

I, Troy Gangell, wish to run as a shire councillor for the Kulin Shire, Town Ward. I have made this decision as I am passionate about continuing the outstanding contribution our shire has made to our community. Kulin is a great place to live because of this.

I grew up in Kulin and went to school at KDHS until I graduated year 10 in 1993 (as Dux – apologies to Fi Murphy). Many of my school year are still in Kulin so I have a lot of close friends here. From there I completed year 11 and 12 at Scotch College in Perth followed by starting a Bachelor of Business at Curtin University.

I returned home to work in and eventually take over our family business which has now become Gangells AgSolutions.

Kulin is one of the most forward-thinking communities in Australia and I think our shire councillors have an important role in continuing this tradition. As I councillor I hope I can contribute to this great place we all live.

Thanks,

Troy Gangell.
