6.5 Kulin Museum Request to Reinstate Tractor in Main Street

RESPONSIBLE OFFICER: CEO
FILE REFERENCE: 05.19

STRATEGIC REFERENCE/S:

SUMMARY:

The Kulin Museum Society Inc. have written to Council requesting permission to reinstate the rare blue Emerson Brantingham & Co tractor in the main street.

BACKGROUND & COMMENT:

The tractor is circa 1915 and was owned by Mr J. H. (Harry) Nichols and was formerly situated opposite the National Bank where it was placed around 1960.

Permission is sought to place it in the main street again at the south side of the area adjacent to the fuel facility. The Museum intend to construct a concrete platform structure and with a metal shade structure as before. Work is proposed to be overseen by Museum members.

It is believed that Museum members would also undertake some restoration work on the tractor prior to its relocation, in the form of new paintwork.

6.6 Development Assessment Panels (DAP)

NAME OF APPLICANT: Department of Planning, Lands & Heritage
RESPONSIBLE OFFICER: CEO
FILE REFERENCE: 18.05
AUTHOR: CEO
DISCLOSURE OF INTEREST: Nil

SUMMARY:

Development Assessment Panels came into operation in 2011 to determine development applications for each Shire that meet a certain threshold value (can be determined by applicant). Each DAP comprises 5 members, 3 specialist members, one of which is the presiding member, and 2 local government members. The appointments of all DAP members expire on 26 January 2020 and Council was requested to supply names prior to 8 November 2019 to ensure all local interests are represented in future DAP determinations.

BACKGROUND & COMMENT:

In April 2017 Councillors West and Duckworth were Council's nominated representatives to serve on the DAP. Both Cr West and Duckworth had undertaken the required training.

In 2017 Council did not nominate 2 alternatives members, which is acceptable – and considering that the Kulin DAP has had no work in the past 7 years, was not a high priority.

The appointments are for a two-year term to expire on 26 January 2022.

6.7 New Policy – HR19 Work Related Travel Expenses

NAME OF APPLICANT: DCEO
RESPONSIBLE OFFICER: CEO
FILE REFERENCE: 23.05
AUTHOR: CEO
STRATEGIC REFERENCE/S: Administrative Procedures and Operational Guidelines (APOG) Manual
DISCLOSURE OF INTEREST: Nil

SUMMARY:

Council require a formalised procedure for staff to claim travel expenses. A procedure will help to clarify the process, expectations and limitations surrounding the reimbursement of expenditure when conducting work related travel.

BACKGROUND & COMMENT:

Staff have used a very old, informal policy contained within the payroll processing instructions regarding the reimbursement of travel expenses. The details of the policy are:

Travel

- *If shire car not available. Employee to take own car and paid 76 cents/km for use of own car as per award*
- *If staff do not want to take their own car they do not go.*

Accommodation

- *\$150-\$170 per day as a guide including breakfast & evening meal. (lunch normally included in training/seminar)*
- *Anything reasonable will be considered*
- *Payment only made on receipt of invoice.*

Meal Allowance

- *Conference – If person choses to stay in own accommodation - \$75 per day*
- *Training or Meeting - If person choses to stay in own accommodation - \$50 per day (\$20 for breakfast, \$30 for dinner). If breakfast is had at hotel then \$30 per day for dinner.*

Daily travel to Perth

- *Will pay for lunch, morning tea, as a guide around \$20 per day on production of receipts.*

The content of the guideline is similar to the informal procedure however the rates have been altered to be in line with what the Australian Taxation Office determines as appropriate and the process to claim the expenses has been outlined.

FINANCIAL IMPLICATIONS:

There is a cost to Council but it is expected that the costs will be much the same as they currently are.

6.8 Kulin Masonic Lodge – Request to Write Off Rates 2018/19

NAME OF APPLICANT: Kulin Masonic Lodge
RESPONSIBLE OFFICER: CEO
FILE REFERENCE: 25.02
AUTHOR: DCEO
DISCLOSURE OF INTEREST: Nil

SUMMARY:

The Shire of Kulin have received a letter from the Kulin Masonic Lodge requesting that Council consider granting the organisation an exemption on their land for the purposes of raising rates based on the charitable works the organisation conducts.

BACKGROUND & COMMENT:

The Kulin Masonic Lodge describes itself as a charitable organization and have contributed generously to the community and local organisations over the years. Some of the work they have been involved in has included:

- Kulin Retirement Homes – donation of the land which the residences have been constructed on
- Caring for the widows of the Brethren
- Kulin Bush Races – volunteering to run the fish and chips shop throughout the event.

Section 6.26(g) of the Local Government Act 1995 provides for a rate exemption for 'land used exclusively for charitable purposes'. The Local Government Act 1995 does not define what a charitable purpose is therefore, the definition under Commonwealth Law must be applied.

Under Section 12(1) of the Charities Act 2013, a charitable purpose means any of the following:

- a) the purpose of advancing health;
- b) the purpose of advancing education;
- c) the purpose of advancing social or public welfare;
- d) the purpose of advancing religion;
- e) the purpose of advancing culture;
- f) the purpose of promoting reconciliation, mutual respect and tolerance between groups of individuals that are in Australia;
- g) the purpose of promoting or protecting human rights;
- h) the purpose of advancing the security or safety of Australia or the Australian public;
- i) the purpose of preventing or relieving the suffering of animals;
- j) the purpose of advancing the natural environment;
- k) any other purpose beneficial to the general public that may reasonably be regarded as analogous to, or within the spirit of, any of the purposes mentioned in paragraphs (a) to (j);
- l) the purpose of promoting or opposing a change to any matter established by law, policy or practice in the Commonwealth, a State, a Territory or another country, if:
 - i. in the case of promoting a change—the change is in furtherance or in aid of one or more of the purposes mentioned in paragraphs (a) to (k); or
 - ii. in the case of opposing a change—the change is in opposition to, or in hindrance of, one or more of the purposes mentioned in those paragraphs.

The Kulin Masonic Lodge invests and provides services to the community. The Kulin Masonic Lodge, while not a registered charitable organisation itself, operates under the State Masonic Lodge which is registered under the Australian Charities and Not for Profit Commission.

Given the small membership of the Kulin Masonic Lodge they are unable to raise enough revenue to cover the expense of their rates. The 2019/20 rates levied are currently outstanding and it is my understanding that, while the letter received is asking for an exemption for their property rates, the group are also seeking a write off of the current year rates.

FINANCIAL IMPLICATIONS

There is a budget allocation for general write offs and this expense can be covered under that allocation. If a rate exemption is granted the financial impact will be considered when preparing future budgets.
