# CEO CORNER

---

Welcome back to another CEO corner for 2021 and after a slowish start harvest seems to be ramping up. Hopefully some good yields and not too much hail and frost damage around the place.

Last week our KULIN 25 SCP – COMMUNITY CAPTURE SURVEY closed after a 2 week submission period. Thank you to all those that contributed with over 121 responses received back from the community. Staff and Council will now work through a process comparing the community responses to that of Council in order to determine a finalised KULIN 25 SCP list.

From a Council perspective this week we have Council Meeting as well as WALGA's Central Country Zone Meeting in Wandering. Next week we have Regional Road Group. This is my first CEO Corner since the last Council Meeting and I would like to congratulate Cr Grant Robins on being elected Shire President for the next two years, as well as Cr Brad Smoker for being elected Deputy President.

I would also like to acknowledge and thank Cr Barry West for his efforts as Shire President for the past six years. Barry is very passionate about the Kulin community, whilst also being an advocate for succession at Council

where he has openly conveyed that this was the right time to step aside and bring new people into Council's leadership in a very magnanimous manner. No doubt Barry will continue to passionately advocate for Council with rail being at the top of his advocacy list.

You may be aware of the recent announcement by WA State Government regarding local government reform and changes in legislation. Council will work through these relevant changes and adapt as necessary, providing feedback to the community as relevant, as well as a response to the WA State Government during the consultation period. If any members of the community have any specific queries on the proposed reform, please contact me directly for clarification or inclusion in our response to the Government.

The summer months is a busy period for our Works Crew with optimum weather conditions for road reconstruction and sealing. Unfortunately, this generally coincides with harvest and more trucks on the road, making it frustrating for all parties. However in order to get through our scheduled works program we need to continue on with these major projects during this busy period. Key projects on the go at

the moment are Dudinin-Jitarning Road, Jilakin Street intersection as well as the Muller Road intersection. All three of these roads are schedule to be sealed during the same week in December as this is the most efficient way for the sealing contractor to deliver their component of the works, rather than having to mobilise multiple times. Good luck to Judd and his crew over this busy period.

The Skate Park, Pump Track and Hangout Zone of the All Ages Precinct seem to be getting regular use since its opening in late October. The obstacle Zone is scheduled for installation in February 2022 which will nicely complete this stage of the area.

Summer sports are in full swing. Well down to Kulin Tennis Club on make the EDTA Grand Final last weekend. Unfortunately, they went down by 2 sets, in an intense contest which saw the result go right down to the last match of the day. I believe this was their first grand final in many years so well done to the team on their efforts this season.

As always plenty happening in Kulin, until next time safe travels.

Garrick Yandle - CEO

## Kulin 25 Strategic Community Plan Priority Projects

### THANK YOU FOR YOUR INPUT

We had a great response from the community to the Kulin 25 SCP Priority Projects survey. In total we received 121 surveys online and hard copy.

We are grateful to everyone who took the time to give their feedback and get involved in the process.

The graph represents the Top 25 results for the KULIN 25 SCP – COMMUNITY CAPTURE SURVEY, which articulates results from both the Community as well as Council.

Council would like to thank the community for their contribution to the process as part of both the Workshop and Survey process.

We would like to reiterate that the Top 25 results from both surveys are part of an information gathering process to provide Council with feedback and are not necessarily the final KULIN 25 SCP.

Moving forward Council and staff will utilise this information to work through a process to determine the final KULIN 25 SCP.

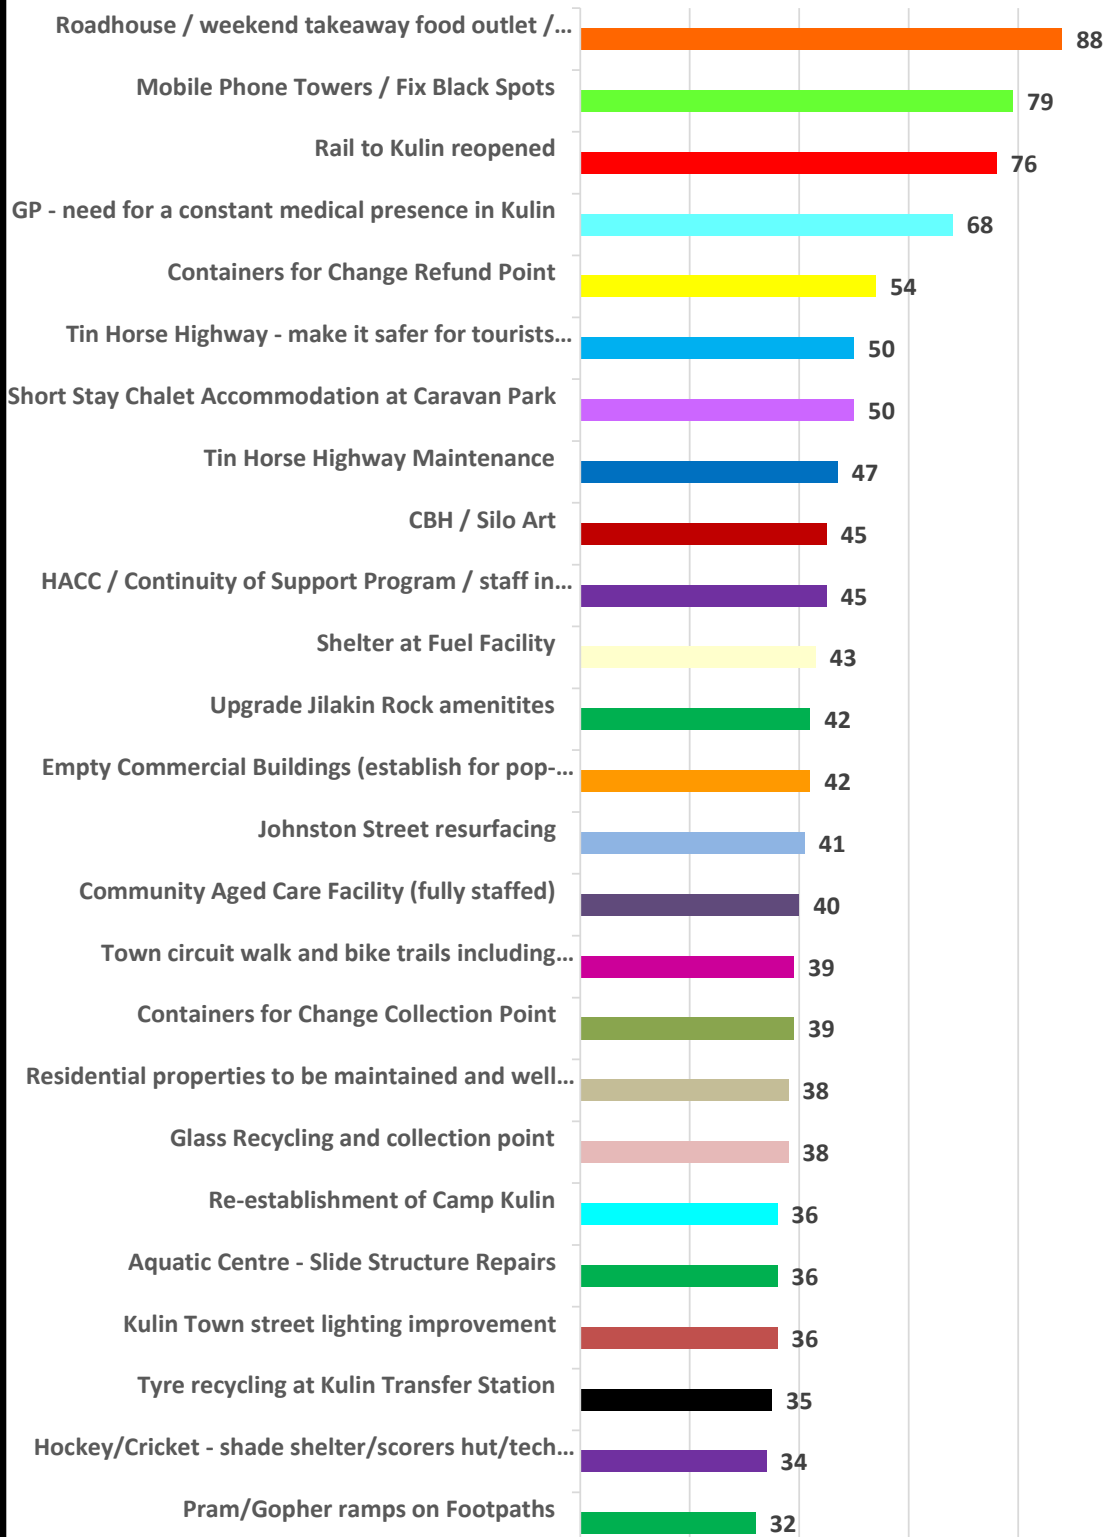

More detailed documentation outlining the KULIN 25 SCP will be presented to the Community in the coming months.

Council trusts that this keeps the community informed of the current status or our progress with KULIN 25 SCP.

# FREEBAIRN RECREATION CENTRE

---

Just a short update note from the FRC this fortnight. As most people would be aware harvest is here! This simply means people are juggling a bit more than they usually are and still manage to fit in some Bowls, Basketball, Tennis, Cricket or some aquatic activities along the way.

Our Bowlers continue to enjoy good numbers each week at their Club Bowls day on a Sunday. Pennants has been keeping everyone busy on a Saturday afternoon and we have had both ladies and men's fixtures here over the last month. This weekend sees another large weekend on the Kulin Greens with the Kulin Bowling Club hosting the ILRR Pairs. We are expecting over 70 participants over the weekend with additional officials and supporters meaning possibly over 100 people will be enjoying our facilities and hospitality.

Our cricket team the Roo Dogs are now well into their season. This weekend sees the Kulin Kondinin boys host Karlgarin-Yyden-Pingaring on our oval on Saturday afternoon. Our junior Roo Dog Pups have enjoyed a good start to their season with some fairly long trips on the road to play the game but all for a good cause – fun! This weekend you can see some quality juniors action in Kulin on our oval so come along and give the kids

some support if you can.

Junior Basketball continues to see awesome numbers every Friday afternoon. So many people put in a lot of work behind the scenes to allow this competition to run as well as it does. We are now past the halfway mark of the season and all games have been very tightly contested so it will be interesting to see which teams prevail come Grand Final time on December 10!

The Kulin Tennis Club is reaping the rewards of some hard work by the committee to encourage the community to both welcome some “veterans” back to the game as well as encouraging our youth to step up and play Pennants. This hard work paid dividends when last weekend the Kulin team contested the final for the first time in many many years. With a blend of old and new, experience and enthusiasm the team just fell short of victory by 2 sets in a tight battle. A huge congratulations to all involved and look out next year!

Social Softball is seeing sensational numbers too! I think the emphasis on it being fun and social is a massive enticer but well done to Nat and the crew for getting this going and welcoming anyone and everyone week in week out. In case you didn't know this is on a Thursday evening from 5.30pm on

the oval.

Thanks to those community members who attended the Sporting Council and FRAC AGMs at the end of October. We are fortunate to welcome 2 new committee members this year – Elana Frantom and Kerryn Powell. Thanks to both ladies for volunteering their time to become involved at the FRC.

By now many of you will have met Jaime and Luisa who have been with us for a month. It's great to have them on board and they have been enjoying some workplace diversity between the FRC, gardening and over at the Aquatic Centre giving Jones a hand. So if you haven't already, take the time to say g'day , 😊

Apart from sport e are gearing up for the festive season with a range of functions and activities planned for the remainder of November and of course December.

All the best to those of you who are harvesting and we look forward to welcoming you and your families to the FRC for the silly season in the not too distant future.

Until next time....

Ruth

## PENNANTS GRAND FINAL

The weather was the perfect picture on Saturday for the final hit out for the pennants season. We travelled by bus (with all tennis racquets on board) to Hyden with the hope of bringing home the long missed flag.

With many sensational rallies and games being played to their upmost capacity Kulin took on Hyden asking them to put it all out on the court. Most games ending with tie breakers and very close sets.

After the singles Kulin was only 3 sets behind which quickly became even after completing the doubles. Going into a nail biting final mixed doubles round. As each game came to its end we could see the flag in our sights and just out of reach. The final game came in with even sets between Hyden and us.

Unfortunately, we narrowly missed out on making a return home with the flag with the final scores as;  
Hyden 17 sets / 146 games  
Kulin 15 sets / 140 games

Massive congratulations to all who played on Saturday and everyone else who played games over the season. Well done to John and Foops for their fabulous Captaincy this year. We are all very proud!

## Do you need to show proof of your COVID-19 Vaccination?

Your COVID-19 digital certificate and immunisation history statement both show proof of your COVID-19 vaccination status in Australia.

The quickest and easiest way for you to get proof of your COVID-19 vaccination is by downloading the Express Plus Medicare app. All you need to do is make sure you have a myGov account set up with Medicare linked.

The Express Plus Medicare app will allow access to:

- your or your child under 14 COVID-19 digital certificate
- your or your child under 14 immunisation history statement
- add your COVID-19 digital certificate to your state check in app
  - Victoria and New South Wales are live
  - South Australia to launch November 2021
  - More states to be announced
- and, save your International COVID-19 Vaccination Certificate offline

If you are unable to obtain your proof of COVID-19 vaccination online, you can ask your vaccination provider to send you a copy or you can ring the Australian Immunisation Register on 1800 653 809.

# COVID-19 VACCINATION PROOF

Your immunisation history statement and COVID-19 digital certificate both show proof of your COVID-19 vaccination status.

After you get vaccinated, your vaccination provider adds your details on the Australian Immunisation Register (AIR). They have 10 days to do this, but most get your details to us sooner.

# GENERAL NOTICES

---

Thankyou

To Robbie and Cathy and all the wonderful helpers.

On the 29th October the seniors went on a grand garden tour to view the beautiful gardens of Robbie and Cathy.

The gardens were magnificent and the roses were outstanding, it was truly a day to remember.

Our morning tea and lunch was fit for a queen!

It is lovely to think our younger generation in Kulin have time to do this for the Seniors. It just goes to show what a wonderful community we have in Kulin and we are lucky to live here.

A special thanks to our driver Joy.

Ruth, Jan, Peg and Pam

*'A rose can say I wish you happiness, and the best for you each day'*
