FREEBAIRN RECREATION CENTRE

Firstly, a massive congratulations to the Kulin Kondinin Hockey Club, the Vipers had a very successful season again this year winning the A,B & C grade grand finals that were held in Kondinin on the 27th August. Unfortunately, the men's team did not make it into the finals this year, but I have been told had a great season otherwise. They finished up their season with their 'Mardi Gras' themed wind up here on Sunday and needless to say they celebrated in style. Junior hockey has also enjoyed a great season and celebrated their wind up on the 30th August.

Our Netball Club hosted the Corrigin & Districts semi-finals here at the FRC on Saturday 20th August in what was a very busy and enjoyable day for all involved. Unfortunately, neither team managed to get into the finals this year but showed great enthusiasm to make sure they had a great day and fully enjoyed their wind up over at the tennis club on Sunday 21st August, where they all enjoyed good

food and company in the sunshine and celebrated a great season of netball. Kulin Junior Netball team also had a fantastic season this year and it will be exciting so see these talented netballers further develop their skills next year.

The footy boys are still in the running, and we wish them all the best of luck this coming weekend for their Grand Final at Southern Cross on 3rd September. The League is playing against Narembeen, but unfortunately the Reserves had a tough year this year and did not make it into the finals. I am sure whatever the result, they will enjoy their wind up here on 10th September. GO the Blues!!!

Kulin Golf Club hosted the 70th Annual Clayton Cup on 20th of August where they had a superb day out on the golf course followed by a delicious meal, a few enjoyable beverages, and presentations here in our Phil room. A field of 75 golfers enjoyed perfect weather on our wonderful course. Congratulations to

Jane Slater on being a very popular winner.

Junior Footy and Auskick have also had a great season this year and enjoyed their end of season wind up here on Friday 26th August. The Auskicker's enjoyed a parent vs Auskickers game in which I believe the parents lost. Good job kids!!

Kulin District High School held a very successful Fraction Athletics Carnival on 19th August and will be hosting the Interschool Faction Athletics on Friday 9th September. The school have also been utilising the indoor courts to train for country week basketball. Good luck Kulin.

Saturday 13th August saw many of you have a very enjoyable night dining out at the much-anticipated WA tour of smash-hit comedy Faulty Towers the Dining Experience, with two hours of non-stop laughter filling the Phil room.

"Hilarious night! Thanks for the laughs"

FREEBAIRN RECREATION CENTRE

“Absolutely brilliant night last night the faulty towers experience didn't disappoint my face was sore from laughing” great entertainment great food”

WA Farmers Federation held a conference here on 15th August which was very informative on the current Foot and Mouth Disease and CBH also presented information on grain handling ahead of this year's coming harvest.

Tenille Yandle is running her popular ROARFIT program again for 10–15-year-olds. As Roarers say “BE BOLD, BE BRAVE, BE BRILLIANT”!!! for more information contact Tenille.

As winter sports are all finishing up soon, we will soon be thrown in the midst of junior basketball and bowling here at the Rec Centre. If anyone has any interest in playing social basketball over the next couple of months please drop me an email to reccentre@kulin.wa.gov.au or leave a message on 08 98801000 at this point we are interested to see how

many people are keen.

Lasty if you are missing anything please can you come and have a look in the Lost Property here at the Rec centre before I donate it to the Harvest Place in Kondinin at the end of the month.

VIPERS NEWS

What an awesome day our wonderful Hockey Club had on Saturday, with A, B & C grade all playing in the Grand Final.

The C grades set the bar high for the day with a great team game and having a 4 – nil win over Corrigin. Goal scorers were Molly, Maddie, Kade & Dane.

That just left the A grade to try and finish off the Hat- Trick for the club, it was always going to be a tight encounter against a very hungry Corrigin team, the game didn't disappoint. 100 gamer Rynelle Smoker was first to score to put us 1 nil up, Corrigin were soon to score to make it all even. At the end of full- time we were all tied at 1-1, so into extra time golden goal

it was. Kirstie made some unbelievable saves in the goals to keep us still in the game, seeing us still lievable saves in the goals to keep us still in the game, seeing us still all square at the end of extra time the game was decided on strokes. Tam & Taz both scored for the Vipers which was just enough to get us over the line. Final score 3-2, goal scores Rynelle, Tam & Taz. Best in Finals – Fiona Murphy – Captains Cup – Minnie Lucchesi

Next up saw our B graders hit the pitch for another tight tussle against Corrigin, Vipers hit the score board first with a ripping shot from the top of the D from Janeo. It was another great team game winning the B Grade 2-nil, Goal Scorers were Jane & Elana.

Best on Ground – Yvonne Bowey – Best in finals for B Grade – Kade Gangell

VIPERS NEWS

It was an amazing day out for the Vipers on Saturday that took a lot of people off the field to prepare.

Thankyou to the Busy Bees on Friday for marking, setting up shades, doing food prep and getting everything ready for game day, to the Kondinin P&C for manning the very busy canteen, to our umpires, timers and tech bench volunteers you all did an amazing job.

Thankyou to our wonderful life members who are always

there to lend a hand and offer encouragement.

Thanks to the Kondinin Shire (especially Budgie) who got our Oval up to Grand Final hosting standard, and for making sure the recreation precinct was looking its best.

To the Vipers Executives, you are all amazing and put so much time and energy into our awesome club.

And lastly to our Sponsors for the 2022 Season, we truly

appreciate your support throughout the year. I'm already looking forward to 2023.

Thank You
FOR YOUR SUPPORT

JILAKIN ROCKETS are winners!

Congratulations to all the students for a fantastic performance on the track! Your effort, sportsmanship and attitude really shined throughout the day.

A great big thank you to our parent volunteers who assisted setting up, judging and packing up! You are the heart of our carnival events!

Big thank you to Elana Frantom and Kaitlyn Bilney for organising the day.

The school would like to thank the Shire of Kulin for ensuring the facilities and oval were in top condition.

Well done to Laura Browning for coordinating the Country Week Morning tea stall and Fathers Day raffle. Deacon Mullan, Hamish West and Fiona Down were the lucky winners.

Congratulations to the ROCKETS!

KULIN KONDININ FOOTBALL CLUB

The Blues hosted Narembeen in Kulin last week in the 1st Semi Final.

With a place in the grand final up for grabs the Blues started strongly kicking ahead with the mid-field getting good supply to the forwards. George led in the ruck along with Jobsy, Grabba, Craney whilst Toby and Brayden looked dangerous up forward. The Blues went into halftime with a handy lead thanks to some quality team football. The second half turned into an arm wrestle as the Hawks tried to bridge the margin. The backline held up with strong games from Scads, Tav, Kerrey. In the last quarter the Hawks came back but the Blues prevailed to secure a spot in the grand final.

Unfortunately for the reserves they didn't make finals this year. Massive thanks to Joey Collard who did a power of work to get a side every week and get the team to compete strongly. The league stole many of Joey's best players throughout the year and it was great to see so many young talent flourish in Blues colours to hold the club in good stead moving forward.

The Blues league team play Hyden/Kalgarin in the grand final to be hosted in Southern Cross this Saturday. Hopefully many Blues supporters can make the trip to cheer on the boys.

The Kulin Kondinin Football Club would like to thank all our sponsors for the year 2022 who help make the club what it is. Massive thanks to all our volunteers who have contributed throughout the season.

Go Blues!!

KULIN NETBALL CLUB

The Kulin Netball Club wound up the 2022 season with a long table lunch on Sunday 21 August. With neither senior teams making finals this year it was an earlier end to the season but was still a fantastic season to celebrate. We enjoyed catering from Walkers Hill Winery along with a BBQ.

Congratulations to Kerry Riseborough on getting her Life Membership for CDNA which was presented on the Saturday in Kulin at the Netball Semi Finals, very much deserved and a huge achievement well done Kerry. Saturday 27th was a huge day in the canteen for the Netball Club, as football finals were held the same day in Kulin too. Thank you so much to everyone that helped out in the canteen, making food and lending a hand wherever they could, the day would not have been able to go ahead without you, so thank you so much.

Congratulations to the following award winners:

70th Clayton Cup

Our golf club celebrated its 70th Clayton cup with 75 players hitting off in perfect weather conditions on our tip top condition golf course. Many past winners returned to Kulin to play and support the Clayton's and our club. The day ran like clockwork thanks to our president Paul Bailey and Men's Captain Phil Roads and their band of helpers - special thanks also to Ambrose and the shire staff who always

help us on our big days . Congratulations to this year's Clayton Cup winner - Jane Slater - a very popular win - and all other trophy recipients. The club is fortunate to have the Clayton family return in force to help on the day - Tim and Marg were able to join us, Rob and Tom played, and Teresa and the girls all helped with our catering. Thank you all so much for your generosity. Thank you also to our local sponsors and last but not least congratulations to

all members on such an awesome day. We had three sporting events working in perfect harmony at the FRAC on the same day, well done Caroline Carrie.

NOTICES FROM THE SHIRE OF KULIN

BUSH FIRES ACT 1954

SHIRE OF KULIN

Notice to all Owners and/or Occupiers of Land within the Shire of Kulin

PURSUANT TO THE POWERS contained in Section 33, you are hereby required on or before 31st October 2022 and thereafter up to and including 15th March 2023 to have a 3 metre firebreak clear of all inflammable material on all rural and townsite rural land owned or occupied by you:

1. Immediately inside all external boundaries of the land; and
2. In such other positions as is necessary to divide land into areas not exceeding 500 hectares, each completely surrounded by a firebreak; and
3. Immediately surrounding any part of land used for crop; and
4. Parallel to and within 100 metres of the perimeter of all buildings, haystacks and fuel ramps on the land; and
5. Immediately surrounding receptacles used for the storage of fuel, whether they contain fuel or not; the firebreak

required to comply with this item shall be no less than 5 metres wide; and

6. Immediately inside land which has been bulldozed, chained or prepared for clearing by burning (whether you intend

to burn the bush or not); the firebreak required shall be no less than 7 metres wide. Where the land is prepared for

clearing by burning after 19th September 2022 you shall provide the firebreak immediately.

Townsites – area less than 1 hectare

All hazardous material must be removed from the whole of the land except living trees, shrubs and plants. In the remaining area all vegetation is to be maintained to a height of no greater than 100mm, and;

It is recommended that at least a 2m wide area immediately within the external boundaries of the lot, be clear of all flammable material except for living trees, plants and shrubs.”

(Note: any land of one hectare or above - rural provisions apply.)

Firebreak Variation

If it is considered by the owner or occupier to be impractical to clear firebreaks to comply with this notice due to soil erosion, the spread of salinity or for any other reason, a request for a variation may be made to the Council no later than the 1 September of each year. Such a request must be in writing and include a detailed plan showing the proposed location of firebreaks or of the alternative fire protection methods to be used.

Harvesting Operations - Mobile Fire Fighting Units

An operational mobile engine powered firefighting pump unit with no less than 500 litres of water shall be in attendance during grain harvesting operations. If the unit is trailer mounted the trailer must be attached to a vehicle at all times during harvesting operations and the unit must be in the paddock, or adjoining paddock, where the harvesting operation is being carried out.

Automatic Harvesting Bans

A Harvest Ban will apply automatically on Christmas Day and New Year's Day.

Other Matters

If for hardship reasons, it is considered by the owner or occupier to be impossible to clear firebreaks required by this Notice, you may apply to Council or its duly authorised officer for permission to seek alternative options. Claimants of hardship, should do so with sufficient time to allow alternatives to be enacted. Claims of hardship does not automatically exempt OWNERS AND OCCUPIERS FROM THE REQUIREMENTS OF THIS NOTICE.

The penalty for failing to comply with this Notice is a fine not exceeding \$5,000. A person in default is also liable, whether prosecuted or not, to pay the cost of the Shire or a contractor performing the work directed in this Notice if it is not carried out by the owner or occupier by the due date. If the requirements of this Notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council.

John Merrick, Acting Chief Executive Officer

Kulin Fire Brigade Protective Clothing Order Form

As we head towards the start of Bush Fire Season, the Shire aims to be ahead of the game in placing another order for protective clothing - coats and trousers, supplied by Stewart & Heaton Protex as well as Honeywell 7600 face masks, provided by Scavenger Supplies. Please see sizing chart below – note the design is an exaggerated full cut resulting in a loose fitting garment.

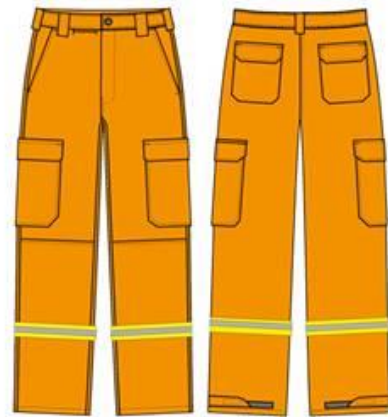

Please email eso@kulin.wa.gov.au or call 9880 1204 to place an order (must include sizing).

You must be a **registered member of a bushfire brigade** within the Shire of Kulin, and have not placed an order in the past 5 years.

Orders will be taken up to Friday 30th September 2022.

Sad Time For AOOB Ralliers

Unfortunately because of lack of entries the 2022 rally will not be happening. We will try our hardest to rally next year.

A lot of work has gone into setting out the track and arranging caterers. Our rally is where we make most of our money to give to charities so we will have to work harder to donate funds.

We had 1 car entered from Kulin making a total of 7, this is unfortunately not enough to be profitable.

Over 30 years we have donated over \$500,000 to charities and \$85,000 to the RFDS.

Please folks try and enter your car for a lot of fun next season.

Our AGM will be advertised soon so we would like lots of you to attend to keep this organisation viable.

 I am chasing a couple of adults or older children on Thursday 29th and Friday 30th September, 10am-3pm (doesn't have to be all day...a couple of hours would help) to help with The Tin Horse Experience at the memorial hall. It includes helping visitors create mini tin horses and generally keeping the space clean and tidy.

To Whom it may concern,

Activity notice: Airborne survey over Kulin Project - Update

Venture Minerals is exploring the broader Kulin area for nickel, copper, palladium and platinum and has scheduled an Airborne Electromagnetic (AEM) survey to start beginning of September 2022. The survey is expected to take 2-3 weeks depending on weather. The flight path is from the Shire of Kulin to the northern part of the Shire of Dumbleyung. During this time you may observe a single pass by the helicopter along spaced flight lines 400 meters apart.

Further information, regarding timing notably, will be published in The Kulin Update closer to the survey starting date. A letter box drop will also be conducted for landowners residing, or with properties, within the survey area.

AEM survey: technicalities

AEM surveys are widely used by governments and industry for mapping rock types or finding conductive mineralisation hidden beneath the ground surface. In this case a helicopter fitted with electromagnetic instruments will record variations in the electrical conductivity of the ground without disturbing it. AEM surveys are non-invasive technologies and are not harmful to humans or livestock.

All flight plans have to be approved by the Civil Aviation Safety Authority (CASA) before start of the survey. The survey happens in daytime and involves a transmitter and a receiver loop dragged at a height of 35 metres above ground (terrain clearance may vary based on the pilot's judgement of safe flying conditions).

Survey results

Should any ground water body be noticed/hint upon by geophysicists, information will be passed on to the relevant landowner(s).

FREE EVENT!

After returning from World War II, Paul Sutton (Reeves), a young G.I. finds he has little in common with the wife he left behind. Disillusioned, he heads north to work as a traveling salesman. There he meets Victoria (Sanchez-Gijon), the daughter of a wealthy vineyard owner (Giannini). On her way home, Victoria is terrified of what her domineering father will do when he learns she is unmarried and pregnant. Paul gallantly offers to help by posing as her husband for one night, unaware that doing so will change both of their lives forever.

Please RSVP by Thursday 1st September 2022, 4pm

KERBSIDE RUBBISH COLLECTION DATES

Many visitors are making their way to Kulin, with the numbers set to increase as spring and the Kulin Bush Races get closer. Visitors are travelling in our Shire for a multitude of reasons, not the least that Kulin is quite simply a fantastic place to be. With the above in mind the Shire is requesting all residents to set aside some time now to spruce up their little piece of heaven.

KERBSIDE RUBBISH COLLECTION

The Shire will be conducting a kerbside pickup throughout the townsite on
**Tuesday 13th September &
Tuesday 27th September 2022**

This will be a great opportunity to get rid of any rubbish not suited to the weekly depot pickups such as small electrical goods, small furniture, tree and garden trimmings etc.

Larger items may be removed from your yard by phoning office staff to organise for pick-up.

Please let us know if you would like something removed.

Please NO broken glass or lawn clippings. Further information call the Shire Office 9880 1204
