# CEO CORNER

Welcome back to another CEO corner for 2021 and the start of the 2021/22 Financial Year. And the big wet winter continues. Many thanks to all community members for their patience and understanding with the multiple road closures that have occurred in recent weeks due to the significant rainfall and runoff events. Shire staff do not take the closing of roads lightly, and the reasons are twofold; one to protect the integrity of the road and two; more importantly for the safety of road users and the public. This was most evident around Katanning the past week where tragically a motorist was caught in floodwaters. A huge thanks to Judd and the crew, who have been flat out the past week dealing with the many road closures and reopening throughout the Shire, as well as assisting Main Roads with their closures.

This week saw Kulin host another rendition of GenAg at the FRC with over 70 participants and guest speakers. Congratulations to Tom Murphy and the Rural Bank team, the Kulin Community Bank as well as Shire staff on an awesome event. A great opportunity for networking and a variety of speakers touching on many innovative sustainable agricultural topics. The event was topped off by the catering from Acres of Taste.

On Monday 26th July the WA Department of Transport hosted Regional Forums on Agricultural Supply Chain Improvement (ASCI) in both Wagin and Merredin. President West and I attended each of the

Forums. Key points of focus were how the State government is looking to spend \$200M of funding towards rail investment throughout the wheatbelt. Tier 3 rail is a passionate topic that was discussed at both Forums and there are many challenges around reopening this system and which is the most appropriate line to reopen first. Obviously, Kulin Shire Council is advocating for the Narrogin to Kulin line to be reopened, but further planning is also required on appropriate gauge of line, connection from Narrogin to Merredin, as well as potentially finding an alternative rail line into Perth from the wheatbelt other than via Northam. Council has also put an initial submission to ASCI.

Last week also saw Council put in a submission to the Standing Committee on Public Administration's inquiry into the delivery of ambulance services in WA. Key points of the Standing Committee are:

- how 000 ambulance calls are received, assessed, prioritised and despatched in the metropolitan area and in the regions.
- the efficiency and adequacy of the service delivery model of ambulance services in metropolitan and regional areas of Western Australia
- whether alternative service delivery models in other jurisdictions would better meet the needs of the community
- any other matters considered

relevant by the Committee.

Friday 30th July sees the Wheatbelt South Regional Group Meeting held in Wickiepin. This meeting sees Councillor Robins as Chairperson where Kulin Shire Council is also to be awarded over \$2.3M in funding for Fence Road South, Dudinin-Jitarning Road, Kulin-Holt Rock Road and Yealering Road.

Thursday 29th August will see the first soil turned on the Kulin All Ages Precinct. The contractor will be onsite near the VDZ commencing works. The first section built will be the Skate Zone, followed by the Pump Track and Hangout Zone, with an Obstacle Zone to hopefully be built at the end subject to further funding. Thanks for CKC who have contributed funding towards the project as well as Council and the Federal government's LRCIP funding stream. The whole project has been a community collaboration between Council, Shire staff, CKC and KDHS. We ask that the community is respectful in their movements around the construction site, which will have appropriate barricade fencing.

Winter sports season is nearing the business end of the season. The KKFC Blues continue their annual charge towards finals. This weekend sees the KKHC Vipers in the Roe Districts Hockey Association Grand Final with all 4 teams participating. What a fantastic effort from all involved and let's hope they can bring home 4 from 4.

As always plenty happening in Kulin, until next time safe travels.

Garrick Yandle - CEO

### LOCAL ROAD SAFETY - PLEASE DRIVE CAREFULLY!

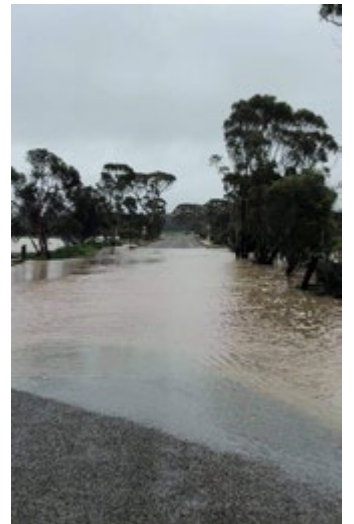

Please be advised that with the recent rains there is a lot of water moving over roads in various locations. FLOODWAY signs are installed in likely areas where water will be over the road.

Please drive to the conditions and take extra care in these areas.

With each significant rain these floodways will rise again due to the amount of water around and dams at capacity.

# NOTICES FROM THE SHIRE OF KULIN

## *Road Flood Damage*

Recent and continuing rains have caused flood damage to some roads in the Shire of Kulin.

The scope of this damage is being assessed as quickly as possible, and will be repaired in due course.

Please continue to monitor Mainroads and Shire bulletins as to road conditions, drive safely and obey all signage.

We thank you for your patience during this process.

For queries, please call Judd on 0427 801 241.

Judd Hobson and Grant Jenks spent Thursday night supervising the closed floodway.

# KULIN WILDFLOWER SOCIETY

## KULIN WILDFLOWER PLACE & HERBARIUM - Wildflower Society of WA 14 7.2021

The wild weather has taken a toll on my photography but has stimulated early orchids and kept shrubs flowering for weeks longer than usual. In 2019 our fires burned the jumble of fallen logs around Jilakin Rock. Well done Kulin Brigade, now it is easy and safer to walk around and we have found species not listed here. Ten to forty spider orchids dance in clusters and hundreds of snail orchids bend in the wind. Multi-coloured and strange fungi light up the grey litter.

We are delighted that Sandy Murray is writing the history of the Kulin Wildflower Place & Herbarium. It is inspiring to re-discover all the work the members tackled over the decades. The photos evoke warm memories of those who are no longer with us. The group began as Kulin-Kondinin Herbarium way back in 1994 and was officially opened in October 1995 on the first Kulin Bush Races weekend. We have been through many changes but survive. We provide a valuable scientific resource and natural landscape advice for locals and tourists. Our West-Aussie travellers are in awe at the wide variety of forms and colours that they can see so close to town. There are mallee woodlands, varied shrublands on sandplains, saltlands with an amazing range of plants, our stunning Gimlets, Salmons and Red Morrels plus fungi and micro-flora covering the ground.

		
<p>A gooey clusters of eggs dries and explodes leaving this bird-cage fungus: <i>ileodictyon gracile</i></p>	<p>5-35mm red-orange fairy fans. Their acids compost dead wood. <i>Arthracophyllum archeri</i></p>	<p>Coral in the wheatbelt? No, a litter decomposer fungus <i>Ramaria gracilis</i></p>

# KULIN CWA/ MUSEUM NOTES

KULIN CWA

28th July 2021

Thank you everyone for supporting us at the July Market Day, so well organised by Kulin Arts. We will do the pointing with the proceeds.

**Our next TIME-4-TEA is Saturday  
7 August nine-till-noon  
with a winter-warming soup**

If you see any travellers bring them along too. Despite the wild weather there seem to be more caravans on the roads this month.

True, we make scones and chat but we tackle serious community issues too. Our cook-ups are done with love, laughter and community spirit.

Our warm wishes and concern are for our dear Mrs Meikle who is taking a well-earned rest in Narrogin Hospital because there is no room at Kondinin. Perhaps we should lobby with other branches for more beds in our country hospitals so we can be near our families and friends.

Johanna Harding and Jan Colbourne are at the CWA State Conference this week advocating for increased boarding school allowances, solar battery back-up on Telstra towers during power outages, more power pole maintenance to reduce fire risks and many other rural issues.

KULIN MUSEUM and MEN'S SHED

28th July 2021

**Ted Tyson's Bedford 1949** K series 30cwt carefully restored by Ted and Les. These were produced from 1939-1953 in Bedfordshire, UK. Bedford vans, trucks & lorries were exported around the world due to their 1931 innovative in-line OHV 6-cylinder engine. At the WW2 Dunkirk evacuation the oil plugs were removed and the engines were left running.

**AGM 21 AUGUST 2021**

**Join us for lunch and to  
CELEBRATE the opening of TED'S  
SHED 10am-2pm**

Many wishes to our Jock at Kondinin Hospital. Come on home, the museum crew misses you & need your skills & we value your advice.

Invite your neighbours to join us at our **Wednesdays 10-12 and Saturdays 10-2**. Their stories tall or true could make our collections more interesting or amusing. New ideas are always welcome.

# FREEBAIRN RECREATION CENTRE

While many of us are enjoying some couch sports time with the Olympics in full swing over in Japan, the business end of the sports season is upon us here as well! Firstly, for our Kulin Kondinin Vipers Hockey Club who, after an amazing season and some fabulous finals games have all four teams featuring in the Grand Final matches this weekend. The finals are fixtured in Corrigin on Saturday. The kids C Grade commence proceedings at 10.00am, B Grade at 11.30am, A Grade at 1.30pm with the Men's final currently due to commence at 3.00pm in the afternoon. It should be a great day out so if you are looking for something to occupy your Saturday, I know the hockey club would value your support. There will be food and beverage facilities as well as 4 quality hockey games on offer. Come along and show your support!! Our netball teams play their final home and away matches in Round 9 this Saturday at the Freebairn Recreation Centre. A canteen will be available throughout the day and the bar facility open from noon. The Kulin Netball Club is also hosting Association Semi-Finals so we will see some more quality netball on Saturday 7th August at the FRC. Footy is at home in Kondinin on Saturday against Bruce Rock. This is the second last home and away fixture with the final round

scheduled for Saturday 7th August when the boys travel to Narembeen. From then on it is finals time and our teams will be gunning for some more glory in August. Our Golfers continue to brave the elements with the ladies meeting at the FRC on a Wednesday morning for a cuppa before a quick 9 holes. Club Golf is also every Sunday. The FRC is open from 11am with tee-off at midday followed by a few stories and refreshments back in the clubrooms at the end of the round. If you are interested in having a hit the Golf Club is always looking to welcome new (or old!) people along for a round and I don't think it is possible to get the course looking any greener in this weather! Another friendly reminder that

memberships are due (overdue!). If you play any Club Sport then you will need to pay your FRC membership. I will be following up with Clubs soon regarding registered players who are yet to pay their FRC fees. For anyone needing membership forms please contact me ASAP (reccentre@kulin.wa.gov.au). If you are not an existing member and wishing to join, then we are always welcoming new members so please get in touch. Best of luck to all teams participating in fixtures and especially finals this weekend. I'd like to take this opportunity to say:

#### Round 11

We welcomed Southern Cross to Kondinin. The juniors got the day rolling and in a good contest they moved the ball well, showing clean skills and a willingness to use their mates.

The league was a tough affair with the Bombers, showing they didn't make the long trip south just to gift us 4 points. The likes of Sam Browning,

Brendan Whyte and Daniel Tholstrop all had their work cut out for them in the midfield while Sam Scorer and Jacob Kerr were kept busy down back. Guys like Josh McGee, Lincon Hands and Mitchell Henry lifted in the 2nd quarter with their 2nd and 3rd efforts, helping the blues to gain momentum. The 3rd quarter set the game

up for us with Josh and Simon Duckworth kicking 9 goals between them for the quarter, while Lachie Biglin started to show some of his best form. The last was an arm wrestle and younger legs became important with the likes of Brock Argent, Sam Browning and Mitchell Henry, all finishing the game strong to help the Blues to a win.

This week we travel to Merredin  
to take on Nukarni in what will  
be another important game for  
both club's final aspirations.

Go the Blues!!!

## Round 12

We headed up to Merredin to  
take on the Demons in a game,  
vital to both grades ladder  
positions.

In the resses the backline  
found themselves under the  
pump early, as the likes of  
Tim Bradford, Dan Lockyer,  
Jordan Roads and Mitch Henry  
Snr worked hard to limit the  
damage on the scoreboard,  
while the forwards made the  
most of our limited forward  
50 entries to give us a slender  
lead, going into quarter time.  
It was much of the same in the  
2nd, as Nukarni wore down  
our backs and took the lead.  
Clayton Crabbe continued  
his good form while Mella-Ki

Collard and William Trouchet  
showed they'll be good players in  
the years to come. By the final bell  
Nukarni had shown us why they  
are streets above us on the ladder,  
but the Blue Boys showed plenty  
of spirit fighting it out till the end.

In the league the Blues got off  
to one of their best starts for  
the season. The boys were up  
and about early with the likes  
of George Repacholi, Jetani  
Hunter, Garrett Browning and  
Mitch Henry, all having a big  
influence on the game early.  
Nukarni settled during the 2nd  
and 3rd quarters, closing the  
gap on the scoreboard and not  
allowing us to play the game on  
our terms. Sam Browning, Daniel  
Tholstrup, Jacob Kerr and Lachie  
Biglin all worked hard for us

# KULIN KONDININ FOOTBALL CLUB/ GOLF

during this period while Simon Duckworth, Josh McGee and James Grabski all provided strong targets up forward. By the last quarter injuries had taken their toll on Nukarni and we were able to get the game back on our terms and come away with a win.

**Final Score Nukarni FC 7.8-50 def by KKFC 13.11-89**
