices on the court; making the switch between attacking and defending; and trying to master court areas and the roles of each position. The girls are definitely making progress with the all the court time they are having. The next two weeks we will have bye's, which isn't ideal but we will try to keep training hard if numbers permit!

*Coch Lauren.*

### Round 5 – 26/05/18

#### KU1 (56) def NB2 (23)

Last weekend we all travelled to Narembeen. Our A grade played the Narem 2 team. The girls began their match well getting on top of their opponents. We maintained our lead and finished off winning by 33 goals. Great Team effort!!

Lauren was crowned the "royal stuff up" after she forgot for a second she was playing "C" and was happily watching the play when she was suppose to be in it.

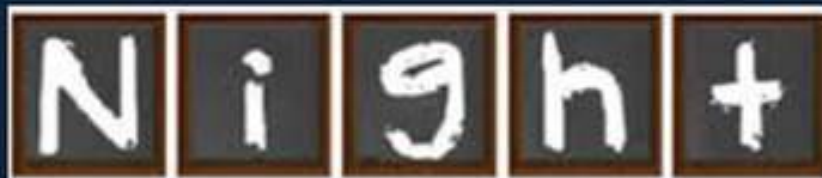

#### KU2 (52) def NB3 (20)

For the first time this season we had a full team front up to play against Narem on their home court. With changes made every quarter the Kulin girls had a very convincing win over Narembeen. Enjoy a weekend off and training will still be on if you are around.

#### KU 3 - BYE

# KKFC BLUES

Presents

Join us at the **Kondinin Hall** with your **OLD SCHOOL KIT**  
on for a night of fun and frivolities!

**Saturday 9 June** after the KKFC Blues vs Nukarni in Kondinin

**6.30PM** til the end of detention (**LATE**)

Food and drinks available for purchase

Bus from Kulin Hotel leaving at 6.30PM and returning late

## KKFC Blues Results

### ROUND 4

Kulin Kondinin FC V Hyden/ Kalgarin FC

Kulin/Kondinin FC 22.12 (144)

Hyden/Karlgarin FC 3.7 (25)

### GOALS,

Kulin/Kondinin FC: S. Duckworth 8, J. Grabski 3, J. Crockett 3, L. Biglin 2, J. King 2, T. Browning 1, K. Spurgeon 1, J. Shaddick 1, J. Spencer 1

Hyden/Karlgarin FC: B. Smith 1, S. James 1, R. Cornwall 1

### BEST,

Kulin/Kondinin FC: J. Crockett, S. Duckworth, J. King, J. Grabski, J. Hunter

Hyden/Karlgarin FC: K. James, R. Cornwall, R. Marsh, T. Edwards, L. Mouritz

### KKFC Budget Notes Round 4

Round 4 saw the Blues taking on the Saints in Kondinin.

Reserves continued their strong form to beat the under manned Hyden. Whisso was solid running off the backline, Hards was clunking them up forward and nobody wanted to play on Dool. It may have had something to do with Dooly smelling like a brewery but didn't stop him from getting a bit of it. Bomber also relished the opportunity up forward kicking 2 goals bringing his career total to 3. The resses came away convincing winners.

The League game was one of the better games for the year. The Saints put up a good fight early but with some good skills by hand and foot the Blues were able to gain a convincing lead. Ducky was kicking them from everywhere finishing with 8 goals. Jordan had the ball on a string and showed off his skill as well. A solid 4-quarter effort saw the Blues finish the day 20 goal winners.

The Blues take on Bruce Rock this week in what will be an important test for all grades.

Don't forget on the 9th of June its Back to School with the Harry and Hunty band playing at the Kondinin Hall after the footy!

GO BLUES!

## KKFC Blues Results

### Round 5

BRUCE ROCK FC v. KULIN/KONDININ FC

Bruce Rock FC	20.8 (128)
Kulin/Kondinin FC	9.3 (57)

### GOALS,

Bruce Rock FC: T. Blechynden 5, D. Whiteford 4, A. Anthony 3, C. Nelson 3, J. Taylor 2, L. Sedgwick 1, M. Colbung 1, J. Nelson 1

Kulin/Kondinin FC: None supplied

### BEST,

## Friday Arts

Every Friday at the Kulin Kids' Club Hall

Drop in any time between 10am & 3pm

Bring along an Art/Craft project you are working on

*OR*

there will be friendly people with a huge amount of knowledge  
in all sorts of Art/Craft skills that they'd love to share with you

*OR*

just drop in for a chat and a cuppa. The kettle will be on.

Cost is \$5

Everyone welcome

## OUR JAPANESE ADVENTURE

Japan was amazing! I really enjoyed seeing all the different places. My favourite thing I did was the school visit. All the Japanese students knew a lot of English. In Japan English is a core subject. When we were having lunch the girl sitting next to me spoke really good English and would translate everything the teacher would say. My favourite place we stayed at was the very traditional hotel it had tatami mats and futon. I enjoyed tasting all the different foods my favourite was the curries. It was a fantastic experience and I am very lucky that I got to experience Japanese culture. It was awesome! Thank you to everybody that made this trip go ahead especially Mrs Ellis you're amazing.

Arigato  
Ava  
Bennier

On the Kulin Corrigin 2018 Japan trip I learnt the Japanese cook some of their food different to us. For example when we went to the traditional hotel we cooked bacon in hot water.

I learnt that when the war was going in ancient Japan they would chop their heads off for proof their enemy was dead.

Kate Niblock

I enjoyed the Japan trip because of what I got to experience about it, like their culture and how they believe that when you drink the pure waters from Kyomizudera That the mystical water can make you everlasting or give you good grades at school.

I also had things that I disliked I such as some of their food like mocha on a stick and the raw fish.

Thank you for giving me the chance to accompany you.

Alorrah Bull

My favourite bit of the trip was when we went to Miyajima Island and we climbed up the mountain. There were deer on the streets and all the way up the mountain. I really liked the torri gates too.

I also liked Skytree in Tokyo. The views from the top of the building were pretty remarkable. It was also cool how the lift was very, very fast (600m/minute) and your ears popped really easily.

Josh Bowey

Japan was an experience like no other, new flavours, language, weather and architecture. Something you can't have in Australia. The best part was experiencing something new.

Jude Akesson-Werth

Japan was not my first overseas trip but I was over the moon to be going to a new and exciting country. As we were leaving I found customs a breeze. Being in the plane was cool because I got the treasured window seat on the way to Singapore. When we landed in Japan it was good but when the sliding doors opened it was so cold that it froze my bones but the bus had heated seats so that was lovely. Then we had to get off our lovely warm seats and catch my first bullet train to Hiroshima. It was very moving to read the stories about the victims. While in Japan I had a lot of traditional foods but my favourite was an octopus dish, with the octopus head stuffed with an egg. Although we missed a few of the cherry blossoms in Hiroshima we got them in the gardens at the golden temple. One thing that I found in Japan was it was so clean and everything had a place and nothing was messy. And I don't know how Mrs Ellis and Mrs Crossland and the chaperones got all us kids around Japan so a big thank you to them for taking us to Japan.

Daniel Locker

My name is Tasmin Noble and I am one of the 10 Kulin kids that recently travelled to Japan. Japan is an amazing place and I am extremely lucky to have been able to go there. I really enjoyed seeing the temples and shrines, and learning about Japan's history. We were very lucky to have been able to see some beautiful cherry blossom trees and a little bit of snow! I really enjoyed seeing our Japanese exchange students too. Japan is an incredible place and I really hope one day I can go back there.

I had so much fun in Japan and really enjoyed everything, but my favourite place to visit was Toshugu Shrine. We climbed the 207 stairs to get to the place where the King was buried. It was also the home of the 3 wise monkeys. It was lots of fun posing for photos as the monkeys.

I saw snow for the first time which was very icy and we had a really fun snow ball fight. The food was great and I tried mushrooms and liked them. I also really liked sleeping on futons and dressing up in Yukata (traditional clothing) for dinner.

The bullet train was fast and seeing the mountains was cool. We got to see rice farmers. There were a lot of people in Tokyo and I was pleased not to get lost. We went to Starbucks and the drinks were yum.

Thank you to Mrs Ellis, Mrs Crossland and the chaperones. It was great fun.

Reece Scadding

My favourite place in Japan was Miyajima Island. To get to Miyajima Island we had to catch a train to a station on the outer suburbs of Hiroshima. To get across to Miyajima we had to catch a ferry and there were around five ferries on the water taking people back and forth from the island.

On the island we had time to get a snack from the markets, cafes and vending machines. Daniel and I got hot chips from a market stall and then a few deer came over and tried to get some food off us. After that went to the summit of Miyajima Island. We caught a cable car for most of the way. There were six people per cable car. Four of us boys crammed into a car with a couple from America, so we had a nice chat with them. At the top of Miyajima Island we saw a submarine doing circles around the back of a little island. Miyajima Island was my favourite place because of its natural beauty.

Rhylee Holmes

AGM

8th June,  
6pm

Kulin Hotel

Kulin IGA and Kulin Community Bank have proudly partnered together to raise funds for Breast Cancer Care WA from the 1<sup>st</sup> of May to June 22<sup>nd</sup>.

We are hosting a **Purple Cup Cake Sale** on **Friday the 15<sup>th</sup> of June** in front of the Kulin IGA to raise much needed funds for West Australians affected by breast cancer.

Cup Cakes can be purchased on the **15<sup>th</sup> of June** individually for \$5 each or 6 for \$25.

For larger orders please email [kulinmailbox@bendigoadelaide.com.au](mailto:kulinmailbox@bendigoadelaide.com.au).

Donations can be made at **Kulin IGA** and **Kulin Community Bank** between the above dates. Please come along to support this great cause!!

*Tax invoices for donations are available*

**#BREAST FRIENDS**

Support your #breastfriends for  
**IGA PURPLE BRA DAY**

## R U interested in DISCOVERY, PHOTOGRAPHY, bushland WANDERING or SCIENCE?

Experts from Darling Range Branch of WA Naturalists will be at Camp Kulin 1-4 June 2018. Join us for a morning, afternoon or evening of discovering our strange creatures and plants, taking the opportunity to record them as a citizen scientist.

**\$10** for the weekend, BYO food and drinks for the excursions and dinner

Children must be in the care of a responsible adult.

**KULIN KONDININ and CORRIGIN people** please call or email me so that I can keep you informed of times we will be at sites near you - Robin 0499 624 038 [robin.campbell@westnet.com.au](mailto:robin.campbell@westnet.com.au)

If you wish to book a bunk bed at Camp Kulin you must register below.

\$25 per bed for all ages – pay on the weekend – cash only.

Clothes for all weathers and shoes suitable for steep rocks and squishy salt lakes.

**For insurance purposes EVERYONE must register with**

\*\*\*\*\*

<https://www.wanaturalists.org.au/events/dr bx-kulin/>

**We shall visit as many of these sites as possible and the ones we miss can be on a local itinerary later;**

- Wildflower walks and drives at Corrigin and Kulin
- a wheat-belt landscape in 900m - soils and plants change as you walk or drive up a slope
- granite rocks Gorge Rock Jilakin Rock Yeerakine Rock - with Jean Sloan and Allen Smoker
- Paperbark Swamp - hopefully there will be water for the birds
- salt lakes Kondinin Lakes Jilakin Lake
- Kulin-Kondinin Wildflower Herbarium
- jam, mallee, Salmon, Gimlet and Blackbutt woodlands
- quick town tours
- Tin Horse Highway sculptures
- our wheatbelt beetles, birds, bugs, rocks, shrubs, soils, spiders, trees, wildflowers, ...
- evening Nature Table with the day's finds

I can email you lists of birds, frogs, orchids, trees and wildflowers at most sites this week, so you know what you are looking at over the week-end and can name your photos later with common or scientific names.

**The Kulin CWA** meets every Friday 10am for crafts. Come along for cuppa and a chat to find out whats happening at your local CWA. Monthly meetings occur every third Friday of the month at 11am. Women of all ages welcome

## **KULIN MOTOR MUSEUM OPEN HOURS**

Wednesday 10am - 2pm  
Saturday 10am - 2pm

Thank you.

## **CAT TRAPS**

If you currently have a Shire cat trap in your possession please notify the shire immediately on 9880 1204

## 9 Things:

A BACK-TO-BASICS GUIDE TO CALM, COMMON-SENSE,  
CONNECTED PARENTING BIRTH-8 FOR PARENTS

with Maggie Dent

Are you struggling with your toddler? Wondering where to next when time-outs and sticker charts don't work? Confused by an often angry child? Join one of Australia's most-loved parenting authors and educators Maggie Dent as she explores the '9 Things' that truly matter in raising children eight and under, and why they matter so much. This seminar is based on Maggie's popular book of the same name, and offers a back-to-basics, common-sense guide for anyone working or raising babies, toddlers and young children to help them be able to thrive and be ready for school and life.

**Date:** Wednesday 1st August 2018  
**Time:** 9am-11am seminar followed by a delicious morning tea  
**Venue:** Bill Smoker Room - Kondinin Aquatic Centre  
57 Graham, Kondinin WA6367

## Emmett Therapy Coming to Kulin

EMMETT technique is a special form of body therapy that involves application of light pressure at specific points. These can be in sequences that enable gentle release for many common conditions. The results can be dramatic even for first time clients. Accurate and fast assessments of imbalances in the body are an integral feature of this technique.

Symptoms which have been relieved:

- \* Neck and shoulder restriction
- \* Lymphatic congestion and breathing
- \* Migraines or cluster headaches
- \* Abdominal cramps and bowel discomfort
- \* Persistent heel and foot pain
- \* Headaches, dizziness and sinus congestion
- \* Back and hip discomfort
- \* Knee and ankle restrictions
- \* Discomfort during pregnancy
- \* Fluid retention

Just to name a few....

March Fri 16th & Sat 17th  
April Fri 27th & Sat 28th  
May Fri 25th & Sat 26th
