I have lived in Kulin all my life, raised a family and have operated a transport business for the past 33 years and am keen to see Kulin grow and prosper as a regional center.

I have been a member of the Kulin Shire Council for the past 8 years and have been Vice President for the past 2 years. I am currently deputy chair of the Wheatbelt South Regional Road Group and chair of the Lakes subgroup.

In the past I have been a member/chair of the Kulin School Board and I have been actively involved in various transport industry associations. I was President of the Livestock and Rural Transporters Association of WA for several years and was awarded life membership in 2016 as well as President of the Australian Livestock and Rural Transporters Association and am currently secretary of the national association. During this time I have gained a lot of experience in dealing with Local, State and Federal governments as well as representing individual members.

I believe that as a shire we need to

Ensure that facilities throughout the shire allow a high quality of life to all residents

Provide opportunity to capitalize on tourist traffic

Ensure our town and main street remain presentable and attractive

Ensure the budget is adequate to allow the roads within our shire to be maintained to a high standard

Encourage new support businesses to Kulin
