TOWN HAPPENINGS

Hopefully the weather continues to warm up and there are not too many more weather interruptions to harvest. Having said that, the hot weather also increases the chances of Fire and Harvest Bans. There are two types of Fire Bans which may be imposed.

Total Fire Ban – imposed by DFES (Department of Fire and Emergency Services)

A Total Fire Ban (TFB) is declared on days when fires are most likely to threaten lives and property. This is because of predicted extreme fire weather or when there are already widespread fires and firefighting resources are stretched.

On a Total Fire Ban day, it is illegal to light an open-air fire or conduct any activity that could start a fire. Further information on Total Fire Bans can be accessed at <https://www.dfes.wa.gov.au/hazard-information/bushfire/total-fire-ban>

Harvest and Vehicle Movement Bans – imposed by Shire of Kulin

Harvest and Vehicle Movement Bans are issued by the Shire of Kulin during the Restricted and Prohibited Burning period (1st November 2022 – 15th February 2023) and are put in place when local Bushfire Control Officers identify the use of engines, vehicles, plant or machinery as high bushfire risk activities. It is your responsibility to find out if a ban is in place and the Shire of Kulin will communicate Harvest Bans via SMS, Harvest Ban line – 9880 1511 and broadcast on ABC radio.

Fire Danger Ratings

In addition to the bans the new Fire Danger Ratings have been developed. Fire Danger Ratings describe the potential level of

danger should a bushfire start. Please refer to the graphic on this page and for more information go to <https://dfes.wa.gov.au/hazard-information/bushfire/prepare>

Roads and Operational Works

Works are continuing on the Fence Rd south of Dudinin with the culvert installation completed this week. More bitumen is being ripped in preparation for fresh gravel to be carted which should start the week of the 28th November.

Dudinin Jitarning Rd will see a contractor here from the 23rd November to mix the base and then will be final trimmed for bitumen sealing starting on the 13th of December. We remind all road users to take care when travelling through these areas as speed restriction are in place to keep everyone safe.

New fencing has been installed at the All Ages Precinct (in line with our legal agreement with arc infrastructure) while the renovations have been completed on the oval.

Staff News

We welcome Belle Brandis to

KULIN BUSH RACES 2022 EVENT WRAP UP

Finally the dust has settled and we've had a chance to sit back and reflect on another wonderful year of Kulin Bush Races. WOW... who would've thought that we would sell out in 63 seconds?! This is a testament to our event's popularity and a credit to our community.

Thank you to our treasurer in Tracey Noble who has been crunching the numbers post event.

We are so excited to announce that the 2022 Westcoast Wool & Livestock Kulin Bush Races made a profit of \$400,000!!!!

This is absolutely phenomenal and we can not wait to get the money back in to our community. We have already committed a donation of \$20,000 to Kulin DHS to support the 'playground project'. Alongside the Kulin DHS P&C, Community Bank Kulin, Variety WA & CBH Group we have been able to fund a huge playground upgrade for our school children.

Please keep an eye out for the KBR funding round in 2023. In the meantime, think about how your club or organisation could benefit from funding from the Kulin Bush Races.

THANK YOU TO OUR SPONSORS

Thank you to all our local sponsors. Your unwavering support is very much appreciated and without our sponsors, our event would not be possible.

THANK YOU TO OUR VOLUNTEERS

The Kulin Bush Races committee would like to sincerely thank all our amazing volunteers for the huge effort to make the weekend happen. It is a massive commitment in time, energy and resources, but that doesn't stop everyone pulling together in the Kulin community to make it happen.

From making toasties, shearing sheep, cleaning toilets, serving beer, selling merch, picking up rubbish and everything in between, and beyond... we APPRECIATE you ALL!

Seeing the event profits funding community projects does make it all worth it. Your hard work certainly makes Kulin a better place to live in.

THANK YOU TO THE SHIRE OF KULIN & LOCAL BUSINESSES

Thank you to the Shire of Kulin and all our local businesses. The extra pressure that the bush races puts on you leading up to and over the weekend is huge. You continue to work hard while still smiling and looking after our visitors.

The Kulin Bush Races committee would like to wish everyone a safe and happy festive season. Enjoy a well deserved break!

THE CAMP

ABOUT THE CAMP

Held early in the year, the KDHS Belongingness Camp is designed to build school culture, a sense of camaraderie amongst our high school students and a sense of belongingness to our school and school community.

The students attend the Dare Adventure Camp at Dwellingup. The camp aims to give the students the opportunity to experience outdoor education in a natural environment. It is aimed to promote teamwork and improved communication skills while meeting new and varied challenges.

Activities will encourage students in team building, confidence building, trust activating, leadership skills, resilience, decision making skills and communication skills.

The camp gives the students and staff an opportunity to develop strong, sustainable relationships, built on trust and understanding. It gives our current and emerging leaders a chance to shine and helps develop a sense of belonging in all students. Through sponsorship we would be able to fully subsidise this camp, so there is no financial barrier for students to attend. The KDHS Board has fundraised to ensure this is possible. Such is the importance that we place on this camp, funds are independent of KDHS funding sources.

STUDENT TESTIMONIALS

"The Belongingness Camp this year was fun and exciting even though we got lots of cuts, scrapes, bumps and bruises. My favourite activities were Archery Tag, the Crate Climb and the 12 Foot Climb. My least favourite activities were the 12 Metre Rock Wall (terrifying by the way) and the Mud Crawl. The food was usually really good and the Councillors were amazing. I enjoyed my stay and would go there again if given the chance."
Allorah

"I thought that camp was a great new experience as we got to do things we have never tried before, but we also built on our team work with the games and strategies."
Jacinta

"This year's Belongingness Camp was great as we got to experience some new things. My favourite activity was doing the Rock Climbing Wall and Crate Climb."

EVENTS AND WHATS ON

As December is almost upon us, please keep a look out in the Kulin update and on our Facebook page <https://www.facebook.com/freebairn.recreationcentre> for up-and-coming events we are hosting at the FRC.

Over the last few months, I have gradually added a few different drinks options behind the bar, including a new beer '4 Pines' is now on tap, it is "A full flavoured ale with fresh aromas of pine and grapefruit. Bright in appearance with a deep golden hue, a biscuity palate, and a smooth bitter finish." I have also added some different premixed Gin drinks and even a sugar free vodka UDL. Come down and try our new drinks or

if you would like to see any other kinds of drinks in the fridge here, I am open to suggestions.

Roughly 6 months ago we welcomed Natalia and Sebastian to town. They have been a great asset to the FRC and also very helpful around the community working both at Acres of Taste and The Community Hub. Sadly, they have told me they are leaving around the 23rd of December. I would just like to take the chance to thank them for all their hard work and wish them the best of luck with their next adventure.

CHRISTMAS AND A HAPPY NEW YEAR

KULIN AQUATIC CENTRE

Well we have been open now for 2 weeks and lets just say it's been a tad quiet. Think the busiest time is almost early morning swimming. Reminds me a bit of the 10 in the bed nursery rhyme, only it was 7 in the pool. 2 in the pool and the 3rd one said move over move over, then the 4th one hopped in the pool and said to his mate move over move over and this kept going till I had to hop out after 6 early morning swimmers all moved over. Didn't take much for me to put my hand up though. This is great to see the early morning ice breakers back at it with a few new faces this season which is fantastic. What better way to start the day. Early morning ice bath followed by friendly chat with a coffee before you are off to work. The more the merrier. Still happy to open that bit earlier if some want to get back to the headers or trucks once we get some decent weather. I'm sure those that are coming down will tell you how nice it really is.

Swimming Club is back into it as well. Been a cold start for them but there has been some brave little swimmers in the water then straight to the hot showers once finished. It will get warm enough soon enough

want to be part of it.

Swim to Rotto is on again this season and there might be a little bit of competitiveness happening just quietly but that's a good thing. First 2 weeks has seen the swim tally already getting up there with just over 1600 laps swum between the Ice Breakers so 41 km done to add to our previous seasons km on our way swimming around Australia. As a town over the last 3 seasons we have reached Willare Bridge just south of Derby so we are back on the road again as of 2 weeks ago. No travel restrictions now so just keep swimming. Anyone doing laps or wants to challenge themselves, pop in do some laps and let me know how many. I will keep tally and it all adds to the total at the end of the season plus your own personal goal.

Skywalker Rope Access are back this week working flat out at trying to get the slide ready for opening. We should have a date soon as to when we can open it so stay tuned. It is looking great so far and it hasn't even had one full coat of paint yet so should look like new once done. With opening of the slide comes the training for staff. Those from last season will tell you what

such a good boss I am and would love to come back and work for the love of it but guess what , you get paid to meet new people, talk all day with people you wouldn't know from a bar of soap and save 2-ways from falling off the top deck. I mean save lives. This hasn't actually happened yet because they do such a great job supervising that nobody needs saving. If you want to earn a bit of spending money for xmas or the holidays come down have a chat and I'll tell you what I want for xmas from your earnings. Hopefully we will be doing the Bronze requal within the next couple of weeks so touch base.

Anyway enough from me, got to get back in the water for more laps.

Cheers
Jones

SPORTS NOTICES

KONDININ KULIN JUNIOR CRICKET CLUB

This summer our junior cricketers have played 3 matches so far. We've had two wins and one loss. 23rd October was our first game against Darkan at Kondinin and it was a great start for our season. Hamish Stacey debut game saw him take his first wicket. Sam Murphy had an excellent day out taking 3 wickets. Dan Jones also made his debut for the Kondinin Kulin team and as opening Batman put us in a great position hitting four fours. Dan got a total of 23 runs from 22 balls. The overall result was 3 for 106 and the team came away with a win by 44 runs.

On 6th November our team

travelled to Cuballing to play against the Narrogin team. Towns won by 7 wickets and our highest run scorer went to Ned Bowey. Maddie Tyson made her debut and Cuballing was a picturesque venue with its white picket fence situated beside the equestrian centre.

On 20th November we had a close and immensely exciting game in Williams. The team welcomed back the Gangell boys and Kondinin Kulin came away with the win and score of 7 for 107 but it was literally down to the wire with the winning run scored by Tarkyn Lewis off the 4th ball of the final over. The highest run scorer was Tarkyn

Lewis on 21 followed closely by Eli McAdam on 19. Flynn Smoker took 3 wickets but it was a team effort in the end to get the team over the line.

Our next game is scheduled Saturday morning in Kulin on 4th December. The season will take a break then resume back in Kulin for games on 5th February, 19th February and 5th March 2023.

KULIN TENNIS CLUB

Good luck to the Kulin Pennant Team who take on Hyden 2 in the EDTA PENNANT GRAND FINAL this Saturday 26 November in Mt Walker

After finishing the season undefeated and top of the table Kulin have one more win to secure the ultimate prize. The

team is pumped to be in the Grand Final and will be giving it their all on Saturday to come away victorious.

Supporters are welcome to come along! The bus is booked and should have some spare seats – if anyone is interested please let Foops know.

A big thank you to all of the people that played pennants this year and got the team this far, (this does include Neil!!)

KULIN JUNIOR BASKETBALL CLUB

The Freebairn Rec Centre has been a hive of activity on Friday nights this term, with the 2022 junior basketball season in full swing.

This year we have 118 kids from Year 1 to Year 10 participating. Along with our local kids we have players travelling from Kondinin, Hyden, Corrigin and Lake Grace. We love having the out of towners join us and really appreciate the huge distances some parents are travelling. Elle Bowey and her band of merry helpers are running the Hoops program for Year 1 & 2's. Around 20 kids are having a ball learning all the basketball basics.

We are running games for three different age groups each week – with four teams in each competition. It's amazing seeing the kids' basketball skills

improve each week. There have been some really close games with spectators on the edge of their seats – some games have been won by a goal scored on the final buzzer.

There are only two rounds of games to go before our Grand Final on Friday 9 December 2022.

We are excited to announce that our club has been chosen to play at half time of the Wildcats game at RAC Arena on Saturday 14 January. Thanks to Colin Tapper who entered a competition on behalf of our club and won! We are currently selecting a team – this will be announced this Friday. What an amazing opportunity for those selected!

A big thank you to everyone who volunteers for our club each

week. It takes a huge number of parents to coach, score, umpire and run the canteen. Shaz McAdam is doing a wonderful job of co-ordinating our volunteers. Elise Mullan is a superstar in the canteen – we have been treated to nibble boxes this season, along with the normal basketball menu of delicious burgers and yummy treats.

KULIN CHILDCARE CENTRE

The sun is finally shining and the weather warming up which means we can get outside and get lots of play in the fresh air and sunshine. Our programme is now concentrating on “going back to basics”, revisiting our learning from the start of the year and seeing how far we have progressed. This includes fine and gross motor, crossing midline and cognitive learning.

There are lots of Christmas craft activities being completed and our Christmas tree is up. The children will have lots of lovely things to take home and decorate the tree.

A big thank you to Tom, Will and Claire Bowey (Brian and Elle) for the donation of a train table. It

has been a wonderful welcome addition inside and very well used. Thank you also to Eliza Hobson (Judd and Jayde) for the small trampoline which is getting great use outside in this lovely weather.

If anyone has an a-frame shelter that could be converted into a chook pen (or anything else suitable for a chook pen) we would love to get in touch. Our chooks are an important part of our childcare family and their pen is in need of an upgrade.

We will be taking bookings for school holidays and expressions of interest for 2023. Please send us an email at kulinccc@kulin.wa.gov.au.

A reminder that the last day we

are open in 2022 is Tuesday 20th December. Educators will spend a few days getting the Centre in order ready for the Christmas break. We will reopen to children on Wednesday 18th January 2023.

CRC CORNER

NATIONAL CAKE DAY 26TH OF NOVEMBER

On November 26th, National Cake Day delivers a scrumptious treat for everyone to enjoy! Slide over pie, this day cake takes center stage as the dessert of choice. On most birthdays, the cake is topped with candles no matter their age. Showers, weddings, retirements and anniversaries, cake serves up a slice or two.

These sweet layered, frosting-covered, or fondant-decorated works of art scream celebration! Made from scratch, a box or picked up from the bakery, a cake sends a sweet message. They also come in many combinations and flavors, too.

No one can know how many. There are countless cake recipes. Some are even bread-like, others rich and elaborate, and many still are centuries old. Of Viking origin, the word cake is derived from Old Norse “kaka.” At that time, a cake’s texture was more like gingerbread due to the availability of refined ingredients.

How to Observe National Cake Day?

Grab the flour and cake pans. Get dusted up and warm the house with love. Decorate and frost them. And then, deliver it to a family gathering. You know you’ll wow them with their favorite. Cream cheese frosting, buttercream or icing. What’s your favorite? Here are a few delicious choices to try.

DECEMBER HOROSCOPE- SAGITTARIUS

December 2022 Sagittarius should have a new source of energy now that he has entered into a month that calls for action. Go forward and do what must be done. There is something that you must do that has to be done alone.

No one can help you, so go ahead. Don’t force any issues, but watch for opportunities in business and use good judgement. Watch for unexpected guests to arrive at your doorstep. If you don’t want them to come, then you had better plan a trip yourself. You most likely have a better understanding of yourself as a result of your attention to yourself during this last year. Be obliging to those you care about, but don’t allow their issues to become your issues.

During December mental and immaterial pursuits are likely. It’s what you can’t see feel or touch that will permeate your thoughts and you could see things with a different attitude.

BRAIN TWISTERS

It belongs to you, but other people use it more than you do. What is it?

If you're running in a race and you pass the person in second place, what place are you in?

A wealthy family lived in a big circular house. They had a maid, a butler, and a gardener. The parents were going to a party, so they tucked the younger kids into bed and kissed them goodnight and said goodbye, and kissed the older kids goodnight. When the parents came home, all the kids were gone—they had been kidnapped. The authorities ask the butler, maid, and gardener what they were doing at the time of the kidnapping. The butler says he was organizing the library, the maid says she was dusting the corners, and the gardener says he was watering the plants. Who's lying and actually kidnapped the kids?

Free mammograms for women in

BreastScreen WA's **FREE** screening mammogram service is coming to

from

and the mobile clinic will be located at:

Women 40 years and over with no symptoms are eligible for a FREE screening mammogram.

Breast cancer is the most common life threatening cancer for women and 1 in 7 women in Australia will develop breast cancer in their lifetime.

Having a screening mammogram (breast x-ray) every two years significantly increases the chance of a woman surviving breast cancer and reduces the amount of treatment required. More than 75% of breast cancers occur in women over the age of 50. Research shows that screening is most effective for this age group.

BreastScreen WA's Medical Director Dr Elizabeth Wylie, said screening mammography was the most effective method for early detection of breast cancer.

"Screening every two years is vitally important to increase the chance of a breast cancer being detected when it is too small to feel or be noticed. Finding a cancer at this early stage often means that the breast cancer is small and more treatable".

"A free screening mammogram is one of the best things that women can do to look after their health. Breast screening saves lives and only takes 20 minutes," said Dr Wylie.

Screening mammograms may detect 70-90% of breast cancers.

Any woman with a persistent change in a breast should contact her doctor immediately.

Dates may be subject to change. If visit dates are not suitable participants are welcome to book at the clinic in a different town or at any of our [permanent clinics](#). For more information please visit BreastScreen WA's website www.breastscreen.health.wa.gov.au.

To make your free screening mammogram appointment – book online www.breastscreen.health.wa.gov.au or call 13 20 50.

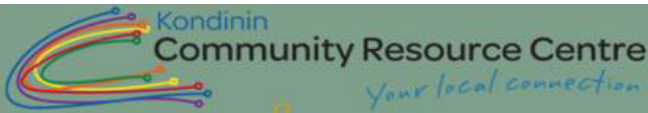

Early detection is your best protection.
