CEO CORNER

Welcome back to another CEO corner for 2021 and the big wet continues. Ongoing thanks to all community members for their patience and understanding with the multiple road closures that have occurred in recent weeks due to the significant rainfall and runoff events. As mentioned previously, Shire staff do not take the closing of roads lightly and the reasons are twofold; one to protect the integrity of the road and two: more importantly for the safety of road users and the public. A huge thanks to Judd and the crew, who continue to be flat out dealing with the many road closures and reopening throughout the Shire, as well as assisting Main Roads with their closures.

Plenty is still happening around town even with the weather wreaking havoc with our projects.

- Footpath upgrades along Gordon, Day and Stewart Streets are nearly complete with new concrete as well as strategically placed pram and gopher ramps. Moving forward further works are scheduled for Price Street and finalising additional pram ramps in specific locations.
- Pool repair works are nearing completion. Thanks to Dynamic Pools who have been the contractor on this. The weather has certainly messed them around, but

the retiling will hopefully be finished in the next fortnight.

- The All Ages Precinct commenced last week and is quickly taking shape. The skate park is the first component being delivered and the ramps are well under construction. Landscape Australia is the contractor working closely with Shire staff.
- FRC Court replacement is due to commence on Monday, 23rd August, squeezing this in between Netball and basketball seasons. This will be delivered via Aurasports.

The Volunteer Bushfire Brigade will be holding their AGM in Pingaring on 31st August. All FCOs are encouraged to attend and talk to myself about taking up additional responsibilities this year, with a few vacant positions. The Kulin Town Volunteer Fire Brigade have also scheduled a clean-up of the parking and picnic area of Jilakin Rock, this will take place on Sunday 22nd August. Community volunteers are welcome to come along and assist brigade members. A BBQ and refreshments will be provided afterwards, thanks to Craig McInnes and the crew for organising this.

It is just under 2 months until the Kulin Bush Races and how crazy was it to see the event sold out to the public within 12 hours. Plenty

of hard work and planning for the committee and community volunteers in the next 8 weeks. Shire staff will be assisting with sale of merchandise and volunteer tickets, which is always a pleasure working with the KBR team.

August brings out winter sports finals and Kulin rises to the top. Congratulations to the KKHC Vipers on winning 3 out of 4 in the GF, how good were the kids winning 8-1, the B Grade casually cruised to a 3-0 win, whilst the men won their first premierships in 20 years with a crushing 4-0 win. Well done to the Kulin Netball Club on hosting the CDNA Semi Finals last Saturday. This week sees the KKFC Blues commence their finals hosting the 1st Semi at Kondinin. Good luck to all. Next weekend is also the Kulin Golf Club's Annual Clayton Cup, with the course looking a treat hopefully they get a big field.

I'll continue with the good news in saying that this week Council's Rate Notices were distributed with a modest increase of 2.1%, this is in line with our Long-Term Financial Plan. The Valuer General obviously made this a challenge this year with property values around the district having a significant increase in some locations.

As always plenty happening in Kulin, until next time safe travels.

Garrick Yandle - CEO

Shire of Kulin Bush Fire Brigades

Annual Meeting of Bush Fire Brigades

Please be advised that the Annual Meeting of Bush Fire Brigades is to be held on **Tuesday 31st August 2021** at the Pingaring Golf Club commencing at 3pm.

The AGM is held in August of each year to:

- enable any policy changes to be implemented in time for the next fire season
- enable new FCO's sufficient time for training prior to the next fire season
- allow sufficient time for the admin staff to implement changes and provide information to FCO's and brigades as required
- enable any issues that arose during the previous fire season to be discussed and dealt with in a more efficient manner.

Please extend an invitation to your brigade members, they are welcome to attend.

Any matters to be considered at the AGM, which may require some research, should be raised with Garrick Yandle, email ceo@kulin.wa.gov.au or call 9880 1204 prior to the meeting.

LOCAL ROAD SAFETY - PLEASE DRIVE CAREFULLY!

Please be advised that with the recent rains there is a lot of water moving over roads in various locations. FLOODWAY signs are installed in likely areas where water will be over the road.

Please drive to the conditions and take extra care in these areas.

With each significant rain these floodways will rise again due to the amount of water around and dams at capacity.

The beauty of the recent rainfalls has been treating us all really well for a while, now. However here and there I am sure we all long for a little bit of warmth occasionally. Until the sun comes out, let's all keep a happy and sunny mind. Therefore the Shire of Kulin encourages the community to send in their best photos of their "Worst-Bogged Vehicle". The owner of the worst-bogged vehicle will win a \$10 voucher to be redeemed at our local cafe "Acres of Taste".

Thankyou for the beautiful dedications to Dad in the recent Kulin Update. It means a lot to all of us to read his achievements and what he was to the Kulin community. To those who put heartfelt funeral notices in The West also thankyou. And last but not least how great it was that so many people were able to attend Dad's service, it was powerful to see such a gathering of the lives he touched in one place and it was a great celebration of his life.

Thankyou

With love from Jean, Kieran, Kahlia & Boadicea

FREEBAIRN RECREATION CENTRE

Well picking up where I left off last time a massive congratulations to our Kulin Kondinin Hockey Club the Vipers on a super successful season 2021. We came away with 3 out of the 4 Premierships on offer. C Grade got the day off to a fabulous start with the kids playing some superb hockey to run away with the match 8-1. The B-Grade team had a tighter tussle but emerged victorious 3-1. Our A-Grade ladies had a super tough match but couldn't quite get the edge over the very strong Souths Team going down 2-1 in a really tough battle. After 20 years without much action in the finals, our Men's team played a cracking match to take home the silverware too! There was certainly a lot of cause for celebration that night at the Kulin Hub and I know some have carried on the festivities for well over a week now! Well deserved wins to all teams and a great way to cap off a shorter but very enjoyable 2021 season after missing out on fixtures last year.

Our Netball Club hosted semi finals at the FRC on Saturday the 7th in what was

a very busy and enjoyable day for all involved. Both our A and B Grade teams now move through to the preliminary finals this weekend with fingers crossed for some more finals action on August 21 in the Grand Final games! Preliminary finals are fixtured in Corrigin with the B Grade game V Bruce Rock at 11.30am followed by our A Grade girls v Corrigin at 1.00pm.

The footy boys are still hopeful of making yet another grand final appearance in 2021 as the Reserves and League teams contest semi finals this weekend at Kondinin. The Reserves are up against Burracoppin with the League facing Corrigin in what are sure to be tight matches this Saturday 14th.

So, a couple of options for some entertaining sporting action this weekend with local teams playing Netball in Corrigin and Footy in Kondinin. Get along and show your support!

The Golf Club host their Premier event for the season with the Clayton Cup being held in Kulin

on Saturday 21st August. EVERYONE is welcome!! Golfers, non-golfers, serious and social participants. It is always a great day with a great crew and some great food and social activity after the fun on course has finished. Further information and entries can be directed to Phil Roads 0427801245.

Tenille Yandle has displayed some awesome initiative, direction and dedication to put together a program for our younger generation – RoarFIT. The program is aimed at 10-15 year olds and provides a mix of physical challenges as well as mental and life strategies for each participant to grow and develop. As Roarers say “BE BOLD, BE BRAVE, BE BRILLIANT”!!! The initial course will run for 8 weeks on a Tuesday afternoon / evening at the FRC. Further programs and opportunities will follow this inaugural program so keep an eye out for more information.

As Looney Tunes would say, “That’s all Folks”!!

Until next time....

The pressure was on the A graders to keep up the winning streak but they came up against a fierce and hungry Souths side. It was a very fast tight game of hockey with the score 0-0 at half time. Souths were first to score in the second half, we were quick to reply with a cracking goal from Carly. South scored another goal off a short corner with only 5 mins left on the clock. We battled hard to get the equalizer but just fell short

with the final score being 1-2 Well done to everyone on a great season; we will be back stronger

Now it was our Men's turn to settle the score and win one back from Souths. With a fast and very high display of skills across the field, we scored early in the game with a great Penalty Stroke converted by Garrick. The pressure put on by our men didn't ease up in the second half, with the boys putting 3 more goals in the back of the net. The final score was 4-0.

The league game was one of great importance, as a win was crucial to the Blue Boys chances of a top 2 finish. Bruce Rock got off to a good start, winning the centre clearances and putting our backs under pressure, with the likes of Brock Argent, Jacob Kerr and Sam Scorer getting opportunities to show off their skills, as the game wore on our midst, settled with the likes of Daniel Tholstrup, Brendon Whyte and Lincon Hands getting amongst it. Up

forward James Grabski was showing signs of his best form, getting in all the right spots. His first touch was spot on, while Josh McGee continued his good form, kicking 9.

Congratulations to the Vipers who played off in four grand finals on Saturday, winning 3 of them. Unfortunately, the A Grade couldn't get the job done against South's in a tough game going down 2-1. Well done to all on a successful season.

This week we are up against the Hawks in the last game of the qualifying season; in the game that will decide who will finish 2nd in both grades. Hope to see you there!!

Go The Blues!!!

The resses were a tough battle. The Blues found themselves on the back foot early before settling. Brady Argent was impressive upon his return from injury, while he was well-assisted in the mid field by Clayton Scorer and Roy Slater. Dan Lockyer impressed again while the older heads in Nahi Lewis, Mitchell Henry and Tim Bradford helped keep us close on the scoreboard. In the end it wasn't to be in a good standard of reserves football going down to the Hawks by 4 goals.

Onto the main game and the Blues were up against it early. The Hawks gained the early ascendancy, taking a four-goal lead into quarter time. The Blues settled in the 2nd with the likes of Tully Biglin, Brendon Whyte, and Mitchell Henry working hard in the midfield, assisted by James Grabski, Lachie Biglin and George Repacholi up forward. By half time we'd closed the margin to 2 goals. From there that is pretty much where the margin stayed, as every time we threatened, the Hawks had an answer. Jetani Hunter continued his good form while John Wilson and Daniel Tholstrup both put in four quarter performances.

KULIN WILDFLOWER SOCIETY

KULIN WILDFLOWER PLACE & HERBARIUM

11th August 2021

AGM this Saturday afternoon 14 August 12.30-3.00pm Join us or call with your ideas.

		
Massed buttercups on grey in Rankin St, <i>Hibbertia rupicola</i>	Green Fringed Mantis Orchid, now in caravan park bushland	Sit on these tufts & discover why they're Pincushion Borya
		
<i>Daviesia incrassata teres</i> , a stunning but spiky pea	Upside-Down Pea flowers protected by rigid spiky leaves	Purple Mirbelia pruned to ground level by kangaroos

A massive “**Thank you, Kulin Shire Council and ratepayers**” for your generous support for our group’s research and assistance to locals and travellers to know and enjoy our fascinating natural surroundings. As soon as the rain and gales subside, we will organise regular walks IN town that gopher drivers can join as well. **If family and friends are visiting, please call us as we can always pop out somewhere in between showers.** Further afield there will be mornings, afternoons or week-ends. With growing confidence in WA’s covid control, orchid and wildflower groups are planning visits. They will be amazed. I was worried that shrubs that had flowered repeatedly, after rains since late summer, may have worn themselves out but they are early for their normal spring and are in massed colour. Sadly, the eastern staters will miss out again, but some escaped when the borders opened and have stayed in WA for months. **Please chat with travellers;** last week we met a girl who lived in the NAB bank: her father was the manager many moons ago.

	<p>We apologise for any misconception.</p> <p>The signs may be OUT but we are rarely IN.</p> <p>Caravanners and travellers walk or drive up and down Johnston St. On any day, on the outside patio, they can see displays, photo pages and lists of our birds and flowers. There are also brochures, maps and notes of where they can join us. This is a draft of our new sign. Someone may be in the office Mon, Thu, Fri 8.30am - 4.30pm or on Sat mornings 8.30am -12.30pm. Phone or text anytime.</p>

KULIN CHILDCARE CENTRE

KULIN CHILDCARE HAPPENINGS

We have had a busy couple of weeks at the Centre, focusing on our fine motor development, discussing the Olympics and exploring our community, mainly the puddles!!!

Fine motor skills involve the movement of the small muscles in their hands, fingers and wrists. This muscle development is crucial as it will enable children to be able to write, use scissors, get themselves dressed using buttons and zippers, brush their own teeth and hair and feed themselves.

Experiences like painting with small brushes and droppers encourages the children to develop these muscles without even knowing it. Cutting paper, using tongs to manipulate spaghetti, peeling and sticking stickers, picking flowers are all fun ways to continue building those muscles.

The children have been enjoying watching small snippets of the Olympics during our mat sessions, especially the weightlifting! By watching the Olympics as a group, we are able to have conversations about persistence, dedication, great sportsmanship, other countries and cultures from around the world, not to mention sparking interest to compete in their Olympic inspired physical activities.

Our long-awaited footpath has been completed, allowing us to safely walk to and from school, as well as providing families with a mud free car park during the crazy times of drop off and pick up! Thankyou to Frankie and his sidekick for the many hours of conversations and answering the many questions from our inquisitive group of children through the fence as they formed up the footpath and installed the very 'fancy' limestone wall to finish it all off. We can't wait for Spring so we can get planting!! Thanks to the Shire for their continued support and communication during the disruptions, great team effort.

Dear CRC Operator

I am writing to advise you about the \$500 [WA Small Business and Charities Electricity Credit](#).

WA businesses and charities may be eligible to receive a \$500 credit to put towards their electricity costs. The credit is a WA Government initiative to offset the impacts of a mandatory 5-day lockdown in February 2021.

Small businesses and charities on an eligible tariff as at 2 February 2021 already received a \$500 credit to their Synergy or Horizon Power account. Businesses and charities who are billed by third parties and meet the scheme criteria are able to apply to RevenueWA for an equivalent payment. This includes businesses and charities with premises on an embedded network, sub-meter, supplied by an alternate energy supplier or otherwise billed by a third party.

Applications are now open and will close **30 September 2021**.

Applicants should visit www.WA.gov.au/energycredit for full eligibility criteria and information about how to apply for the credit. They can also contact the business electricity credit team directly on (08) 9262 1165 or by email at sbcec@finance.wa.gov.au.

Your assistance with passing along this message to small businesses and charities in your local community would be greatly appreciated.

Regards
